Item 1.01. Entry into a Material Definitive Agreement.

On June 4, 2014, Regency Energy Partners LP (the Partnership) sold 14,398,848 common units to ETE Common Holdings, LLC (ETE), a wholly owned subsidiary of Energy Transfer Equity, L.P., which owns the general partner of the Partnership, pursuant to a Common Unit Purchase Agreement of the same date (the Purchase Agreement). The common units were sold in a private placement for cash consideration of \$27.78 per common unit, representing total gross proceeds to the Partnership of approximately \$400 million. The purchase price per unit is equal to the volume weighted average trading price of the Partnership s common units for the 10 trading day period ending on June 3, 2014. The Partnership intends to use the net proceeds of the private placement to pay down borrowings on the Partnership s revolving credit facility, to redeem certain senior notes of the Partnership and for general partnership purposes.

The Purchase Agreement contains representations and warranties, covenants and indemnification provisions that are typical for private placements by public companies.

The common units acquired by ETE have not been registered under the Securities Act of 1933, as amended (the Securities Act), and may not be offered or sold by ETE in the United States absent a registration statement or exemption from registration.

The Partnership also entered into a registration rights agreement (the Registration Rights Agreement) with ETE providing ETE with certain rights relating to registration of the purchased common units under the Securities Act.

The foregoing descriptions of the Purchase Agreement and the Registration Rights Agreement do not purport to be complete and are qualified in their entirety by the terms and conditions of the Purchase Agreement and the Registration Rights Agreement, respectively, which are filed as exhibits to this report and incorporated herein by reference.

Item 3.02. Unregistered Sales of Equity Securities.

The text in Item 1.01 of this Current Report on Form 8-K regarding the private placement by the Partnership of 14,398,848 common units to ETE is incorporated into this Item 3.02 by reference.

The private placement was conducted pursuant to the exemption from registration under the Securities Act provided by Section 4(2) of the Securities Act and certain rules and regulations promulgated under that section.

Item 7.01. Regulation FD Disclosure.

On June 4, 2014, the Partnership issued a press release announcing the sale of the common units ETE. A copy of the press release is attached as Exhibit 99.1.

The information contained in this Item 7.01 and Exhibit 99.1 of this report (i) is not to be considered filed under the Securities Exchange Act of 1934, as amended (the Exchange Act), and (ii) shall not be incorporated by reference into any previous or future filings made by or to be made by the Partnership with the Securities and Exchange Commission under the Securities Act or the Exchange Act.
