#### Item 4. Description of Securities

The Plan provides a select group of management or highly compensated employees of the Registrant or its subsidiaries with the opportunity to receive certain incentive deferred cash compensation subject to the fulfillment of certain conditions, including satisfaction of certain age and service requirements, notice of intention to retire, compliance with post-termination obligations and assistance in transferring clients to a new financial consultant. The Plan applies to cash compensation that is awarded to qualified employees ( Participants ) after January 1, 2014. The following summary of the Plan is qualified in its entirety by reference to the Plan document, a copy of which has been filed as an exhibit to this Registration Statement.

The obligations of the Registrant under the Plan (the Compensation Obligations ) will be general unsecured obligations of the Registrant to pay compensation in the future to Participants in accordance with the terms of the Plan from the general assets of the Registrant, and will rank pari passu with other unsecured and unsubordinated indebtedness of the Registrant from time to time outstanding. Such obligations will be denominated and payable in United States dollars. Registrant is under no obligation to fully fund the Compensation Obligations.

Subject to the terms and conditions set forth in the Plan, the Registrant, at its option, may make annual awards of incentive deferred cash compensation to Participants. The Registrant will maintain a phantom deferral account (a Deferral Account ) for each Participant. All of the awards made to a Participant will be credited to his or her Deferral Account. Amounts credited to Participants Deferral Accounts will be adjusted periodically (not less frequently than annually) to reflect the performance of one or more phantom investments. The administrator of the Plan (the Administrator ) has the right to determine the types and number of phantom investment options, and may give Participants the opportunity to pick phantom investments from a list of options that it has chosen. Each phantom investment option offers its own risks and potential returns. No representation is made regarding the future performance of any phantom investment option. Deferral Accounts are bookkeeping entries only; no assets of the Registrant are being set aside to fund the Compensation Obligations and the Registrant is not obligated to actually invest any deferred amounts in those phantom investment options. A Participant s Deferral Account does not give a Participant any interest in or claim to any specific asset of the Registrant, nor shall it be deemed to create a trust for the benefit of the Participant or a fiduciary relationship between the Administrator or the Registrant and the Participant.

In accordance with the terms of the Plan, the Administrator shall have discretionary authority to construe and interpret the Plan, to select the employees who may participate in the Plan, to terminate an employee s participation in the Plan, and to take all other actions necessary or appropriate for the administration of the Plan, including without limitation determining which phantom investment options will be offered, discontinuing a phantom investment option with respect to some or all Deferral Accounts, and transferring Participants phantom investments from discontinued phantom investment options to replacement phantom investment options.

Following the fifth anniversary of the Plan, Compensation Obligations will be paid to a Participant beginning 18 months following a Participant s retirement, subject to certain conditions, including satisfaction of certain age and service requirements, notice of intention to retire, compliance with post-termination obligations and assistance in transferring clients to a new financial consultant. Following a Participant s disability prior to age 60 and conditioned on the participant s continuous disability through age 65, Compensation Obligations will begin to be paid to such Participant after the Participant reaches the age of 65, subject to certain conditions, including that the Participant has been credited with at least 10 years of service to the Registrant. Payments of Compensation Obligations in the case of retirement or disability shall be made

annually over a 15 year period. Upon a Participant's death, Compensation Obligations will be paid in a lump sum to such Participant's beneficiary within 60 days. Amounts payable to certain specified employees upon termination of employment will be deferred for at least six months to the extent required under Section 409A of the Internal Revenue Code. In the event a Participant voluntarily terminates his or her service with the Registrant or is involuntarily terminated (other than in the case of death or disability), awards granted to such Participant under the Plan will not vest and the Participant's rights with respect to any Compensation Obligations will be permanently extinguished.

No amount payable under the Plan will be subject to assignment, transfer, pledge or hypothecation. The Administrator will not recognize any attempt by a third party to attach, garnish or levy upon any benefit under the Plan except as may be required by law. The Registrant reserves the right to amend or terminate the Plan at any time.

The total amount of Compensation Obligations is not estimable at this time because the amount will vary depending upon the number of Participants, the amounts of compensation awarded to Participants, and the performance of the phantom investment options. The duration of the Plan is indefinite (subject to the Registrant's ability to terminate the Plan).

The Compensation Obligations are not convertible into another security of the Registrant. The Compensation Obligations will not have the benefit of a negative pledge or any other affirmative or negative covenant on the part of the Registrant. Each Participant will be responsible for acting independently with respect to, among other things, the giving of notices, responding to any requests for consents, waivers or amendments pertaining to the Compensation Obligations, enforcing covenants and taking action upon a default by the Registrant.

Item 5. Interests of Named Experts and Counsel.

Arnold & Porter LLP will pass on the legality of the Compensation Obligations. Certain attorneys of Arnold & Porter LLP beneficially own an aggregate of less than 1% of the Registrant's common stock.

Item 6. Indemnification of Directors and Officers.

Under Section 145 of the Delaware General Corporation Law (the "DGCL"), a corporation may indemnify a director, officer, employee or agent of the corporation (or a person who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by the person if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. In the case of an action brought by or in the right of a corporation, the corporation may indemnify a director, officer, employee or agent of the corporation (or a person who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise) against expenses (including attorneys' fees) actually and reasonably incurred by him if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the corporation, except that no indemnification may be made in respect of any claim, issue or matter as to which such person shall have been adjudged to be liable to the corporation unless and only to the extent a court finds that, in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnification for such expenses as the court shall deem proper. The indemnification provisions of the DGCL require indemnification of a director or officer who has been successful on the merits in defense of any action, suit or proceeding that he was a party to by virtue of the fact that he is or was a director or officer of the corporation.

Section 145 further authorizes a corporation to purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of the corporation, or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against the person, and incurred by the person in any such capacity, or arising out of his or her status as such, whether or not the corporation would otherwise have the power to indemnify him under Section 145.

Article 8 of the Registrant's certificate of incorporation provides that, pursuant to Delaware law, no director of the Registrant shall be personally liable to the Registrant or its stockholders for monetary damages for breach of fiduciary duty as a director, with specific exceptions. The exceptions relate to (1) any breach of a director's duty of loyalty to the Registrant or its stockholders, (2) acts or omissions not in good faith or which involve intentional misconduct or a knowing violation of law, (3) approval by a director of certain unlawful dividend payments, distributions or stock redemptions or repurchases or (4) engaging in a transaction from which a director derives an improper personal benefit. Among the types of breaches for which directors will not be liable are those resulting from negligent or grossly negligent behavior.

The Registrant's bylaws also provide for the indemnification of both the Registrant's directors and officers within the limitations permitted by Delaware law and the Registrant has entered into indemnification agreements with its directors which provide that the Registrant will indemnify the directors to the fullest extent authorized by law.

The Registrant has obtained directors' and officers' liability and corporate reimbursement insurance covering all officers and directors of the Registrant and its subsidiaries and providing for the reimbursement of amounts paid by the Registrant or its subsidiaries to directors and officers pursuant to indemnification arrangements, subject to certain deductibles and coinsurance provisions.

The foregoing summaries are necessarily subject to the complete text of the statute, the registrant's certificate of incorporation and bylaws, as amended to date, and the arrangements referred to above and are qualified in their entirety by reference thereto.

Item 9. Undertakings

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the Calculation of Registration Fee table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed by the Registrant pursuant to section 13 or section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or 15(d) of the Exchange Act (and each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new Registration Statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(5) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
