ITEM 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On March 6, 2013, Pentair Ltd. (the Company) entered into an agreement (the Agreement) with Randall J. Hogan, the Company's Chairman and Chief Executive Officer, providing that, if his employment is involuntarily terminated, other than for death, disability or for cause (as defined in the Agreement), or if he terminates his employment for conditions that constitute good reason (as defined in the Agreement), in each case prior to or on September 28, 2015, all of his then outstanding unvested stock options and restricted stock units granted after the merger of the Flow Control business with Pentair, Inc., which occurred on September 28, 2012 (the Merger), would immediately vest; provided that in the case of restricted stock units that are conditioned on the attainment of certain performance goals, such restricted stock units will become fully vested only if such performance goals are satisfied. In addition, the performance conditions with respect to his cash-settled performance awards granted after the Merger would be deemed satisfied and the units would be paid out at target following the end of the applicable performance period, except that certain performance goals must be satisfied for any payment to be made with respect to such units. The Company cannot currently determine the amounts, if any, that may become payable to Mr. Hogan in the future under the Agreement. The Agreement also requires Mr. Hogan to maintain the confidentiality of the Company's information during and following employment and to refrain from competitive activities for a period of one year following termination of employment with the Company.

The foregoing description of the Agreement is only a summary and is qualified in its entirety by reference to the copy of the Agreement filed as Exhibit 10.1 to this Current Report on Form 8-K and incorporated by reference herein.
