Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On June 13, 2012, Xilinx, Inc. (the Corporation) entered into and approved amendments to the employment letter agreement entered into between the Corporation and Moshe Gavriellov, the Corporation's President and Chief Executive Officer on January 4, 2008, and the employment letter agreement entered into between the Corporation and Jon Olson, the Corporation's Senior Vice President, Finance and Chief Financial Officer, on June 2, 2005, as amended on February 14, 2008.

The amendments to Mr. Gavriellov's and Mr. Olson's employment letter agreements clarify certain provisions of such agreements that relate to the acceleration of vesting terms. Specifically, (i) with respect to the 24 months' additional vesting of equity awards that Mr. Gavriellov is entitled to receive if the Corporation terminates his employment other than for Cause (as defined in his employment letter agreement) or due to a disability, or he voluntarily terminates his employment for Good Reason (as defined in his employment letter agreement) and (ii) with respect to the 12 months' additional vesting of equity awards that Mr. Olson is entitled to receive if he is involuntarily terminated without Cause (as defined in his employment letter agreement) within one year following the consummation of a Change of Control (as defined in his employment letter agreement):

(a)(1) for any performance-based restricted stock units (Performance-Based RSUs) for which the number of earned restricted stock units has not been determined as of the date of termination, for both Mr. Gavriellov and Mr. Olson, to the extent such termination, as described above, occurs within one year following the consummation of a Change in Control (as defined in his amended offer letter agreement), the number of Performance-Based RSUs that will be deemed earned for purposes of such accelerated vesting will equal the target number of restricted stock units set forth in the applicable award agreement (the Target Number of RSUs), provided that for Mr. Gavriellov, if his employment is terminated for the reasons described above at any time other than within one year following the consummation of a Change in Control, the number of Performance-Based RSUs that will become earned for purposes of such 24 months' accelerated vesting will not be the Target Number of RSUs but will instead be determined based on actual performance of the applicable performance metrics, as, and at such time as, determined by the Compensation Committee of the Board of Directors, and (2) to the extent any earned restricted stock units are subject to cliff vesting on one or more anniversaries of the date of grant, solely for purposes of determining the number of such earned restricted stock units that shall vest upon termination, such earned restricted stock units will be treated as instead being subject to monthly vesting in equal installments from the applicable date of grant, and Mr. Gavriellov and Mr. Olson will become vested in the number of earned restricted stock units that would have vested during the period commencing from the applicable date of grant and continuing until the applicable termination date and during an additional 24-month or 12-month period, respectively, following the applicable termination date; and

(b) for restricted stock units not subject to vesting based on performance metrics (RSUs), to the extent any such RSUs are subject to cliff vesting on one or more anniversaries of the date of grant, solely for purposes of determining the number of such RSUs that shall vest upon termination, such RSUs will be treated as instead being subject to monthly vesting in equal installments from the applicable date of grant, and Mr. Gavriellov and Mr. Olson will become vested in that number of RSUs that would have vested during the period commencing from the date of grant and continuing until the applicable termination date and during an additional 24-month or 12-month period, respectively, following the applicable termination date.

The description of the amendments set forth herein does not purport to be complete and is qualified in its entirety by the provisions of the amendments, which are attached hereto as Exhibits 10.17 and 10.18.
