Item 1.01. Entry Into a Material Definitive Agreement

Effective November 18, 2016, BJ's Restaurants, Inc. (the Company) entered into a Second Amended and Restated Credit Agreement (the Credit Agreement) with Bank of America, N.A. (BofA) and JPMorgan Chase Bank, N.A., and Bank of America Merrill Lynch (as sole Lead Arranger and sole Book Runner), pursuant to which the Company amended and restated its existing unsecured revolving line of credit (the Line of Credit) to increase the line to \$250,000,000 from \$200,000,000. The Line of Credit may be increased up to \$350,000,000 at the Company's request, with the consent of the Administrative Agent and the agreement of one or more Lenders, and upon satisfaction of certain criteria. A general description of the Line of Credit, as amended, is set forth below and is qualified in its entirety by reference to the Credit Agreement (filed herewith as Exhibit 10.1).

The Line of Credit is guaranteed by the Company's subsidiaries and may be used for working capital and other general corporate purposes. While the Company is not obligated to utilize the Line of Credit, it is expected that the Line of Credit will be used primarily for the issuance of letters of credit in connection with the Company's insurance program and to fund a portion of the Company's announced stock repurchase program.

Borrowings under the Line of Credit bear interest at an annual rate equal to either (a) LIBOR plus a percentage not to exceed 1.75%, or (b) a percentage not to exceed 0.75% above a Base Rate equal to the highest of (i) the Federal Funds Rate plus 1/2 of 1%, (ii) BofA's Prime Rate, or (iii) one-month LIBOR plus 1.00%, in either case depending on the level of lease and debt obligations of the Company as compared to EBITDA and lease expenses. Pursuant to the Line of Credit, the Company will be required to pay certain customary fees and expenses associated with maintenance and use of the Line of Credit including letter of credit issuance fees and unused commitment fees. Interest on the Line of Credit is payable monthly and the Line of Credit expires, and all borrowings thereunder must be repaid on or before, November 18, 2021.

The Line of Credit contains certain representations and warranties, affirmative and negative covenants and events of default that are customary for credit arrangements of this type, including covenants which restrict the Company's ability to, among other things, create liens, borrow money (other than purchase money indebtedness and trade credit, lease obligations incurred in the ordinary course, and similar ordinary course liabilities), and engage in mergers, consolidations, significant asset sales and certain other transactions. The Company also agreed to maintain specified fixed charge coverage and overall debt ratios which, if not met, would place additional customary restrictions on the Company, including the ability to redeem or repurchase stock or pay dividends.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

See the description contained in Item 1.01 above which is incorporated herein by this reference.

Item 9.01. Financial Statements and Exhibits

Exhibit 10.1 Second Amended and Restated Credit Agreement, dated November 18, 2016.

SIGNATURE
