Coty Inc. (the Company) is providing supplemental unaudited historical combined financial information regarding the financial performance of the combined company following the close of the transaction to acquire certain assets and liabilities relating to The Procter & Gamble Company s global fine fragrances, salon professional, cosmetics and retail hair color businesses, along with select hair styling brands (the P&G Specialty Beauty Business). The supplemental unaudited historical combined financial information is attached as Exhibit 99.1 hereto and is incorporated herein by reference.

Forward-Looking Statements

Certain statements in this communication are forward-looking statements. These forward-looking statements reflect the Company s current views with respect to the financial performance of the combined company following the close of the transaction to acquire the P&G Specialty Beauty Business. These forward-looking statements are generally identified by words or phrases, such as anticipate, expect, should, would, could, intend, plan, project, will, opportunity, potential, and similar words or phrases. Actual results may differ materially from the results predicted due to risks and uncertainties including inaccuracies in our assumptions in evaluating the transaction, difficulties in integrating the P&G Specialty Beauty Business into the Company and other difficulties in achieving the expected benefits of the transaction. All statements in this communication, other than those relating to historical information or current conditions, are forward-looking statements. We intend these forward-looking statements to be covered by the safe harbor provisions for forward-looking statements in the Private Securities Litigation Reform Act of 1995. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond the control of the Company, which could cause actual results to differ materially from such statements.

Risks and uncertainties relating to the proposed transaction include, but are not limited to: economic conditions with respect to the markets in which the Company operates; competitive responses to the transaction; litigation or investigations involving governmental authorities relating to the transaction; uncertainty of the expected financial performance of the Company and the P&G Specialty Beauty Business; the ability of the Company to achieve market expansion contemplated by the transaction within the expected time frame; the ability of Coty to promptly and effectively integrate and manage the P&G Specialty Beauty Business; the effects of the business combination of the Company and P&G Specialty Beauty Business, including the Company s future financial condition, operating results, strategy and plans; and disruption from the transaction making it more difficult to maintain relationships with customers, employees or suppliers.

The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included elsewhere. More information about potential risks and uncertainties that could affect the Company's business and financial results is included under "Risk Factors" and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Company's Annual Report on Form 10-K for the fiscal year ended June 30, 2016, and other periodic reports the Company has filed and may file with the Securities and Exchange Commission from time to time. Any forward-looking statements made in this communication are qualified in their entirety by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, us or our business or operations. Except to the extent required by applicable law, the Company undertakes no obligation to update publicly or revise any forward-looking statement, whether as a result of new information, future developments or otherwise.
