Amendments to the Offer to Purchase

The information set forth in the Offer to Purchase and Items 1 through 11 of the Schedule TO, to the extent such Items incorporate by reference the information contained in the Offer to Purchase, is hereby amended and supplemented as set forth below.

Certain Information Concerning Buckeye *Certain Projections*, is hereby amended and supplemented by amending and restating the first paragraph and the table and corresponding notes under such caption on page 28 of the Offer to Purchase as set forth below.

Certain Projections. To our knowledge, Buckeye does not as a matter of course make public forecasts or projections as to its future financial performance. However, before entering into the Merger Agreement, representatives of Georgia-Pacific and the Purchaser conducted a due diligence review of Buckeye, and in connection with this review Georgia-Pacific and the Purchaser received certain non-public forward-looking information concerning Buckeye's anticipated operating performance for fiscal years ended June 30, 2013, 2014 and 2015 detailed in the following table. Pursuant to the applicable rules, regulations, interpretations and positions of the SEC and its staff under the Exchange Act related to the presentation of non-GAAP financial information, the italicized information in the following table provides a reconciliation of the non-GAAP financial information to GAAP. This reconciliation was prepared by Buckeye for inclusion in Amendment No. 3 to its Solicitation/Recommendation Statement on Schedule 14D-9, which was filed with the SEC on May 22, 2013 and was not provided to Georgia-Pacific or the Purchaser prior to entering into the Merger Agreement. This reconciliation was not considered by Georgia-Pacific or the Purchaser in connection with the due diligence review of Buckeye. Buckeye has advised Georgia-Pacific and the Purchaser of certain assumptions, risks and limitations relating to these projections, as described below, and that Buckeye has not as a matter of course made public any projections as to future performance or earnings.
