PROXY STATEMENT

FOR 2014 ANNUAL MEETING OF SHAREHOLDERS

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND PROCEDURAL MATTERS

Q: Why am I receiving these materials?

A: The Board of Directors of Fabrinet is providing these proxy materials to you in connection with the solicitation of proxies for use at Fabrinet's 2014 Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, December 18, 2014, at 9:00 a.m., Pacific time, and at any adjournment or postponement thereof, for the purpose of considering and acting upon the matters set forth in this proxy statement.

The Annual Meeting will be held at the offices of Wilson Sonsini Goodrich & Rosati, Professional Corporation, located at 650 Page Mill Road, Palo Alto, California 94304.

As a shareholder, you are invited to attend the Annual Meeting and you are requested to vote on the proposals described in this proxy statement.

Q: Why did I receive a one-page notice in the mail regarding the Internet availability of proxy materials instead of a full set of proxy materials?

A: In accordance with rules adopted by the Securities and Exchange Commission (the "SEC"), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice of Internet Availability of Proxy Materials (the "Notice") to our shareholders of record and beneficial owners. We expect to mail the Notice on or about October 24, 2014.

All shareholders will be able to access the proxy materials on the website referred to in the Notice, or to request a printed set of the proxy materials. Instructions on how to access the proxy materials over the Internet or to request a printed copy can be found in the Notice. In addition, shareholders may request the proxy materials be sent by mail or email on an ongoing basis.

Q: How can I obtain electronic access to the proxy materials?

A: The Notice will provide you with instructions regarding how to:

Edgar Filing: Fabrinet - Form DEF 14A

View the proxy materials for the Annual Meeting on the Internet; and

Instruct us to send future proxy materials to you electronically by email.

Choosing to receive future proxy materials by email will save us the cost of printing and mailing documents to you, and will reduce the impact of our annual meetings on the environment.

Q: Can I attend the Annual Meeting?

A: You are invited to attend the Annual Meeting if you were a shareholder of record or a beneficial owner as of October 20, 2014 (the Record Date). You should bring photo identification for entrance to the Annual Meeting. The meeting will begin promptly at 9:00 a.m., Pacific time, and you should leave ample time for the check-in procedures. Shareholders may request directions to the offices of Wilson Sonsini Goodrich & Rosati by calling (650) 493-9300.

Q: Who is entitled to vote at the Annual Meeting?

A: You may vote your Fabrinet ordinary shares if our records show that you owned your shares at the close of business on the Record Date. At the close of business on the Record Date, there were 35,321,075 ordinary shares outstanding and entitled to vote at the Annual Meeting. You may cast one vote for each ordinary share held by you as of the Record Date on all matters presented.

Q: What is the difference between holding shares as a shareholder of record and as a beneficial owner?

A: *Shareholder of Record.* If your shares are registered directly in your name with our transfer agent, Computershare Trust Company, you are considered the shareholder of record with respect to those shares, and we have sent the Notice directly to you. As a shareholder of record, you have the right to grant your voting proxy directly to us or to a third party, or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a brokerage account or by a bank or nominee, you are considered the beneficial owner of shares held in street name, and the Notice is being forwarded to you by your broker, bank or nominee (who is considered the shareholder of record with respect to those shares). As the beneficial owner, you have the right to direct your broker, bank or nominee how to vote your shares. Your broker, bank or nominee has enclosed or provided voting instructions for you to use in directing the broker, bank or nominee how to vote your shares. You are also invited to attend the Annual Meeting. However, because you are not the shareholder of record, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or nominee giving you the right to vote the shares at the Annual Meeting.

If you hold your shares through a broker and do not provide your broker with specific voting instructions, your broker will have the discretion to vote your shares only on routine matters. As a result:

Your broker will not have the authority to exercise discretion to vote your shares with respect to the election of directors and the advisory vote to approve the compensation paid to our named executive officers because the rules of The New York Stock Exchange (NYSE) treat those matters as non-routine; but

Your broker will have the authority to exercise discretion to vote your shares with respect to the ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as Fabrinet's independent registered public accounting firm for Fabrinet's fiscal year ending June 26, 2015, because NYSE rules treat that matter as routine.

Q: How can I vote my shares in person at the Annual Meeting?

A: Shares held in your name as the shareholder of record may be voted in person at the Annual Meeting. Shares held beneficially in street name may be voted in person at the Annual Meeting only if you obtain a legal proxy from the broker, bank or nominee that holds your shares giving you the right to vote the shares. **Even if you plan to attend the Annual Meeting, we recommend you also submit your vote as described in the Notice and as described below, so your vote will be counted even if you later decide not to attend the meeting.**

Q: How can I vote my shares without attending the Annual Meeting?

A: Whether you hold shares directly as the shareholder of record or beneficially in street name, you may direct how your shares are voted without attending the Annual Meeting. If you are a shareholder of record, you may vote by submitting a proxy; please refer to the voting instructions in the Notice or below. If you hold shares beneficially in street name, you may vote by submitting voting instructions to your broker, bank or nominee; please refer to the voting instructions provided to you by your broker, bank or nominee.

Edgar Filing: Fabrinet - Form DEF 14A

By Internet Shareholders of record with Internet access may submit proxies until 11:59 p.m., Eastern time, on December 17, 2014, by following the **Vote by Internet** instructions described in the Notice, or by

following the instructions at www.proxyvote.com. Most Fabrinet shareholders who hold shares beneficially in street name may vote by accessing the website specified in the voting instructions provided by their brokers, trustees or nominees. If you are a beneficial owner, please check the voting instructions provided by your broker, trustee or nominee for information regarding Internet voting availability.

By telephone Depending on how your shares are held, you may be able to vote by telephone. If this option is available to you, you will have received information with the Notice or the voting instructions provided by your broker, bank or nominee explaining this procedure.

By mail Shareholders of record may request a paper proxy card from Fabrinet and indicate their vote by completing, signing and dating the card where indicated and by returning it in the prepaid envelope that will be included with the proxy card. Please follow the procedures outlined in the Notice to request a paper proxy card.

Q: How many shares must be present or represented to conduct business at the Annual Meeting?

A: The presence of the holders of at least one-third of the total shares entitled to vote at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Such shareholders are counted as present at the meeting if (1) they are present in person at the Annual Meeting or (2) have properly submitted a proxy.

Abstentions and broker non-votes are counted as present and entitled to vote and are, therefore, included for the purposes of determining whether a quorum is present at the Annual Meeting.

A broker non-vote occurs when a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner, and the broker does not have, or declines to exercise, discretionary authority to vote those shares.

Q: What proposals will be voted on at the Annual Meeting?

A: The proposals scheduled to be voted on at the Annual Meeting are:

The election of two Class II directors recommended by our Board of Directors to serve for a term of three years or until their respective successors are duly elected and qualified;

An advisory vote to approve the compensation paid to our named executive officers; and

The ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for our fiscal year ending June 26, 2015.

Q: What is the voting requirement to approve each of the proposals and how are votes counted?

A: A plurality of the votes cast is required for the election of directors (Proposal One). You may vote FOR or WITHHOLD on each of the nominees for election as director. The two nominees for director receiving the highest number of affirmative votes will be elected as directors. Abstentions and broker non-votes will not affect the outcome of the election.

The affirmative vote of a majority of the votes cast is required (1) to approve, on an advisory basis, the compensation paid to our named executive officers (Proposal Two), and (2) to ratify the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for our fiscal year ending June 26, 2015 (Proposal Three). You may vote FOR, AGAINST or ABSTAIN on these proposals.

Edgar Filing: Fabrinet - Form DEF 14A

Abstentions have the same effect as votes against these proposals. However, broker non-votes are not deemed to be votes cast and, therefore, are not included in the tabulation of voting results on these proposals.

All shares entitled to vote and represented by properly submitted proxies received prior to the Annual Meeting (and not revoked) will be voted at the Annual Meeting in accordance with the instructions indicated by such proxy. If no instructions are indicated on such proxy, the shares represented by that proxy will be voted as recommended by our Board of Directors.

Q: How does the Board of Directors recommend that I vote?

A: The Board of Directors recommends that you vote your shares:

FOR each of the two nominees recommended by our Board of Directors for election as Class II directors (Proposal One);

FOR the approval, on an advisory basis, of the compensation paid to our named executive officers (Proposal Two); and

FOR the ratification of the appointment of PricewaterhouseCoopers ABAS Ltd. as our independent registered public accounting firm for our fiscal year ending June 26, 2015 (Proposal Three).

Q: What happens if additional matters are presented at the Annual Meeting?

A: If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxy holders will have discretion to vote on those matters in accordance with their best judgment. We do not currently anticipate that any other matters will be raised at the Annual Meeting.

Q: Can I change my vote?

A: Subject to any rules your broker, bank or nominee may have, you may change your vote at any time before your proxy is voted at the Annual Meeting.

If you are the shareholder of record, you may change your vote (1) by granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the voting methods described above (and until the applicable deadline for each method), (2) by providing a written notice of revocation to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568 prior to your shares being voted, or (3) by attending the Annual Meeting and voting in person. Attending the meeting will not cause your previously granted proxy to be revoked unless you specifically request this.

If you are the beneficial owner of shares held in street name, you may change your vote (1) by submitting new voting instructions to your broker, bank or nominee, or (2) by attending the Annual Meeting and voting in person if you first have obtained a legal proxy from your broker, bank or nominee giving you the right to vote your shares at the Annual Meeting.

Q: What happens if I decide to attend the Annual Meeting but I have already voted or submitted a proxy card covering my shares?

A: Subject to any rules your broker, bank or nominee may have, you may attend the Annual Meeting and vote in person even if you have already voted or submitted a proxy card. Any previous votes that were submitted by you will be superseded by the vote you cast at the Annual Meeting. Please be aware that attendance at the Annual Meeting will not, by itself, revoke a proxy.

If a broker, bank or nominee beneficially holds your shares in street name and you wish to attend the Annual Meeting and vote in person, you must obtain a legal proxy from the broker, bank or nominee holding your shares that gives you the right to vote the shares.

Edgar Filing: Fabrinet - Form DEF 14A

Q: What should I do if I receive more than one set of voting materials?

A: If you received more than one Notice, voting instruction card or set of proxy materials, your shares are registered in more than one name or brokerage account. Please follow the instructions on each Notice or voting instruction card that you receive, to ensure that all of your shares are voted.

Q: Is my vote confidential?

A: Proxy instructions, ballots and voting tabulations that identify individual shareholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Fabrinet or to third parties,

-4-

except: (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, shareholders provide written comments on their proxy cards, which may be forwarded to Fabrinet's management.

Q: Where can I find the voting results of the Annual Meeting?

A: We will announce preliminary voting results at the Annual Meeting. We will also disclose voting results on a Form 8-K filed with the SEC within four business days after the Annual Meeting, which will also be available in the Investors Financials SEC Filings section of our website at www.fabrinet.com.

Q: Who will bear the cost of soliciting votes for the Annual Meeting?

A: We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes. We may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners for their reasonable expenses in forwarding solicitation material to such beneficial owners. Our directors, officers and employees also may solicit proxies in person or by other means of communication. Such directors, officers and employees will not be additionally compensated, but may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation.

If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur.

Q: What is the deadline to propose actions for consideration at next year's annual meeting of shareholders or to nominate individuals to serve as directors?

A: You may submit proposals, including recommendations of director candidates, for consideration at future shareholder meetings. **For inclusion in Fabrinet's proxy materials** Shareholders may present proper proposals for inclusion in our proxy statement and for consideration at our next annual meeting of shareholders by submitting their proposals in writing to our Corporate Secretary in a timely manner. In order to be included in the proxy statement for our 2015 annual meeting of shareholders, shareholder proposals must be received by our Corporate Secretary no later than June 26, 2015, and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the Exchange Act).

To be brought before an annual meeting In addition, our memorandum and articles of association establish an advance notice procedure for shareholders who wish to present certain matters before an annual meeting of shareholders.

Nominations for the election of directors only can be made (1) by or at the direction of our Board of Directors, or (2) by a shareholder who has delivered written notice to our Corporate Secretary within the Notice Period (as defined below) and who was a shareholder at the time of such notice and as of the record date for such meeting. The notice must contain specified information about the nominees and about the shareholder proposing such nominations.

Our memorandum and articles of association also provide that the only business that may be conducted at an annual meeting is business that is (1) properly brought before the meeting in accordance with our proxy materials with respect to such meeting, (2) properly brought before the meeting by or at the direction of our Board of Directors, or (3) properly brought before the meeting by a shareholder who has delivered written notice to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568 within the Notice Period (as defined below) and who is a shareholder at the time of such notice and as of the record date for such meeting. The notice must contain specified information about the matters to be brought before such meeting and about the shareholder proposing such matters.

The Notice Period is defined as that period not less than 45 days nor more than 75 days prior to the one year anniversary of the date on which we first mailed our proxy materials or a notice of availability of proxy

materials (whichever is earlier) to shareholders in connection with the preceding year's annual meeting of shareholders. As a result, the Notice Period for the 2015 annual meeting of shareholders will start on August 10, 2015 and end on September 9, 2015.

If a shareholder who has notified us of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, we need not present the proposal for vote at such meeting.

A copy of the full text of the provisions of our memorandum and articles of association discussed above may be obtained by writing to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568, or by accessing Fabrinet's filings on the SEC's website at www.sec.gov. All notices of proposals by shareholders, whether or not included in our proxy materials, should be sent to our Corporate Secretary, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568.

Q: How may I obtain a separate set of proxy materials or the 2014 Annual Report?

A: If you share an address with another shareholder, each shareholder may not receive a separate copy of our proxy materials and 2014 Annual Report. Upon written or oral request we will promptly send a separate copy of our proxy materials and 2014 Annual Report to any shareholder at a shared address where a single copy of the documents was delivered. Shareholders may request additional copies of our proxy materials and 2014 Annual Report by contacting our investor relations at (213) 428-1797, or writing to Fabrinet, c/o Fabrinet USA, Inc., 3736 Fallon Road, #428, Dublin, CA 94568, Attention: Investor Relations. PROPOSAL ONE

ELECTION OF DIRECTORS

General

Our Board of Directors presently consists of six directors. Our amended and restated memorandum and articles of association provide that the number of our directors will be fixed from time to time by our Board of Directors, but may not consist of more than 15 directors. Our Board of Directors is divided into three classes of directors, each serving staggered three-year terms. Upon expiration of the term of a class of directors, directors for that class will be elected for three-year terms at the annual meeting of shareholders in the year in which that term expires. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors.

Nominees

Two candidates have been nominated for election as Class II directors at the Annual Meeting for a three-year term expiring in 2017. Upon recommendation of the Nominating and Corporate Governance Committee, our Board of Directors has nominated Thomas F. Kelly and Dr. Frank H. Levinson for election as Class II directors. Biographical information for each of the nominees is set forth below.

Each person nominated for election as a director has agreed to serve if elected, and we have no reason to believe any nominee will be unavailable to serve. In the event any nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who may be proposed by the Nominating and Corporate Governance Committee and designated by the present Board of Directors to fill the vacancy.

If you sign your proxy or voting instruction card or vote by telephone or over the Internet, but do not give instructions with respect to the election of directors, your shares will be voted for the two persons recommended by our Board of Directors. If you wish to give specific instructions with respect to the election of directors, you may do so by indicating your instructions on your proxy or voting instruction card, or when you vote by telephone or over the Internet. If you do not give voting instructions to your broker, your broker will not vote your shares on this matter.

Recommendation of the Board of Directors

The Board of Directors recommends a vote **FOR** the election of Thomas F. Kelly and Dr. Frank H. Levinson to the Board of Directors.

General

In accordance with SEC rules, we are providing our shareholders with the opportunity to vote to approve, on an advisory or non-binding basis, the compensation of our named executive officers (or **Named Officers**) as disclosed in this proxy statement in accordance with rules of the SEC. This proposal, commonly known as a **say-on-pay** proposal, gives our shareholders the opportunity to express their views on our **Named Officers** compensation as a whole. This vote is not intended to address any specific item of compensation or any specific **Named Officer**, but rather the overall compensation of all of our **Named Officers** and the compensation philosophy, policies and practices described in this proxy statement.

We urge shareholders to read the **Executive Compensation** section of this proxy statement, and in particular the information discussed under the heading **Executive Compensation Compensation Discussion and Analysis** , which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives. Approximately 83% of the votes cast on the **say-on-pay** proposal in 2013 were voted in favor of the proposal. While this advisory vote to approve executive compensation is non-binding, our Board of Directors and the Compensation Committee value the opinions of shareholders and, to the extent there is any significant vote against the **Named Officer** compensation as disclosed in this proxy statement, will consider those shareholders' concerns and evaluate whether any actions are necessary to address those concerns.

Accordingly, pursuant to Section 14A of the Exchange Act, you are being asked to vote on the following resolution at the Annual Meeting:

RESOLVED, that Fabrinet's shareholders approve, on an advisory basis, the compensation of Fabrinet's named executive officers, as disclosed in Fabrinet's Proxy Statement for the 2014 Annual Meeting of Shareholders pursuant to the executive compensation disclosure rules of the Securities and Exchange Commission, including the **Compensation Discussion and Analysis**, the compensation tables, and related narrative disclosures.

Unless our Board of Directors modifies its policy on the frequency of holding **say on pay** advisory votes, the next **say on pay** advisory vote will occur at our 2015 annual meeting of shareholders.

The Board of Directors recommends a vote **FOR** the approval of the compensation paid to our **Named Officers**.

CORPORATE GOVERNANCE MATTERS

Corporate Governance Guidelines

We have adopted Corporate Governance Guidelines that establish the corporate governance policies our Board of Directors intends to follow in overseeing our business in accordance with its fiduciary duties. The Corporate Governance Guidelines are available in the Investors Governance section of our website at www.fabrinet.com.

Code of Business Conduct

We are committed to maintaining the highest standards of ethical conduct, with business practices and principles of behavior that support this commitment. Accordingly, our Board of Directors has adopted a Code of Business Conduct, which is applicable to all of our directors, officers (including our principal executive officer and senior financial and accounting officers) and employees. The Code of Business Conduct is available in the Investors Governance section of our website at www.fabrinet.com. We will disclose on our website any amendments to the Code of Business Conduct, as well as any waivers, required to be disclosed by SEC or NYSE rules.

Board Leadership Structure

Mr. Mitchell currently serves as chairman of our Board of Directors and as our chief executive officer. Our Corporate Governance Guidelines provide that our Board of Directors will fill the chairman and chief executive officer (CEO) positions based upon what it believes is in our best interests at any point in time. Currently, our Board of Directors does not require separation of the chairman and CEO positions. Our Board of Directors believes that as CEO, Mr. Mitchell is in the best position to direct the focus and attention of our Board of Directors to the areas most relevant for us and our shareholders, as Mr. Mitchell is the most familiar with our business, industry and strategic priorities. By combining the role of chairman and CEO, Mr. Mitchell is able to provide strong and valuable leadership for us both internally and externally.

In addition, our Corporate Governance Guidelines provide that if the CEO also is the chairman, our Board of Directors shall select, at its first regular meeting following each annual shareholder meeting, a lead independent director. Rollance Olson has served as our lead independent director since January 2011. The lead independent director's duties include coordinating the activities of the independent and other non-employee directors, coordinating the agenda for and moderating sessions of the independent and other non-employee directors, and facilitating communications among our entire Board of Directors.

Our independent directors meet in executive session at each regularly scheduled meeting of our Board of Directors, and at such other times as necessary or appropriate as determined by the independent directors. Our lead independent director presides at such executive sessions of our Board of Directors.

Risk Oversight

Our Board of Directors is responsible for the oversight of our enterprise risk management. Together with its committees, our Board of Directors ensures that any material risks relevant to us or our business are appropriately considered and addressed. Our management team is responsible for day-to-day risk management. Management's responsibilities include identifying, evaluating and addressing potential risks that may exist at the enterprise, strategic, financial and operating levels and the development of processes for mitigating these risks, and our Board of Directors, together with its committees, oversees management in its execution of these responsibilities. At periodic meetings of our Board of Directors and board committees, and in other meetings and discussions, our management reports to and seeks guidance from our Board of Directors and its committees, as applicable, with respect to matters that could affect our business. In addition, our legal counsel provide reports of

Table of Contents

legal risks to the Audit Committee and to our Board of Directors. Similarly, our chief financial officer provides reports to the Audit Committee concerning financial, tax and audit related risks. In addition, the Audit Committee receives periodic reports from management on our compliance programs and efforts, investment policy and practices.

Our Board of Directors reviews the strategic, financial and operational risks inherent in our business through its consideration of the various matters presented to our Board of Directors or its committees by management for review or approval. Furthermore, each board committee regularly reviews and evaluates various aspects of enterprise risk as part of its specific functions and responsibilities delegated by our Board of Directors. The Audit Committee considers risk in connection with its oversight of our financial review and reporting processes and regulatory and corporate compliance matters. In addition, the Audit Committee is responsible for the oversight and review of certain risk management policies, including our insurance, investment and business continuity policies. The Compensation Committee considers risk in connection with its oversight of the design and administration of our compensation policies, plans and programs. The Nominating and Corporate Governance Committee considers risk in connection with its oversight of our governance structure, policies and processes, including conflicts of interest (other than related party transactions reviewed by the Audit Committee).

We believe that our Board of Directors' role is consistent with our leadership structure, with our CEO and management primarily responsible for enterprise risk management, and with our Board of Directors and its committees providing oversight of these efforts.

Director Independence

Our Board of Directors has reviewed the independence of each director and considered whether any director has a material relationship with us that could compromise his ability to exercise independent judgment in carrying out his responsibilities. Identification and Evaluation of Director Nominees

The Nominating & Corporate Governance Committee uses a variety of methods for identifying and evaluating director nominees. The committee assesses the appropriate size and composition of our Board of Directors, the needs of our Board of Directors and board committees and the qualifications of candidates in light of these needs. Candidates may come to the attention of the Nominating and Corporate Governance Committee through shareholders, management, current members of our Board of Directors or search firms. The evaluation of these candidates may be based solely upon information provided to the committee or may also include discussions with persons familiar with the candidate, an interview of the candidate or other actions the committee deems appropriate, including the use of third parties to review candidates.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section contains a discussion of the material elements of compensation awarded to, earned by or paid to our principal executive officer, principal financial officer, and the other individuals included in the Summary Compensation Table beginning on page 29. We refer to these individuals as our Named Officers in this proxy statement. For fiscal 2014, our Named Officers were:

David T. Mitchell, Chief Executive Officer and Chairman of the Board of Directors;

Dr. Harpal S. Gill, President and Chief Operating Officer of Fabrinet USA, Inc.; Executive Vice President, Operations of Fabrinet Co., Ltd.;

John Marchetti, Executive Vice President, Chief Strategy Officer of Fabrinet USA, Inc.;

Paul Kalivas, former Executive Vice President, Chief Administrative Officer and General Counsel of Fabrinet USA, Inc.

Executive Compensation Program Objectives and Overview

Our executive compensation programs are intended to achieve three fundamental objectives: (1) attract, retain and motivate qualified executives; (2) hold executives accountable for performance; and (3) align executives' interests with the interests of our shareholders. In structuring and designing our executive compensation programs, we are guided by the following basic philosophies:

Competition. We should provide competitive compensation opportunities with respect to our industry so that we can attract, retain and motivate qualified executives.

Alignment with Shareholder Interests. A substantial portion of compensation should be contingent on our performance for our shareholders, to align the interests of executives with the interests of our shareholders and to hold the executives accountable for our performance.

As described in more detail below, the material elements of our executive compensation programs for our Named Officers include a base salary, short-term cash incentive awards and long-term equity incentive awards. In addition, our Named Officers may participate in our 401(k) plan and employee benefit programs on substantially the same terms as our other employees. Our Named Officers are also entitled to certain perquisites and personal benefits and, in some cases, are entitled to severance benefits upon certain terminations of their employment with us.

We believe that each element of our executive compensation program helps us to achieve one or more of our compensation objectives. Taken together, the compensation elements are intended to provide a total compensation package for each Named Officer that is competitive. The table below lists each material element of our executive compensation program and the compensation objective or objectives that it is designed to achieve.

Positive Compensation Practices

We monitor trends and developments in compensation practices to enhance the effectiveness of our compensation philosophy and have adopted the following practices.

we employ each of our executive officers at will ;

we maintain share ownership guidelines for our executive officers and directors;

our employees (including our executive officers) and directors are prohibited from margining our securities, short selling our securities or trading in derivative securities;

our equity incentive plan prohibits us from instituting any program to reprice or exchange equity awards for awards with a lower exercise price without shareholder approval;

our equity incentive plan prohibits us from recycling shares, which means that any shares subject to a grant are counted against the share limit in the plan and may not subsequently be re-granted, even if the shares are forfeited, expired or exchanged;

our equity incentive plan provides that all awards are subject to the award recipient's continued employment or other service with the Company and vest over a four-year period, unless otherwise set forth in the award agreement; and

we hold an annual shareholder advisory vote on executive compensation.

In fiscal 2015, the Compensation Committee intends to grant performance-based restricted share units to our executive officers, the amount of which will be determined by the Company's achievement of fiscal 2015 revenue targets.

Role and Authority of the Compensation Committee

The Compensation Committee currently consists of Dr. Levinson (chairman) and Mr. Pulges, each of whom is independent within the meaning of NYSE rules. In addition, our Board of Directors has determined that Dr. Levinson and Mr. Pulges meet the requirements of the non-employee director definition of Rule 16b-3 promulgated under the Exchange Act and the outside director definition of Section 162(m) of the Internal Revenue Code, as amended. No Compensation Committee member is a former or current officer or employee of Fabrinet or any of its subsidiaries. The Compensation Committee meets at least quarterly, and members of the Compensation Committee serve at the discretion of our Board of Directors.

The Compensation Committee is responsible for overseeing our compensation policies and goals and administering our equity compensation plans and executive incentive plan, including approving target and actual bonuses under our executive incentive plan. Additionally, the Compensation Committee is responsible for reviewing and approving the compensation of our chief executive officer and other Named Officers. The Compensation Committee's role is detailed in its charter, which is available in the Investors Governance section of our website at www.fabrinet.com.

Pursuant to its charter, the Compensation Committee may delegate its authority to grant awards under the Company's incentive compensation or other equity-based plans, except with respect to awards to executive officers and directors. The Compensation Committee has delegated limited, non-exclusive authority to a committee consisting of our chief executive officer and chief financial officer (the Equity Award Committee) to grant equity awards under our 2010 Performance Incentive Plan with respect to consultants, new hires and promotions for employees below the level of vice president (and with respect to new hires, for employees who are not expected to shortly thereafter become a vice president or above). In any fiscal year, the Equity Award Committee may grant, in the aggregate, share options and share appreciation rights, restricted share

units, restricted shares or other full-value awards covering no more than the number of shares that have been budgeted and approved by the Compensation Committee for such fiscal year. The Equity Award Committee did not take

action during fiscal 2014, and the Compensation Committee did not approve a budget of equity awards for the Equity Award Committee for fiscal 2014. The Compensation Committee has not delegated any of its authority with respect to any component of the compensation of our Named Officers.

Role of the Independent Compensation Consultant

The Compensation Committee has the authority, in its sole discretion, to engage the services of outside consultants to assist it in making decisions regarding the establishment of our compensation programs and philosophy. The Compensation Committee also may obtain advice and assistance from internal or external legal, accounting or other advisors. For fiscal 2014, the Compensation Committee retained Compensia, Inc., a national compensation consulting firm, to provide independent compensation consulting services. At the request of the Compensation Committee, a representative of Compensia attends meetings of the Compensation Committee, either in person or by telephone.

Although Fabrinet pays Compensia's fees, Compensia reports directly to the Compensation Committee, and the Compensation Committee retains the authority to hire or fire Compensia and any other consultant or advisor. Compensia does not provide any services to us other than the services provided to the Compensation Committee. The Compensation Committee has assessed the independence of Compensia taking into account, among other things, the factors set forth in Exchange Act Rule 10C-1 and the listing standards of the New York Stock Exchange, and has concluded that no conflict of interest exists with respect to the work that Compensia performs for the Compensation Committee.

During fiscal 2014, Compensia provided the Compensation Committee with a blend of peer group proxy data and other market data, as discussed below, to assist the Compensation Committee in evaluating the competitiveness of our executive compensation program. Compensia also advised the Compensation Committee on general compensation trends in the industry among similarly situated companies.

Role of Executive Officers in Compensation Decisions

In carrying out its responsibilities, the Compensation Committee works with members of our management team, including our chief executive officer and our chief financial officer. Typically, our management team assists the Compensation Committee in the execution of its responsibilities by providing information on corporate and individual performance and management's perspective and recommendations on compensation matters.

Except with respect to his own compensation, our chief executive officer typically makes recommendations to the Compensation Committee regarding executive compensation matters. At the request of the Compensation Committee, our chief executive officer occasionally participates in meetings of the Compensation Committee, except with respect to discussions involving his own compensation. While the Compensation Committee solicits the recommendations and proposals of our chief executive officer with respect to executive compensation matters, these recommendations and proposals are only one factor in the Compensation Committee's decision-making process.

Consideration of 2013 Say on Pay Advisory Vote

At our 2013 annual meeting of shareholders, approximately 83% of the votes cast in the advisory vote on executive compensation which were present and entitled to vote on the matter were in favor of the compensation of our named executive officers as disclosed in our 2013 proxy statement. In response to the results of the 2013 Say on Pay advisory vote, the Compensation Committee amended our equity incentive plan (1) to prohibit us from recycling shares, which means that any shares subject to a grant are counted against the share limit in the plan and may not subsequently be re-granted, even if the shares are forfeited, expired or exchanged, and (2) to provide that all awards under the plan shall be subject to the award recipient's continued employment or other

Table of Contents

service with the Company and shall vest over a four-year period, unless otherwise set forth in the award agreement. By the time we held our 2013 annual meeting of shareholders, the Compensation Committee had approved fiscal 2014 compensation packages for our Named Officers. Accordingly, the Compensation Committee intends to take the results of the 2013 Say on Pay advisory vote into consideration when making executive compensation decisions for fiscal 2015.

Fiscal 2014 Peer Group and Other Market Data

To assist the Compensation Committee in evaluating whether our executive compensation practices are competitive and consistent with the Compensation Committee's executive compensation program objectives, Compensia provides the Committee with compensation data. For fiscal 2014, Compensia provided the Compensation Committee with market data (the Blended Market Data) consisting of an equal blend of (1) proxy statement data from our fiscal 2014 peer group, and (2) proprietary survey data from high-tech companies with annual revenues between \$500 million and \$1 billion. The Compensation Committee used the Blended Market Data to compare our Named Officers' base salary, target cash incentive opportunity, target total cash compensation, equity compensation and total direct compensation against the 25th, 50th and 75th percentiles of the same categories of compensation for executives holding positions comparable (where possible) to the positions of our Named Officers.

The specific criteria for selection into our peer group are set annually by the Compensation Committee. When our peer group is reviewed each year, companies may be removed for failure to meet the selection criteria, or new companies may be added as necessary to ensure a significant sample size of companies. In selecting a peer group, the Compensation Committee considers companies that, in its view, compete with us for talent and have financial or other organizational metrics generally similar to ours. Accordingly, our peer group includes a blend of businesses classified as providing either optical electronic equipment or contract manufacturing services. The selection criteria for our fiscal 2014 peer group includes revenue and revenue growth rates, market capitalization, and headcount metrics. Compensia gathered data on the compensation practices of the companies in our fiscal 2014 group through publicly available information, where available.

Our peer group for fiscal 2014, as approved by the Compensation Committee, consisted of the following 18 companies:

Fiscal 2014 Peer Group		
Aeroflex Holding *	Finisar Corporation	Multi-Fineline Electronix, Inc.
Ciena Corporation	GSI Group *	NETGEAR, Inc. *
Coherent, Inc.	Infinera Corporation	Newport Corporation
CTS Corporation	IPG Photonics Corporation	Rofin Sinar Technologies, Inc.
Daktronics Inc.	Methode Electronics, Inc.	Tellabs, Inc. *
FEI Company	MTS Systems *	TTM Technologies, Inc.

* This company was added to our fiscal 2014 peer group, as compared to our fiscal 2013 peer group.

While part of our fiscal 2013 peer group, Benchmark Electronics, Inc., Oclaro, Inc., Oplink Communications, Inc., Opnext, Inc. and Plexus Corp. were removed from our fiscal 2014 peer group because they did not meet the Compensation Committee's selection criteria for fiscal 2014.

Executive Compensation Program Elements***Base Salaries***

We provide base salary to our executive officers and other employees to compensate them for services rendered on a day-to-day basis. Following the end of each fiscal year, the Compensation Committee typically

Table of Contents

reviews and determines whether to adjust executive base salaries on the basis of each executive officer's level of responsibility, qualifications, experience, past performance and expected future contributions. The Compensation Committee also considers whether executive base salaries are competitive as compared to salary practices gathered from the Blended Market Data. The Compensation Committee does not benchmark or apply specific formulas to determine adjustments to base salary.

In fiscal 2014, the Compensation Committee reviewed the salary component of the Blended Market Data provided by Compensia and considered each executive officer's past performance and expected future contributions, changes in each executive officer's responsibilities and organizational changes. As a result of its review, the Compensation Committee approved the following base salaries for fiscal 2014.

Named Officer	Fiscal 2013 Annual Base Salary	Fiscal 2014 Annual Base Salary	% Change
Mr. Mitchell	\$ 450,000	\$ 650,000	44%
Dr. Gill	\$ 575,000	\$ 650,000(1)	13%
Mr. Marchetti	\$ 375,000	\$ 375,000	
Mr. Ng	\$ 325,000	\$ 425,000(2)	31%
Mr. Kalivas (3)	\$ 325,000	\$ 375,000	15%

- (1) Dr. Gill's fiscal 2014 annual base salary was effective as of November 1, 2013.
- (2) Mr. Ng's fiscal 2014 annual base salary was initially raised to \$375,000, effective as of the beginning of fiscal 2014. Subsequently, the Compensation Committee raised Mr. Ng's fiscal 2014 annual base salary to \$425,000, effective as of November 1, 2013.
- (3) Mr. Kalivas left Fabrinet in March 2014.

Short-Term Cash Incentive Awards

In August 2013, the Compensation Committee approved an executive incentive plan for fiscal 2014 (the Fiscal 2014 Bonus Plan) that provided our Named Officers with the ability to receive cash incentive awards based (1) 20% on achievement of individual performance objectives, (2) 40% on achievement of a fiscal 2014 revenue target of \$670 million, and (3) 40% on achievement of a fiscal 2014 gross margin percentage target of 10.5%, with achievement of individual objectives and each financial target considered independently from the other. All of our Named Officers were eligible to participate in the Fiscal 2014 Bonus Plan, which provided for a target bonus amount expressed as a percentage of each Named Officer's base salary. The maximum bonus that each Named Officer could have received under the Fiscal 2014 Bonus Plan was two times his target bonus. Achievement of a maximum bonus payout would require significant skill and effort on the part of an executive officer and very high levels of corporate performance that the Compensation Committee believed were possible but unlikely to be achieved. By basing a substantial portion of our executive officers' total cash compensation on achievement of financial goals designed to drive shareholder value, the Fiscal 2014 Bonus Plan was intended to align their interests with the interests of our shareholders.

The Compensation Committee determined the target bonus for each Named Officer under the Fiscal 2014 Bonus Plan by considering the Blended Market Data provided by Compensia, evaluated against other criteria, including the Named Officer's functional responsibilities and ongoing duties. For fiscal 2014, the Compensation Committee approved increases to Dr. Gill's, Mr. Marchetti's, Mr. Ng's and Mr. Kalivas's target bonus as follows:

Named Officer	Fiscal 2013 Target Bonus (as a % of Base Salary)	Fiscal 2014 Target Bonus (as a % of Base Salary)	% Change
Mr. Mitchell	100%	100%	
Dr. Gill	75%	80%	6.3%
Mr. Marchetti	60%	65%	7.7%
Mr. Ng	50%	65%	23.1%
Mr. Kalivas	50%	65%	23.1%

Table of Contents

Under the Fiscal 2014 Bonus Plan, if we achieved 100% of a target financial metric, bonuses were payable to our Named Officers at 100% of target with respect to that financial metric component. If we achieved 90% of a target financial metric, bonuses were payable to our Named Officers at 50% of target with respect to that financial metric component. If we achieved 110% or more of a target financial metric, maximum bonuses were payable to our Named Officers at 200% of target with respect to that financial metric component. Achievement of the financial targets at levels between 90% and 100% and between 100% and 110% would result in a bonus amount that is scaled in a linear fashion.

Based on our fiscal 2014 financial results, we achieved (1) approximately 101% of our revenue target, resulting in a bonus that was funded at approximately 110% with respect to that component, and (2) approximately 104% of our gross margin target, resulting in a bonus that was funded at approximately 140% with respect to that component. In addition, the Compensation Committee determined that each of Mr. Mitchell, Dr. Gill, Mr. Marchetti and Mr. Ng exceeded their fiscal 2014 individual performance objectives and decided to fund each of their bonuses at 200% with respect to that component. Accordingly, Mr. Mitchell, Dr. Gill, Mr. Marchetti and Mr. Ng each received a bonus under the Fiscal 2014 Bonus Plan equal to approximately 140% of their respective target bonus. Mr. Kalivas left Fabrinet in March 2014 and received a prorated portion of his bonus as part of his severance compensation.

The following table describes the target, maximum and actual bonuses for each of our Named Officers under the Fiscal 2014 Bonus Plan.

Named Officer	Target Bonus	Target Bonus (\$)	Maximum Bonus	Maximum Bonus (\$)	Actual Bonus (\$)
	(as a % of Base Salary)		(as a % of Base Salary)		
Mr. Mitchell	100%	650,000	200%	1,300,000	910,000
Dr. Gill	80%	520,000	160%	1,040,000	728,000
Mr. Marchetti	65%	243,750	130%	487,500	341,250
Mr. Ng	65%	276,250	130%	552,500	386,750
Mr. Kalivas	65%	243,750	130%	487,500	

Long-Term Equity Incentive Awards

Our equity incentive plan is a critical component of the compensation program that we believe incentivizes our executive officers and key employees to focus on building shareholder value through meeting long-term financial and strategic goals. We grant restricted share units (RSUs) to executive officers and other employees under our equity incentive plan. RSUs also function as a retention incentive for our executives as they vest annually over a four-year period after the date of grant.

The Compensation Committee bases long-term equity incentive award grants to executives on a number of factors, including the Blended Market Data provided by Compensia, the executive's vested and unvested equity holdings, the executive's position and total compensation package, and the executive's contribution to the success of our financial performance.

During fiscal 2014, the Compensation Committee granted RSUs only under our 2010 Performance Incentive Plan to each of our Named Officers, as set forth in the following table.

Named Officer	Grant Date	RSUs (#) (1)	Grant Date Fair Value (\$)
Mr. Mitchell	8/9/2013	100,000	1,470,000
	8/14/2013	20,000	310,600
Dr. Gill	8/9/2013	75,000	1,102,500
Mr. Marchetti	8/9/2013	40,000	588,000
Mr. Ng	8/9/2013	40,000	588,000
Mr. Kalivas (2)	8/9/2013	40,000	588,000

Table of Contents

- (1) RSUs vest over a four-year period at a rate of 25% on each anniversary of the vesting commencement date.
- (2) Mr. Kalivas left Fabrinet in March 2014 and received accelerated vesting with respect to 5,833 shares subject to this RSU grant as part of his severance compensation. Mr. Kalivas forfeited the remaining 34,167 shares subject to this RSU grant.

Perquisites and Personal Benefits

In addition to base salaries, we provide our Named Officers with certain perquisites and personal benefits. We believe that perquisites and personal benefits are a tax-advantaged way to provide our Named Officers with additional annual compensation that supplements their base salaries. We do not establish the value of each Named Officer's perquisites and personal benefits in a vacuum or as some form of compensation add on. Instead, we view the value of the perquisites as another component of annual compensation that is merely paid in a different form. When determining each Named Officer's base salary, we take the value of each Named Officer's perquisites and personal benefits into consideration.

We provide certain benefits and allowances to our international assignees, including our Named Officers, which include housing and transportation allowances, living and travel expense reimbursements and tax preparation services. In addition, consistent with the policy we have adopted with respect to all U.S. citizens who are working on our behalf in Asia on an expatriate basis, we pay such employees a tax equalization payment that is intended to put the employee in the same position, from a tax-liability perspective, that he or she would be in if they were still located in the United States. Of our Named Officers, Mr. Mitchell, Dr. Gill and Mr. Ng receive a tax equalization payment because each qualifies for such benefit under the policy.

The perquisites and personal benefits paid to each Named Officer in fiscal 2014 are reported in the "All Other Compensation" column of the Summary Compensation Table below, and are further described in the footnotes to such table.

Severance and Other Benefits Upon Termination of Employment

We and certain of our subsidiaries have entered into employment agreements or offer letters with our Named Officers that provide for them to receive severance benefits following certain terminations of their employment with us or our subsidiaries, as applicable. These arrangements are consistent with our overall compensation objectives because, based on publicly filed information, we believe such arrangements are competitive with arrangements offered to senior executives by companies in our industry and are critical to achieve our business objective of management retention. We evaluate the level of severance benefits to provide a Named Officer on a case-by-case basis. To ensure that the severance and change of control arrangements continue to remain consistent with our compensation philosophy and current market practices, the Compensation Committee may periodically review these arrangements. Please see "Potential Payments Upon Termination or Change in Control" below, for a description of the severance benefits our Named Officers may be entitled to receive upon termination of their employment.

Share Ownership Guidelines

To further align the interests of our executive officers and members of our Board of Directors with those of our shareholders, we have adopted share ownership guidelines for our executive officers and directors, which provide for a minimum ownership level equal to:

chief executive officer 6x annual base salary;

other executive officers 2x annual base salary; and

directors 3x annual Board retainer.

Table of Contents

Executive officers and directors will be expected to meet these ownership levels within five years from August 2012 or, if appointed or elected after August 2012, within five years of their appointment as an executive officer or election to the Board of Directors. Shares counted towards the minimum ownership levels include all shares beneficially owned by the executive officer or director and any unvested restricted share units held by the executive officer or director.

Hedging Policy

We have an insider trading policy that prohibits, among other things, short sales, hedging of stock ownership positions, and transactions involving derivative securities relating to our ordinary shares.

Tax Considerations

Section 162(m) of the Internal Revenue Code places a limit of \$1 million per year on the U.S. corporate income tax deduction a publicly-held corporation may take for compensation paid to each of its covered employees (generally, the chief executive officer and the next three most highly compensated executive officers, other than the chief financial officer, as of the end of any fiscal year). In general, certain performance-based compensation approved by shareholders is not subject to this \$1 million deduction limit. Prior to our initial public offering, our Board of Directors did not take the deductibility limit imposed by Section 162(m) into consideration in making compensation decisions. In the future, the Compensation Committee may adopt a policy that, where reasonably practicable, we will seek to qualify the compensation paid to Named Officers that are employees of our U.S.-based subsidiaries as performance-based compensation to participate in the exemption from the deductibility limitations of Section 162(m). However, the Compensation Committee may continue to authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

Compensation Recovery Policy

At this time, we have not implemented a policy regarding retroactive adjustments to any cash or equity-based incentive compensation paid to our executive officers and other employees where the payments were predicated upon the achievement of financial results that were subsequently the subject of a financial restatement. The Compensation Committee intends to revisit the issue during fiscal 2015.

Compensation and Risk Assessment

The Compensation Committee has assessed the risks associated with our compensation policies and practices for all employees and, based on its assessment, does not believe that such compensation policies and practices create risks that are reasonably likely to have a material adverse effect on us.

Compensation Committee Report

The Compensation Committee oversees Fabrinet's compensation policies, plans and benefit programs. The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on such review and discussions, the Compensation Committee has recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement.

Respectfully submitted by the members of the Compensation Committee of the Board of Directors.

Potential Payments Upon Termination or Change of Control

We and certain of our subsidiaries have entered into employment agreements or offer letters with our Named Officers that provide the general terms and conditions of their employment, including payments and benefits upon termination of their employment in specified circumstances, including a change in control of the Company.

Arrangement with Mr. Mitchell

We have entered into an employment agreement with Mr. Mitchell. Previously, Mr. Mitchell's employment agreement was between Mr. Mitchell and Fabrinet USA, Inc., our California subsidiary. However, when Mr. Mitchell's written employment agreement with Fabrinet USA, Inc., expired on December 31, 2005, we assumed responsibility for the agreement and agreed with Mr. Mitchell to continue his employment under the terms of that agreement. Mr. Mitchell may terminate his employment with us for any reason by providing written notice 90 days in advance. We may terminate Mr. Mitchell's employment at any time with or without notice or cause. Mr. Mitchell has agreed that, for a period of one year following the termination of his employment with us, he will not solicit our employees or independent contractors to leave our employment or intentionally interfere with our relationships with, or seek to solicit business from our customers or clients. If we terminate Mr. Mitchell's employment without cause or he terminates his employment for good reason, Mr. Mitchell is entitled to receive a lump sum severance payment equal to two times his then-current annual base salary, plus accrued salary and earned bonus and reimbursement of expenses, all subject to applicable tax withholdings.

Cause means Mr. Mitchell's (i) commission of any felony or any crime involving moral turpitude, (ii) willful breach of his duties to us, including, but not limited to, theft from us and failure to fully disclose personal pecuniary interest in a transaction involving us, or (iii) engaging in willful misconduct, willful or gross neglect, fraud, misappropriation, or embezzlement, in each case in the performance of his duties.

Good reason means (i) a material diminution during the term of the agreement in Mr. Mitchell's office, duties, or responsibilities (including following any change in control) or (ii) a material breach by us of the agreement. However, before terminating his employment for good reason, Mr. Mitchell must provide (i) reasonable written notice to our Board of Directors setting forth the reasons for his intention to terminate for good reason and (ii) an opportunity for our Board of Directors to meet with him, together with legal counsel, and cure such reason within 15 days after receipt of such notice.

Table of Contents

The following table provides information concerning the estimated payments and benefits that would be provided to Mr. Mitchell in the circumstances described above. Payments and benefits are estimated assuming the triggering event took place on the last business day of fiscal 2014 (June 27, 2014). There can be no assurance a triggering event would produce the same or similar results as those estimated below if such event occurs on any other date, of if any other assumption used to estimate potential payments and benefits is not correct. Due to the number of factors that affect the nature and amount of any potential payments or benefits, any actual payments and benefits may be different.

Name	Type of Benefit	Potential Payments Upon:		
		Termination Without Cause (\$)	Resignation for Good Reason (\$)	
Mr. Mitchell	Cash Severance Payment	200% Annual Base Salary	1,300,000	1,300,000
	Cash Severance Payment	Earned Bonus	910,000	910,000
	Reimbursement of Expenses			
	<i>Total Termination Benefits</i>		2,210,000	2,210,000

Arrangements with Dr. Gill, Mr. Kalivas, Mr. Marchetti and Mr. Ng

In the event Dr. Gill's, Mr. Marchetti's or Mr. Ng's employment is terminated either (i) in connection with a change in control (whether or not for good cause) or (ii) without good cause (without regard to whether there is a change in control), Dr. Gill, Mr. Marchetti and Mr. Ng each, as applicable, would be entitled to receive a lump sum severance payment equal to his then-current annual base salary, medical coverage for 12 months following his termination of employment and any earned bonus, all subject to applicable tax withholdings.

For purposes of Dr. Gill's, Mr. Marchetti's and Mr. Ng's employment arrangements change in control includes the occurrence of (i) a change in the ownership of the Company, which occurs on the date that any one person, or more than one person acting as a group ("Person"), acquires ownership of the stock of the Company that, together with the stock held by such Person, constitutes more than 50% of the total fair market value or the total voting power of the stock of the Company; or (ii) a change in the effective control of the Company that occurs (a) on the date any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such Person) ownership of stock of the Company possessing 30% or more of the total voting power of the stock of the Company, or (b) on the date that a majority of members of the Board of Directors is replaced during any twelve (12) month period by directors whose appointment or election is not endorsed by a majority of the members of the Board of Directors prior to the date of the appointment or election; or (iii) a change in the ownership of a substantial portion of the Company's assets which occurs on the date that any Person acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such person or persons) assets from the Company that have a total gross fair market value equal to or more than 50% of the total gross fair market value of all of the assets of the Company immediately prior to such acquisition or acquisitions. For purposes of clause (i), if any Person is considered to own more than 50% of the Company's total fair market value or total voting power, the acquisition of additional stock of the Company by the same Person will not be considered a change in control. For purposes of clause (ii), if any Person is considered to be in effective control of the Company, the acquisition of additional control of the Company by the same Person will not be considered a change in control. For purposes of clause (iii), gross fair market value means the value of the assets of the Company, or the value of the assets being disposed of, determined without regard to any liabilities associated with such assets.

For purposes of Dr. Gill's, Mr. Marchetti's and Mr. Ng's employment arrangements good cause means (i) an act of dishonesty made in connection with their responsibilities as an employee, (ii) a conviction of or plea of nolo contendere to a felony or any crime involving fraud, embezzlement or any other act of moral turpitude, (iii) gross misconduct, (iv) unauthorized use or disclosure of any proprietary information or trade secrets of the Company or any other party to whom they owe an obligation of nondisclosure, (v) willful breach of any obligations under any written agreement or covenant with the Company, or (vi) continued failure to perform employment duties after receipt of a written demand for performance from the Company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, executive officers and any persons holding more than 10% of a registered class of our equity securities to report initial ownership of such equity shares, and any subsequent changes in ownership to the SEC. Such officers, directors and 10% shareholders also are required by SEC rules to furnish us with copies of all Section 16(a) forms they file. Specific due dates have been established by the SEC, and we are required to disclose in this proxy statement any failure to file required ownership reports by these dates. Based solely on our review of copies of such forms received, or written representations from certain reporting persons that no filings were required for such persons, we believe that during fiscal 2014 all Section 16(a) filing requirements applicable to our executive officers and directors were complied with, except as follows:

On October 9, 2013, Mr. Marchetti filed a late Form 4 to report 2,812 shares withheld to pay taxes upon the vesting of restricted share units on August 23, 2013.

On November 5, 2013, Dr. Gill filed a late Form 4 to report the sale of 3,265 ordinary shares on August 28, 2013.

On February 20, 2014, Mr. Marchetti filed a late Form 4 to report 1,017 shares withheld to pay taxes upon the vesting of restricted share units on January 16, 2014.
