PROXY STATEMENT

Annual Meeting of Stockholders

to be held on June 3, 2013

To Stockholders of Silgan Holdings Inc.:

This Proxy Statement and the accompanying proxy card are furnished in connection with the solicitation of proxies by the Board of Directors of Silgan Holdings Inc., or Silgan Holdings or the Company, for use at our annual meeting of stockholders, or the Meeting, to be held at the Courtyard by Marriott Stamford Downtown, 275 Summer Street, Stamford, Connecticut 06901, on Monday, June 3, 2013, at 9:00 a.m., and at any postponements or adjournments of the Meeting. If you need directions to attend the Meeting and vote in person, you should contact the Company by telephone at (203) 975-7110. This Proxy Statement and the accompanying proxy card will first be mailed to stockholders on or about April 25, 2013.

Only holders of record of our Common Stock as of the close of business on April 19, 2013, the Record Date, will be entitled to notice of and to vote at the Meeting. As of the Record Date, we had 63,748,427 shares of our Common Stock outstanding. Each share of our Common Stock is entitled to one vote. We have no other class of voting securities issued and outstanding. The presence in person or by proxy of the holders of a majority of the outstanding shares of our Common Stock will be necessary to constitute a quorum for the transaction of business at the Meeting.

All shares of our Common Stock represented by properly executed proxies will be voted in accordance with the instructions indicated on such proxies unless such proxies previously have been revoked. If any proxies are signed and returned but do not contain voting instructions, the shares of our Common Stock represented by such proxies will be voted **FOR** the election of the nominees for director listed below to serve until our annual meeting of stockholders in 2016 and until their successors are duly elected and qualified, **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2013, and **FOR** the approval, on an advisory basis, of the compensation of the Company's named executive officers. We do not anticipate that any other matters will be brought before the Meeting. If any other matters properly come before the Meeting, the shares of our Common Stock represented by all properly executed proxies will be voted in accordance with the judgment of the persons named on such proxies. Shares of our Common Stock abstaining and shares of our Common Stock held in street name as to which a broker has not voted on some matters but has voted on other matters, or Broker Shares, will be included in determining whether a quorum exists at the Meeting. The New York Stock Exchange has adopted rules that eliminate broker discretionary voting for the election of directors and certain other corporate governance matters. These rules apply to us notwithstanding the fact that our Common Stock is traded on the Nasdaq Stock Market. Therefore, your broker is not able to vote on your behalf in any director election or with respect to certain other corporate governance matters without voting instructions from you.

Assuming that a quorum exists at the Meeting, approval of the first two matters specified in the Notice of Meeting requires the affirmative vote of a majority of the votes cast at the Meeting, and approval, on an advisory basis, of the non-binding resolution with respect to the third matter specified in the Notice of Meeting requires

the affirmative vote of a majority of the votes cast at the Meeting. Stockholders may not cumulate their votes. Abstentions and Broker Shares that have not been voted with respect to a particular proposal will not be counted in determining the total number of votes cast or in determining whether such proposal has received the requisite number of affirmative votes.

You may revoke your proxy at any time before it is exercised at the Meeting by: (1) delivering to the Secretary of the Company a duly executed proxy bearing a later date; (2) filing a written notice of revocation with the Secretary of the Company; or (3) appearing at the Meeting and voting in person.

In addition to solicitations by mail, some of our directors, officers and employees may solicit proxies for the Meeting personally or by telephone without extra remuneration. We will also provide persons, banks, brokerage firms, custodians, nominees, fiduciaries and corporations holding shares in their names or in the names of nominees, which in either case are beneficially owned by others, with proxy materials for transmittal to such beneficial owners and will reimburse such record owners for their expenses in doing so. The Company will bear the costs of soliciting proxies.

THE COMPANY HEREBY UNDERTAKES TO PROVIDE WITHOUT CHARGE TO EACH PERSON TO WHOM A COPY OF THIS PROXY STATEMENT HAS BEEN DELIVERED, UPON THE WRITTEN REQUEST OF ANY SUCH PERSON, A COPY OF OUR ANNUAL REPORT ON FORM 10-K, INCLUDING THE FINANCIAL STATEMENTS AND THE FINANCIAL STATEMENT SCHEDULES THERETO, THAT HAS BEEN FILED WITH THE SECURITIES AND EXCHANGE COMMISSION PURSUANT TO RULE 13a-1 UNDER THE SECURITIES EXCHANGE ACT OF 1934, AS AMENDED, FOR THE FISCAL YEAR ENDED DECEMBER 31, 2012. REQUESTS FOR SUCH COPIES SHOULD BE DIRECTED TO SILGAN HOLDINGS INC., 4 LANDMARK SQUARE, STAMFORD, CONNECTICUT 06901 (TELEPHONE NUMBER: (203) 975-7110), ATTENTION: GENERAL COUNSEL.

PROPOSAL 1: ELECTION OF DIRECTORS

Nominees

Our Board of Directors is currently composed of seven members, divided into three classes designated as Class I, Class II and Class III. We have two Class I Directors, two Class II Directors and three Class III Directors, with each class of directors serving staggered three-year terms. At each annual meeting of stockholders of the Company, the term of office of one class of directors of the Company expires, and directors nominated to the class of directors whose term is expiring at such annual meeting will be elected for a term of three years and until their successors are duly elected and qualified. Our remaining directors continue in office until their respective terms expire and until their successors are duly elected and qualified. Accordingly, at each annual meeting of stockholders of the Company one class of our directors will be elected, and each of our directors will be required to stand for election once every three years. At the Meeting, the term of office for our Class I Directors expires.

Our Class I Directors currently are Messrs. R. Philip Silver and William C. Jennings. Pursuant to the Amended and Restated Stockholders Agreement dated as of November 6, 2001, or the Stockholders Agreement, among R. Philip Silver, D. Greg Horrigan and the Company, each of Messrs. Silver and Jennings was nominated for re-election at the Meeting as Class I Directors of the Company, to serve until our annual meeting of stockholders in 2016 and until his successor has been duly elected and qualified. You should read the section in this Proxy Statement titled *Certain Relationships and Related Transactions* Stockholders Agreement for a description of the material provisions of the Stockholders Agreement.

Each nominee for Class I Director of the Company has consented to be named in this Proxy Statement and to serve on our Board of Directors if elected. If, prior to the Meeting, any nominee should become unavailable to serve on our Board of Directors for any reason, the shares of our Common Stock represented by all properly executed proxies will be voted for such alternate individual as shall be nominated pursuant to the Stockholders Agreement.

We provide below certain information regarding each nominee for Class I Director of the Company and each Director of the Company whose term of office continues after the Meeting, including the individual's age (as of December 31, 2012), principal occupation and business experience during at least the last five years, other directorships currently held or held during the past five years, the year in which such individual was first elected a director of the Company and the experiences, qualifications, attributes or skills that each nominee and Director brings to our Board of Directors. We believe that each nominee and current Director brings a strong and unique background and set of skills to our Board of Directors, giving our Board of Directors as a whole competence and experience in a wide variety of areas, including relevant industry experience, executive management experience, public company board service experience and finance and accounting experience.

Messrs. Silver and Jennings were elected as Directors of the Company at our annual meeting of stockholders in 2010. Messrs. Horigan and Alden were elected as Directors of the Company at our annual meeting of stockholders in 2011. Messrs. Each of John W. Alden, Jeffrey C. Crowe, William C. Jennings and Edward A. Lapekas is an independent director, as defined in Rule 5605(a)(2) of the listing standards of the Nasdaq Stock Market. The independent directors held four meetings during 2012 following regularly scheduled quarterly meetings of the Board of Directors, without the presence of management or any inside directors.

Our Board of Directors met five times and acted by written consent seven times during 2012. Each of our Directors attended more than 75 percent of the aggregate of: (1) the total number of meetings of the Board of Directors held in 2012 during which he was a Director and (2) the total number of meetings held in 2012 by all committees of the Board of Directors on which he served during which he was a Director.

The Company does not have a policy with regard to director attendance at annual meetings of stockholders. One of our Directors attended last year's annual meeting of stockholders.

Risk Oversight and Board Structure

Our Board of Directors as a whole is responsible for risk oversight for the Company. Our Board of Directors risk oversight process builds upon management's assessment of the Company's risks and processes for managing and mitigating such risks. At meetings of our Board of Directors, the executive officers of the Company regularly address and discuss with our Board of Directors risks of the Company and the manner in which the Company manages or mitigates its risks. While our Board of Directors has the ultimate responsibility for risk oversight for the Company, our Board of Directors works in conjunction with its committees on certain aspects of its risk oversight responsibilities. In particular, our Audit Committee focuses on financial reporting risks and related controls and procedures. Our Compensation Committee strives to create compensation practices that do not encourage excessive levels of risk taking that would be inconsistent with the Company's strategy and objectives.

Our corporate governance documents provide our Board of Directors with flexibility to select the appropriate leadership structure for the Company. In making leadership structure determinations, our Board of Directors considers many factors. At this time, each of the positions of Co-Chairmen of the Board and Chief Executive Officer of the Company are held by different persons. Our Board of Directors has decided at this time to have different persons hold such positions largely due to the availability to the Company of multiple persons with many years of experience in the consumer goods packaging industry and extensive executive management experience with the Company. Our Co-Chairmen of the Board are co-founders of the Company and each has over thirty years of management experience in the packaging industry. With their experience, our Co-Chairmen of the Board effectively lead our Board of Directors in its fundamental role of overseeing the business and affairs of the Company.

As part of each regularly scheduled quarterly meeting of our Board of Directors, our independent Directors meet without the presence of management or inside directors. These meetings allow our independent Directors to discuss matters involving the Company without the presence of any member of management or any inside director.

Committees of the Board of Directors

Our Board of Directors has two standing committees. The principal responsibilities of each of the standing committees and the members of such committees are set forth below.

1. *Audit Committee.* The Audit Committee has the responsibility of overseeing the Company's financial reporting process on behalf of our Board of Directors. The functions performed by the Audit Committee are described in the section of this Proxy Statement titled "Report of the Audit Committee." During 2012, the Audit Committee held nine meetings and acted by written consent two times. The Audit Committee consists of Messrs. Jennings, Alden, Crowe and Lapekas, each of whom our Board of Directors has determined is independent as required by the written charter of the Audit Committee, the applicable listing standards of the Nasdaq Stock Market and the applicable rules of the Securities and Exchange Commission, or the SEC. All of our independent directors are members of the Audit Committee. Mr. Jennings is the Chairperson of the Audit Committee. The Board of Directors has determined that Mr. Jennings meets the criteria of an audit committee financial expert under applicable rules of the SEC. Mr. Jennings' extensive background and experience includes leading the risk management and internal control consulting practice of PricewaterhouseCoopers LLP, serving as senior audit partner at Coopers & Lybrand and serving as Chief Financial Officer of Bankers Trust Company.

2. *Compensation Committee.* The Board of Directors of the Company established the Compensation Committee and conferred upon it through resolutions the responsibility of reviewing and approving matters relating to the compensation of all executive officers of the Company. The Compensation Committee does not have a charter. Pursuant to the terms of the Silgan Holdings Inc. 2004 Stock Incentive Plan, as amended, or the 2004 Stock Incentive Plan, the Compensation Committee also is responsible for administering the 2004 Stock Incentive Plan, making awards and grants under the 2004 Stock Incentive Plan to officers and other key employees of the Company and its subsidiaries and setting performance goals and confirming performance levels in respect of performance awards made under the 2004 Stock Incentive Plan. Historically, the Compensation Committee in its discretion has periodically consulted with outside consultants (such as Frederic W. Cook & Co., Inc.) for certain matters regarding director and executive officer compensation, including setting up the 2004 Stock Incentive Plan, but it did not consult with outside consultants in 2012. The Compensation Committee held four meetings and acted by written consent twice during 2012. The Compensation Committee consists of Messrs. Crowe, Alden, Jennings and Lapekas, each of whom is an independent director under the applicable listing standards of the Nasdaq Stock Market. All of our independent directors are members of the Compensation Committee. Mr. Crowe is the Chairperson of the Compensation Committee.

In November 2001, the Company and Messrs. Silver and Horrigan, our Co-Chairmen of the Board, entered into the Stockholders Agreement. You should read the section in this Proxy Statement titled "Certain Relationships and Related Transactions - Stockholders Agreement" for a description of the material terms of the

Stockholders Agreement. Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement and generally including Messrs. Silver and Horrigan and their affiliates, family members, trusts and estates) has the contractual right to nominate for election all directors of the Company so long as the Group holds an aggregate of at least 14,306,180 shares of our Common Stock (as adjusted for the stock splits effected on September 15, 2005 and May 3, 2010). As of the date of this Proxy Statement, the Group held more than 14,306,180 shares of our Common Stock. In the very unlikely event that either of Messrs. Silver or Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any nominee for director or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election, then our Board of Directors has the right to nominate for director the number of individuals that the Group could not agree on as nominees or failed to nominate timely.

Accordingly, our Board of Directors does not have a nominating committee because the right to nominate all directors has been contractually granted to the Group, and our Board of Directors deems it very unlikely at this time that they would have to nominate for election any director. As a result, the Company does not have a nominating committee charter, does not have a policy to consider director candidates recommended by stockholders, does not have a policy regarding the composition or diversity of our Board of Directors and does not have a process for identifying or evaluating nominees for director. All nominees for Class I Director of the Company to be elected at the Meeting were nominated by the Group pursuant to the Stockholders Agreement.

Stockholder Communications with the Board of Directors

The Company's Board of Directors has a formal process for security holders to send communications to it. Security holders may send written communications addressed to the Board of Directors or to any specified Director of the Company by mail to the Company's office in Stamford, Connecticut. If the Company receives at its office in Stamford, Connecticut any such written communications, the Company will forward such written communications directly to all members of the Board of Directors or to such specified Director of the Company, as the case may be.

COMPENSATION OF DIRECTORS

Each of Messrs. Silver and Horrigan, our non-executive Co-Chairmen of the Board, are paid an annual retainer fee of \$100,000 for their service on our Board of Directors, plus reimbursement for business related travel and other reasonable out-of-pocket expenses. Additionally, the Company maintains an office for each of Messrs. Silver and Horrigan at its offices in Stamford, Connecticut and provides them with access to a shared assistant. Each of Messrs. Alden, Crowe, Jennings and Lapekas, none of whom are officers or employees of the Company or any of its affiliates, are paid an annual retainer fee of \$36,000 for their service on our Board of Directors and a fee of \$2,000 for each meeting of our Board of Directors or committee thereof that they attend, plus reimbursement for business related travel and other reasonable out-of-pocket expenses. Additionally, each of our Directors (including our Co-Chairmen of the Board) who does not receive compensation as an officer or employee of the Company or any of our affiliates receives an annual equity based director award, on the first business day after our annual meeting of stockholders, having an aggregate fair market value of \$50,000 as of the date of grant. These awards are made in the form of restricted shares of our Common Stock or restricted stock units related to shares of our Common Stock, in the discretion of the Board of Directors, under the 2004 Stock Incentive Plan. Each of the members of the Audit Committee of our Board of Directors is also paid an annual retainer fee of \$12,000 for his service on the Audit Committee, and each of the chairpersons of the Audit and Compensation Committees of our Board of Directors is also paid an annual retainer fee of \$10,000 for his service as chairperson of such committee.

Mr. Allott, who is an officer and an employee of the Company, does not receive any annual retainer or meeting fees or any director awards under the 2004 Stock Incentive Plan.

The following table provides information concerning the compensation of Directors of the Company for the fiscal year ended December 31, 2012.

These restricted stock units vest all at once in a single installment on May 30, 2013, one year from the date of grant. The grant date fair value of such restricted stock units was calculated by multiplying

the average of the high and low sales prices of a share of our Common Stock on May 30, 2012 by such number of restricted stock units, in accordance with the provisions of the Financial Accounting Standards Board Accounting Standards Codification 718, Compensation Stock Compensation (FASB ASC Topic 718). Each year on the first business day following our annual meeting of stockholders each of our non-employee Directors is granted restricted stock or restricted stock units having a grant date fair value, calculated using the average of the high and low sales prices of a share of Common Stock on that day as quoted by the Nasdaq Global Select Market System, of \$50,000 in accordance with the 2004 Stock Incentive Plan.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Stockholders Agreement

In November 2001, Messrs. Silver and Horrigan and the Company entered into the Stockholders Agreement. The Stockholders Agreement replaced in its entirety a previous stockholders agreement entered into among Messrs. Silver and Horrigan, the Company and the other parties thereto at the time of the initial public offering of shares of Common Stock of the Company on February 14, 1997.

Under the Stockholders Agreement, the Group (as defined in the Stockholders Agreement and generally including Messrs. Silver and Horrigan and their affiliates and related family transferees and estates) has the right to nominate for election all directors of the Company until the Group holds less than one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997. At least one of the Group's nominees must be either Mr. Silver or Mr. Horrigan during the three year period covering the staggered terms of our three classes of directors. On February 14, 1997, the Group held 28,612,360 shares of our Common Stock in the aggregate (as adjusted for the stock splits effected on September 15, 2005 and May 3, 2010), and, as of the date of this Proxy Statement, the Group held more than one-half of such number of shares of our Common Stock. Additionally, the Group has the right to nominate for election either Mr. Silver or Mr. Horrigan as a member of our Board of Directors when the Group no longer holds at least one-half of the number of shares of our Common Stock held by it in the aggregate on February 14, 1997 but beneficially owns at least 5% of our Common Stock. The Stockholders Agreement continues until the death or disability of both of Messrs. Silver and Horrigan.

If either Mr. Silver or Mr. Horrigan notifies our Board of Directors that the Group cannot agree on an individual for any of its nominees under the Stockholders Agreement or if at least 45 days prior to our annual meeting of stockholders the Group fails to nominate for election at such annual meeting the requisite number of individuals to stand for election to our Board of Directors at such annual meeting, then our Board of Directors has the right to nominate for election to our Board of Directors the number of individuals that the Group could not agree on as nominees or that the Group failed to nominate timely.

The provisions of the Stockholders Agreement could have the effect of delaying, deferring or preventing a change of control of the Company and preventing our stockholders from receiving a premium for their shares of our Common Stock in any proposed acquisition of the Company.

Review, Approval or Ratification of Transactions with Related Persons

Pursuant to its written charter, the Audit Committee of the Board of Directors of the Company is required to approve any related party transactions that are required to be disclosed under applicable securities rules. In evaluating any such proposed reportable transaction, the Audit Committee will consider the specific facts and circumstances of each transaction, which facts and circumstances will include the related person's interest in the transaction, whether the transaction is being negotiated on an arm's length basis, whether the terms of the transaction are fair to the Company and whether the terms of the transaction with the related person are no less favorable to the Company than could be obtained with a non-related third party under similar circumstances.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

General

In this section of this Proxy Statement, we discuss the compensation for our executive officers, and we describe how we compensated each of our Chief Executive Officer, our Chief Financial Officer and our three other most highly compensated executive officers in 2012 based on total compensation, or, collectively, our Named Executive Officers. Our Named Executive Officers for the fiscal year ended December 31, 2012 were:

Anthony J. Allott, our President and Chief Executive Officer;

Robert B. Lewis, our Executive Vice President and Chief Financial Officer;

Adam J. Greenlee, our Executive Vice President and Chief Operating Officer;

Frank W. Hogan, III, our Senior Vice President, General Counsel and Secretary; and

Sarah T. Macdonald, President of Silgan Plastics (Ms. Macdonald was hired to this position on March 12, 2012).

Compensation Committee

The Board of Directors of the Company has established a Compensation Committee and has empowered the Compensation Committee to review and approve matters relating to the compensation of all executive officers of the Company. The Board of Directors of the Company has also given the Compensation Committee responsibility for administering the 2004 Stock Incentive Plan (as well as the prior equity compensation plans of the Company under which stock options were previously granted, none of which were outstanding as of December 31, 2012), making awards and grants under the 2004 Stock Incentive Plan to all officers and other key employees of the Company and its subsidiaries and setting performance goals and confirming performance levels in respect of performance awards made under the 2004 Stock Incentive Plan. The Compensation Committee may not delegate any responsibility or authority conferred upon it by the Board of Directors of the Company.

The Compensation Committee is comprised of four members, Messrs. Jeffrey C. Crowe, John W. Alden, William C. Jennings and Edward A. Lapekas. Mr. Crowe serves as the Chairperson of the Compensation Committee. All members of the Compensation Committee are (i) independent directors as required under the applicable rules of the Nasdaq Stock Market, (ii) outside directors for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended, or the Code, and (iii) non-employee directors for purposes of Rule 16b-3 of the Exchange Act.

Compensation Philosophy

The Compensation Committee strives to establish a compensation program for the executive officers of the Company that meets the following objectives:

1. attracts and retains executive officers and provides fair compensation, taking into account responsibilities and the employment markets in which the Company and its subsidiaries compete;
2. rewards executive officers for achieving the Company's short-term business goals and long-term creation of stockholder value while at the same time not encouraging excessive risk taking; and

3. aligns the interests of the Company's executive officers and stockholders.

The components of the compensation program for all executive officers of the Company are base salary, annual cash incentive bonus and equity-based compensation consisting primarily of restricted stock units and performance awards of restricted stock units. The Compensation Committee believes that such form of equity-based compensation fosters more balanced risk taking because restricted stock units are more closely linked to

ownership of stock than other equity-based compensation. By including a combination of cash and at-risk equity compensation, the Compensation Committee believes that the Company's executive compensation program is consistent with its business strategy and does not encourage its executive officers to take excessive risks that might threaten the long-term value of the Company. In addition, executive officers of the Company other than the Chief Executive Officer, or CEO, Chief Financial Officer, or CFO, and Chief Operating Officer, or COO, receive other benefits typically provided to officers (such as retirement benefits, medical benefits and life insurance benefits).

2012 Advisory Vote on Compensation of Named Executive Officers

At our annual meeting of stockholders in 2012, pursuant to an advisory vote our stockholders overwhelmingly approved the compensation provided to our Named Executive Officers in 2011, with approximately 99% of the votes cast approving such compensation. The Compensation Committee reviewed the results of the advisory vote of our stockholders in 2012 on the compensation of our Named Executive Officers and did not implement any changes to the compensation of our Named Executive Officers as a result of such advisory vote of our stockholders.

Base Salary

The Compensation Committee endeavors to set base salaries for executive officers that enable the Company to attract and retain such officers and provide fair compensation taking into account relevant employment markets. The base salary for an individual executive officer is targeted such that the total compensation for such person is at a competitive level for individuals with similar responsibilities at manufacturing companies of a similar size, including packaging related companies, and, as relevant, in the applicable geographic area.

Generally, each executive officer's salary is reviewed on an annual basis by the Compensation Committee, and executive officer salaries may be adjusted based on: (i) a general increase associated with inflation in the cost of living; (ii) a change in the individual's responsibilities over the preceding years; and (iii) changes in competitive pay levels. In making such determinations, for the CEO and the CFO, the Compensation Committee has generally reviewed publicly available salary and other compensation information from the following packaging related companies: AEP Industries Inc.; AptarGroup, Inc.; Avery Dennison Corporation; Ball Corporation; Bemis Company Inc.; Crown Holdings, Inc.; Graphic Packaging Holding Company; Owens-Illinois, Inc.; Pactiv Corporation; PolyOne Corporation; Rock-Tenn Company; Sealed Air Corporation; and Sonoco Products Company. Additionally, for the CEO and the CFO, the Compensation Committee has generally considered publicly available salary and other compensation information from the following other manufacturing companies: Acuity Brands, Inc.; Armstrong World Industries, Inc.; Boise Cascade, L.L.C.; Carlisle Corporation; Cytec Industries Inc.; Ferro Corporation; Greif, Inc.; Jarden Corporation; MeadWestvaco Corporation; Olin Corporation; Packaging Corporation of America; Rockwood Holdings, Inc.; RPM International Inc.; Spartech Corporation; Temple-Inland Inc.; The Valspar Corporation; W.R. Grace & Co.; and Weyerhaeuser Company. Although the Compensation Committee does not use benchmarking to determine any element of compensation, the Compensation Committee believes that it is important from time to time to review compensation information from other appropriate companies in order to gain a general understanding of the competitiveness of the Company's compensation program. For all other executive officers of the Company, the Compensation Committee reviews recommendations of the CEO of the Company and other information available to the Compensation Committee. For 2012, the salaries of each of Messrs. Allott, Lewis and Hogan at year end 2011 were increased based on a general increase associated with inflation in the cost of living. The salary of Mr. Greenlee for 2012 was increased from 2011 based on a general increase associated with inflation in the cost of living and based on competitive pay levels. The salary of Ms. Macdonald for 2012 was set at the time of her hiring based on competitive pay levels.

Annual Cash Bonuses under Incentive Programs

All executive officers of the Company are eligible to receive annual cash bonuses, which are provided to enable the Company to attract and retain such officers and provide fair compensation taking into account

responsibilities and relevant employment markets. Additionally, the Compensation Committee uses annual cash bonuses for executive officers to reward them for achieving the Company's financial and non-financial goals. Executive officers of the Company are eligible for an annual cash bonus based on a percentage of their annual base salary, and that percentage is determined generally based on the person's responsibilities.

Annual cash bonuses are paid to Mr. Allott under the Company's Senior Executive Performance Plan. Currently, Mr. Allott is the only person that is a participant in the Senior Executive Performance Plan. Pursuant to the Senior Executive Performance Plan, Mr. Allott could be eligible for an annual cash bonus of up to 200% of his annual base salary, with such maximum amount of Mr. Allott's annual cash bonus being set annually by the Compensation Committee. For 2012 and 2013, the Compensation Committee evaluated competitive data and approved a maximum annual cash bonus for Mr. Allott of up to 100% of his annual base salary. In setting the maximum amount of the annual cash bonus for Mr. Allott, the Compensation Committee bases its determination on its objective of retaining Mr. Allott and providing him with fair overall annual cash compensation taking into account his responsibilities and relevant employment markets.

At the beginning of each year, the Compensation Committee establishes a performance goal and a performance goal target for the Company for that year pursuant to the Senior Executive Performance Plan. Following such year, the Compensation Committee confirms the extent to which the performance goal target for such year was met. If the performance goal target was met, then the participant under the Senior Executive Performance Plan would receive the maximum amount of his annual bonus for which he was eligible for that year. If the performance goal target was not met, then the participant would receive a pro rata amount of the maximum amount of his annual bonus for which he was eligible for that year. For 2012, the performance goal established by the Compensation Committee under the Senior Executive Performance Plan was the earnings before interest, taxes, depreciation and amortization and rationalization charges and acquisition termination fees (net of related costs) (Adjusted EBITDA) of the Company, and the performance goal target for the maximum amount of the annual bonus was the achievement in 2012 of the Adjusted EBITDA level of the Company for 2011 (\$493.3 million), with the manner for calculating the amount of Mr. Allott's annual bonus based on the following formula:

X multiplied by the Company's Adjusted EBITDA for 2012; with X being equal to a percentage,

the numerator of which is the maximum amount of Mr. Allott's annual bonus and the

denominator of which is the Company's Adjusted EBITDA for 2011.

The Company's Adjusted EBITDA for 2012 was \$499.2 million. Therefore, Mr. Allott received the maximum amount of his annual bonus for 2012 of 100% of his annual base salary for 2012 based on the Company's level of performance in 2012.

For 2013, the Compensation Committee set the performance goal for Mr. Allott under the Senior Executive Performance Plan as the Adjusted EBITDA of the Company in 2013 before the impact from any foreign currency devaluations and the performance goal target for the maximum amount of his annual bonus as the achievement of the Adjusted EBITDA level of the Company for 2012 before the impact from any foreign currency devaluations, with the manner for calculating the amount of his annual bonus being the same as in 2012. In setting the performance goal under the Senior Executive Performance Plan, the Compensation Committee chose earnings before interest, taxes, depreciation and amortization and rationalization charges of the Company because it believes that it is an important and accepted measure of performance of the Company, and the Compensation Committee decided to exclude acquisition termination fees (net of related costs) and the impact from any foreign currency devaluations from such calculation because such items are unusual, generally non-recurring and not indicative of the Company's operating results.

For 2012, each of Messrs. Lewis, Greenlee and Hogan was eligible to be paid an annual cash bonus, in an amount up to a maximum of 40% of his annual base salary, under a program, or the Holdings Executive Officer Program, which was approved by the Compensation Committee pursuant to which their annual cash bonuses

were calculated on the same basis that an annual cash bonus was calculated for Mr. Allott under the Senior Executive Performance Plan. For 2013, the Compensation Committee approved an annual cash bonus program for each of Messrs. Lewis, Greenlee and Hogan pursuant to which each of them is eligible to receive an annual cash bonus in an amount up to a maximum of 40% of his annual base salary received in 2013, with the amount of such annual cash bonus being calculated on the same basis that an annual cash bonus is calculated for Mr. Allott for 2013 under the Senior Executive Performance Plan.

The Compensation Committee has established annual bonus programs applicable to Messrs. Allott, Lewis and Greenlee that are different from the annual cash bonus programs applicable to the other executive officers of the Company because Messrs. Allott, Lewis and Greenlee assist the Compensation Committee in establishing the annual cash bonus programs for the other executive officers of the Company, including setting financial and non-financial goals under such programs and determining whether goals were met under such programs. The Compensation Committee believes it is important that it receive an unbiased view from members of top management in establishing such programs, and believes that the best way to accomplish this objective is to not have those assessing such programs participate in them so that these individuals have no conflict of interest. Additionally, the objectives of the annual cash bonus programs for Messrs. Allott, Lewis, Greenlee and Hogan are to retain such individuals and provide them with fair overall annual cash compensation taking into account relevant employment markets, and such programs are not meant primarily as an award for short-term financial performance. The Compensation Committee believes that it is more advantageous for the Company that Messrs. Allott, Lewis, Greenlee and Hogan focus more on long-term creation of stockholder value rather than short-term goals. Accordingly, the Compensation Committee establishes a performance goal target with respect to annual bonuses payable to Messrs. Allott, Lewis, Greenlee and Hogan that, although not certain, should be attainable.

Annual cash bonuses are paid to participants in the incentive programs of the Company's business operations based upon the achievement of certain financial goals and certain non-financial goals, all as approved by the Compensation Committee. Participants in those programs, including those deemed to be executive officers of the Company, are viewed on a team basis for purposes of annual cash bonuses and establishing financial and non-financial goals. Ms. Macdonald is the only Named Executive Officer who participated in an incentive program for one of the Company's business operations (plastic containers) in 2012.

The financial goals for the Company's business operations for a given year are established at the beginning of such year by the CEO, CFO and COO, or the Holdings Executives, subject to approval of the Compensation Committee. Budgeted earnings before interest and taxes and rationalization charges, the foreign currency impact from certain intercompany agreements and the impact from any foreign currency devaluations and subject to further adjustment as determined by the Compensation Committee for unusual gains and losses (Adjusted EBIT) of the Company's business operations are used as the financial goal for the Company's business operations. Based on the recommendations of the Holdings Executives, the Compensation Committee determines the portion of annual cash bonuses that would be payable to managers of the business operations of the Company based on the financial goal. The Compensation Committee generally believes that at least a majority of the annual cash bonuses payable to managers of the Company's business operations should be based on a financial goal. The table below sets forth the percentages for 2012 and 2013 of the annual cash bonuses for managers of the Company's business operations payable based on such operations' achievement of their financial goal under their incentive programs:

Business Operations	2012	2013
Metal containers (U.S.)	70%	70%
Metal containers (international)	80%	80%
Closures	80%	80%
Plastic containers	75%	75%

Non-financial goals for each of the Company's business operations for a given year are established at the beginning of the year by the Holdings Executives in conjunction with the managers of such business operations,

subject to approval of the Compensation Committee. Such non-financial goals are generally items that both the Holdings Executives and the managers of the particular business operation desire additional attention during the year. Set forth below are the non-financial goals for our U.S. metal container operations for both 2012 and 2013:

management development;

market leadership;

operational leadership;

working capital management;

selling, general and administrative cost management; and

financial reporting and controls.

Set forth below are the non-financial goals for our international metal container operations for both 2012 and 2013:

safety;

working capital management;

operational leadership; and

financial reporting and controls.

Set forth below are the non-financial goals for our closures business for both 2012 and 2013:

market leadership;

operational leadership;

working capital management;

selling, general and administrative cost management; and

financial reporting and controls.

Edgar Filing: SILGAN HOLDINGS INC - Form DEF 14A

Set forth below are the non-financial goals for our plastic container operations for both 2012 and 2013 (which are applicable for Ms. Macdonald):

safety;

working capital management;

market leadership;

operational leadership; and

financial reporting and controls.

In determining levels of achievement by the Company's business operations of their non-financial goals, the Compensation Committee relies upon the subjective evaluations of Messrs. Allott, Lewis and Greenlee, as well as their own observations of the Company's business operations obtained from the reports given by the managers of such business operations at the regular quarterly meetings of the Board of Directors of the Company.

For 2012, managers of the Company's business operations were eligible for an annual target bonus ranging from 20% to 35% of their annual salary if applicable goals were met, with such percentage for any particular person being largely based on such person's responsibilities. The amount of the bonus of each such manager is determined by a formula which calculates such bonus based on the percentage that the actual applicable financial level achieved represents of the applicable financial goal and, when applicable, based on whether non-financial

goals were met, and such managers can receive up to two times their target bonus amount if financial and non-financial goals of the applicable business operations are far exceeded. Generally, however, the Compensation Committee is of the view that non-financial goals, by their nature, are extremely hard to attain at a level warranting two times payment of the amount of the target bonus applicable to such non-financial goals, and therefore realistically managers can expect to receive between 50% and 150% of the amount of their target bonus applicable to such non-financial goals. For 2012, the percentages of the financial goals for our business operations that would have needed to have been achieved for a payment of two times the amount of the target bonus applicable to such financial goals ranged from 110% to 115% of such financial goals.

Ms. Macdonald, as President of Silgan Plastics, was eligible for an annual target bonus of 35% of her annual salary received in 2012 under the incentive program for our plastic container operations. Her bonus for 2012 was calculated as follows. For the portion of Ms. Macdonald's bonus payable based upon the achievement of a financial goal (i.e., 75% of her annual target bonus of 35% of her annual salary, or 26.25% of her annual salary), the budgeted Adjusted EBIT for 2012 for the plastic container operations was compared to the actual Adjusted EBIT for 2012 for the plastic container operations. If the actual Adjusted EBIT of the plastic container operations for 2012 was between 98% and 102% of the budgeted Adjusted EBIT for the plastic container operations for 2012, then Ms. Macdonald would have been entitled to 100% of the portion of her bonus payable based on the achievement of a financial goal for 2012 (i.e., 26.25% of her annual salary). If the actual Adjusted EBIT of the plastic container operations for 2012 was less than 98% (but more than 88%) or greater than 102% (up to 112%) of the budgeted Adjusted EBIT for the plastic container operations for 2012, then the portion of Ms. Macdonald's bonus payable based on the achievement of a financial goal would have been adjusted on a pro rata basis on a sliding scale, as follows.

Percentage of Financial Goal Achieved	Percentage of Annual Salary to be Paid as a Bonus Based on
88.0%	0%
98.0%	26.25%
100.0%	26.25%
102.0%	26.25%
112.0%	52.50%

For the portion of Ms. Macdonald's bonus payable based on whether non-financial goals were met (i.e., 25% of her annual target bonus of 35% of her annual salary, or 8.75% of her annual salary), the Holdings Executives determined the percentage (based on 100%) that such non-financial goals were met and recommended such percentage for the non-financial goals to the Compensation Committee for their approval. The approved percentage is then multiplied by such portion of the target bonus payable based on non-financial goals and such amount is added to the amount of the bonus payable for the financial goal achieved to determine the total bonus payable for 2012.

In 2012, the plastic container operations achieved 93.44% of its budgeted Adjusted EBIT and 111.5% of its non-financial goals. Accordingly, the bonus amount payable to Ms. Macdonald based on the achievement of a financial goal for 2012 was 14.28% of her annual salary received in 2012, calculated as follows:

$98\% - 93.44\% = 4.56\%$, with 98% being the lowest percentage where the bonus

payable based on the financial goal is 100% of such amount

$10\% - 4.56\% = 5.44\%$, with 10% being the range of the sliding scale between 98%

(where the bonus payable based on the financial goal is 100% of such amount) and 88%

(where the bonus payable based on the financial goal is 0% of such amount)

$5.44\%/10\% = 54.4\%$

$54.4\% \times 26.25\% = 14.28\%$

The bonus amount payable to Ms. Macdonald based on the achievement of non-financial goals was 9.76% of her annual salary received in 2012, calculated as follows:

$$111.5\% \times 8.75\% = 9.76\%$$

Therefore, Ms. Macdonald's bonus for 2012 was the sum of the percentage payable for the financial goal and the percentage payable for the non-financial goals, or 24.04% (14.28% plus 9.76%) of her annual salary received in 2012 (which equates to 68.7% of her annual target bonus of 35% of her annual salary received in 2012).

The officers of Silgan Holdings (other than Messrs. Allott, Lewis, Greenlee and Hogan), all of whom are also executive officers of the Company, are eligible to receive annual cash bonuses pursuant to an incentive program, or the Holdings Bonus Program, in which they participate and which is approved by the Compensation Committee. None of our Named Executive Officers participated in the Holdings Bonus Program in 2012. Bonuses under the Holdings Bonus Program are calculated on the basis of a weighted average of the levels of bonuses paid under the incentive programs of the Company's business operations, using each business operation's percentage of the overall Adjusted EBIT of the Company's business operations as the basis for weighting. Bonuses for such officers are thus determined by means of a pure mathematical calculation based on the weighted average of the levels of bonuses paid under the incentive programs of the Company's business operations once the bonus amounts under such incentive programs are determined. The officers participating in the Holdings Bonus Program are eligible for an annual target bonus of 30% of their annual salary, and they can receive up to two times their target bonus amount if the Company's business operations far exceed their applicable financial and non-financial goals. Generally, however, the Compensation Committee is of the view that non-financial goals, by their nature, are extremely hard to attain at a level warranting two times payment of the amount of the target bonus applicable to such non-financial goals, and therefore realistically such officers can expect to receive between 50% and 150% of the amount of their target bonus applicable to such non-financial goals.

The table below sets forth summary information for 2012 for our Named Executive Officers with regard to the incentive plan or program in which such individual participated, the bonus range, target bonus award and maximum bonus award as a percentage of salary for each such individual, the actual bonus award for each such individual and the actual bonus award as a percentage of salary for each such individual.

Equity Based Compensation

The Compensation Committee provides equity-based compensation to executive officers of the Company and its subsidiaries through awards under the 2004 Stock Incentive Plan that meet the Compensation Committee's objectives of attracting and retaining officers and aligning the interests of officers with those of the stockholders of the Company. The purpose of the 2004 Stock Incentive Plan is to promote the long-term success of the Company and the creation of stockholder value by (i) encouraging the attraction and retention of directors and officers and other key employees and (ii) linking directors and officers and other key employees of the Company directly to stockholder interests through stock ownership and appreciation. Although the Company encourages stock ownership by its officers and directors, the Company does not have any requirements or guidelines for stock ownership by its officers and directors.

The Compensation Committee is responsible for administering the 2004 Stock Incentive Plan. The Compensation Committee determines recipients of awards under the 2004 Stock Incentive Plan, approves awards, sets the terms and conditions of awards and interprets and prescribes rules for administering the 2004 Stock Incentive Plan. The 2004 Stock Incentive Plan provides for awards of stock options, stock appreciation rights, restricted stock, restricted stock units and performance awards.

Since 2005, the Compensation Committee has granted only restricted stock units and performance awards for restricted stock units under the 2004 Stock Incentive Plan. At this time, the Compensation Committee has determined to grant only restricted stock units and performance awards for restricted stock units under the 2004

Stock Incentive Plan because it believes that restricted stock units are more closely linked to ownership of stock as compared to stock options and stock appreciation rights, thereby aligning the interests of award recipients more closely with those of our stockholders.

The Compensation Committee's practice of granting restricted stock units under the 2004 Stock Incentive Plan is generally to make grants to newly hired individuals (including from acquisitions) and to individuals who are promoted and to grant performance awards annually to current officers and other key employees, all as described below. In addition, the Compensation Committee may make awards under the 2004 Stock Incentive Plan to officers and other key employees of the Company and its subsidiaries at other times and for other purposes, consistent with the terms of the 2004 Stock Incentive Plan.

In order to attract new officers and other key employees (including from acquisitions), the Compensation Committee will make grants of restricted stock units to such new individuals, which generally will vest ratably over a five-year period or all at once in a single installment at least three years from the date of grant. The number of restricted stock units that are granted to an individual will be determined by the Compensation Committee generally on the basis of what it believes is necessary to hire and retain such individual, taking into account the salary and bonus offered to such individual and the total nominal value of such restricted stock units. In this regard, Ms. Macdonald was granted 28,000 restricted stock units in 2012 under the 2004 Stock Incentive Plan which vest ratably over a five-year period in connection with her hiring. The Compensation Committee may also make grants of restricted stock units during the course of the year to officers who are promoted, largely on the basis of the nominal value of unvested restricted stock units of such individuals as compared to a targeted multiple of such individual's new annual base salary. The primary purpose of such equity awards is retention of the individual, and generally these restricted stock units will vest ratably over a five-year period. Typically, the Compensation Committee makes grants to newly hired individuals and persons who are promoted on only up to one business day during a fiscal quarter, generally at a regularly scheduled meeting of the Compensation Committee which generally follows the issuance by the Company of its quarterly earnings release. As a result, the practice of the Compensation Committee generally is to make grants on up to four dates during each year and, in addition, as applicable, in connection with certain acquisitions.

Additionally, in order to retain current officers and other key employees, the Compensation Committee annually reviews the nominal value of unvested restricted stock units of such persons. For each officer and other key employee of the Company, the Compensation Committee targets a multiple of such person's annual base salary as the level of the nominal value of unvested restricted stock units for each such person. The multiple for each individual is determined on the basis of the individual's anticipated long-term contribution to the Company. Within the first ninety days of each year, the Compensation Committee will fix and establish performance criteria for that year for potential grants of performance awards of restricted stock units in the following year. The minimum level of performance required to be attained for grants to be made in the following year is set by the Compensation Committee at a level that, although not certain, should be attainable because the primary purpose of these grants is retention. For the performance period that was the Company's 2012 fiscal year, the Compensation Committee established the Company's Adjusted EBITDA as the performance criteria and the minimum level of performance by the Company for 2012 for grants to be made in 2013 as 75% of the Company's Adjusted EBITDA level in 2011. At the time the performance criteria is set for a particular year, the Compensation Committee approves a maximum number of restricted stock units that may be granted to each individual in the following year if the minimum level of performance is attained. Then, following the end of a particular year if the minimum level of performance for that year is attained, the Compensation Committee will review the nominal value of the unvested restricted stock units previously granted to an individual and compare this to the individual's target multiple of salary. For each of Messrs. Allott, Lewis, Greenlee and Hogan and Ms. Macdonald, the target multiple of salary is three times such person's salary. Generally, at its regularly scheduled meeting during the first quarter, the Compensation Committee will then consider performance awards of restricted stock units to individuals whose aggregate nominal value of unvested restricted stock units is less than their target multiple of salary so that the total nominal value of unvested restricted stock units approximates their target multiple of salary. Generally, any such restricted stock units so granted will vest ratably over a five-

year period. In 2012, Messrs. Allott, Lewis, Greenlee and Hogan were granted performance awards for 16,500 restricted stock units, 2,400 restricted stock units, 8,900 restricted stock units and 7,900 restricted stock units, respectively, on the basis described in this paragraph.

In addition, the Compensation Committee has granted performance awards for restricted stock units to Messrs. Allott, Lewis, Greenlee and Hogan which vest all at once in a single installment at least three years from the date of grant. The primary purpose of these grants is to provide additional long-term compensation to such executive officers to keep them at competitive compensation levels and to do so in a manner that further augments the retention of such executive officers. Such grants have been subject to the attainment of performance criteria as established by the Compensation Committee, and such grants have been forfeitable in the event the Company does not attain such performance criteria. The performance criteria for such grants has generally been the Adjusted EBITDA of the Company for a particular year following such grant and the minimum level of performance required for such grant has been 75% of the Company's prior year Adjusted EBITDA level. In March 2013 on the basis described in this paragraph, Messrs. Lewis, Greenlee and Hogan were granted performance awards for 50,000, 50,000 and 25,000 restricted stock units, respectively, which, so long as the Company attains the applicable performance criteria for 2013, vest all at once in a single installment six years from the date of grant.

Beginning with grants made on March 1, 2006, restricted stock units granted under the 2004 Stock Incentive Plan carry with them the right to receive dividend equivalents in an amount equal to all cash dividends paid on one share of Common Stock of the Company for each restricted stock unit while such restricted stock unit is outstanding and until such restricted stock unit vests. Such dividend equivalents for a restricted stock unit are accrued as dividends and are paid to the individual upon the vesting of such restricted stock unit. The Compensation Committee added dividend equivalent rights to restricted stock units to further align the interests of officers and other key employees of the Company and its subsidiaries with those of the stockholders of the Company.

Retirement and Other Benefits

The Company also provides retirement and other benefits to most of its executive officers for purposes of retention. Such benefits include pension, 401(k), supplemental retirement, medical, disability and group life insurance benefits.

The Company does not provide retirement and other benefits to Messrs. Allott, Lewis and Greenlee, although they can make contributions to the 401(k) plan without any matching contributions by the Company and they can participate in the medical benefits provided they pay 100% of their premiums. This approach allows Messrs. Allott, Lewis and Greenlee to assist the Compensation Committee in an unbiased manner in its oversight and review of these benefits.

The other officers of the Company (including Mr. Hogan) and the officers of Silgan Containers participate in (i) if such officer was hired before 2007, the Silgan Containers Pension Plan for Salaried Employees, or the Silgan Containers Pension Plan (a defined benefit plan intended to be qualified as a pension plan under Section 401(a) of the Code), (ii) the Silgan Containers Retirement Savings Plan, or the Containers 401(k) Plan (a 401(k) plan which is intended to be qualified under Section 401(a) of the Code, which individuals can elect to participate in and which provides for matching contributions and in the case of certain individuals includes a potential profit sharing contribution), (iii) the Silgan Containers Supplemental Executive Retirement Plan, as amended, or the Containers Supplemental Plan (a non-qualified defined contribution plan that provides for contributions on behalf of participating individuals that are intended to make up for benefits not payable under the pension and 401(k) plans because of limits imposed by the Code), and (iv) medical benefits and group life insurance benefits generally available to all salaried employees on the same basis as they are available to all other salaried employees. Benefits under the Silgan Containers Pension Plan are based on the participant's average rate of base pay (or salary) over the final three years of employment, with increases to a participant's rate of base pay

following January 1, 2007 (or the first January 1 the participant earned base pay, if later) capped at 3% per year for purposes of the Silgan Containers Pension Plan. The amount of average base pay taken into account for any year is limited by Section 401(a)(17) of the Code, which imposes a cap of \$250,000 (to be indexed for inflation) on compensation taken into account for 2012. Benefits under the Silgan Containers Pension Plan are not subject to any deduction for social security or other offset amounts. The Silgan Containers Pension Plan was amended in 2006 to provide that salaried employees hired after 2006 are no longer eligible to participate in the Silgan Containers Pension Plan.

Officers of Silgan Plastics (including Ms. Macdonald) participate in (i) if such officer was hired before 2007, the Silgan Plastics Pension Plan for Salaried Employees, or the Silgan Plastics Pension Plan (a defined benefit plan intended to be qualified as a pension plan under Section 401(a) of the Code), (ii) the Silgan Plastics Compensation Investment Plan, or the Plastics 401(k) Plan (a 401(k) plan which is intended to be qualified under Section 401(a) of the Code, which individuals can elect to participate in and which provides for matching contributions), (iii) the Silgan Plastics Supplemental Savings and Pension Plan, or the Plastics Supplemental Plan (a non-qualified defined contribution plan that provides for contributions on behalf of such individuals that are intended to make up for benefits not payable under the pension and 401(k) plans because of limits imposed by the Code), and (iv) medical benefits and group life insurance benefits generally available to all salaried employees on the same basis as they are available to all other salaried employees. The normal retirement benefit under the Silgan Plastics Pension Plan is generally a percentage of a participant's average compensation times such participant's years of service. For this purpose, average compensation is based on the participant's average total compensation (salary and bonus) over the final 36 months of employment or over the highest three of the final five calendar years of employment, whichever produces the greater average compensation. In computing this average, compensation for any year cannot exceed 125% of base pay. Compensation used in determining benefits is also limited by Section 401(a)(17) of the Code, which imposes the cap indicated above. Benefits under the Silgan Plastics Pension Plan are determined based on two methods. Under the first method, the Silgan Plastics Pension Plan provides for benefits based on a formula which takes into account all eligible pay under the plan. Most of Silgan Plastics' officers are eligible participants under the Silgan Plastics Pension Plan based on this first method. Under the second method, benefits under the Silgan Plastics Pension Plan are based on one of three formulas, one of which is calculated using a smaller percentage of pay up to a maximum dollar threshold subject to social security taxes and a larger percentage of pay for pay in excess of that threshold. The Silgan Plastics Pension Plan was amended in 2006 to provide that salaried employees hired after 2006 are no longer eligible to participate in the Silgan Plastics Pension Plan.

Perquisites and Other Personal Benefits

Generally, the Company does not provide its executive officers with any perquisites or other personal benefits.

Employment Agreements

Mr. Allott, President and Chief Executive Officer of the Company, entered into an employment agreement with the Company in April 2004. Mr. Allott's employment agreement provides for, among other things, a severance benefit if Mr. Allott is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum amount payable pursuant to the Senior Executive Performance Plan as previously approved by the Compensation Committee (for 2013, 100% of his then current annual salary).

Mr. Lewis, Executive Vice President and Chief Financial Officer of the Company, is entitled to a severance benefit, as provided in an employment letter from the Company dated June 30, 2004, if Mr. Lewis is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum bonus amount payable to him as previously approved by the Compensation Committee (for 2013, 40% of his then current annual salary).

Mr. Greenlee, Executive Vice President and Chief Operating Officer of the Company, is entitled to a severance benefit, as provided in an employment letter from the Company dated October 1, 2007, if he is terminated by the Company without cause in an amount equal to the sum of (i) his then current annual salary plus (ii) his annual bonus, calculated at the then current maximum bonus amount payable to him as previously approved by the Compensation Committee (for 2013, 40% of his then current annual salary).

Ms. Macdonald, President of Silgan Plastics, is entitled to a severance benefit, as provided in an agreement with Silgan Plastics dated March 1, 2012, if she is terminated by Silgan Plastics without cause in an amount equal to the sum of (i) her then current annual salary plus (ii) her annual bonus that she would have received for the year during which her employment was terminated had her employment not been terminated, but pro rated based on the number of days she was employed by Silgan Plastics during such year.

Tax Deductibility

Section 162(m) of the Code disallows a federal income tax deduction to any publicly held corporation for compensation paid in excess of \$1 million in any taxable year to an individual who, on the last day of the taxable year, was (i) the chief executive officer or (ii) among the three other most highly compensated executive officers (other than the chief executive officer or chief financial officer) employed by such corporation (or a member of its affiliated group), and allows an exception for performance-based compensation which does not count towards the \$1 million limit if certain requirements are met. The Company's intention is to maximize the tax deductibility of its compensation programs. However, because the Company believes that the use of prudent judgment in determining compensation levels is in the best interests of the Company and its stockholders, under some circumstances it may determine to pay amounts of compensation that may not be fully deductible. The Company reserves the right to use prudent judgment in establishing compensation policies to attract and retain qualified executives to manage the Company and to reward such executives for outstanding performance, while taking into consideration the financial impact of such actions on the Company.

Potential Payments Upon Termination or Change of Control

Potential Payments Upon Termination

In the event that a Named Executive Officer's employment is terminated for any reason, such person is entitled to receive amounts earned through the date of termination, including salary, amounts contributed under the applicable 401(k) plan (including, to the extent applicable, contributions made by the Company or a subsidiary of the Company that are vested), unused vacation pay and, in the case of Mr. Hogan, accrued and vested benefits under and pursuant to the applicable pension plan and supplemental executive retirement plan.

If termination of a Named Executive Officer's employment is not voluntary, such person may exercise any stock options granted to him under the 2004 Stock Incentive Plan (but only if such involuntary termination was without cause) that had become exercisable as of the date of termination for a period up to 90 days after the date of termination, or in the event of death or disability, for a period of up to one year after the date of termination. As of December 31, 2012, there were no outstanding stock options held by any of our employees, including any of our Named Executive Officers. Upon termination of employment for any reason, all stock options and restricted stock units of a Named Executive Officer that are unvested are forfeited except as described in the section below titled Potential Payments Upon Change of Control. In addition, if such termination is not voluntary, such person is entitled to receive a pro rata amount of his bonus for the year in which such person is terminated.

In addition to the foregoing, each of our Named Executive Officers is entitled to the following:

In the event that his employment is terminated without cause, Mr. Allott is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus (calculated at then current maximum amount payable as previously approved by the Compensation Committee).

In the event that his employment is terminated without cause, Mr. Lewis is entitled to a lump sum severance benefit equal to his then current annual salary plus his annual bonus (calculated at then current maximum amount payable as previously approved by the Compensation Committee).

In the event that her employment is terminated without cause, Ms. Macdonald is entitled to a severance benefit equal to her then current annual salary payable over one year plus an amount equal to the bonus she would have received for the year during which her employment terminated had her employment not so terminated, but pro rated based on the number of days she was employed by Silgan Plastics during such year.

The following table sets forth the potential payments to each Named Executive Officer if such officer had been terminated without cause on December 31, 2012.

Allott, Lewis and Greenlee a bonus for 2012 at the maximum amount payable to him as described above. Potential Payments Upon Change of Control

The Company does not have any agreement or other arrangement with any of our Named Executive Officers in the event of a change of control involving the Company, other than in respect of outstanding stock options and restricted stock units granted under the 2004 Stock Incentive Plan. For stock options and restricted stock units granted under the 2004 Stock Incentive Plan, upon a change of control all such stock options shall become exercisable and all such restricted stock units shall become vested unless the acquiring or surviving corporation assumes such stock options and/or restricted stock units. In such case, if the employment of a holder of any such assumed stock option or restricted stock unit, including a Named Executive Officer, is terminated without cause within 24 months of such change of control, then all such assumed stock options of such holder shall become immediately exercisable and all such assumed restricted stock units of such holders shall become immediately vested. Notwithstanding the foregoing, the 2004 Stock Incentive Plan provides that the applicable award agreement shall govern the treatment of an award upon a change in control, which may differ from the foregoing, and any such provision for a change in control shall be in a manner consistent with the provisions of Section 409A of the Code.

Based upon a price per share of \$41.54 (the closing sales price of a share of our Common Stock on December 31, 2012, the last business day of 2012 as quoted by the Nasdaq Global Select Market System) and the number of restricted stock units held by our Named Executive Officers that were unvested as of December 31, 2012 (information concerning such unvested restricted stock units is provided in the Outstanding Equity Awards at Fiscal Year-End Table), we estimate the value related to the immediate vesting of these unvested restricted stock units held by each of our Named Executive Officers upon a change of control involving the Company (assuming the acquiring or surviving corporation does not assume the outstanding restricted stock units under the 2004 Stock Incentive Plan) to be as follows:

<u>(a)</u>	<u>(b)</u>	
<u>Name</u>	Value Related to Immediate Vesting of Unvested Restricted Stock	
	Units	(\$)(1)
Anthony J. Allott	\$	6,587,414

Adam J. Greenlee	\$	5,190,008
Frank W. Hogan, III	\$	2,788,996
Sarah T. Macdonald	\$	1,163,120

- (1) As of December 31, 2012, there were no outstanding stock options held by any of our employees, including any of our Named Executive Officers.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee is governed by a written charter approved by the Company's Board of Directors. A copy of the written charter of the Audit Committee is included in this Proxy Statement as Appendix A. In accordance with the written charter of the Audit Committee, the applicable listing standards of the Nasdaq Stock Market and the applicable rules of the SEC, all members of the Audit Committee are independent. The Audit Committee held nine meetings during 2012.

The Audit Committee provides assistance to the Board of Directors of the Company in fulfilling its oversight responsibility relating to the Company's consolidated financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit activities and compliance with legal and regulatory requirements relating to accounting and financial reporting matters and the annual independent audits of the Company's consolidated financial statements and the effectiveness of the Company's internal control over financial reporting. Management of the Company is responsible for the consolidated financial statements and reporting process of the Company, including maintaining effective internal control over financial reporting and assessing the effectiveness of the Company's internal control over financial reporting. Ernst & Young LLP, the independent registered public accounting firm of the Company, is responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (United States) and for issuing a report thereon. The independent registered public accounting firm is also responsible for auditing the effectiveness of the Company's internal control over financial reporting. The Audit Committee's responsibility is to oversee these audits and the financial reporting process of the Company.

In fulfilling its oversight responsibilities, the Audit Committee discussed with management, the Company's internal auditors and the Company's independent registered public accounting firm the overall scope and plans for the Company's audits. The Audit Committee met with the Company's internal auditors and independent registered public accounting firm, with and without management present, to discuss the Company's audits, the Company's consolidated financial statements and the effectiveness of the Company's internal control over financial reporting. The Audit Committee also reviewed and discussed with management and the Company's independent registered public accounting firm the audited consolidated financial statements of the Company included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012. Additionally, the Audit Committee reviewed with management its report on its assessment of the effectiveness of the Company's internal control over financial reporting and the independent registered public accounting firm's report on the effectiveness of the Company's internal control over financial reporting.

The Audit Committee has received the written disclosures and the letter from the Company's independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding such firm's communications with the Audit Committee concerning independence, and has discussed with the Company's independent registered public accounting firm such firm's independence. The Audit Committee has also considered the compatibility of nonaudit services with such firm's independence. Additionally, in assessing such firm's independence, the Audit Committee reviewed the amount of fees paid to the Company's independent registered public accounting firm for audit and nonaudit services.

The Audit Committee has also discussed with the Company's independent registered public accounting firm the matters required to be discussed by Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board in Rule 3200T.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors of the Company that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2012 for filing with the SEC.

The Audit Committee is also directly responsible for the appointment, compensation, retention and oversight of the work of the independent registered public accounting firm of the Company. Accordingly, the Audit Committee has approved, subject to stockholder ratification, the selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013.

The Audit Committee has adopted a formal policy, consistent with its written charter, that requires its approval in advance for any audit, audit-related, tax and other services to be performed by the Company's independent registered public accounting firm. Pursuant to its formal policy, the Audit Committee approved in advance all audit, audit-related, tax and other services performed by the Company's independent registered public accounting firm in 2012. This policy provides that the Audit Committee may delegate to any of its members the authority to approve in advance any audit and nonaudit services to be performed by the Company's independent registered public accounting firm, and, in such case, requires such member to report any decisions to the Audit Committee at its next scheduled meeting.

**PROPOSAL 2: RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Appointment of Independent Registered Public Accounting Firm

The Audit Committee of the Board of Directors of the Company has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2013. The Board of Directors of the Company is requesting ratification of this appointment by the stockholders of the Company. It should be noted however that, even if this appointment is ratified by the stockholders of the Company, the Audit Committee in its discretion may replace the Company's independent registered public accounting firm and appoint a new independent registered public accounting firm for the Company at any time during the year if it determines that such a change would be in the best interests of the Company.

A representative of Ernst & Young LLP is expected to be present at the Meeting and to be available to respond to appropriate questions from those attending the Meeting, but is not otherwise expected to make a statement.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2013.

PROPOSAL 3: ADVISORY VOTE TO APPROVE

COMPENSATION OF NAMED EXECUTIVE OFFICERS

At our annual meeting of stockholders in 2011, for the advisory vote on the frequency of future advisory votes on the compensation of the Company's Named Executive Officers, a frequency of every year received a majority of the votes cast at such meeting. In light of this result and other factors considered by the Board of Directors of the Company, the Board of Directors of the Company decided that the Company will hold an advisory vote on the compensation of its Named Executive Officers each year at its annual meeting of stockholders until the next required advisory vote on the frequency of the same, which is no later than the Company's annual meeting of stockholders in 2017. Accordingly, pursuant to Section 14A of the Securities Exchange Act of 1934, as amended, we are including in this Proxy Statement an advisory vote on the compensation of our Named Executive Officers as described in this Proxy Statement (commonly referred to as a "Say-on-Pay").

You should read the section of this Proxy Statement entitled "Executive Compensation" for a description of the compensation provided to our Named Executive Officers. The Company's executive compensation program provides base salaries and annual cash incentive bonuses that enable the Company to attract and retain such executives and provide fair compensation to them taking into account responsibilities and relevant employment markets. The Company's executive compensation program also provides equity-based compensation consisting primarily of performance awards of restricted stock units, which the Company believes fosters more balanced risk taking because restricted stock units are more closely linked to ownership of stock than other equity-based compensation. In addition, the Company provides modest retirement and other benefits primarily for purposes of retention to its executives other than Messrs. Allott, Lewis and Greenlee. Messrs. Allott, Lewis and Greenlee generally are not provided with any retirement or other benefits, thereby allowing them to assist the Compensation Committee in an unbiased manner in its oversight and review of such benefits.

Overall, the Board of Directors believes the compensation program for our Named Executive Officers attracts and retains them by providing fair compensation, rewards them for achieving short-term business goals and long-term creation of stockholder value while at the same time not encouraging excessive risk taking, and aligns their interests with the interests of our stockholders. The Board of Directors believes the compensation program for our Named Executive Officers strikes the appropriate balance between utilizing responsible, measured compensation practices and effectively incentivizing our executives to focus on long-term value creation for stockholders. Additionally, the Board of Directors believes that total compensation, as shown in the Summary Compensation Table, for any Named Executive Officer should be considered over a longer period of time than one year as a result of the fact that equity based awards may be granted in an uneven manner in one year as compared to another year based on the practices of the Compensation Committee in granting equity based awards as described in the section of this Proxy Statement titled "Compensation Discussion and Analysis - Equity Based Compensation." Accordingly, the Board of Directors strongly endorses the Company's compensation for our Named Executive Officers and recommends that the stockholders of the Company vote in favor of the following resolution:

RESOLVED, that the compensation provided to the Company's Named Executive Officers, as described in this Proxy Statement in the section entitled "Executive Compensation," including the Compensation Discussion and Analysis, compensation tables and the accompanying narrative disclosures, is hereby approved, on an advisory basis, by the stockholders of the Company.

Because this vote is advisory, it will not be binding upon the Company, and neither the Board of Directors nor the Compensation Committee will be required to take any action as a result of this vote. The Compensation Committee will consider the outcome of this vote when reviewing compensation matters in the future.

THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE FOR THE APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE NAMED EXECUTIVE OFFICERS OF THE COMPANY.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors and officers and persons holding more than ten percent of a registered class of our equity securities to file with the SEC initial reports of ownership, reports of changes in ownership and annual reports of ownership of Common Stock and other equity securities of the Company. These directors, officers and ten percent stockholders are also required to furnish us with copies of all such filed reports.

Based solely upon a review of the copies of reports furnished to us and/or representations that no reports were required, we believe that all of our directors, officers and ten percent stockholders complied with all filing requirements under Section 16(a) of the Exchange Act in 2012.

STOCKHOLDER PROPOSALS FOR 2014 ANNUAL MEETING

Stockholders may submit proposals on matters appropriate for stockholder action at our annual meetings consistent with the rules and regulations adopted by the SEC. Proposals to be considered for inclusion in the Proxy Statement and the form of proxy for our annual meeting of stockholders in 2014 must be received by us at our principal executive offices not later than December 26, 2013. In accordance with the Exchange Act and the rules and regulations promulgated under the Exchange Act, proxies solicited by our Board of Directors will confer discretionary voting authority with respect to any proposal raised at our annual meeting of stockholders in 2014 as to which the proponent has not notified us by March 11, 2014. Proposals should be directed to the attention of the General Counsel, Silgan Holdings Inc., 4 Landmark Square, Stamford, Connecticut 06901.

OTHER MATTERS

As of the date of this Proxy Statement, our Board of Directors and management have no knowledge of any other business matters that will be presented for consideration at the Meeting other than those referred to in this Proxy Statement. However, persons named in the accompanying proxy card shall have authority to vote such proxy as to any other matters that properly come before the Meeting and as to matters incidental to the conduct of the Meeting in accordance with their discretion.

SILGAN HOLDINGS INC.
CHARTER OF THE
AUDIT COMMITTEE
OF THE
BOARD OF DIRECTORS

Organization

This Charter governs the operations of the Audit Committee (the "Audit Committee") of the Board of Directors of Silgan Holdings Inc. (the "Company"). The Audit Committee shall review and reassess this Charter at least annually and shall submit any proposed changes to the Board of Directors of the Company for approval. Additionally, the Audit Committee shall cause this Charter to be filed with the Securities and Exchange Commission (the "SEC") in accordance with, and when and as required by, the rules and regulations of the SEC.

The Audit Committee shall be appointed by the Board of Directors of the Company and shall assist the Board of Directors in fulfilling its oversight of (1) the integrity of the financial statements of the Company, (2) the independent auditor's qualifications and independence, (3) the performance of the Company's internal audit activities and independent auditor, and (4) the Company's compliance with legal and regulatory requirements relating to accounting and financial reporting matters. The Audit Committee shall be comprised of at least three Directors, each of whom (x) shall be independent as provided in the applicable rules of the The Nasdaq Stock Market ("Nasdaq") and the SEC as in effect from time to time and (y) shall not have participated in the preparation of the financial statements of the Company or any of its current subsidiaries at any time during the past three years. Each member of the Audit Committee must be able to read and understand fundamental financial statements, including the Company's balance sheet, statement of income and statement of cash flow. At least one member of the Audit Committee shall have the requisite financial sophistication under applicable Nasdaq rules in the judgment of the Board of Directors. The Chairperson of the Audit Committee shall be designated by the Board of Directors, or, if not so designated, by a majority vote of the members of the Audit Committee. If a member of the Audit Committee shall at any time serve simultaneously on the audit committee of more than two other public companies, such member shall promptly inform the Board of Directors thereof.

Statement of Policy

The Audit Committee shall provide assistance to the Board of Directors of the Company in fulfilling its oversight responsibility to the stockholders of the Company and others relating to the Company's financial statements and financial reporting process, systems of internal accounting and financial controls, internal audit activities and compliance with legal and regulatory requirements relating to accounting and financial reporting matters and the annual independent audit of the Company's financial statements. The Audit Committee shall also be directly responsible for the appointment (subject, if applicable, to ratification by the stockholders), compensation, retention and oversight of the work of the independent auditor (including resolution of disagreements between management and the independent auditor regarding financial reporting) engaged for the purpose of preparing and/or issuing an audit report or related work or performing other audit, review or attest services for the Company, and the independent auditor shall report directly to the Audit Committee. While the Audit Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Audit Committee to plan or conduct audits or to determine that the Company's financial statements and disclosures are presented fairly in all material respects in accordance with generally accepted accounting principles. These are the responsibility of management and the independent auditor of the Company. In so doing, it is the responsibility of the Audit Committee to maintain free and open communication between the independent auditor, the internal auditors, management and the Board of Directors. In discharging its oversight role, the Audit Committee has authority to conduct any investigation appropriate to fulfilling its responsibilities, with full access to the independent auditor and to all books, records, facilities and personnel of the Company. Additionally, for this purpose the Audit Committee may retain, at the Company's expense, outside legal counsel or other consultants and experts.

The primary responsibility of the Audit Committee is to oversee, on behalf of the Board of Directors of the Company, the financial reporting process established by management and report to the Board of Directors on the results of their activities. Management is responsible for preparing the Company's financial statements, and the independent auditor is responsible for auditing those financial statements. The Audit Committee recognizes that management (including the internal audit activities), as well as the independent auditor, have more knowledge and detailed information about the Company than the members of the Audit Committee, and consequently, in carrying out its oversight responsibilities, the Audit Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work. The Audit Committee in carrying out its responsibilities believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances.

Responsibilities and Processes

In carrying out its oversight responsibilities, the Audit Committee shall undertake the following activities.

Audit Responsibilities

1. The Audit Committee shall be solely responsible for the appointment (subject, if applicable, to ratification by the stockholders of the Company), compensation, retention and oversight of the work of the independent auditor of the Company. The independent auditor shall report directly to the Audit Committee. If the appointment of the independent auditor is submitted for any ratification by stockholders, the Audit Committee shall be responsible for making the recommendation of the independent auditor.
2. The Audit Committee shall review, at least annually, the qualifications and performance of the independent auditor. In conducting such review, the Audit Committee shall obtain and review at least annually a report by the independent auditor describing (1) such auditing firm's internal quality-control procedures and (2) any material issues raised by the most recent internal quality-control review, or peer review, of such auditing firm or by any formal investigation by governmental or professional authorities (including the Public Company Accounting Oversight Board) within the preceding five years with respect to any independent audit carried out by such auditing firm, and any steps taken to deal with any such issues. This evaluation shall include the review and evaluation of the lead partner of the independent auditor and shall ensure the rotation of partners of the independent auditor in accordance with applicable rules and regulations of the SEC and Nasdaq.
3. The Audit Committee shall review the independence of the independent auditor. In connection with its review of the independence of the Company's independent auditor, the Audit Committee shall require written disclosures from the independent auditor, as required by Rule 3526 of the Public Company Accounting Oversight Board, Communications with Audit Committees Concerning Independence, regarding their independence and their relationships with the Company and its subsidiaries. The Audit Committee shall discuss with the independent auditor their independence from management and the Company and the matters included in the written disclosures required by the Independence Standards Board. Specifically, the Audit Committee shall review and discuss with the independent auditor, on at least an annual basis, all significant relationships they have with the Company that could impair their independence and objectivity. To the extent it deems necessary, the Audit Committee shall recommend that the Board of Directors take appropriate action on any disclosed relationships that may reasonably be thought to bear on the independence of the independent auditor and satisfy itself that the Company has engaged an independent auditor as required by applicable securities laws and regulations.
4. The Audit Committee shall discuss with management and the independent auditor the overall scope and plans for the Company's annual audit, including staffing, timing, locations and the internal audit and general audit approach. The Audit Committee shall review the audit plans for their sufficiency. The Audit Committee shall meet separately with the independent auditor, with and without management present, to discuss the results of their examinations along with management's responses to significant matters. Also, the Audit Committee shall discuss with management and the independent auditor the integrity, adequacy and effectiveness of the Company's financial reporting processes and accounting and financial controls.

5. The Audit Committee shall review with the independent auditor audit problems or difficulties and management letters provided by the independent auditor and management's response, including, but not limited to (1) any restrictions on the scope of the independent auditor's activities, (2) any restriction on the access of the independent auditor to requested materials, (3) any significant disagreements with management and (4) any audit differences that were noted or proposed by the independent auditor but for which the Company's financial statements were not adjusted (as immaterial or otherwise). The Audit Committee will resolve any disagreements between the independent auditor and management regarding financial reporting.

6. The Audit Committee shall pre-approve any audit or permissible non-audit engagement or relationship between the Company and the independent auditor and shall also approve in advance any internal audit services to be performed by other registered public accounting firms that are not the Company's independent auditor. The Audit Committee shall establish guidelines for the retention of the independent auditor for any permissible non-audit services. In connection with the Audit Committee's approval of non-audit services, the Audit Committee shall consider whether the independent auditor's performance of any non-audit services is compatible with the independent auditor's independence. The Audit Committee hereby delegates to the Chairman of the Audit Committee the authority to pre-approve all audit or non-audit services to be provided by the independent auditor and any internal audit services to be performed by any other registered public accounting firm if presented to the Audit Committee at the next regularly scheduled meeting.

7. The Audit Committee shall recommend to the Board of Directors policies for the Company's hiring of employees or former employees of the independent auditor who participated in any capacity in the audit of the Company.

Financial Statement and Disclosure Matters

8. The Audit Committee shall review and discuss, prior to public dissemination, the annual audited and quarterly unaudited financial statements of the Company (including, without limitation, the footnotes) with management and the independent auditor, including major issues regarding accounting, disclosure and auditing procedures and practices that could materially affect the Company's financial statements. In addition, the Audit Committee shall review and discuss the Company's disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations. Based on the annual review, the Audit Committee shall determine whether to recommend to the Board of Directors inclusion of the annual audited financial statements in the Company's Annual Report on Form 10-K.

9. The Audit Committee shall discuss with the independent auditor the results of the annual audit and quarterly reviews and any other matters required to be communicated to the Audit Committee by the independent auditor under generally accepted auditing standards.

10. The Audit Committee shall discuss with management and the independent auditor significant financial reporting issues and judgments made in connection with the preparation of the Company's financial statements, including any material changes in the selection or application of accounting principles, any major issues as to the adequacy of the internal controls and any actions taken in light of material control deficiencies.

11. The Audit Committee shall review disclosures made to the Audit Committee by the CEO and CFO during their certification process for the Company's Form 10-Ks and Form 10-Qs.

12. The Audit Committee shall review and discuss reports from the independent auditor on:

- i Critical accounting policies and practices to be used (including major changes thereto).
- i Alternative treatments of financial information within generally accepted accounting principles that have been discussed with management, the ramifications of the use of such alternative disclosures and treatments and the treatment preferred by the independent auditor.

13. The Audit Committee shall prepare the Audit Committee report that the SEC requires to be included in the Company's annual proxy statement.

14. When and as required under applicable securities laws and rules, the Audit Committee shall obtain annually a report from the independent auditor, with attestation, regarding management's assessment of the effectiveness of the internal control structure and procedures for financial reporting.

Compliance Oversight Responsibility

15. The Audit Committee shall discuss with the independent auditor whether it has identified any issues of the type described in Section 10A of the Securities Exchange Act of 1934, as amended (concerning detection of illegal acts).

16. The Audit Committee shall establish and maintain procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters. Also, the Audit Committee shall ensure that the Company maintains an anonymous reporting hotline for the confidential anonymous submission by employees of the Company of concerns regarding questionable accounting, internal accounting controls or auditing matters.

17. The Audit Committee shall review at least annually legal matters with the Company's General Counsel that may have a material impact on the financial statements, the Company's compliance policies relating to accounting and financial reporting matters and any material reports or inquiries received from regulators or governmental agencies.

18. The Audit Committee must approve any related party transactions required to be disclosed pursuant to Item 404 of SEC Regulation S-K, as amended.

Other

19. The Audit Committee shall report to the Board of Directors any issues that arise with respect to the quality or integrity of the Company's financial statements and compliance with legal or regulatory requirements relating to accounting and financial reporting matters, the performance and independence of the Company's independent auditor or the performance of the internal audit function.

20. The Audit Committee may, from time to time, conduct such other examinations or reviews as it may deem advisable with respect to the adequacy of the systems of internal accounting controls and accounting practices of the Company and with respect to current accounting trends and developments, and take such action with respect thereto as it may deem appropriate.

21. The Audit Committee shall meet at least four times annually, or more frequently if circumstances require. An agenda for each meeting shall be developed by the Chairperson of the Audit Committee in consultation with management, consistent with this Charter. Members of management and the independent auditor shall attend such meetings as requested by the Audit Committee. Minutes of all meetings of the Audit Committee shall be kept and maintained with the Company's records.
