Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

On March 13, 2014, the board of directors (the Board) of Ally Financial Inc. (Ally) adopted an amended and restated certificate of incorporation (the Amended and Restated Charter) and amended and restated bylaws (the Amended and Restated Bylaws). The Amended and Restated Charter and the Amended and Restated Bylaws are conditioned upon, and become effective on or after the pricing of an initial public offering (an IPO) by Ally of shares of its common stock, par value \$0.01 per share (the Common Stock).

The Amended and Restated Charter and the Amended and Restated Bylaws would replace in their entirety the previous provisions contained in Ally's pre-IPO certificate of incorporation and bylaws if an IPO occurs.

The foregoing information is qualified by reference to the Amended and Restated Charter and the Amended and Restated Bylaws, which are attached as Exhibits 3.1 and 3.2 to this Current Report on Form 8-K and incorporated herein by reference.

Item 5.07 Submission of Matters to a Vote of Security Holders.

Prior to implementing the Amended and Restated Charter and the Amended and Restated Bylaws described above, Ally submitted proposals for such actions to certain holders of Ally's Common Stock for consent and approval. In addition, Ally submitted proposed 2014 compensation plans, a voting agreement between Ally and the United States Department of the Treasury (Treasury) and a stockholders agreement among Ally, Treasury and FIM Holdings LLC (FIM) to such holders for consent and approval. Stockholder consents were provided on March 14, 2014 by stockholders holding a majority of Ally's outstanding shares of Common Stock.

The 2014 compensation plans will become effective upon the pricing of an IPO. The 2014 compensation plans are attached as Exhibits 3.5 through 3.8 to this Current Report on Form 8-K and incorporated herein by reference.

The voting agreement provides that, effective upon the consummation of an IPO and until the termination of the voting agreement, Treasury will vote its shares of Ally's Common Stock at any meeting (whether annual or special) with respect to each matter on which common stockholders are entitled to vote, other than certain designated matters, in the same proportion as all other shares of the Common Stock are voted with respect to each such matter. Designated matters are (i) the election and removal of directors, (ii) the approval of any merger, consolidation, statutory share exchange or similar transaction that requires the approval of Ally's stockholders, (iii) the approval of a sale of all or substantially all of Ally's assets or property, (iv) the approval of Ally's dissolution, (v) the approval of any issuance of Ally's securities on which common stockholders are entitled to vote, (vi) the approval of any amendment to Ally's Amended and Restated Charter or Amended and Restated Bylaws on which common stockholders are entitled to vote and (vii) the approval of any other matters reasonably incidental to clauses (i) through (vi) as determined by Treasury. The rights, restrictions, and obligations under the voting agreement shall terminate when Treasury beneficially owns less than 2% of the shares of Ally's Common Stock then issued and outstanding.

The stockholders agreement will become effective upon the consummation of an IPO. The stockholders agreement provides that so long as (a) Treasury holds at least 20% of the shares of Ally's outstanding Common Stock, Treasury will have the right to designate two nominees to Ally's Board and (b) Treasury holds at least 9.9% of the shares of Ally's outstanding Common Stock, Treasury will have the right to designate one nominee to Ally's Board; *provided* that for Ally's 2014 annual meeting, Treasury agrees to select its nominee(s) from among its existing designees. In addition, so long as FIM and its affiliates hold at least 5% of the shares of Ally's outstanding Common Stock, FIM will have the right to designate one nominee to Ally's Board, *provided* that FIM's right to designate a nominee will not apply if Mr. Stephen A. Feinberg remains a member of the Board. In addition, for so long as FIM and its affiliates hold any share of outstanding Common Stock, they will be entitled to appoint one non-voting observer to the Board. Additionally, for so long as Treasury and its affiliates hold at least 9.9% of the then outstanding Common Stock, they

will be entitled to appoint one non-voting observer to the Board. Pursuant to its terms, the stockholders agreement will terminate and be of no further force or effect upon the earliest of (i) the date that Treasury ceases to hold at least 9.9% of the Common Stock, (ii) with respect to FIM, the date FIM and its affiliates cease to own any Common Stock, and (iii) the date of a written agreement of Ally, Treasury and FIM.

The voting agreement and the stockholders agreement are attached as Exhibits 3.3 and 3.4 to this Current Report on Form 8-K and incorporated herein by reference.
