DATE OF MEETING: March 12, 2015

RELEVANT PART:

OPINION ON THE PROPOSALS THAT THE BOARD OF DIRECTORS INTENDS TO SUBMIT TO THE ANNUAL ORDINARY GENERAL MEETING OF THE SHAREHOLDERS

The Board of Directors of the Company, at its meeting No. 322 held on March 2, decided to request that the Audit Committee, in accordance with section 110, subsections a) and e) of Law 26,831 and Section 10A of the U.S. Securities Exchange Act of 1934, issue an opinion on the proposals that the Board of Directors intends to submit for consideration to the Annual Ordinary General Meeting of the Shareholders.

The proposals submitted are included below:

1) The proposal to allocate the aggregate compensation of P\$ 16,100,000 to the members of the Board of Directors serving during Fiscal Year 2014 (from April 29, 2014 through the date of the Shareholders Meeting that would consider their compensation) and to delegate to the Board of Directors the authority to distribute such amount among its members.

This amount represents 0.44% of Fiscal Year 2014 accountable earnings calculated according to section 3 of Chapter III, Title II, of the Rules of the *Comision Nacional de Valores* (CNV) (N.T. 2013).

Table of Contents

In addition, it was proposed that the Board of Directors should be authorized to make advance payments of up to P\$ 13,320,000 to those directors who shall render services during Fiscal Year 2015 (from the date of the shareholders meeting that considers this matter through the date of the meeting that reviews Fiscal Year 2015 documents), always contingent upon the decision of the Shareholders Meeting that considers the financial statements of such fiscal year, authorizing the Board of Directors to increase such amount in the case of non-recurring events.

2) The proposal to pay Price Waterhouse & Co. S.R.L., for its services as Independent Auditors of Telecom Argentina's financial statements for Fiscal Year 2014, the amount of P\$ 8,000,000 without VAT, of which P\$ 4,000,000 are fees for financial statements audit tasks, and P\$ 4,000,000 are for audit tasks related to the certification under Section 404 of the Sarbanes Oxley Act.

3) The proposal to appoint Price Waterhouse & Co. S.R.L. as Independent Auditors of the financial statements for the fiscal year ending on December 31, 2015, where Carlos Alberto Pace would act as the regular certifying accountant and Marcelo Pfaff as his alternate.

The Audit Committee was also requested to report the amount of expenses assigned to its operation and training activities during Fiscal Year 2014 to be reported to the Shareholders Meeting, and to assess the funds it considers necessary to carry out its duties during Fiscal Year 2015 in order to request budget approval.

1) Opinion on the Proposal of Fees Payable to the members of the Board of Directors acting during Fiscal Year 2014 and advance payments to those who shall serve in 2015

The Board of Directors submitted to the Audit Committee's prior opinion the proposal that it would submit to the Shareholders, to assign to the directors acting in Fiscal Year 2014 (from April 29, 2014 until the date of the meeting that reviews their compensation) the aggregate compensation of P\$ 16,100,000, are proposed that the Shareholders Meeting should delegate to the Board the authority to distribute such amount among its members.

In order to evaluate such proposal, the members of the Audit Committee have considered the following:

- a) the number of members of the Board of Directors, their roles, responsibilities and dedication to their functions;
- b) the participation of members of the Board of Directors in several committees (Audit Committee, Regulatory Compliance Committee, Steering Committee and Operations Committee) which demand high professionalism and many hours of work, and involve high level of responsibility;

Table of Contents

- c) the consistency of this proposal with those submitted in previous fiscal years;

- d) the updated survey conducted on the *Autopista de Informacion Financiera* of the *Comision Nacional de Valores*, CNV, regarding remunerations paid to directors of other companies similar to Telecom Argentina during the last fiscal year, as reported by such companies. Said survey shows that the fees proposed for Telecom Argentina's directors, as a whole, are consistent with the average amounts paid by such organizations and by Telecom Argentina in previous years;

- e) the fact that total amount of fees proposed represents a small percentage of accountable earnings for Fiscal Year 2014, calculated according to CNV Rules.

Based on the above, it is agreed that the total remuneration of P\$ 16,100,000 proposed by the Board of Directors for directors acting during Fiscal Year 2014 from April 29, 2014 through the date of the Shareholders Meeting reviewing its compensation is reasonable (under the terms of section 2 paragraph d of Chapter III, Title II, of CNV Rules), taking into account the number, the responsibilities, representation, technical tasks as members of several Board committees, dedication to their roles, competence and professional reputation of directors and the market value of their services, and considering that it does not infringe any legal, regulatory or statutory provision applicable to the Company.

The Audit Committee also considers reasonable, according to market practices, the proposal to authorize the Board of Directors to make advance payments to those directors acting during Fiscal Year 2015 for up to P\$ 13,320,000, and to increase such amount in the case of non-recurring events contingent upon the decision of the Shareholders Meeting, that reviews the documents for such fiscal year.

2) Opinion on the Proposal of Fees payable to the Independent Auditors for Fiscal Year 2014

The Board of Directors has requested our opinion on the proposal of fees it intends to submit to the Shareholders on the remuneration to be paid to Price Waterhouse & Co. S.R.L., for their services as Independent Auditors of the financial statements of Telecom Argentina for fiscal year 2014. The proposal to be submitted at the Shareholders Meeting provides for the payment of eight million pesos (P\$ 8,000,000) without VAT, of which P\$ 4,000,000 are fees for financial statements audit tasks and \$4,000,000 are for the audit activities performed in connection with the certification under Section 404 of the Sarbanes Oxley Act.

Table of Contents

The Audit Committee considers that the amount of P\$ 4,000,000 that the Board of Directors would propose to the Shareholders Meeting as compensation for the financial statements audit tasks performed by the Independent Auditors during fiscal year 2014 is reasonable and consistent with the importance, magnitude and quality of the tasks performed, and is within the range of the fees approved by other listed companies similar to Telecom Argentina.

Likewise, taking into account the complexity of the task and the specialization required for the Independent Auditors to perform the audit in respect of the certification under Section 404 of the Sarbanes Oxley Act, the Audit Committee concludes that the amount of P\$ 4,000,000 that the Board of Directors will propose to the Shareholders Meeting as remuneration for audit tasks perform is also deemed reasonable.

3) Opinion on the Proposal to Appoint the Independent Auditors for Fiscal Year 2015

As noted in the abovementioned Board Minutes No. 322, the Board of Directors will propose to the Annual Ordinary Meeting of the Shareholders the designation of Accounting Firm Price Waterhouse & Co. S.R.L. (Price) as Auditors of the Financial Statements for Fiscal Year 2015, where Carlos Alberto Pace would act as the regular certifying accountant and Marcelo Pfaff as his alternate.

Price is a firm of local and international renown, with a vast and outstanding professional track record, meeting stringent standards of quality and independence at its audited companies. Additionally, it is deeply knowledgeable of the business of Telecom Argentina and of its administrative and internal control structure.

The Audit Committee discussed the firm s background and its performance in previous fiscal years, in addition to the abovementioned considerations, and resolved unanimously to submit to the Board of Directors a favorable opinion on its proposal to designate Price as Independent Auditors for Fiscal Year 2015.

Audit Committee Expenses - 2014 Report and 2015 Budget

The Board of Directors requested the Audit Committee to report the expenses incurred in its operation and training activities in Fiscal Year 2014, and to estimate the amount that it considers necessary to carry out its activities in 2015, in order to request the approval by the Shareholders Meeting of the relevant budget.

Table of Contents

Mr. Luttini submitted a report on the expenses incurred by the Committee from May 2014 through April 2015, segregating those already incurred and those to be accrued until the closing of such budget period. The members of the Committee reviewed the different items included in the report, which shows aggregate expenses of P\$ 737,700 for such period.

Continuing with discussions concerning the budget, in view of the activities performed during the previous fiscal year, the training and advisory needs estimated for the current year, and the hiring of services required for the effective performance of its tasks and responsibilities, as well as the general evolution of costs, the members of the Audit Committee resolved to request that the Shareholders Meeting approve an operating budget of two million one hundred thousand pesos (P\$ 2,100,000) for Fiscal Year 2015.

A copy of such report and of the directors fees survey in the *Autopista de Información Financiera* were included in the folder with supporting and background documentation of the matters discussed by the Committee.

The Secretary of the Audit Committee mentioned for the record that, in accordance with item 6 of the Committee's Rules, Dr. Enrique Garrido and Lic. Federico Gosman have participated in the meeting remotely, via teleconference with the other participants, and all decisions have been regularly adopted.

There being no further business to consider at the meeting it was adjourned, and it was proposed that the date of the next meeting should be duly communicated through the Secretary of the Audit Committee.
