**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On April 15, 2015, Callaway Golf Company (the Company) announced the appointment of Robert K. Julian as Senior Vice President and Chief Financial Officer of the Company, effective May 11, 2015. Mr. Julian will replace Bradley J. Holiday as the Company's Chief Financial Officer on that date. Mr. Holiday, who has served as Chief Financial Officer since August 2000, announced his impending retirement in December 2014.

Mr. Julian, 52, served as the Chief Financial Officer and Executive Vice President of Lydall Inc. from October 2012 through April 2015. Prior to Lydall, Mr. Julian served as the Chief Financial Officer and Senior Vice President of Legrand North America, Inc., (LNA), a subsidiary of Legrand, S.A., from November 2004 until October 2012. Mr. Julian also served as Vice President and Controller - Worldwide Strategic Sourcing of Fisher Scientific International, Inc. (now Thermo Fisher Scientific). Previously, Mr. Julian held key financial leadership roles at Cisco Systems, Inc., Honeywell International, Inc. and Rockwell International, Inc. Mr. Julian holds an M.B.A. from the University of Michigan, and earned a B.A. in Finance from Michigan State University, with honors.

There is no arrangement or understanding between Mr. Julian and any other person pursuant to which he was selected as an officer of the Company. Mr. Julian has no family relationship (within the meaning of Item 401(d) of Regulation S-K) with any director, executive officer or person nominated or chosen by the Company to become a director or executive officer. There has been no transaction since the beginning of the Company's last fiscal year, and there is no currently proposed transaction, in excess of \$120,000 in which the Company is or was a participant and in which Mr. Julian or any of his immediate family members (within the meaning of Item 404 of Regulation S-K) had or will have a direct or indirect material interest.

In connection with his appointment, Mr. Julian entered into an employment agreement with the Company effective as of May 11, 2015 (the Employment Agreement). The Employment Agreement provides for Mr. Julian's employment with the Company for a period commencing on May 11, 2015 and terminating on April 30, 2016, with the Employment Agreement renewing on May 1, 2016 and on May 1 each year thereafter for an additional one year term unless the Company provides notice to Mr. Julian that it is not renewing the Employment Agreement. The Employment Agreement provides for compensation consisting of, among other things, (i) an annual base salary of \$450,000, (ii) an annual bonus based upon participation in the Company's applicable bonus plan, with a bonus target percentage equaling 65% of Mr. Julian's annual base salary, (iii) a restricted stock unit award valued at \$1,000,000 on the date of grant, which will vest on the third anniversary of the date of grant, and a performance unit award valued at \$250,000 on the date of grant, which will vest on the third anniversary of the date of grant subject to certain performance conditions, (iv) commencing in 2016, an opportunity to participate in the Company's applicable long-term incentive programs, and (v) a signing bonus of \$250,000, which signing bonus must be repaid by Mr. Julian in the event he voluntarily terminates his employment prior to the first anniversary of his commencement of employment. In addition, Mr. Julian will receive certain relocation benefits in connection with his and his family's relocation to San Diego County, California.

Upon Mr. Julian's termination without Substantial Cause by the Company or by Mr. Julian for Good Reason or Non-Renewal (each as defined in the Employment Agreement), he will be entitled to receive (i) any compensation accrued and unpaid as of the date of termination, (ii) a cash payment based on the annual incentive payment that he would have received in the then-current year in light of the Company's actual performance as measured against the requirements of the annual incentive plan, pro-rated to the date of his termination, and (iii) the vesting of certain equity incentive awards. In the event of such a termination, Mr. Julian will receive Special Severance consisting of a total amount equal to 0.50 times the sum of his most recent annual base salary and annual target incentive, payable in equal installments on the same pay schedule as in effect at the time of termination over a period of twelve months from the date of termination. Notwithstanding anything to the contrary, any obligation of the Company to pay Special Severance pursuant to the Employment Agreement is subject to Mr. Julian's continued compliance with certain terms and conditions as provided in Sections 8 and 11 of the Employment Agreement, and his execution of a general release

of claims against the Company. In addition, Mr. Julian will be offered the opportunity to receive incentive payments in a total amount equal to 0.50 times the sum of his most recent annual base salary and target incentive, payable in equal installments on the same pay schedule in effect

at the time of termination over a period of twelve months from the date of termination. Mr. Julian may receive such incentive payments so long as he chooses not to engage (whether as an owner, employee, agent, consultant or in any other capacity) in any business or venture that competes with the business of the Company or any of its affiliates.

If a Termination Event occurs within one year following any Change in Control (each as defined in the Employment Agreement), Mr. Julian will be treated as if he has been terminated by the Company without Substantial Cause and will receive Special Severance consisting of a total amount equal to 1.00 times the sum of his most recent annual base salary and annual target incentive, payable in equal installments on the same pay schedule as in effect at the time of termination over a period of twenty-four months from the date of termination. Notwithstanding anything to the contrary, any obligation of the Company to pay Special Severance pursuant to the Employment Agreement is subject to his continued compliance with certain terms and conditions as provided in Sections 8 and 11 of the Employment Agreement, and his execution of a general release of claims against the Company. In addition, Mr. Julian will be offered the opportunity to receive incentive payments in a total amount equal to 1.00 times the sum of his most recent annual base salary and annual target incentive, payable in equal installments on the same pay schedule as in effect at the time of termination over a period of twenty-four months from the date of termination. Mr. Julian may receive such incentive payments so long as he chooses not to engage (whether as an owner, employee, agent, consultant or in any other capacity) in any business or venture that competes with the business of the Company or any of its affiliates.
