On March 31, 2014, P.H. Glatfelter Company (the Company) filed its definitive proxy statement for its 2014 Annual Meeting (the Proxy Statement) with the Securities and Exchange Commission. Upon the filing of the Proxy Statement, Jonathan A. Bourget, the Company's Vice President & General Manager, Advanced Airlaid Materials Business Unit, became a named executive officer of the Company. As described in the Compensation Discussion and Analysis section of the Proxy Statement, Mr. Bourget, a resident of Switzerland and not a U.S. citizen, participates in a Swiss pension plan (the BVG), available to the Company's management-level employees residing in Switzerland. The BVG includes supplemental benefits above the statutory legal requirements, as is common practice in Switzerland.

Mr. Bourget's participation in the BVG began in July 2010. Employees in his age category are eligible for total contributions to the BVG of twenty-one percent (21%) of base salary. The Company pays 70% of the contribution and the employee contributes the remaining 30%. Contributions vest immediately and earn a guaranteed minimum interest rate, currently 2.50%, which is paid at retirement by an insurance company that underwrites the BVG. Mr. Bourget is eligible to receive the accumulated contributions plus accumulated interest at retirement either in a lump sum or monthly payments, similar to a life annuity. A copy of the BVG is filed as Exhibit 10.1 hereto and is incorporated herein by reference.
