PART III NARRATIVE

State below in reasonable detail why Forms 10-K, 20-F, 11-K, 10-Q, 10-D, N-SAR, N-CSR, or the transition report or portion thereof, could not be filed within the prescribed time period.

American Midstream Partners, LP (the Partnership) is unable to file, without unreasonable effort or expense, its Quarterly Report on Form 10-Q for the quarter ended March 31, 2017 (the Form 10-Q) on or before May 10, 2017. On March 8, 2017, the Partnership completed the acquisition of JP Energy Partners LP (JPE), an entity controlled by affiliates of ArcLight Capital Partners, LLC in a unit-for-unit merger (JPE Acquisition). After the completion of the JPE Acquisition, the Partnership realigned the composition of the reportable segments to focus operational and commercial efforts for maximum effectiveness. As a result, management needs additional time to complete the Partnership's consolidated financial statements. The Partnership intends to file the Form 10-Q within the time period prescribed in Rule 12b-25 promulgated under the Securities Exchange Act of 1934 (the Exchange Act).

If answer is no, identify report(s). Yes No

(3) Is it anticipated that any significant change in results of operations from the corresponding period for the last fiscal year will be reflected by the earnings statements to be included in the subject report or portion thereof? Yes No

If so, attach an explanation of the anticipated change, both narratively and quantitatively, and, if appropriate, state the reasons why a reasonable estimate of the results cannot be made.

The Partnership intends to report a net loss attributable to the Partnership of \$30.2 million for the three months ended March 31, 2017, as compared to a net loss of \$10.6 million for the three months ended March 31, 2016. The foregoing difference is primarily due to higher operating costs partially offset by an increase in total revenues and earnings from unconsolidated affiliates.

The financial information set forth herein consists of preliminary unaudited results, which will not be final until the Partnership files its unaudited financial statements in the Form 10-Q.

Edgar Filing: American Midstream Partners, LP - Form NT 10-Q

The statements included in this Form 12b-25 regarding the Partnership's financial performance and results of operations, in each case as expected to be reported, the expected filing date of the Form 10-Q and other statements that are not historical facts are forward-looking statements within the meaning of Section 27A of the Securities and Exchange Act of 1933 and Section 21E of the Exchange Act. Although management believes the expectations reflected in those forward-looking statements are reasonable, no assurance can be given that they will prove to have been correct. They can be affected by inaccurate assumptions or by known or unknown risks and uncertainties. Should one or more of these risks or uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those indicated. Factors that could cause actual results to differ materially from expected results include the finalization of the Partnership's consolidated financial statements, the audit of those financial statements as well as other factors described under Risk Factors in our most recent Form 10-K and other filings with the U.S. Securities and Exchange Commission.
