SPECIAL NOTE REGARDING THE ISSUER

In connection with our initial public offering of our Class A common stock in February 2007, we effected a reorganization of our business, which had previously been conducted through HFF Holdings LLC (*HFF Holdings*) and certain of its wholly owned subsidiaries, including Holliday Fenoglio Fowler, L.P. and HFF Securities L.P. (together, the *Operating Partnerships*) and Holliday GP Corp. (*Holliday GP*). In the reorganization, HFF, Inc., a newly-formed Delaware corporation, purchased from HFF Holdings all of the shares of Holliday GP, which is the sole general partner of each of the Operating Partnerships, and approximately 45% of the partnership units in each of the Operating Partnerships (including partnership units in the Operating Partnerships held by Holliday GP) in exchange for the net proceeds from the initial public offering and one share of Class B common stock of HFF, Inc. As of the date of this prospectus supplement, HFF Holdings had exchanged an additional approximately 54.9% of the partnership units in each of the Operating Partnerships for shares of Class A common stock of the Company pursuant to the Exchange Right (as defined in this prospectus supplement). Following this reorganization, HFF, Inc. became and continues to be a holding company holding partnership units in the Operating Partnerships and all of the outstanding shares of Holliday GP. As of the date of this prospectus supplement, HFF, Inc. held approximately 99.6% of the partnership units in the Operating Partnerships. HFF Holdings and HFF, Inc., through their wholly-owned subsidiaries, are the only limited partners of the Operating Partnerships. HFF Holdings and HFF, Inc., through their wholly-owned subsidiaries, are the only limited partners of the Operating Partnerships. We refer to these transactions collectively in this prospectus supplement as the *Reorganization Transactions*. Unless we state otherwise, the information in this prospectus supplement gives effect to these Reorganization Transactions.

Unless the context otherwise requires, references to (1) *HFF Holdings* refer solely to HFF Holdings LLC, a Delaware limited liability company that was previously the holding company for our consolidated subsidiaries, and not to any of its subsidiaries, (2) *HFF LP* refer to Holliday Fenoglio Fowler, L.P., a Texas limited partnership, (3) *HFF Securities* refer to HFF Securities L.P., a Delaware limited partnership and registered broker-dealer, (4) *Holliday GP* refer to Holliday GP Corp., a Delaware corporation and the general partner of HFF LP and HFF Securities, (5) *HoldCo LLC* refer to HFF Partnership Holdings LLC, a Delaware limited liability company and a wholly-owned subsidiary of HFF, Inc., and (6) *Holdings Sub* refer to HFF LP Acquisition LLC, a Delaware limited liability company and wholly-owned subsidiary of HFF Holdings. Our business operations are conducted by HFF LP and HFF Securities, which are sometimes referred to in this prospectus supplement as the *Operating Partnerships*. Also, except where specifically noted, references in this prospectus supplement to the Company, *we* or *us* mean HFF, Inc., a Delaware corporation, and its consolidated subsidiaries after giving effect to the Reorganization Transactions.

References to the *initial public offering* refer to our initial public offering in February 2007 of 16,445,000 shares of our Class A common stock, including shares issued to the underwriters of the initial public offering pursuant to their election to exercise in full their overallotment option.

Summary of Risks Related to Our Business

General economic conditions and commercial real estate market conditions, both globally and domestically, have had and may in the future have a negative impact on our business.

Our business has been, is currently being, and may continue to be, adversely affected by recent restrictions in the availability of debt and/or equity capital as well as the lack of adequate credit and the risk of continued deterioration of the debt and/or credit markets and commercial real estate markets.

If we are unable to retain and attract qualified and experienced transaction professionals and associates, our growth may be limited and our business and operating results could suffer.

The deteriorating business of certain of our clients could adversely affect our results of operation and financial condition.

Additional indebtedness or an inability to draw on our existing revolving credit facility or otherwise obtain indebtedness may make us more vulnerable to economic downturns and limit our ability to withstand competitive pressures.

The current global credit and financial crisis could affect the ability or willingness of the financial institutions with whom we currently do business to provide funding under our current financing arrangements.

Our business could be hurt if we are unable to retain our business philosophy and partnership culture as a result of becoming a public company, and efforts to retain our philosophy and culture could adversely affect our ability to maintain and grow our business.

We have numerous significant competitors and potential future competitors, some of which may have greater resources than we do, and we may not be able to continue to compete effectively.

In the event that we experience significant growth in the future, such growth may be difficult to sustain and may place significant demands on our administrative, operational and financial resources.

If we acquire companies or significant groups of personnel in the future, we may experience high transaction and integration costs, the integration process may be disruptive to our business and the acquired businesses and/or personnel may not perform as we expect.

A failure to appropriately deal with actual or perceived conflicts of interest could adversely affect our businesses.

A majority of our revenue is derived from capital markets services transaction fees, which are not long-term contracted sources of revenue, are subject to external economic conditions and intense competition, and declines in those engagements could have a material adverse effect on our financial condition and results of operations.

Our existing goodwill and other intangible assets could become impaired, which may require us to take significant non-cash charges.

Our existing deferred tax assets may not be realizable, which may require us to take significant non-cash charges.

Employee misconduct, which is difficult to detect and deter, could harm us by impairing our ability to attract and retain clients and subjecting us to significant legal liability and reputational harm.

Compliance failures and changes in regulation could result in an increase in our compliance costs or subject us to sanctions or litigation.

We could be adversely affected if the Terrorism Risk Insurance Act of 2002 is not renewed beyond 2014, or is adversely amended, or if insurance for other natural or manmade disasters is interrupted or constrained.

Summary of Risks Related to Our Organizational Structure

Our only material asset is our units in the Operating Partnerships, and we are accordingly dependent upon distributions from the Operating Partnerships to pay our expenses, taxes and dividends (if and when declared by our board of directors).

We will be required to pay HFF Holdings for most of the benefits relating to any additional tax depreciation or amortization deductions we may claim as a result of the tax basis step-up we receive, subsequent sales of our common stock and related transactions with HFF Holdings.

If HFF, Inc. was deemed an investment company under the Investment Company Act of 1940 as a result of its ownership of the Operating Partnerships, applicable restrictions could make it impractical for us to continue our business as contemplated and could have a material adverse effect on our business.
