The statement on Schedule 13D filed on February 8, 2013, relating to ordinary shares, par value NIS 0.01 per share (the Ordinary Shares), of Partner Communications Company Ltd., a company organized under the laws of the State of Israel (the Issuer or Partner), (the Schedule 13D or the Original Filing), is hereby amended as set forth below by this Amendment No. 1 (this Amendment). This Amendment supplements and amends the Original Filing to the extent specified herein. Capitalized terms used but not defined in this Amendment shall have the meaning given to them in the Original Filing.

This Amendment is being filed jointly by the Reporting Persons. The agreement among the Reporting Persons relating to the joint filing of this Amendment is attached as Exhibit 1 to the Original Filing.

Item 6 of Schedule 13D is amended by adding the following paragraphs:

Registration Rights Agreement

On October 17, 2013 (the **Effective Date**) S.B. Israel and the Issuer entered into a Registration Rights Agreement (**RRA**) pursuant to which S.B. Israel has the right to require Issuer to file a Registration Statement under the Securities Act in respect of all or some of the Shares held by S.B. Israel from time to time (not less than a number of Ordinary Shares that represents at least 2.65% of the then outstanding Ordinary Shares of Issuer). As promptly as practicable, but not less than 45 days after Issuer receives a written notice from S.B. Israel demanding that Issuer register the number of Ordinary Shares specified in such request (a **Demand Registration**). Issuer must file a registration statement with the Securities and Exchange Commission (**Commission**) and thereafter use its best efforts to cause the registration statement to promptly be declared effective. Issuer may satisfy its obligation to file a Demand Registration through an automatic shelf registration statement on form F-3 within the meaning of Rule 405 under the Securities Act.

Issuer shall be entitled to postpone and delay the filing of any Demand Registration for a period not exceeding 45 days if (i) the Issuer is conducting or about to conduct an underwritten public offering of securities in which S.B. Israel is entitled to join, (ii) the Issuer is subject to an existing contractual obligation not to engage in a public offering, (iii) the financial statements of the Issuer for the fiscal period most recently ended prior to such written request are not yet available, or (iv) the Issuer shall determine that any such filing or the offering of any Registrable Shares would (x) in the good faith judgment of the Board of Directors of the Issuer, impede, delay or otherwise interfere with any pending or contemplated financing, acquisition, corporate reorganization or other similar transaction involving the Issuer, (y) based upon advice from the Issuer's investment banker or financial advisor, adversely affect any pending or contemplated offering or sale of any class of securities by the Issuer, or (z) require disclosure of material nonpublic information which, if disclosed at such time, would be materially harmful to the interests of the Issuer and its shareholders.

If the Issuer proposes to file a registration statement under the Securities Act with respect to an offering of its Ordinary Shares (i) for its own account (other than a registration statement on Form F-4, S-4 or S-8 (or any substitute form that may be adopted by the Commission)) or (ii) for the account of any holders of its Ordinary Shares (including any pursuant to a Demand Registration), on a form and in a manner that would permit registration of Ordinary Shares held by S.B. Israel for sale to the public under the Securities Act, the Issuer shall give written notice of such proposed filing to S.B. Israel as soon as practicable (but in any event not less than 30 days before the anticipated filing date), and provide S.B. Israel the opportunity to register such number of Ordinary Shares as S.B. Israel shall request. Upon the written direction of S.B. Israel, given within 20 days following the receipt by S.B. Israel of any such written notice, the Issuer shall include in such registration statement (a **Piggyback Registration** and, collectively with a Demand Registration, a **Registration**) such Ordinary Shares designated by S.B. Israel.

S.B. Israel shall, in connection with any registration of the Issuer's securities pursuant to Section 3.01 or 3.02 of the RRA, upon the request of the Issuer or the underwriters managing any underwritten offering of the Issuer's securities, agree in writing not to effect any sale, disposition or distribution of any Ordinary Shares (other than that included in the registration) without the prior written consent of the Issuer or the representatives of such underwriters, as the case may be, for such period of time not to exceed 180 days from the effective date of such registration as the Issuer or the underwriters may specify.

In the case of a registration statement proposed by the Issuer for its own account, Issuer shall bear all expenses, excluding underwriters' discounts and commissions and any stamp or transfer tax or duty. In the case of such a Registration, S.B. Israel shall bear and pay the underwriting commissions and discounts and any stamp or transfer tax or duty and the fees and disbursements of counsel applicable to the securities offered for its account in connection with such Registration. In the case of a Demand Registration, S.B. Israel shall bear and pay the underwriting commissions and discounts for an underwritten offering and any stamp or transfer tax or duty and the fees and disbursements of counsel applicable in each case to the securities offered for its account in connection with such Registration.

The RRA terminates no later than five years from the Effective Date.

The foregoing summary of the Registration Rights Agreement is not intended to be complete and is qualified in its entirety to the Registration Rights Agreement, a copy of which is attached hereto as Exhibit 99.7 and is incorporated by reference herein.
