Item 1.01 Entry into a Material Definitive Agreement.

On May 10, 2013, Primus Telecommunications Group, Incorporated (PTGi) announced that PTGi and each of Primus Telecommunications Holding, Inc. (PTHI), Primus Telecommunications International, Inc. (PTII) and Lingo Holdings, Inc. (Lingo Holdings), and together with PTHI and PTII, the Sellers), direct or indirect wholly owned subsidiaries of PTGi, entered into an equity purchase agreement dated as of May 10, 2013 (the Purchase Agreement) with PTUS, Inc. (US Acquireco) and PTCAN, Inc. (CAN Acquireco) and together with US Acquireco, the Purchasers), affiliates of York Capital Management, an investment firm, to sell to the Purchasers all of the outstanding equity of each of Primus Telecommunications, Inc. (PTI), Lingo, Inc. (Lingo), iPrimus, USA, Inc. (iPrimus), 3620212 Canada Inc. (Primus Canada), Primus Telecommunications Canada Inc. (PTCI), Telesonic Communications Inc. (Telesonic), and Globility Communications Corporation (Globility), and together with PTI, Lingo, iPrimus, Primus Canada, PTCI and Telesonic, the Companies), indirect or direct wholly owned subsidiaries of PTGi, for approximately US\$129 million (the Transaction). The purchase price is subject to potential downward or upward post-closing adjustments based on net working capital and cash at closing. The Purchase Agreement contains customary indemnification obligations, representations, warranties and covenants for a transaction of this nature. Certain indemnification obligations are subject to a cap of approximately US\$12.9 million. In addition, the Purchase Agreement provides that the Sellers must, for 14 months after the closing of the Transaction, maintain a minimum balance of cash and cash equivalents necessary to satisfy PTGi s indemnification obligations under the Purchase Agreement.

Pursuant to the terms of the Purchase Agreement, US\$6.45 million of the purchase price will be placed in escrow to be released 14 months after the closing date, subject to any deductions required to satisfy indemnification obligations of PTGi under the Purchase Agreement. In addition, US\$4 million of the purchase price will be placed in escrow to cover any payments required in connection with the post-closing working capital and cash adjustments, which escrow amount will be released when such adjustments are conclusively agreed upon. Furthermore, US\$4.8 million of the purchase price will be placed in escrow to cover certain tax liabilities, which escrow amount will be released after a positive ruling with respect to the underlying matter is received or 30 days after expiration of the applicable statute of limitations relating to the underlying matter.

The Purchase Agreement also contains certain termination rights for PTGi, the Sellers and the Purchasers, including the right of PTGi and the Sellers, in certain circumstances, to terminate the Purchase Agreement and accept a superior proposal. If the Purchase Agreement is terminated, in certain circumstances, the Sellers would be required to pay to the Purchasers reasonable costs and expenses incurred by the Purchasers of up to 1% of the purchase price or a termination fee equal to US\$3.87 million. In certain circumstances in which the Purchase Agreement is terminated or the Purchasers breach the Purchase Agreement, Purchasers would be required to pay to PTGi a reverse termination fee equal to US\$25 million as liquidated damages.

The Companies conduct PTGi s North America retail telecommunications operations in the United States and Canada.

The transactions contemplated by the Purchase Agreement were approved by the Board of Directors of PTGi as well as the special committee of the Board of Directors of PTGi. The Transaction will require PTGi stockholder approval and regulatory approvals, and is subject to customary closing conditions. The Transaction is currently expected to close by the third quarter of the year ending December 31, 2013, with the exception of the sale of PTI. Subject to regulatory approvals, the sale of PTI is expected to close subsequent to the third quarter of the year ended December 31, 2013. Approximately US\$126 million, subject to any adjustments pursuant to the Purchase Agreement, is required to be paid on the initial closing, with the remainder to be paid upon closing of the sale of PTI.

The foregoing summary description of the Purchase Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, which is attached hereto as Exhibit 10.1 and is incorporated herein by reference. PTGi has attached the Purchase Agreement to provide information about the terms contained therein, and the Purchase Agreement is not intended to provide any factual information about any party thereto. Specifically, the Purchase Agreement contains a number of representations and warranties which the parties have made to each other. The assertions made in those representations and warranties are qualified by information in confidential disclosure schedules provided by the Sellers to the Purchasers, which have not been provided as an exhibit to this Current Report on Form 8-K. Such representations and warranties were used for the purpose of allocating risk, both known and unknown, among the parties to the Purchase Agreement rather than to make affirmative factual claims or statements. Accordingly, such representations and warranties should not be relied upon as current characterizations of factual information, or as definitively stating actual facts, with respect to any parties to the Purchase Agreement.
