PROXY STATEMENT

FOR THE 2013 ANNUAL MEETING OF STOCKHOLDERS

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the "SEC"), Enphase Energy, Inc. (sometimes referred to as the "Company," "Enphase," "we" or "us") has elected to provide access to our proxy materials over the internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our stockholders of record. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about March 22, 2013 to all stockholders of record entitled to vote at the annual meeting (the "Annual Meeting").

Will I receive any other proxy materials by mail?

We do not expect to send any proxy materials by mail unless requested.

How do I attend the annual meeting?

The meeting will be held on Thursday, May 2, 2013 at 9:00 a.m. local time at our principal office located at 1420 N. McDowell Blvd., Petaluma, CA 94954. Directions to the Annual Meeting may be found at www.enphase.com/contactus. Information on how to vote in person at the Annual Meeting is discussed below.

Who can vote at the annual meeting?

Only stockholders of record at the close of business on March 5, 2013 will be entitled to vote at the Annual Meeting. On this record date, there were 41,223,846 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 5, 2013 your shares were registered directly in your name with our transfer agent, American Stock Transfer & Trust Company, LLC, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote by proxy over the telephone or on the internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 5, 2013 your shares were held, not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

1.

What am I voting on?

There are two matters scheduled for a vote:

Election of two nominees as Class I directors to serve until the 2016 Annual Meeting of stockholders or until their successors have been duly elected and qualified; and

Ratification of selection by the Audit Committee of the Board of Directors (the Audit Committee) of Deloitte & Touche LLP as independent registered public accounting firm of the Company for its fiscal year ending December 31, 2013.

What if another matter is properly brought before the meeting?

The Board of Directors (the Board) knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

How do I vote?

You may either vote For all the nominees to the Board or you may Withhold your vote for any nominee you specify. For each other matter to be voted on, you may vote For or Against or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

To vote through the internet, go to <http://www.proxyvote.com> to complete an electronic proxy card. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 p.m., Pacific Time on May 1, 2013 to be counted.

To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.

To vote over the telephone, dial toll-free 1-800-579-1639 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the company number and control number from the Notice. Your vote must be received by 11:59 p.m., Pacific Time on May 1, 2013 to be counted.

To vote by mail, you may do so by first requesting printed copies of the proxy materials by mail and then filling out the proxy card and sending it back in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you should have received a Notice containing voting instructions from that organization rather than from Enphase. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank, or contact your broker or bank to request a proxy form.

We provide internet and telephone proxy voting to allow you to vote your shares on-line or by telephone, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

2.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of March 5, 2013.

What if I submit a proxy card but do not make specific choices?

Stockholder of Record: Shares Registered in Your Name. If you are a stockholder of record and submit a proxy card or otherwise vote without marking any voting selections, your shares will be voted as follows:

FOR the election of each of the two nominees named in this proxy statement to serve on the Board; and

FOR the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

If any other matter is properly presented at the Annual Meeting, your proxy holder (one of the individuals named on the proxy card) will vote your shares as recommended by the Board or, if no recommendation is given, will vote your shares using his or her best judgment.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank. If you are a beneficial owner of shares registered in the name of your broker, bank or other nominee, and you do not provide the broker or other nominee that holds your shares with voting instructions, the broker or other nominee may vote your shares if they have discretionary authority to vote on the particular matter. Brokers do not have discretionary authority to vote shares with respect to Proposal No. 1, the election of directors, but they do have discretionary authority, if not otherwise directed, to vote shares with respect to Proposal No. 2, the ratification of the appointment of Deloitte & Touche LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

You may submit another properly completed proxy card with a later date.

You may grant a subsequent proxy by telephone or through the internet.

You may send a timely written notice that you are revoking your proxy to Enphase's Assistant Secretary at 1420 N. McDowell Blvd., Petaluma, CA 94954.

Edgar Filing: Enphase Energy, Inc. - Form DEF 14A

You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy. Your most current proxy card or telephone or internet proxy timely provided to us is the one that is counted.

3.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

When are stockholder proposals due for next year's annual meeting?

To be considered for inclusion in next year's proxy materials, your proposal must be submitted in writing by November 22, 2013, to Enphase's Assistant Secretary at 1420 N. McDowell Blvd., Petaluma, CA 94954, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Securities Exchange Act of 1934, as amended (the Exchange Act). If you wish to submit a proposal that is not to be included in next year's proxy materials, but that may be considered at the annual meeting of stockholders to be held in 2014, you must do so in writing following the above instructions not earlier than the close of business on January 2, 2014 and not later than the close of business on February 1, 2014. We advise you to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations, including the different notice submission date requirements in the event our annual meeting for 2014 is held more than 30 days before or after May 2, 2014. The section titled "Nominating and Corporate Governance Committee" in this proxy statement provides additional information on the director nomination process.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting, who will separately count For, Withhold and broker non-votes with respect to the election of directors, and, with respect to Proposal No. 2, For and Against votes, abstentions and broker non-votes.

Abstentions and broker non-votes will be treated as shares present for the purpose of determining the presence of a quorum for the transaction of business at the Annual Meeting. Abstentions will be counted towards the tabulation of shares present in person or represented by proxy and entitled to vote and will have the same effect as Against votes on Proposal No. 2.

What are broker non-votes ?

Broker non-votes occur when a beneficial owner of shares held in street name does not give instructions to the broker or nominee holding the shares as to how to vote on matters deemed non-routine. Generally, if shares are held in street name, the beneficial owner of the shares is entitled to give voting instructions to the broker or nominee holding the shares. If the beneficial owner does not provide voting instructions, the broker or nominee can still vote the shares with respect to matters that are considered to be routine, but not with respect to non-routine matters. Under the rules and interpretations of the New York Stock Exchange, non-routine matters are matters that may substantially affect the rights or privileges of stockholders, such as mergers, stockholder proposals, elections of directors (even if not contested) and executive compensation, including the advisory stockholders votes on executive compensation. Proposal No. 1, the election of the two nominees for director, is a non-routine matter. Proposal No. 2, the ratification of the selection by the Audit Committee of Deloitte & Touche LLP as the independent auditors of Enphase for its fiscal year ending December 31, 2013, is a routine matter.

How many votes are needed to approve each proposal?

For the election of directors, Proposal No. 1, the two nominees receiving the most For votes from the holders of shares present in person or represented by proxy and entitled to vote on the election of directors will be elected. Only votes For or Withheld will affect the outcome. Proxies may not be voted for a greater number of persons than the number of nominees named.

To be approved, Proposal No. 2 ratification of the selection by the Audit Committee of Deloitte & Touche LLP as the Company's independent registered public accounting firm for its fiscal year ending December 31, 2013, must receive For votes from the holders of a majority of shares present in person or by proxy and entitled to vote. If you Abstain from voting, it will have the same effect as an Against vote.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares entitled to vote are present at the meeting in person or represented by proxy. On the record date, there were 41,223,846 shares outstanding and entitled to vote. Thus, the holders of 20,611,924 shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy may adjourn the meeting to another date.

How can I find out the results of the voting at the annual meeting?

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us in time to file a Form 8-K within four business days after the meeting, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an additional Form 8-K to publish the final results.

Who should I contact if I have any questions?

If you have any questions about the Annual Meeting, our proxy materials or your ownership of our common stock, please contact our Investor Relations Department, at 1420 N. McDowell Blvd., Petaluma, CA 94954 USA, telephone 1-877-797-4743.

PROPOSAL 1

ELECTION OF DIRECTORS

CLASSIFIED BOARD

Our Board is divided into three classes. Each class consists, as nearly as possible, of one-third of the total number of directors, and each class has a three-year term. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is duly elected and qualified.

The Board presently has eight members. There are two directors in the class whose term of office expires in 2013. Each of the nominees listed below is currently a director of the Company. If elected at the Annual Meeting, each of these nominees would serve until the 2016 annual meeting and until his successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal.

Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. The two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the two nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead will be voted for the election of such substitute nominee as our Nominating and Corporate Governance Committee of the Board (the "Nominating and Corporate Governance Committee") may propose. Each person nominated for election has agreed to serve if elected. The Company's management has no reason to believe that any nominee will be unable to serve.

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

INDEPENDENCE OF THE BOARD OF DIRECTORS

As required under the NASDAQ Stock Market (NASDAQ) listing standards, a majority of the members of a listed company's board of directors must qualify as independent, as affirmatively determined by the board of directors. In addition, applicable NASDAQ rules require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating committees be independent within the meaning of applicable NASDAQ rules. Audit committee members must also satisfy the independence criteria set forth in Rule 10A-3 under the Exchange Act.

Our Board undertook a review of the independence of each director and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. As a result of this review, our Board determined that all of our directors, other than Mr. Nahi, qualifies as an independent director within the meaning of the NASDAQ rules. Accordingly, a majority of our directors are independent, as required under applicable NASDAQ rules. In making this determination, our Board considered Mr. McJunkin's affiliation with Madrone Capital Partners, one of our stockholders, Mr. Wilson's affiliation with RockPort Partners, one of our stockholders, Mr. Kortlang's affiliation with Kleiner Perkins Caufield & Byers (KPCB), one of our stockholders and Mr. Schwartz's affiliation with Third Point Ventures, one of our stockholders, and determined that their affiliations do not prevent them from exercising independent judgment. Our non-employee directors have been meeting, and we anticipate that they will continue to meet, in regularly scheduled executive sessions at which only non-employee directors are present.

BOARD LEADERSHIP STRUCTURE

Our Board has a Lead Independent Director, Mr. Gomo, who has authority, among other things, to call and preside over Board meetings, including meetings of the independent directors. Accordingly, the Lead Independent Director has substantial ability to shape the work of the Board. The Company believes that having a Lead Independent Director reinforces the independence of the Board in its oversight of the business and affairs of the Company. In addition, the Company believes that having a Lead Independent Director creates an environment that is more conducive to objective evaluation and oversight of management's performance, increasing management accountability and improving the ability of the Board to monitor whether management's actions are in the best interests of the Company and its stockholders. As a result, the Company believes that having a Lead Independent Director can enhance the effectiveness of the Board as a whole.

ROLE OF THE BOARD IN RISK OVERSIGHT

One of the Board's key functions is informed oversight of the Company's risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, our Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for the Company. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. The Audit Committee also monitors compliance with legal and regulatory requirements. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee of the Board (the Compensation Committee) assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. In addition, the Board meets with certain members of our executive team, including the heads of our different organizational functions, who discuss the risks and exposures involved in their respective areas of responsibility as well as any developments that could impact our risk profile or other aspects of our business.

MEETINGS OF THE BOARD OF DIRECTORS

The Board met 6 times during the last fiscal year. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the portion of the last fiscal year for which he was a director or committee member.

INFORMATION REGARDING COMMITTEES OF THE BOARD OF DIRECTORS

The Board has three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee, each of which has the composition and responsibilities described below.

AUDIT COMMITTEE

The Audit Committee was established by the Board in accordance with Section 3(a)(58)(A) of the Exchange Act, to oversee the Company's corporate accounting and financial reporting processes and audits of its financial statements. For this purpose, the Audit Committee, among other things:

evaluates the performance of and assesses the qualifications of the independent auditors;

determines and approves the scope of engagement and compensation of the independent auditors;

confers with management and the independent auditors regarding the effectiveness of internal controls over financial reporting; and

establishes procedures, as required under applicable law, for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters.

Our Audit Committee also has certain responsibilities, including without limitation, the following:

determining whether to retain or terminate the existing independent auditors or to appoint and engage new independent auditors;

reviewing and approving the retention of the independent auditors to perform any proposed permissible non-audit services;

reviewing and approving or rejecting transactions between the Company and any related persons; and

reviewing and discussing with management and the independent registered public accounting firm our annual audited and quarterly financial statements, the results of the independent audit and the quarterly reviews, and the reports and certifications regarding internal control over financial reporting and disclosure controls.

The Audit Committee is currently composed of three directors: Messrs. Gomo, Park, and Kortlang. During the 2012 fiscal year and until February 14, 2013, the Audit Committee was composed of four directors: Messrs. Gomo, Park, Kortlang, and Dempsey. The Audit Committee met 4 times during the 2012 fiscal year. The Audit Committee has adopted a written charter that is available to stockholders on the Company's website at <http://investor.enphase.com/governance.cfm>.

The Board reviews the NASDAQ listing standards definition of independence for Audit Committee members on an annual basis and has determined that all members of the Company's Audit Committee are independent (as independence is currently defined in Rule 5605(c)(2)(A)(i) and (ii) of the NASDAQ listing standards). In making this determination, our Board considered Mr. Kortlang's affiliation with KPCB, one of our stockholders, the percentage of the Company's outstanding shares of common stock beneficially owned by KPCB and its affiliates, the related party transactions to which Mr. Kortlang and/or KPCB have been a party, and determined that such affiliation, beneficial ownership, and

transactions do not materially affect Mr. Kortlang's independent judgment.

11.

The Board has also determined that Mr. Gomo qualifies as an audit committee financial expert, as defined in applicable SEC rules. The Board made a qualitative assessment of Mr. Gomo's level of knowledge and experience based on a number of factors, including his formal education and experience as a chief financial officer for public reporting companies.

Report of the Audit Committee of the Board of Directors¹

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2012 with management of the Company. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended (AICPA, *Professional Standards*, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T. The Audit Committee has also received the written disclosures and the letter from the independent registered public accounting firm required by applicable requirements of the PCAOB regarding the independent accountants' communications with the audit committee concerning independence, and has discussed with the independent registered public accounting firm the accounting firm's independence. Based on the foregoing, the Audit Committee has recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

Mr. Steven J. Gomo

Dr. Chong Sup Park

Mr. Benjamin Kortlang

Compensation Committee

The Compensation Committee is currently composed of three directors: Messrs. Park, Schwartz, and Wilson. During the 2012 fiscal year and until February 14, 2013, the Compensation Committee was composed of five directors: Messrs. Park, Schwartz, Wilson, Gomo and Dempsey. All members of the Company's Compensation Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Compensation Committee met 3 times during the fiscal year. The Compensation Committee has adopted a written charter that is available to stockholders on the Company's website at <http://investor.enphase.com/governance.cfm>.

The Compensation Committee acts on behalf of the Board to review and adopt, or recommend to the Board for adoption, and oversee the Company's compensation strategy, policies, plans and programs, including:

approving or recommending for approval to our Board the compensation and other terms of employment of our executive officers;

reviewing and approving performance goals and objectives relevant to the compensation of our executive officers;

evaluating and recommending to the Board for approval the compensation plans and programs, as well as evaluating and recommending to the Board for approval the modification or termination of existing plans and programs;

reviewing and approving the type and amount of compensation to be paid or awarded to Board members;

reviewing and approving the terms of any employment agreements, severance arrangements, change in control protections and any other compensatory arrangements for our executive officers;

reviewing the adequacy of our Compensation Committee charter on a periodic basis; and

reviewing and evaluating, at least annually, the performance of the Compensation Committee.

Compensation Committee Processes and Procedures

Typically, the Compensation Committee meets at least three times annually and with greater frequency if necessary. The agenda for each meeting is usually developed by the Chair of the Compensation Committee, in consultation with our Chief Executive Officer and human resources function. The Compensation Committee meets regularly in executive session. However, from time to time, various members of management and other employees as well as outside advisors or consultants may be invited by the Compensation Committee to make presentations, to provide financial or other background information or advice or to otherwise participate in Compensation Committee meetings. The Chief Executive Officer may not participate in, or be present during, any deliberations or determinations of the Compensation Committee regarding his compensation or individual performance objectives. The charter of the Compensation Committee grants the Compensation Committee full access to all books, records, facilities and personnel of the Company, as well as authority to obtain, at the expense of the Company, advice and assistance from internal and external legal, accounting or other advisors and consultants and other external resources that the Compensation Committee considers necessary or appropriate in the performance of its duties. In particular, the Compensation Committee has the sole authority to retain compensation consultants to assist in its evaluation of executive and director compensation, including the authority to approve the consultant's reasonable fees and other retention terms.

The Compensation Committee initially engaged Compensia, Inc., a national compensation consulting firm, in 2010 to assist in evaluating our executive compensation philosophy, to provide market data on executive compensation practices and to provide guidance on administering our executive, employee and equity compensation programs. During the past fiscal year, the Compensation Committee again engaged Compensia as compensation consultants to:

evaluate the efficacy of the Company's existing compensation strategy and practices in supporting and reinforcing the Company's long-term strategic goals;

assist in refining the Company's compensation strategy and in developing and implementing an executive compensation program to execute that strategy; and

evaluate and refine the Company's change in control and severance practices and policy.

As part of its engagement, Compensia was requested by the Compensation Committee to develop a comparative group of companies and to perform analyses of competitive performance and compensation levels for that group. At the request of the Compensation Committee, Compensia also conducted individual interviews with members of the Compensation Committee and senior management to learn more about the Company's business operations and strategy, key performance metrics and strategic goals, as well as the labor markets in which the Company competes. Compensia ultimately developed benchmarking metrics and recommendations that were presented to the Compensation Committee for its consideration in determining executive officer compensation. Following an active dialogue with Compensia, the Compensation Committee approved executive compensation that fell within or below the recommendations of Compensia.

The Compensation Committee reviewed the independence of Compensia pursuant to the criteria set forth in Rule 10C-1 under the Exchange Act and the applicable NASDAQ listing standards and found no conflict of interest.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee is responsible for identifying, reviewing and evaluating candidates to serve as directors of the Company (consistent with criteria approved by the Board),

reviewing and evaluating incumbent directors, recommending to the Board for selection candidates for election to the Board, making recommendations to the Board regarding the membership of the committees of the Board, assessing the performance of the Board, and developing a set of corporate governance principles for the Company.

The Nominating and Corporate Governance Committee is composed of three directors: Messrs. Dempsey, Kortlang and McJunkin. All members of the Nominating and Corporate Governance Committee are independent (as independence is currently defined in Rule 5605(a)(2) of the NASDAQ listing standards). The Nominating and Corporate Governance Committee met once during the 2012 fiscal year. The Nominating and Corporate Governance Committee has adopted a written charter that is available to stockholders on the Company's website at <http://investor.enphase.com/governance.cfm>.

The Nominating and Corporate Governance Committee believes that candidates for director should have certain minimum qualifications, including the ability to read and understand basic financial statements, being over 21 years of age and having the highest personal integrity and ethics. The Nominating and Corporate Governance Committee also intends to consider such factors as possessing relevant expertise upon which to be able to offer advice and guidance to management, having sufficient time to devote to the affairs of the Company, demonstrated excellence in his or her field, having the ability to exercise sound business judgment and having the commitment to rigorously represent the long-term interests of the Company's stockholders. However, the Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time. Candidates for director are reviewed in the context of the current composition of the Board, the operating requirements of the Company and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee typically considers diversity, age, skills and such other factors as it deems appropriate given the current needs of the Board and the Company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for NASDAQ purposes, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee for recommendation to the Board by majority vote.

The Nominating and Corporate Governance Committee, to date, has not adopted a formal policy with regard to the consideration of director candidates recommended by stockholders and will consider director candidates recommended by stockholders on a case-by-case basis, as appropriate. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. To date, the Nominating and Corporate Governance Committee has not received any such nominations nor has it rejected a director nominee from a stockholder or stockholders holding more than 5% of our voting stock. Stockholders who wish to recommend individuals for consideration by the Nominating and Corporate Governance Committee to become nominees for election to the Board may do so by delivering a written recommendation to our Assistant Secretary at the following address: 1420 N. McDowell Blvd., Petaluma, CA 94954, at least 120 days prior to the anniversary date of the mailing of the Company's proxy statement for the last annual meeting of stockholders. Submissions must include the full name of the proposed nominee, a description of the proposed nominee's business experience for at least the previous five years, complete biographical information, a description of the proposed nominee's qualifications as a director and a

representation that the nominating stockholder is a beneficial or record holder of the Company's stock and has been a holder for at least one year. Any such submission must be accompanied by the written consent of the proposed nominee to be named as a nominee and to serve as a director if elected.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

We have not adopted a formal process for stockholder communications with the Board. However, every reasonable effort has been made to ensure that the views of stockholders are heard by the Board or individual directors, as applicable, and that appropriate responses are provided to stockholders in a timely manner. Our stockholders may direct communications to a particular director or to the directors generally, in care of Enphase Energy, Inc. 1420 N. McDowell Blvd., Petaluma, CA 94954 USA.

In addition, any interested person, including any stockholder, may communicate directly with our non-management directors. Persons interested in communicating directly with our non-management directors regarding any concerns or issues may do so by addressing correspondence to a particular director, or to our non-management directors generally, in care of Enphase Energy, Inc. 1420 N. McDowell Blvd., Petaluma, CA 94954 USA. If no particular director is named, letters will be forwarded, depending upon the subject matter, to the Lead Independent Director, or the Chair of the Audit Committee, Compensation Committee, or Nominating and Corporate Governance Committee.

CORPORATE GOVERNANCE

Our Board has adopted Corporate Governance Guidelines (the Guidelines) that outline, among other matters, the role of the Board and the responsibilities of various committees of the Board. These Guidelines are available, along with other important corporate governance materials, on our website at <http://investor.enphase.com/governance.cfm>. The Guidelines assure that the board of directors will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The Guidelines are also intended to align the interests of directors and management with those of our stockholders. The Guidelines set forth the practices the Board intends to follow with respect to board composition and selection, the role of the Board, director orientation and education, director compensation, board meetings and involvement of senior management, board committees, Chief Executive Officer performance evaluation and succession planning and board assessment.

CODE OF CONDUCT

We have a written code of conduct that applies to all our executive officers, directors and employees. Our Code of Conduct is available on our website at <http://investor.enphase.com/governance.cfm>. A copy of our Code of Conduct may also be obtained free of charge by writing to our Assistant Secretary, Enphase Energy, Inc., 1420 N. McDowell Blvd., Petaluma, CA 94954. If we make any substantive amendments to our Code of Conduct or grant any waiver from a provision of the Code of Conduct to any executive officer or director, we intend to promptly disclose the nature of the amendment or waiver on our website.

PROPOSAL 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Deloitte & Touche LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's bylaws nor other governing documents or law require stockholder ratification of the selection of Deloitte & Touche LLP as the Company's independent registered public accounting firm. Our Board is submitting the selection of Deloitte & Touche LLP to our stockholders for ratification as a matter of good corporate governance. However, the Audit Committee is not bound by a vote either for or against this proposal. The Audit Committee will consider a vote against Deloitte & Touche LLP by the stockholders in selecting our independent registered public accounting firm in the future. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of Deloitte & Touche LLP. Abstentions will be counted toward the tabulation of votes on proposals presented to the stockholders and will have the same effect as negative votes. In 2012, our Named Executive Officers were awarded stock options under our 2011 Equity Incentive Plan (the "2011 Incentive Plan") at an exercise price per share equal to the closing sales price of our common stock on the NASDAQ Global Market on the date of the grant. In 2012, Mr. Nahi was granted an option to purchase 182,000 shares of our common stock which vest in 48 equal monthly installments; Mr. Sennesael was granted an option to purchase 150,000 shares of our common stock, of which 25% vest upon the one-year anniversary of Mr. Sennesael's employment start date and 2.083% vest per month thereafter; and Mr. Loebbaka was granted an option to purchase 55,000 shares of our common stock which vest in 48 equal monthly installments. Also, in 2012, Mr. Sennesael was awarded 150,000 Restricted Stock Units (RSUs) under our 2011 Incentive Plan. These RSUs vest as to 25% of the total shares awarded on the one-year anniversary of Mr. Sennesael's employment start date and 6.25% per quarter thereafter. The numbers of shares subject to these grants are set forth in the table below under "Outstanding Equity Awards at Fiscal Year-End." No equity awards were granted to our Named Executive Officers in 2011.

2012 Bonus Program

All of our non-sales commissioned employees, including the Named Executive Officers, were eligible for performance bonuses under the 2012 bonus program (the "2012 Bonus Program"). The Compensation Committee structured Named Executive Officers target bonuses under the 2012 Bonus Program so that payouts would be determined based upon achievement against goals weighted as follows: 60% for achieving corporate goals, 30% for achieving department goals and 10% for achieving individual goals.

Corporate goals were further weighted 50% on top-line revenue and 50% on gross margin. Payouts for revenue and margin were independently determined based upon pre-established threshold, target and maximum goals; however, unless otherwise determined by the Compensation Committee, no payout with respect to the corporate goal portion of a bonus was made unless the threshold goal was met for both revenue and margin. The threshold payout for each named executive officer's bonus was 50% of the named executive officer's 2012 target bonus opportunity. For performance between threshold and target, or target and maximum, bonus payouts were interpolated on a straight-line basis. The Compensation Committee established Mr. Nahi's 2012 target bonus opportunity under the 2012 Bonus Program at 100% of his 2012 base salary, and Mr. Sennesael's 2012 target bonus opportunity under the 2012 Bonus Program at 60% of his 2012 base salary. The Compensation Committee determined that we exceeded our corporate goals in the aggregate due to exceeding the established gross margin target, resulting in bonus awards to Mr. Nahi and Mr. Sennesael that exceeded their respective 2012 target bonus opportunities. Mr. Nahi and Mr. Sennesael were awarded bonuses of \$500,800 and \$75,120, respectively, under the 2012 Bonus Program.

Our sales commissioned employees, including Mr. Loebbaka, did not participate in the 2012 Bonus Program, but instead participated in a sales objective bonus plan (the "2012 Sales Commission Plan"), based upon achievement of quarterly revenue-based sales performance targets and specified non-revenue-based objectives. The Compensation Committee established Mr. Loebbaka's 2012 target bonus opportunity under the 2012 Sales Commission Plan at 60% of his 2012 base salary. We exceeded certain of our sales objectives under the 2012 Sales Commission Plan, resulting in a bonus award to Mr. Loebbaka that exceeded his 2012 target bonus opportunity. Mr. Loebbaka was awarded a bonus of \$255,131 under the 2012 Sales Commission Plan.

2011 Cash Bonuses

In 2011, Mr. Nahi's bonus was determined by the Compensation Committee on a discretionary basis. For 2011, Mr. Nahi earned a bonus of \$155,000 equal to 50% of his base salary. In determining Mr. Nahi's discretionary bonus, the Committee considered our 2011 financial performance, product and engineering milestones, penetration of new geographic markets, strategic leadership and progress towards an initial public offering of common stock.

In 2011, Mr. Loebbaka participated in a quarterly sales objective bonus plan (the 2011 Sales Objective Bonus Plan) rather than an annual bonus program. For 2011, his annualized target bonus was 62% of his base salary, or \$145,000. Mr. Loebbaka's quarterly bonus was based on achievement of quarterly revenue-based sales performance targets, weighted at 75% of his aggregate sales objective bonus, and specified non-revenue-based objectives weighted at 25% of his aggregate sales objective bonus. Mr. Loebbaka's revenue-based sales target for 2011 was \$130.6 million and his non-revenue-based key sales objectives were set by the Chief Executive Officer periodically and consisted of management and development of key customer accounts, both developing new client relationships and maintaining and increasing existing client relationships, overseeing expansion of sales into new regions and similar client and business development goals. The 2011 Sales Objective Bonus Plan provided for pre-determined multipliers, ranging from 2.0x to 4.0x, for performance above 100% of target. Mr. Loebbaka achieved between 116% and 126% of his revenue-based performance target for each quarter of fiscal 2011, resulting in a revenue-based bonus of \$158,775 after application of the pre-determined multipliers, and \$51,656 with respect to his performance against his non-revenue based sales objectives as determined by the Chief Executive Officer, for a total sales objective bonus of \$210,431.

In March 2013, the arrangements set forth in the 2011 Loebbaka Severance Agreement were superseded and replaced by the 2013 Severance Plan described below.

Severance and Change in Control Benefit Plan

On March 6, 2013, the Compensation Committee approved the Severance and Change in Control Benefit Plan (the "Severance Plan") for executive officers and other key employees, including the Named Executive Officers. Upon acceptance by a participant, the Severance Plan will supersede and replace existing severance agreements, including those described above, that would otherwise apply to participants in the Severance Plan upon qualifying terminations of employment. The Compensation Committee has the authority to designate the participants in the Severance Plan and the level of benefits each such participant will be eligible to receive upon a qualifying termination of employment.

Under the Severance Plan, upon a termination of a participant's employment by the Company without cause or the resignation by a participant for good reason (each, an "Involuntary Termination"), or upon an Involuntary Termination in connection with, or within 12 months following, a change in control (a "Change in Control Termination"), participants in the Severance Plan generally will be entitled to receive the following severance benefits:

a lump sum cash payment equal to the sum of (a) either 6, 9 or 12 months of the participant's monthly base salary, and (b) a pro-rata portion of the participant's target annual bonus calculated at 100% of target levels for the year of termination (the "Pro-rata Target Bonus");

Company-paid COBRA premiums for continued health insurance for up to 6, 9 or 12 months;

in certain cases, accelerated vesting of all or a portion of the participant's then-outstanding equity awards; and

an extended period of time to exercise any outstanding vested stock options (and other vested equity awards which carry a right to exercise) held by such participants as of the date of termination, which extended exercisability period will end upon the earlier of (a) one year following the date of termination and (b) the date on which the original term of such equity awards would otherwise expire.

Receipt of the foregoing benefits is subject to the participant's execution and non-revocation of a release of claims against Enphase and continued compliance with certain restrictive covenants.

Edgar Filing: Enphase Energy, Inc. - Form DEF 14A

The amount of cash severance, the duration of the COBRA payment period, and the percentage of accelerated vesting of equity awards, if any, varies based on the participant's designation as a Tier I Participant, Tier II Participant or Tier III Participant and whether the termination is an Involuntary Termination or a Change in Control Termination, as set forth in the table below.

	Cash Severance ⁽¹⁾		COBRA Premiums		Accelerated Vesting of Equity Awards ⁽²⁾	
	Involuntary Termination	Change in Control Termination	Involuntary Termination	Change in Control Termination	Involuntary Termination	Change in Control Termination
Paul B. Nahi	12 months	12 months	12 months	12 months	25%	100%
Kris Sennesael	6 months	9 months	6 months	9 months	None	100%
Jeff Loebbaka	6 months	9 months	6 months	9 months	None	100%

(1) Participant's are also entitled to receive the Pro-rata Target Bonus.

(2) Participant's also will have an extended period of time to exercise outstanding equity awards, as described in the fourth bullet above. In addition, unless otherwise provided in an agreement between a participant and the Company, if any payments or benefits that a participant would receive in connection with a change in control of the Company would constitute a parachute payment within the meaning of Section 280G of the Internal Revenue Code, and such payments would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, then such payments will either be (1) provided to the participant in full or (2) reduced to such lesser amount that would result in no portion of such payments being subject to the excise tax, whichever amount after taking into account all applicable taxes, including the excise tax, would result in the participant's receipt, on an after-tax basis, of the greatest amount of such payments.

For purposes of the Severance Plan, the following definitions apply:

Cause, as determined by the Board acting in good faith and based on information then known to it, means the participant's: (i) refusal or failure to perform the participant's material, lawful and appropriate duties; (ii) material violation of Company policy or any written agreement between the Company and the participant; (iii) repeated unexplained or unjustified absence from the Company; (iv) intentional or negligent misconduct; (v) conviction of, or the entering of a plea of nolo contendere with respect to, any felony or a crime involving moral turpitude; (vi) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom the participant owes an obligation of non-disclosure as a result of the participant's relationship with the Company; (vii) commitment of any act of fraud, embezzlement, misappropriation, dishonesty or breach of fiduciary duty against the Company that causes, or is likely to cause, material harm to the Company or its subsidiaries or is intended to result in substantial personal enrichment; or (viii) failure to cooperate with the Company in any investigation or formal proceeding, including any government investigation.

Change in Control means the occurrence of any of the following events:

any sale or exchange of the capital stock by the shareholders of the Company in one transaction or series of related transactions where more than 50% of the outstanding voting power of the Company is acquired by a person or entity or group of related persons or entities; or

any reorganization, consolidation or merger of the Company where the outstanding voting securities of the Company immediately before the transaction represent or are converted into less than fifty percent (50%) of the outstanding voting power of the surviving entity (or its parent corporation) immediately after the transaction; or

the consummation of any transaction or series of related transactions that results in the sale of all or substantially all of the assets of the Company; or

any person or group (as defined in the Exchange Act) becoming the beneficial owner (as defined in Rule 13d-3 under the Exchange Act), directly or indirectly, of securities representing more than fifty percent (50%) of the voting power of the Company then outstanding.

Notwithstanding the foregoing, the term Change in Control will not include a sale of assets, merger or other transaction effected exclusively for the purpose of changing the domicile of the Company.

Good Reason means, without the participant's written consent: (i) a material reduction or material adverse change in job duties, responsibilities or authority inconsistent with the participant's position with the Company; provided, however, that any such reduction or change after a Change in Control (or similar corporate transaction that does not constitute a Change in Control) shall not constitute Good Reason by virtue of the fact that the participant is performing similar duties and responsibilities in a larger organization; (ii) a material reduction of the participant's then current base salary, representing a reduction of more than ten percent (10%) of the participant's then current base salary; provided, that an across-the-board reduction in the salary level of all executive officers of the Company by the same percentage amount as part of a general salary level reduction shall not constitute such a material salary reduction; (iii) a material reduction of the participant's target bonus opportunity; provided, that an across-the-board reduction in the target bonus opportunities of all executive officers of the Company shall not constitute such a material reduction in target bonus opportunity; (iv) the relocation of the principal place for performance of the participant's duties to the Company to a location more than fifty (50) miles from the Company's then current location, which relocation is adverse to the participant, except for required travel on the Company's business; (v) any material breach by the Company of the Severance Plan or any other written agreement between the Company and the participant; or (vi) the failure by any successor to the Company to assume the Severance Plan and any obligations under the Severance Plan; provided, that the participant gives written notice to the Company of the event forming the basis of the termination for Good Reason within sixty (60) days after the date on which the Company gives written notice to the participant of the Company's affirmative decision to take an action set forth in clause (i), (ii), (iii), (iv) or (v) above, the Company fails to cure such basis for the Good Reason resignation within thirty (30) days after receipt of the participant's written notice and the participant terminates his or her employment within thirty (30) days following the expiration of the cure period.

The following table sets forth certain summary information for the year ended December 31, 2012 with respect to the compensation of our non-employee directors. COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

Our Compensation Committee is currently composed of three directors: Messrs. Park, Schwartz, and Wilson. During the 2012 fiscal year and until February 14, 2013, the Compensation Committee was composed of five directors: Messrs. Park, Schwartz, Wilson, Gomo and Dempsey. None of the members of our Compensation Committee have, at any time, been one of our officers or employees. None of our executive officers serve, or in the past year have served, as a member of the board of directors or compensation committee of any entity that has one or more executive officers who serve on our board of directors or Compensation Committee.

TRANSACTIONS WITH RELATED PERSONS

POLICY AND PROCEDURES FOR REVIEW OF RELATED PARTY TRANSACTIONS

In June 2011, our Board adopted an Amended and Restated Audit Committee Charter (the "Audit Committee Charter"), which became effective upon the execution of the underwriting agreement for our IPO. The Audit Committee Charter provides that the Audit Committee will review and approve all related party transactions. This review will cover any material transaction, arrangement or relationship, or any series of similar transactions, arrangements or relationships, in which we were or are to be a participant, and a related party had or will have a direct or indirect material interest, including, purchases of goods or services by or from the related party or entities in which the related party has a material interest, indebtedness, guarantees of indebtedness and employment by us of a related party. The 2012 Affiliate Transaction, described below, was approved by our Audit Committee. None of the other transactions described below were required to be approved under the terms of the Audit Committee Charter, because the Audit Committee Charter was not effective until our IPO.

CERTAIN TRANSACTIONS WITH OR INVOLVING RELATED PERSONS

The following is a summary of transactions since January 1, 2012 to which we have been a party in which the amount involved exceeded \$120,000 and in which any of our executive officers, directors or holders of more than 5% of our capital stock, or any member of the immediate family of any of the foregoing persons, had or will have a direct or indirect material interest, other than compensation arrangements with directors and executive officers, which are described where required under the "Executive Compensation" section of this proxy statement.

Convertible Debt Facility

In June 2011, we entered into a junior secured convertible loan facility (the "Convertible Facility"), with certain existing preferred stockholders that provided for up to \$50.0 million in borrowings, of which we borrowed \$12.5 million in an initial advance upon signing. The Convertible Facility accrued interest at a rate of

9.0% and was secured by substantially all of our assets except intellectual property. In November 2011, we amended the Convertible Facility to provide for an aggregate of up to \$80.0 million in borrowings. In March 2012, we further amended the Convertible Facility to provide for the automatic conversion of the principal amount and paid-in-kind interest under the Convertible Facility into common stock upon closing of our IPO at a conversion price equal to the lesser of \$8.8984 or the IPO price. At the IPO, the conversion price of the notes was reduced from \$8.8984 per share to the IPO price of \$6.00 per share, representing a decrease of \$2.8984 per share, or 33%. In consideration for amending the Convertible Facility, the debt holders agreed to forego the option to be repaid in cash upon maturity of the notes upon the closing of the IPO. The initial and second advances of \$12.5 million and \$7.5 million, respectively, together with accrued interest of approximately \$1.2 million, converted into an aggregate of 3,533,988 shares of common stock at \$6.00 per share upon the closing of the IPO.

In consideration for the lenders' commitment under the Convertible Facility, we issued an aggregate of 352,665 shares of common stock at a purchase price of \$5.27 per share to fourteen of the lenders and issued to the remaining lenders warrants to purchase up to an aggregate amount of 131,516 shares of our common stock for an exercise price of \$5.27 per share. The warrants are immediately exercisable. Warrants to purchase 76,601 shares of our common stock will expire on June 14, 2016, and warrants to purchase 54,915 shares of our common stock will expire on November 16, 2016, subject to earlier termination upon an acquisition of us in which the consideration payable to holders of our common stock consists of cash and/or a class of securities that are registered under the Exchange Act.

The following table summarizes the amounts invested by one of our directors and of holders of more than 5% of our capital stock and their affiliated entities pursuant to the Convertible Facility, the number of shares of common stock and warrant shares issued to such persons and entities in connection with the Convertible Facility and the number of conversion shares issued upon conversion of the \$20 million in principal, together with accrued interest, into shares of our common stock upon closing of the IPO.

Investors Rights Agreement

In connection with our preferred stock financings completed prior to 2012, we entered into an investors rights agreement with certain purchasers of our preferred stock, including the following stockholders, directors and executive officers:

Funds affiliated with Third Point LLC
 RockPort Capital Partners II, L.P.
 Madrone Partners, L.P.
 KPCB Holdings, Inc., as nominee
 Applied Ventures, LLC

Funds affiliated with Bay Partners
 Paul B. Nahi
 Raghuvveer R. Belur
 Martin Fornage
 Robert Schwartz

Pursuant to the investors rights agreement, these holders have the right to demand that we file a registration statement or request that the common stock issued upon conversion of our previously outstanding preferred stock and the common stock issuable upon the exercise of outstanding warrants to purchase common stock (which, in connection with our IPO, were converted from previously outstanding warrants to purchase our preferred stock), collectively, the registrable securities, be covered by a registration statement that we are otherwise filing. In the event that we propose to register any of our securities under the Securities Act of 1933, as amended (the Securities Act), either for our own account or for the account of other security holders, these holders are entitled to notice of our registration and are entitled to certain piggyback registration rights allowing the holders to include their registrable securities in such registration, subject to certain marketing and other limitations. Pursuant to the investors rights agreement, the holders of registrable securities have the right to require us to file a registration statement under the Securities Act in order to register the resale of their shares of registrable securities, provided that the registration meets certain thresholds. We may, in certain circumstances, defer such registrations. In an underwritten offering, the managing underwriter has the right, subject to specified conditions, to limit the number of registrable securities such holders may include.

Indemnification of Directors and Officers

Our certificate of incorporation includes a provision that eliminates, to the fullest extent permitted by law, the personal liability of any of our directors for monetary damages resulting from breach of his fiduciary duty as a director.

Our bylaws provide that:

we are required to indemnify our directors and officers to the fullest extent permitted by the Delaware General Corporation Law, subject to very limited exceptions;

we may indemnify our other employees and agents as provided in indemnification contracts entered into between us and our employees and agents;

we are required to advance expenses, as incurred, to our directors and officers in connection with a legal proceeding to the fullest extent permitted by the Delaware General Corporation Law, subject to very limited exceptions; and

the rights conferred in the bylaws are not exclusive.

In addition to the indemnification required in our certificate of incorporation and bylaws, we have entered into indemnity agreements with each of our current directors and officers. These agreements provide for the indemnification of our directors and officers for all reasonable expenses and liabilities incurred in connection with any action or proceeding brought against them by reason of the fact that they are or were our agents. We have also obtained directors' and officers' insurance to cover our directors, officers and some of our employees for liabilities, including liabilities under securities laws. We believe that these indemnification provisions and agreements and this insurance are necessary to attract and retain qualified directors and officers.

Transactions with Affiliate Controlled Companies

In December 2011, we entered into sales transactions with two photovoltaic systems development companies that are majority-owned by KPCB Holdings, Inc., as nominee (the "KPCB-affiliated customers"). Benjamin Kortlang, a member of our Board, is a member of the board of directors of each of the KPCB-affiliated customers, and serves as President of one of the KPCB-affiliated customers. Pursuant to these transactions, the KPCB-affiliated customers and one of their managed project finance funds agreed to purchase our microinverters through our distributors at the same price that our distributors generally charge their customers. Prior to December 31, 2011, we received \$20.3 million in cash from the KPCB-affiliated customers and recognized revenues of \$6.4 million from such transactions in the fourth quarter of 2011. During the year ended December 31, 2012, we recognized revenues of \$16.8 million, which included all previously deferred revenues under these sales transactions.

In August 2012, our Audit Committee approved a transaction with one of the KPCB-affiliated customers. Pursuant to this transaction, we agreed to provide this KPCB-affiliated customer the flexibility to make direct purchases of certain Enphase products and to provide certain incentives for marketing Enphase solar systems. In 2012, the KPCB-affiliated customer purchased certain Enphase products valued at \$28,089, and we paid to the KPCB-affiliated customer an aggregate of approximately \$181,500 related to marketing activities pursuant to this transaction.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as householding, potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Enphase stockholders will be householding the Company's proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from your broker that they will be householding communications to your address, householding will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in householding and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, please notify your broker or Enphase. Direct your written request to: Assistant Secretary, Enphase Energy, Inc., 1420 N. McDowell Blvd., Petaluma, CA 94954. Stockholders who currently receive multiple copies of the Notices of Internet Availability of Proxy Materials at their addresses and would like to request householding of their communications should contact their brokers.

OTHER MATTERS

The Board knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.
