In the near future, your clients in the affected funds will be receiving proxy materials. In advance of this, we hope the links to the proxy materials and an overview of the proposed merger will help you address any questions regarding these proposals.

The specific merger proposal is outlined in the table below:

The shareholder vote will be held at a special shareholder meeting which is scheduled for April 5, 2012.

The funds have engaged a proxy solicitation firm [Computershare Fund Services](#) to assist in soliciting the necessary votes in a timely manner. If enough shareholders do not cast their votes, a fund may not be able to hold its meeting and will be required to incur additional solicitation costs in order to obtain sufficient shareholder participation. To reduce expense, and minimize phone calls to shareholders from the proxy solicitor, please urge your clients to vote as soon as possible.
