## **Item 1.01 Entry into a Material Definitive Agreement**

### ***Agreement and Plan of Merger***

On December 15, 2014, UMB Financial Corporation ( *UMB* ) entered into an Agreement and Plan of Merger (the *Merger Agreement* ) with Marquette Financial Companies, a Minnesota corporation ( *Marquette* ), the beneficial owners of all of the outstanding shares of Marquette (the *Marquette Shareholders* ), and Lakes Merger Sub LLC, a Missouri limited liability company and wholly owned subsidiary of UMB ( *Merger Sub* ). Subject to the terms and conditions set forth in the Merger Agreement, Marquette will merge with and into Merger Sub (the *Merger* ), with Merger Sub surviving the Merger. Immediately thereafter, it is expected that Merger Sub will merge with and into UMB, with UMB surviving the merger. The Merger Agreement and the Merger were unanimously approved by the boards of directors of UMB and Marquette.

### ***Merger Consideration***

At the closing of the Merger, and subject to the terms and conditions of the Merger Agreement, each share of Marquette common stock issued and outstanding immediately prior to the effective time of the Merger will be converted into the right to receive 9.131 shares of UMB common stock, or approximately 3.4 million shares of UMB common stock in the aggregate, subject to adjustment as provided in the Merger Agreement. The market value of the shares to be issued in connection with the Merger was approximately \$182.5 million, based on UMB's closing stock price of \$53.16 on December 12, 2014.

### ***Closing Conditions***

Completion of the Merger is subject to certain customary mutual conditions: (i) approval of the Merger Agreement and the Merger by Marquette's shareholders (which has been obtained pursuant to the terms of the Merger Agreement by the Marquette Shareholders entering into the Merger Agreement); (ii) receipt of all required regulatory approvals and expiration of all related statutory waiting periods (and the absence of a burdensome condition (as defined in the Merger Agreement) in connection with obtaining any such approvals); and (iii) the absence of any law or order prohibiting the consummation of the Merger. Each party's obligation to complete the Merger is also conditioned upon certain additional customary conditions, including (i) the accuracy of the representations and warranties of the other party (subject to certain exceptions and qualifications); (ii) material compliance by the other party with its obligations under the Merger Agreement; and (iii) receipt by such party of an opinion from its counsel to the effect that the Merger will qualify as a reorganization within the meaning of Section 368(a) of the Internal Revenue Code of 1986, as amended. UMB's obligation to complete the Merger is further conditioned upon (i) Marquette having remediated certain tax compliance matters, if any, that may be identified by Purchaser; and (ii) the absence of a material adverse effect (as defined in the Merger Agreement) with respect to the Company or any Marquette Shareholders.

### ***Representations and Warranties; Covenants***

The Merger Agreement contains customary representations and warranties by each of the parties, and each party has agreed to customary covenants. Marquette and the Marquette Shareholders have also agreed to customary covenants relating to the conduct of Marquette's business during the interim period between the execution of the Merger Agreement and the completion of the Merger, and customary non-solicitation covenants relating to alternative acquisition proposals.

The Merger Agreement contains indemnification obligations of UMB and the Marquette Shareholders with respect to breaches of certain of such party's representations, warranties and covenants and certain other specified matters, which party's indemnification obligations are also subject to various specified limitations.

### ***Termination***

The Merger Agreement provides certain customary termination rights for UMB and Marquette and the Marquette Shareholders. Among other termination rights, if, as of a date to be determined under the Merger Agreement, the 10-day average stock price of UMB (as calculated under the Merger Agreement) is below certain agreed-upon price thresholds, then the Marquette Shareholders have the right to terminate the Merger Agreement, unless UMB determines, in its sole discretion, to increase the amount of stock consideration to be received by the Marquette Shareholders (or, at UMB's option, an equivalent amount of cash) pursuant to the terms of the Merger Agreement.

### ***Marquette Shareholders' Consent to the Merger***

Pursuant to the terms of the Merger Agreement, by executing the Merger Agreement, the Marquette Shareholders have provided their irrevocable written consent to the Merger in lieu of a meeting of the shareholders of Marquette.

### ***Cautionary Statements Regarding Merger Agreement Representations and Warranties***

The Merger Agreement has been filed as an exhibit to this Form 8-K to provide information regarding its terms. It is not intended to modify or supplement any factual disclosures about UMB or Marquette in any public reports filed or to be filed with the U.S. Securities and Exchange Commission (the "SEC") by UMB. In particular, the assertions embodied in the representations, warranties, and covenants contained in the Merger Agreement were made only for purposes of the Merger Agreement and as of specified dates, were solely for the benefit of the parties to the Merger Agreement, and are subject to limitations, modifications and qualifications agreed upon by the parties to the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement have been made for the purposes of allocating risk between the parties to the Merger Agreement instead of establishing matters of fact. Accordingly, the representations and warranties in the Merger Agreement may not constitute the actual state of facts about UMB or Marquette. The representations and warranties set forth in the Merger Agreement may also be subject to a contractual standard of materiality different from that generally applicable under federal securities laws. Investors should not rely on the representations, warranties, or covenants or any descriptions thereof as characterizations of the actual state of facts or the actual condition of UMB or Marquette or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in UMB's public disclosures.

The foregoing summary of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached hereto as Exhibit 2.1 and is incorporated herein by reference. The Merger Agreement has been attached as an exhibit to this Report in order to provide investors and security holders with information regarding its terms. It is not intended to provide any additional financial or other information about UMB or Marquette.
