Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

On November 19, 2013, the Compensation Committee of the Board of Directors of Dawson Geophysical Company (the Company) adopted the 2014 Annual Incentive Plan (the Plan). Under the Plan, the payment of performance-based cash bonuses related to 2014 performance may be made to participating employees, including Stephen C. Jumper, Christina W. Hagan, C. Ray Tobias, James W. Thomas and K.S. Forsdick, the Company's named executive officers, based on the achievement of Company-wide targets related to EBITDA (the Company goal) and the attainment of personal goals to be established for each participating employee (personal goals).

The Compensation Committee has determined that the 2014 target bonus amounts for Messrs. Jumper, Tobias, Thomas and Forsdick and Ms. Hagan would be 20%, 15%, 15%, 10% and 15%, respectively, of their annual base salaries. Actual bonus amounts paid to the named executive officers may be more or less than the target bonus amounts based on the level of attainment of the Company goal and personal goals. Bonus amounts are first determined based upon the level of attainment of the Company goal. The bonus paid to a participating employee is then adjusted to reflect the attainment of personal goals by increasing or decreasing the bonus amount within a range of 25% to 125%.

The Compensation Committee has delegated to Mr. Jumper the authority to determine the final bonus amounts that are payable to participating employees (other than Mr. Jumper) based upon criteria set forth in the Plan. The Compensation Committee has retained the authority to determine the final bonus amount payable to Mr. Jumper based upon the criteria set forth in the Plan.

The description of the Plan above does not purport to be complete and is qualified in its entirety by reference to the complete text of the Plan, a copy of which is filed as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated herein by reference.
