Joint Annual Meeting of Stockholders

June 22, 2018

PROXY STATEMENT

This joint Proxy Statement is furnished by the respective Boards of Directors (collectively, the Board of Directors or Board) of The Central and Eastern Europe Fund, Inc. (CEE), The European Equity Fund, Inc. (EEA) and The New Germany Fund, Inc. (GF), each a Maryland corporation (each, a Fund and collectively, the Funds), in connection with the solicitation of proxies for use at the joint Annual Meeting of Stockholders (the Meeting) to be held at 10:00 a.m., New York time, on Friday, June 22, 2018 at the offices of Deutsche Investment Management Americas Inc., 345 Park Avenue, New York, New York 10154. The purpose of the Meeting and the matters to be considered are set forth in the accompanying Notice of Joint Annual Meeting of Stockholders.

The Meeting is being held to consider and to vote on the following proposals for the Funds, as indicated below and as described more fully herein, and such other matters as may properly come before the meeting:

Proposal No. 1 To elect 2 Directors of each Fund.

(All Funds)

Proposal No. 2 To ratify the appointment by the Audit Committee and the Board of Directors of PricewaterhouseCoopers LLP, independent registered public accounting firm, as independent auditors for each Fund's current fiscal year.

(All Funds)

If the accompanying Proxy Card for your Fund is executed properly and returned, shares represented by it will be voted at the Meeting, and any postponement or adjournment thereof, in accordance with the instructions on the Proxy Card. However, if no instructions are specified, shares will be voted FOR the election of two (2) directors of each of Fund nominated by the Board (Proposal No. 1) and FOR the ratification of the appointment by the Audit Committee and the Board of PricewaterhouseCoopers LLP, an independent public accounting firm, as independent auditors for each Fund (Proposal No. 2). A proxy may be revoked at any time prior to the time it is voted by written notice to the Secretary of a Fund, by submitting a subsequently executed and dated Proxy Card or by attending the Meeting and voting in person. Stockholders do not have dissenters' rights of appraisal in connection with any of the matters to be voted on by the stockholders at the Meeting.

The close of business on April 27, 2018 has been fixed as the record date for the determination of stockholders entitled to notice of, and to vote at, the Meeting. On that date, CEE had 7,012,463 shares of Common Stock outstanding and entitled to vote, EEA had 7,951,000 shares of Common Stock outstanding and entitled to vote and GF had 15,814,466 shares of Common Stock outstanding and entitled to vote. Each share will be entitled to one vote on each matter that comes before the Meeting and each fractional share will be entitled to a proportionate fractional share on each matter that comes before the Meeting. It is expected that the joint Notice of Annual Meeting, this Proxy Statement and the Proxy Card(s) will first be mailed to stockholders on or about May 14, 2018.

For each Fund, a quorum is necessary to hold a valid meeting. If stockholders entitled to cast one-third of all votes entitled to be cast at the Meeting are present in person or by proxy, a quorum will be established. Each Fund intends to treat properly executed Proxy Cards that are marked `abstain` and broker non-votes (defined below) as present for the purposes of determining whether a quorum has been achieved at the Meeting. Each nominee for Director set forth in Proposal No. 1 shall be elected as a Director of the applicable Fund if such nominee receives the affirmative vote of a majority of the total number of votes entitled to be cast at the Meeting with respect to such Fund, provided a quorum for such Fund is present. Ratification of the appointment of PwC as each Fund's independent auditor for the current fiscal year requires the affirmative vote of a majority of the votes cast at the Meeting with respect to such Fund provided a quorum for such Fund is present. A `broker non-vote` is deemed to have occurred when a proxy received from a broker indicates that the broker does not have discretionary authority to vote the shares on the matter. Because the election of a nominee for Director of a Fund requires the affirmative vote of a majority of the total number of votes entitled to be cast at the Meeting of the applicable Fund, abstentions and broker non-votes will have the effect of votes `against` the nominee. Under Maryland law, abstentions do not constitute a vote `for` or `against` a matter and will be disregarded in determining the votes cast on an issue. A `broker non-vote` occurs when a broker holding shares for a beneficial owner does not vote on a particular matter because the broker does not have discretionary voting power with respect to that matter and has not received instructions from the beneficial owner.

In the event that (i) a quorum is not present at the Meeting; or (ii) a quorum is present but sufficient votes in favor of the position recommended by the Board for a proposal have not been timely received, the chairman of the Meeting may authorize, or the persons named as proxies may propose and vote for, one or more adjournments of the Meeting up to 120 days after the record date, with no other notice than an announcement at the Meeting, in order to permit further solicitation of proxies. Shares represented by proxies indicating a vote contrary to the position recommended by the Board for a proposal will be voted against adjournment of the Meeting.

PROPOSAL NO. 1:

ELECTION OF DIRECTORS

Each Fund's charter (the `Charter`) provides that the Board of Directors be divided into three classes of directors (`Directors`) serving staggered three-year terms and until their successors are elected and qualify.

For CEE, the term of office for Directors in Class III expires at the 2018 Annual Meeting, Class I at the next succeeding annual meeting and Class II at the following succeeding annual meeting. Two Class III nominees, Dr. Wolfgang Leoni and Mr. Christian H. Strenger are proposed in this proxy statement for election to a three-year term of office until the Annual Meeting of Stockholders in 2021 and until their respective successors are elected and qualify.

For EEA, the term of office for Directors in Class I expires at the 2018 Annual Meeting, Class II at the next succeeding annual meeting and Class III at the following succeeding annual meeting. Two Class I nominees, Dr. Wilhelm Bender and Mr. Walter C. Dostmann, are proposed in this proxy statement for election to a three year term of office until the Annual Meeting of Stockholders in 2021 and until their respective successors are elected and qualify.

For GF, the term of office for Directors in Class III expires at the 2018 Annual Meeting, Class I at the next succeeding annual meeting and Class II at the following succeeding annual meeting. Two Class III nominees, Ambassador Richard R. Burt and Dr. Wolfgang Leoni, are proposed in this proxy statement for election to a three-year term of office until the Annual Meeting of Stockholders in 2021 and until their respective successors are elected and qualify.

Should any vacancy occur on a Fund's Board of Directors, the remaining Directors would be able to fill that vacancy by the affirmative vote of a majority of the remaining Directors in office, even if the remaining Directors do not constitute a quorum. Any Director elected by the Board to fill a vacancy would hold office until the remainder of the full term of the class of Directors in which the vacancy occurred and until a successor is elected and qualifies. If the size of the Board is increased, additional Directors will be apportioned among the three classes to make all classes as nearly equal as possible.

Unless authority is withheld, it is the intention of the persons named in the accompanying Proxy Card(s) to vote the shares represented by each Proxy for the election of the nominees listed above. Each nominee has indicated that he will serve as a Director if elected, but if any nominee should be unable to serve, shares represented by each Proxy will be voted for any other person determined by the persons named in Proxy Card(s) in accordance with their discretion. The Board of Directors has no reason to believe that any of the above nominees will be unable to serve as a Director.

BOARD OF DIRECTORS INFORMATION

The management of the business and affairs of each Fund is overseen by the Board of Directors. Directors who are not interested persons of a Fund as defined in the Investment Company Act, are referred to as Independent Directors, and Directors who are interested persons of a Fund are referred to as Interested Directors. Certain information concerning the Funds' governance structure and each Director is set forth below.

Experience, Skills, Attributes, and Qualifications of each Fund's Directors. The Nominating and Governance Committee of the Board, which is composed entirely of Independent Directors, reviews the experience, qualifications, attributes and skills of potential candidates for nomination or election by the Board, and conducts a similar review in connection with the proposed nomination of current Directors for re-election by stockholders. When assessing a candidate for nomination it is the policy of the Nominating and Governance Committee to consider, amongst other criteria, whether the individual's background, skills and experience will complement the background, skills and experience of other nominees and existing

independent directors and will contribute to the diversity of the Board. The Nominating and Governance Committee assesses the effectiveness of this policy as part of its annual self-assessment. Additional information concerning the Nominating and Governance Committee's consideration of nominees appears in the description of the Committee following the table below.

The Board has concluded, based on each Director's experience, qualifications, attributes or skills on an individual basis and in combination with those of the other Directors, that each Director is qualified and should serve or continue to serve as such, if willing. In determining that a particular Director was and continues to be qualified to serve as a Director, the Board has considered a variety of criteria, none of which, in isolation, was controlling. In addition, the Board has taken into account the actual service and commitment of each Director during his tenure (including the Director's participation in Board and committee meetings, as well as his current and prior leadership of standing and ad hoc committees) in concluding that each should continue to serve. Information about the specific experience, skills, attributes and qualifications of each Director, which in each case led to the Board's conclusion that the Director should serve or continue to serve as a director of each Fund, is provided in the table following the Risk Oversight section below.

The Board believes that, collectively, the Directors have balanced and diverse experience, qualifications, attributes, and skills, which allow the Board to operate effectively in governing the Funds and protecting the interests of stockholders. Among other attributes common to all Directors are their willingness and ability to commit the necessary time and attention to their duties as Directors, their ability to review critically, evaluate, question and discuss information provided to them (including information requested by the Directors), to interact effectively with each other and with Deutsche Investment Management Americas Inc., the Funds' administrator (the Administrator), Deutsche Asset Management International GmbH, the Funds' investment adviser (the Investment Adviser) and other service providers, counsel and the Funds' independent registered public accounting firm, and to exercise effective business judgment in the performance of their duties as Directors. References to the experience, qualifications, attributes and skills of Directors are pursuant to requirements of the Securities and Exchange Commission, do not constitute holding out of the Board or any Director as having special expertise or experience and shall not be deemed to impose any greater responsibility or liability on any Director or on the Board by reason thereof.

Board Structure and Oversight Function. The Board is responsible for oversight of the Funds. Each Fund has engaged the Administrator and the Investment Adviser to manage the Fund on a day-to-day basis. The Board is responsible for overseeing the Administrator and the Investment Adviser and each Fund's other service providers in the operations of each Fund in accordance with the Fund's investment objective and policies and otherwise in accordance with the requirements of the Investment Company Act and other applicable Federal and state securities and other laws, and the Fund's Charter and Bylaws. The Board meets in person at regularly scheduled meetings four times throughout the year. In addition, the Directors may meet in person or by telephone at special meetings or on an informal basis at other times. The Directors also regularly meet outside the presence of any representatives of the Administrator and the Investment Adviser. As described below, the Board has established five standing committees—the Audit, Nominating and Governance, Advisory, Valuation and Executive Committees—and may establish ad hoc committees or working groups from time to time, to assist the Board in fulfilling its oversight responsibilities. Each committee other than the Executive Committee and Valuation Committee

comprises only Independent Directors. Each year the Directors evaluate the performance of the Board and its committees. The responsibilities of each committee, including its oversight responsibilities, are described further below. The Independent Directors have also engaged independent legal counsel from time to time, and may from time to time engage consultants and other advisors, to assist them in performing their oversight responsibilities.

The duties of the Chairman of the Board of Directors (the "Chairman") include setting the agenda for each Board meeting in consultation with management, presiding at each Board meeting, meeting with management between Board meetings, and facilitating communication and coordination between the Directors and management. Mr. Christian Strenger, the Chairman of the Board of Directors, is an Interested Director as defined in the Investment Company Act because he is a member of the Supervisory Board of a company that is affiliated with the Administrator and the Investment Adviser and because of his ownership of shares of the ultimate parent of the Administrator and the Investment Adviser. The Directors believe that it is valuable and appropriate for Mr. Strenger to serve as Chairman and that his service benefits stockholders because of his extensive knowledge of the investment management industry, the Deutsche Bank organization and the Funds and because he is a leading corporate governance expert in Germany and internationally. In addition, the Directors note that, although Mr. Strenger is an Interested Director as defined in the Investment Company Act, he is not involved in the management of the Funds and is not an officer or director of the Administrator or the Investment Adviser. The Independent Directors are satisfied that they can act independently and effectively without having an Independent Director serve as Chairman and note that a key structural component for ensuring that they are in a position to do so is for the Independent Directors to constitute a substantial majority of the Board. Dr. Christopher Pleister, an Independent Director and member of the Advisory Committee, the Audit Committee and the Nominating and Governance Committee, serves as Lead Independent Director for each Fund and as such is available to act as liaison between the Independent Directors and management and to consult with the Chairman to the extent deemed appropriate.

Risk Oversight. Each Fund is subject to a number of risks, including investment, compliance and operational risks. Day-to-day risk management with respect to a Fund resides with the Administrator and the Investment Adviser or other service providers (depending on the nature of the risk), subject to supervision by the Administrator. The Board has charged the Investment Adviser and its affiliates with (i) identifying events or circumstances the occurrence of which could have demonstrable and material adverse effects on a Fund; (ii) to the extent appropriate, reasonable or practicable, implementing processes and controls reasonably designed to lessen the possibility that such events or circumstances occur or to mitigate the effects of such events or circumstances if they do occur; and (iii) creating and maintaining a system designed to evaluate continuously, and to revise as appropriate, the processes and controls described in (i) and (ii) above.

Risk oversight forms part of the Board's general oversight of each Fund's investment program and operations and is addressed as part of various regular Board and committee activities. Each of the Administrator, the Investment Adviser, and the Funds' other principal service providers has an independent interest in risk management but the policies and the methods by which one or more risk management functions are carried out may differ from a Fund's and each other's in the setting of priorities, the resources available or the effectiveness of relevant controls. Oversight of risk management is provided by the Board and the Audit Committee. The Directors regularly receive reports from, among others, management, the Funds' Chief

Compliance Officer, their independent registered public accounting firm, counsel, and internal auditors for the Administrator, as appropriate, regarding risks faced by the Funds and the Administrator's risk management programs.

Not all risks that may affect a Fund can be identified, and, therefore, controls cannot be developed to eliminate or mitigate their occurrence or effects. The processes and controls employed to address certain risks may be limited in their effectiveness. Also, some risks are simply beyond the reasonable control of the Funds or the Administrator, its affiliates or other service providers. Moreover, it is necessary to bear investment-related risks to achieve each Fund's goals.

INFORMATION REGARDING DIRECTORS, NOMINEES AND OFFICERS

The following table shows certain information about the nominees for election as Directors and about Directors whose terms will continue, including beneficial ownership of Common Stock of each Fund, and about all officers of each Fund. All current Directors own shares of each Fund except for Dr. Leoni and Dr. Pleister. Each Fund has elected to be subject to the statutory calculation, notification and publication requirements of the German Investment Tax Act (Investmentsteuergesetz) (the Act) for the fiscal year ended October 31, 2017 for CEE and ended December 31, 2017 for EEA and GF, and intends to elect to be subject to the Act for its 2018 fiscal year. Absent this election, Directors who are German residents would be subject to adverse German tax consequences if they owned shares of a fund organized outside of Germany, such as the Funds, that is not subject to German regulation or tax reporting. In light of each Fund's election to be subject to the Act, the Board of Directors encourages all Directors of each Fund (including those who are German residents) to invest in the Fund.

(1) Valuation date is March 31, 2018.

(2) The Family of Investment Companies consists of The Central and Eastern Europe Fund, Inc., The European Equity Fund, Inc. and The New Germany Fund, Inc., which are closed-end funds that share the same investment adviser and administrator and hold themselves out as related companies.

The Board of Directors currently has five standing committees including an audit committee (the Audit Committee), an advisory committee (the Advisory Committee), an executive committee (the Executive Committee), a nominating and governance committee (the Nominating Committee) and a valuation committee (the Valuation Committee). As neither Fund has employees, the Board of Directors has not established a compensation committee.

The Audit Committee, currently comprising Ambassador Burt, Mr. Dostmann (Chair), and Drs. Froewiss and Pleister, operates pursuant to a written charter which is available on the Funds' website, <https://dws.com/EN/docs/products/Germany-Funds-Audit-Committee-Charter.pdf>. The Audit Committee's organization and responsibilities are contained in the Audit Committee Report, which is included in this Proxy Statement, and in its written charter. The members of the Audit Committee are independent as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Board of Directors has determined that each member of the Audit Committee is financially literate and has determined that Mr. Dostmann and Dr. Froewiss meet the requirements for an audit committee financial expert under the rules of the Securities and Exchange Commission (SEC). Although the

Board has determined that Mr. Dostmann and Dr. Froewiss meet the requirements for an audit committee financial expert, their responsibilities are the same as those of the other audit committee members. Mr. Dostmann and Dr. Froewiss are not auditors or accountants, do not perform field work and are not full-time employees. The SEC has stated: (i) that an audit committee member who is designated as an audit committee financial expert will not be deemed to be an expert for any purpose as a result of being identified as an audit committee financial expert; and (ii) that the designation or identification of a person as an audit committee financial expert does not: (A) impose on such person any duties, obligations, or liabilities that are greater than those imposed on such persons as members of the audit committee or board of directors in the absence of such designation or identification; or (B) affect the duties, obligations, or liability of any other member of the audit committee or the board of directors. The Audit Committee met four times during each Fund's fiscal year ending in 2017.

The Advisory Committee, currently comprising Ambassador Burt and Mr. Dostmann (Chair) and Dr. Pleister, makes recommendations to the full Board with respect to the Administration Agreement between each Fund and Deutsche Investment Management Americas Inc., and the Investment Advisory Agreement between each Fund and Deutsche Asset Management International GmbH. The Advisory Committee met two times during each Fund's past fiscal year.

The Executive Committee, currently comprising Ambassador Burt and Dr. Leoni and Mr. Strenger, has the authority to act for the Board on all matters between meetings of the Board subject to any limitations under applicable state law. The Executive Committee did not meet during each Fund's past fiscal year.

The Valuation Committee, currently comprising Drs. Bender and Leoni (Chair), reviews each Fund's valuation procedures and makes recommendations with respect thereto and, to the extent required by such procedures, determines the fair value of the Fund's securities or other assets. The Valuation Committee met one time during each Fund's past fiscal year.

The Nominating and Governance Committee, currently comprising Ambassador Burt (Deputy Chair) and Drs. Froewiss (Chair) and Pleister, operates pursuant to a written charter which is available on the Funds' website, <https://dws.com/EN/docs/products/Germany-Master-Nominating-Committee-Charter.pdf>. The Board has determined that each of the members of the Nominating and Governance Committee is not an interested person as the term is defined in Section 2(a)(19) of the Investment Company Act. Generally, the Nominating and Governance Committee identifies, evaluates and selects and nominates, or recommends to the Board of Directors, candidates for the Board or any committee of the Board, and also advises the Board regarding governance matters generally and confirms that the Board and Audit Committee undertake annual self-evaluations. To be eligible for nomination as a Director a person must, at the time of such person's nomination, have Relevant Experience and Country Knowledge and must not have any Conflict of Interest, as those terms are defined in the Fund's Bylaws. The relevant portions of each Fund's Bylaws describing these requirements are included as Annex A. The Nominating and Governance Committee may also take into account additional factors listed in the Nominating and Governance Committee Charter, which generally relate to the nominee's industry knowledge, business experience, education, ethical reputation, special skills, ability to work well in group settings and the ability to qualify as an independent director. When assessing a candidate for nomination, the Nominating and

Governance Committee considers whether the individual's background, skills and experience will complement the background, skills and experience of other nominees and will contribute to the diversity of the Board.

The Nominating and Governance Committee will consider nominee candidates properly submitted by stockholders in accordance with applicable law, each Fund's Charter or Bylaws, resolutions of the Board and the qualifications and procedures set forth in the Nominating and Governance Committee Charter, which is available on the Funds' website at the website address noted above. A stockholder or group of stockholders seeking to submit a nominee candidate for any Fund (i) must have beneficially owned at least 1% of the Fund's common stock for at least two years, (ii) may submit only one nominee candidate for any particular meeting of stockholders, and (iii) may submit a nominee candidate for only an annual meeting or other meeting of stockholders at which directors will be elected. The stockholder or group of stockholders must provide notice of the proposed nominee pursuant to the requirements found in the relevant Fund's Bylaws. Generally, this notice must be received not less than 120 days nor more than 150 days prior to the first anniversary of the date of mailing of the notice for the preceding year's annual meeting. Such notice shall include the specific information required by the Fund's Bylaws. The relevant portions describing these requirements also are included as Annex A. The Nominating and Governance Committee will evaluate nominee candidates properly submitted by stockholders on the same basis as it considers and evaluates candidates recommended by other sources. The Nominating and Governance Committee met two times during each Fund's past fiscal year.

In accordance with its charter, the Nominating and Governance Committee reviews each Director's affiliations and relationships for purposes of determining whether or not the Director qualifies as an independent director. The Nominating and Governance Committee also considers each Director's independence more generally, as well as various governance best practices, including the suggestion of a non-U.S. corporate governance code that a board of directors should state its reasons if it determines that a director is independent notwithstanding that the director has served for more than nine years from the date of his first election.

The Nominating and Governance Committee has concluded that each Director other than the Chairman of the Board is an independent director, and that it was satisfied that: (i) those independent Directors who have served for more than nine years continue to be independent in character and judgment; (ii) the experience of such Directors with each Fund permits them to make extremely valuable contributions to the functioning of the Board; and (iii) the views of such Directors are not entrenched as a result of the length of service to the Funds. The Nominating and Governance Committee based its conclusion, in part, on its observation that such Directors regularly demonstrate their independence by their questioning and challenging of management at and between Board meetings. The Nominating and Governance Committee also noted that none of the Directors or nominees for Director currently serves on the board of more than three registered investment companies advised by the investment adviser. The Nominating and Governance Committee also believes that the receipt of compensation for service as a Director does not adversely affect the independence of any Director's character and judgment and notes that fund industry best practices encourage service on multiple boards.

All members on each of the five committees of the Board are not interested persons as the term is defined in the Investment Company Act, with the exception of Mr. Strenger, who is a member of the Executive Committee and Dr. Leoni, who is a member of the Executive Committee and Valuation Committee.

During each Fund's past fiscal year, the Board of Directors had four regular meetings. During each Fund's past fiscal year, the Board of Directors had four regular meetings. Each incumbent Director who served as a Director during the past fiscal year attended at least 75% of the aggregate number of meetings of the Board and of the respective Committees on which he served, except for Ambassador Burt whose total attendance was less than 75%. Ambassador Burt was unable to attend two Board meetings, as well as the Committee meetings held in connection with such Board meetings, because of a family emergency in one case, and an unforeseen schedule conflict in the other case. He has attended all Board and Committee meetings for Committees on which he serves that have taken place to date in 2018, and expects to attend all remaining meetings in 2018. In addition, he attended 100% of GF and EEA Board and applicable Committee meetings in fiscal 2016, and 90% of Board and applicable Committee meetings for CEE in fiscal 2016.

To communicate with the Board of Directors or an individual Director of a Fund, a stockholder must send a written communication to the Fund's Secretary at One International Place, Boston, MA 02110 (c/o the relevant Fund), addressed to (i) the Board of Directors of the Fund or an individual Director, and (ii) the Secretary of the Fund. The Secretary of the Fund will direct the correspondence to the appropriate parties.

Each Fund pays each of its Directors who is not an interested person of the Fund, of the Investment Adviser or of the Administrator an annual fee of \$8,000 plus \$1,167 for each Board meeting and \$917 for each Committee meeting attended (\$500 for attendance at Advisory Committee meetings for Directors who are not members of the Committee). Each Fund reimburses the Directors (except for those employed by the Deutsche Bank Group) for travel expenses in connection with Board meetings. The Chairman of the Audit Committee, Advisory Committee, and Nominating and Governance Committee each receives an additional annual retainer per Fund of \$4,000, \$3,000 and \$3,000, respectively. The Lead Independent Director also receives an additional annual retainer of \$2,000 per Fund. None of the Funds provides compensation in the form of pension or other retirement benefits to any of the Directors. Currently, the Funds, together with 87 other open- and closed-end funds advised by wholly owned entities of the Deutsche Bank Group in the United States, represent the entire Fund Complex within the meaning of the applicable rules and regulations of the SEC.

The following table sets forth (a) the aggregate compensation from each Fund for the fiscal year ended October 31, 2017 for CEE and December 31, 2017 for EEA and GF, and (b) the total compensation from the Fund Complex for the 2017 calendar year, (i) for each Director who is not an interested person of the Funds, and (ii) for all such Directors as a group.

THE BOARD OF EACH FUND UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL NO. 1.

Required Vote. Provided a quorum has been established, for each Fund the affirmative vote of a majority of the votes entitled to be cast at the Meeting is required for the election of each Director. For purposes of the election of Directors, abstentions and broker non-votes will have the same effect as a vote against a Director.

PROPOSAL NO. 2:

RATIFICATION OF THE APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee has approved PricewaterhouseCoopers LLP (PwC), an independent registered public accounting firm, as independent auditors for CEE for the fiscal year ending October 31, 2018 and for EEA and GF for the fiscal year ending December 31, 2018. A majority of the members of the Board of Directors, including a majority of the members of the Board of Directors who are not interested Directors (as defined in the Investment Company Act) of each Fund, have ratified the appointment of PwC as the Fund's independent auditors for that fiscal year. PwC, or a predecessor firm, has served as the independent auditors for each Fund since inception.

Neither the Charter nor Bylaws of any Fund requires that the stockholders ratify the appointment of PwC as the Fund's independent auditors. We are doing so because we believe it is a matter of good corporate practice. If the stockholders do not ratify the appointment, the Audit Committee and the Board of Directors will reconsider whether to retain PwC, but may retain such independent auditors. Even if the appointment is ratified, the Audit Committee and the Board of Directors in their discretion may change the appointment at any time during the year if they determine that such change would be in the best interests of a Fund and its stockholders. It is intended that the persons named in the accompanying Proxy Card(s) will vote for PwC. A representative of PwC will be present at the Meeting, will have the opportunity to make a statement and is expected to be available to answer appropriate questions concerning each Fund's financial statements.

THE BOARD OF EACH FUND UNANIMOUSLY RECOMMENDS A VOTE FOR PROPOSAL NO. 2.

Required Vote. Provided a quorum has been established, the affirmative vote of a majority of the votes cast at the Meeting is required for the ratification of the appointment by the Audit Committee and the Board of Directors of PwC as independent auditors for each Fund for its 2018 fiscal year. For purposes of Proposal No. 2, abstentions and broker non-votes will have no effect on the result of the vote.

INFORMATION WITH RESPECT TO THE FUNDS' INDEPENDENT AUDITORS

The following tables show fees paid to PwC by each Fund during the Fund's two most recent fiscal years: (i) for audit and non-audit services provided to the Fund, and (ii) for

engagements for non-audit services pre-approved by the Audit Committee for the Fund's Investment Adviser and Administrator and certain entities controlling, controlled by, or under common control with the Investment Adviser and Administrator that provide ongoing services to the Fund (collectively, the Adviser Entities), which engagements relate directly to the operations and financial reporting of the Fund. The Audit Committee of each board reviews, at least annually, whether PwC's receipt of non-audit fees from each Fund, each Fund's Investment Adviser, each Fund's Administrator and all Adviser Entities is compatible with maintaining PwC's independence.

(1) Audit Fees are the aggregate fees billed for professional services for the audit of each Fund's annual financial statements and services provided in connection with statutory and regulatory filings or engagements.

(2) Audit Related Fees are the aggregate fees billed for assurance and related services reasonably related to the performance of the audit or review of financial statements and are not reported under Audit Fees.

(3) Tax Fees are the aggregate fees billed for services associated with foreign tax filings.

(4) All Other Fees are the aggregate fees billed for products and services other than Audit Fees, Audit Related Fees and Tax Fees. *Audit Committee Pre-Approval Policies and Procedures.* Generally, the Audit Committee must pre-approve (i) all services to be performed for each Fund by the Fund's independent auditors and (ii) all non-audit services to be performed by each Fund's independent auditors for the Fund's Investment Adviser or any Adviser Entities with respect to operations and financial reporting of the Fund, and all of the engagements reflected in the table above were pre-approved by the Audit Committee. Any member of the Audit Committee may pre-approve any audit or non-audit services to be performed by the independent auditors, provided that any

such approvals are presented to the Audit Committee at its next scheduled meeting. The auditors shall report to the Audit Committee at each of its regular meetings all audit or non-audit services to each Fund and all non-audit services to the Adviser Entities that relate directly to the Fund's operations and financial reporting initiated since the last such report was rendered, including a general description of the services and projected fees and the means by which such services were approved by the Audit Committee.

There were no amounts that were approved by the Audit Committee pursuant to the de minimis exception under Rule 2-01 of Regulation S-X.

According to each Fund's principal Independent Registered Public Accounting Firm, substantially all of the principal Independent Registered Public Accounting Firm's hours spent on auditing the Fund's financial statements were attributed to work performed by full-time permanent employees of the principal Independent Registered Public Accounting Firm.

In connection with the audit of the 2016 and 2017 financial statements, each Fund entered into an engagement letter with PwC. The terms of the engagement letter required by PwC, and agreed to by each Fund's Audit Committee, include a provision mandating the use of mediation and arbitration to resolve any controversy or claim between the parties arising out of or relating to the engagement letter or the services provided there-under.

For each Fund, in a letter provided to the Audit Committee pursuant to PCAOB Rule 3526 and dated September 30, 2016, PwC informed the Audit Committee that PwC had identified circumstances where PwC maintains lending relationships with owners of greater than 10% of the shares of certain investment companies within the investment company complex as defined under Rule 2-01(f)(14) of Regulation S-X. PwC informed the Audit Committee that these lending relationships are inconsistent with the SEC Staff's interpretation of Rule 2-01(c)(1)(ii)(A) of Regulation S-X (referred to as the "Loan Rule").

The Loan Rule specifically provides that an accounting firm would not be independent if it receives a loan from a lender that is a record or beneficial owner of more than ten percent of an audit client's equity securities. For purposes of the Loan Rule, audit clients include the Funds as well as all registered investment companies advised by the Investment Adviser and its affiliates, including other subsidiaries of the Adviser's parent company, Deutsche Bank AG (collectively, the Deutsche Funds Complex). PwC's lending relationships affect the analysis of PwC's independence under the SEC Staff's interpretation of the Loan Rule with respect to all investment companies in the Deutsche Funds Complex.

For each Fund, in its September 30, 2016 letter, PwC affirmed to the Audit Committee that, as of the date of the letter, PwC is an independent accountant with respect to the Funds, within the meaning of PCAOB Rule 3520. In its letter, PwC also informed the Audit Committee that, after evaluating the facts and circumstances and the applicable independence rules, PwC has concluded that with regard to its compliance with the independence criteria set forth in the rules and regulations of the SEC related to the Loan Rule, it believes that it remains objective and impartial despite matters that may ultimately be determined to be inconsistent with these criteria and therefore it can continue to serve as the Funds' registered public accounting firm. PwC informed the Audit Committee that its conclusion was based on a number of factors, including, among others, PwC's belief that the lenders are not able to impact the impartiality of PwC or assert any influence over the investment companies in the Deutsche Funds Complex whose shares the lenders own or the applicable investment company's investment adviser; and the lenders receive no direct benefit from their ownership of the investment companies in the Deutsche Funds Complex in separate accounts maintained on behalf of their insurance contract holders. In addition, the individuals at PwC who arranged PwC's lending relationships have no oversight of, or ability to influence, the individuals at PwC who conducted the audits of the Funds' financial statements.

On June 20, 2016, the SEC Staff issued a no-action letter to another mutual fund complex (see Fidelity Management & Research Company et al., No-Action Letter) related to similar Loan Rule issues as those described above. In that letter, the SEC Staff confirmed that it would not recommend enforcement action against an investment company that relied on the audit services performed by an audit firm that was not in compliance with the Loan Rule in certain specified circumstances. The circumstances described in the no-action letter appear to be substantially similar to the circumstances that affected the analysis of PwC's independence under the Loan Rule with respect to the Funds. PwC confirmed to the Audit Committee that it meets the conditions of the no-action letter. In the no-action letter, the SEC Staff stated that the relief under the letter is temporary and will expire 18 months after the issuance of the letter.

For each Fund, in a letter provided to the Audit Committee pursuant to PCAOB Rule 3526 and dated January 12, 2018, PwC informed the Audit Committee that PwC had identified circumstances where (1) a covered person within PwC that provided non-audit services to an entity within the investment company complex as defined under Rule 2-01(f)(14) of Regulation S-X maintained a financial relationship with an investment company within the investment company complex in contradiction of Rule 2-01(c)(1)(i)(A) of Regulation S-X and (2) PwC maintains lending relationships with owners of greater than 10% of the shares of certain investment companies within the investment company complex that are inconsistent with the Loan Rule.

Covered Person Matter: For each Fund, in its January 12, 2018 letter, PwC advised the Audit Committee that after consideration of the facts and circumstances and the applicable independence rules, PwC concluded that a reasonable investor with knowledge of all relevant facts and circumstances would conclude that PwC is capable of exercising objective and impartial judgment on all issues encompassed within its audit of the financial statements of the Fund. In the letter, PwC also affirmed to the Audit Committee that, as of the date of the letter, PwC is an independent accountant with respect to the Fund, within the meaning of PCAOB Rule 3520. In assessing this matter, PwC indicated that, upon detection of the breach, the PwC covered person was removed from the non-audit engagement and that, among other things, the breach (i) did not relate to financial relationships directly in the Fund, (ii) did not involve a professional who was part of the audit engagement team for the Fund or in a position to influence the audit engagement team, (iii) involved a professional whose non-audit services were not and will not be utilized or relied upon by the audit engagement team in the audit of the financial statements of the Fund and (iv) involved a professional that did not provide any consultation to the audit engagement team of the Fund.

Loan Rule Matter: For each Fund, in its January 12, 2018 letter, PwC affirmed to the Audit Committee that, as of the date of the letter, PwC is an independent accountant with respect to the Fund, within the meaning of PCAOB Rule 3520. In its letter, PwC also informed the Audit Committee that PwC has concluded that with regard to its compliance with the independence criteria set out in the rules and regulations of the SEC related to the Loan Rule, it believes that it remains objective and impartial despite matters that may ultimately be determined to be inconsistent with these criteria, and therefore it can continue to serve as the Fund's independent registered public accounting firm. PwC informed the Audit Committee that its conclusion was based on a number of factors, including, among others, (i) PwC's belief that it is unlikely the lenders would have any interest in the outcome of the audit of the Fund and therefore would not seek to influence the outcome of the audit, (ii) no third party made an attempt to influence the outcome of the audit of the Fund and even if an attempt was made, PwC professionals are required to disclose any relationships that may raise issues about objectivity, confidentiality, independence, conflicts of interest or favoritism, and (iii) the lenders typically lack influence over the investment adviser, who controls the management of the Fund.

As noted above, on June 20, 2016, the SEC Staff issued a no-action letter to another mutual fund complex (see Fidelity Management & Research Company et al., No-Action Letter) related to similar Loan Rule issues as those described above. In that letter, the SEC Staff confirmed that it would not recommend enforcement action against an investment company that relied on the audit services performed by an audit firm that was not in compliance with the Loan Rule in certain specified circumstances. The circumstances described in the no-action letter appear to be substantially similar to the circumstances that affected PwC's independence under the Loan Rule with respect to the Fund. PwC represented that it has complied with PCAOB Rule 3526(b)(1) and (2), which are conditions to the Fund relying on the no action letter, and affirmed that it is an independent accountant within the meaning of PCAOB Rule 3520.

AUDIT COMMITTEE REPORT

The purposes of the Audit Committee are: (1) to assist the Board of Directors in its oversight of (i) the integrity of each Fund's financial statements; (ii) each Fund's compliance with

legal and regulatory requirements; (iii) the independent auditors' qualifications and independence; and (iv) the performance of the independent auditors; and (2) to prepare this report. The Audit Committee assists the Board of Directors in its oversight of each Fund's policies and practices with respect to accounting, financial reporting, internal control over financial reporting, independent audits, and risk management. The Audit Committee regularly discusses each Fund's most significant risk exposures and the steps management has taken to monitor and control such exposures. Each Member of the Audit Committee is independent, as required by the independence standards of Rule 10A-3 under the Securities Exchange Act of 1934. The Audit Committee operates pursuant to a written charter. As set forth in the Audit Committee Charter, management of each Fund and applicable service providers are responsible for the preparation, presentation and integrity of the Fund's financial statements and for the effectiveness of internal control over financial reporting. Management and applicable service providers are responsible for maintaining appropriate accounting and financial reporting principles and policies and internal control over financial reporting and other procedures that provide for compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for planning and carrying out a proper audit of each Fund's annual financial statements and expressing an opinion as to their conformity with generally accepted accounting principles.

In the performance of its oversight function, the Audit Committee has considered and discussed the audited financial statements with management and the independent auditors of each Fund. The Audit Committee has also discussed with the independent auditors the matters required to be discussed by Public Company Accounting Oversight Board Rule 3526 (Communication with Audit Committees Concerning Independence), as currently in effect. The Audit Committee has also considered whether the provision of any non-audit services not pre-approved by the Audit Committee provided by the Funds' independent auditors to the Funds' investment adviser, administrator or to any entity controlling, controlled by or under common control with the Funds' investment adviser or administrator that provides ongoing services to the Funds is compatible with maintaining the auditors' independence. During the past fiscal year, no non-audit services that were not pre-approved by the Audit Committee were provided by the Funds' independent auditors. Finally, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Public Company Accounting Oversight Board Rule 3526, Communication with Audit Committees Concerning Independence, as currently in effect, and has discussed with the auditors their independence. Each Fund's Audit Committee also discussed with the independent auditors the matters required to be discussed by Auditing Standard No. 16 (Communications With Audit Committees).

The members of the Audit Committee are not full-time employees of the Funds and are not performing the functions of auditors or accountants. As such, it is not the duty or responsibility of the Audit Committee or its members to conduct field work or other types of auditing or accounting reviews or procedures or to set auditor independence standards. Members of the Audit Committee necessarily rely on the information provided to them by management and the independent auditors. Accordingly, the Audit Committee's considerations and discussions referred to above do not assure that the audit of each Fund's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Funds' auditors are in fact independent.

Based upon the reports and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Charter, the Audit Committee recommended to the Board of Directors of each Fund that the audited financial statements of each Fund be included in each Fund's annual report to stockholders for the fiscal year ended October 31, 2017 for CEE and December 31, 2017 for EEA and GF.

(1) Nominations of individuals for election to the Board of Directors and the proposal of other business to be considered by the stockholders may be made at an annual meeting of stockholders (i) pursuant to the Corporation's notice of meeting, (ii) by or at the direction of the Board of Directors or (iii) by any stockholder of the Corporation who was a stockholder of record as of the record date set by the Board of Directors for the purpose of determining stockholders entitled to vote at the annual meeting, at the time of giving of notice by the stockholder as provided for in this Section 13(a) and at the time of the annual meeting, who is entitled to vote at the meeting in the election of each individual so nominated or on any such other business and who has complied with this Section 13(a).

(2) For any nomination or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (iii) of paragraph (a)(1) of this Section 13, the stockholder must have given timely notice thereof in writing to the Secretary of the Corporation and, in the case of any such other business, such other business must otherwise be a proper matter for action by the stockholders. To be timely, a stockholder's notice shall set forth all information required under this Section 13 and shall be delivered to the Secretary of the Corporation not earlier than the 150th day nor later than 5:00 p.m., Eastern Time, on the 120th day prior to the first anniversary of the date of the proxy statement (as defined in Section 13(c)(3) of this Article II) for the preceding year's annual meeting; provided, however, that, in the event that the date of the annual meeting is advanced or delayed by more than 30 days from the first anniversary of the date of the preceding year's annual meeting, in order for notice by the stockholder to be timely, such notice must be so delivered not earlier than the 150th day prior to the date of such annual meeting and not later than 5:00 p.m., Eastern Time, on the later of the 120th day prior to the date of such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made. The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

(3) Such stockholder's notice shall set forth: (i) as to each individual whom the stockholder proposes to nominate for election or reelection as a Director (each, a "Proposed Nominee"), (A) all information relating to the Proposed Nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the Proposed Nominee as a Director in an election contest (even if an election contest is not involved), or would otherwise be required in connection with such solicitation, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act and the rules thereunder; and (B) whether such stockholder believes any such Proposed Nominee is, or is not, an "interested person" of the Corporation, as defined in the Investment Company Act, and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Corporation, to make such determination; (ii) as to any other business that the stockholder proposes to bring before the meeting, a

description of such business, the stockholder's reasons for proposing such business at the meeting and any material interest in such business of such stockholder or any Stockholder Associated Person (as defined below), individually or in the aggregate, including any anticipated benefit to the stockholder or the Stockholder Associated Person therefrom, other than an interest arising from the ownership of Company Securities where such stockholder, Proposed Nominee or Stockholder Associated Person receives no extra or special benefit not shared on a *pro rata* basis by all other holders of the same class; (iii) as to the stockholder giving the notice, any Proposed Nominee and any Stockholder Associated Person, (A) the class and number of all shares of stock or other securities of the Corporation or any affiliate thereof (collectively, the Company Securities), if any, which are owned (beneficially or of record) by such stockholder, Proposed Nominee or Stockholder Associated Person, the date on which each such Company Security was acquired, and any short interest (including any opportunity to profit or share in any benefit from any decrease in the price of such stock or other security) in any Company Securities of any such person; (B) the nominee holder for, and number of, any Company Securities owned beneficially but not of record by such stockholder, Proposed Nominee or Stockholder Associated Person; (C) whether and the extent to which such stockholder, Proposed Nominee or Stockholder Associated Person, directly or indirectly (through brokers, nominees or otherwise), is subject to or during the last twelve months has engaged in any hedging, derivative or other transaction or series of transactions or entered into any other agreement, arrangement or understanding (including any short interest, any borrowing or lending of securities or any proxy or voting agreement), the effect or intent of which is to (I) manage risk or benefit, for such stockholder, Proposed Nominee or Stockholder Associated Person, of changes in the price of Company Securities or (II) increase or decrease the voting power of such stockholder, Proposed Nominee or Stockholder Associated Person in the Corporation or any affiliate thereof disproportionately to such person's economic interest in the Company Securities; and (D) any substantial interest, direct or indirect (including, without limitation, any existing or prospective commercial, business or contractual relationship with the Corporation), by security holdings or otherwise, of such stockholder, Proposed Nominee or Stockholder Associated Person, in the Corporation or any affiliate thereof, other than an interest arising from the ownership of Company Securities where such stockholder, Proposed Nominee or Stockholder Associated Person receives no extra or special benefit not shared on a *pro rata* basis by all other holders of the same class; (iv) as to the stockholder giving the notice, any Stockholder Associated Person with an interest or ownership referred to in clauses (ii) or (iii) of this paragraph (3) of this Section 13(a) and any Proposed Nominee, the name and address of such stockholder, as they appear on the Corporation's stock ledger, and the current name and business address, if different, of each such Stockholder Associated Person and any Proposed Nominee.

(4) Such stockholder's notice shall, with respect to any Proposed Nominee, be accompanied by a certificate executed by the Proposed Nominee (i) certifying that such Proposed Nominee (a) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Corporation in connection with service or action as a Director that has not been disclosed to the Corporation and (b) will serve as a Director of the Corporation if elected; and (ii) attaching a completed Proposed Nominee questionnaire (which questionnaire shall be provided by the Corporation, upon request, to the stockholder in advance of providing the notice and shall, as completed, include all information relating to the Proposed Nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the Proposed Nominee as a Director in an election

contest (even if an election contest is not involved), or would otherwise be required in connection with such solicitation, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act and the rules thereunder, or would be required pursuant to the rules of any national securities exchange or over-the-counter market on which the Corporation's securities are listed or traded). Such Proposed Nominee questionnaire shall, as completed, also include a statement specifying which of clauses (1)-(7) of the definition of Relevant Experience and Country Knowledge in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a Conflict of Interest as defined in Article III, Section 3 of the Bylaws.

(5) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event that the number of Directors to be elected to the Board of Directors is increased, and there is no public announcement of such action at least 130 days prior to the first anniversary of the date of the proxy statement (as defined in Section 13(c)(3) of this Article II) for the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary of the Corporation not later than 5:00 p.m., Eastern Time, on the tenth day following the day on which such public announcement is first made by the Corporation.

(6) For purposes of this Section 13, Stockholder Associated Person of any stockholder means (i) any person acting in concert with such stockholder, (ii) any beneficial owner of shares of stock of the Corporation owned of record or beneficially by such stockholder (other than a stockholder that is a depositary) and (iii) any person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such stockholder or such Stockholder Associated Person.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of individuals for election to the Board of Directors may be made at a special meeting of stockholders at which Directors are to be elected only (i) by or at the direction of the Board of Directors or (ii) provided that the special meeting has been called in accordance with Section 3 of this Article II for the purpose of electing Directors, by any stockholder of the Corporation who is a stockholder of record as of the record date set by the Board of Directors for the purpose of determining stockholders entitled to vote at the special meeting, at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting in the election of each individual so nominated and who has complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more individuals to the Board of Directors, any such stockholder may nominate an individual or individuals (as the case may be) for election as a Director as specified in the Corporation's notice of meeting, if the stockholder's notice, containing the information required by paragraphs (a)(3) and (4) of this Section 13 shall be delivered to the Secretary of the Corporation not earlier than the 120th day prior to such special meeting and not later than 5:00 p.m., Eastern Time, on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting.

The public announcement of a postponement or adjournment of a special meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

(c) General. (1) If information submitted pursuant to this Section 13 by any stockholder proposing a nominee for election as a Director or any proposal for other business at a meeting of stockholders shall be inaccurate in any material respect, such information may be deemed not to have been provided in accordance with this Section 13. Any such stockholder shall notify the Corporation of any material inaccuracy or change (within two Business Days of becoming aware of such inaccuracy or change) in any such information. Upon written request by the Secretary of the Corporation or the Board of Directors, any such stockholder shall provide, within five Business Days of delivery of such request (or such other period as may be specified in such request), (A) written verification, satisfactory, in the discretion of the Board of Directors or any authorized officer of the Corporation, to demonstrate the accuracy of any information submitted by the stockholder pursuant to this Section 13, and (B) a written update of any information (including, if requested by the Corporation, written confirmation by such stockholder that it continues to intend to bring such nomination or other business proposal before the meeting) submitted by the stockholder pursuant to this Section 13 as of an earlier date. If a stockholder fails to provide such written verification or written update within such period, the information as to which written verification or a written update was requested may be deemed not to have been provided in accordance with this Section 13.

(2) Only such individuals whose nomination is made in accordance with this Section 13 shall be eligible for nomination and election by stockholders as Directors, and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with this Section 13. The chairman of the meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with this Section 13.

(3) For purposes of this Section 13, the date of the proxy statement shall have the same meaning as the date of the company's proxy statement released to shareholders as used in Rule 14a-8(e) promulgated under the Exchange Act, as interpreted by the Securities and Exchange Commission or the Staff thereof from time to time. Public announcement shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press, Business Wire, PR Newswire or other widely circulated news or wire service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission and the staff thereof pursuant to the Exchange Act or the Investment Company Act.

(4) Notwithstanding the foregoing provisions of this Section 13, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act and the Investment Company Act and the rules and regulations thereunder with respect to the matters set forth in this Section 13. Nothing in this Section 13 shall be deemed to affect any right of a stockholder to request inclusion of a proposal in, or the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act. Nothing in this Section 13 shall require disclosure of revocable proxies received by the stockholder or Stockholder Associated Person pursuant to a solicitation of proxies after the filing of an effective Schedule 14A by such stockholder or Stockholder Associated Person under Section 14(a) of the Exchange Act.

The public announcement of a postponement or adjournment of an annual meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

(2) Such stockholder's notice shall set forth: (i) as to each individual whom the stockholder proposes to nominate for election or reelection as a Director (each, a "Proposed Nominee"), (A) all information relating to the Proposed Nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the Proposed Nominee as a Director in an election contest (even if an election contest is not involved), or would otherwise be required in connection with such solicitation, in each case pursuant to Regulation 14A (or any successor provision) under the Exchange Act and the rules thereunder; and (B) whether such stockholder believes any such Proposed Nominee is, or is not, an "interested person" of the Corporation, as defined in the Investment Company Act, and information regarding such individual that is sufficient, in the discretion of the Board of Directors or any committee thereof or any authorized officer of the Corporation, to make such determination; (ii) as to any other business that the stockholder proposes to bring before the meeting, a description of such business, the stockholder's reasons for proposing such business at the meeting and any material interest in such business of such stockholder or any Stockholder

Associated Person (as defined below), individually or in the aggregate, including any anticipated benefit to the stockholder or the Stockholder Associated Person therefrom, other than an interest arising from the ownership of Company Securities where such stockholder, Proposed Nominee or Stockholder Associated Person receives no extra or special benefit not shared on a pro rata basis by all other holders of the same class; (iii) as to the stockholder giving the notice, any Proposed Nominee and any Stockholder Associated Person, (A) the class and number of all shares of stock or other securities of the Corporation or any affiliate thereof (collectively, the Company Securities), if any, which are owned (beneficially or of record) by such stockholder, Proposed Nominee or Stockholder Associated Person, the date on which each such Company Security was acquired, and any short interest (including any opportunity to profit or share in any benefit from any decrease in the price of such stock or other security) in any Company Securities of any such person; (B) the nominee holder for, and number of, any Company Securities owned beneficially but not of record by such stockholder, Proposed Nominee or Stockholder Associated Person; (C) whether and the extent to which such stockholder, Proposed Nominee or Stockholder Associated Person, directly or indirectly (through brokers, nominees or otherwise), is subject to or during the last twelve months has engaged in any hedging, derivative or other transaction or series of transactions or entered into any other agreement, arrangement or understanding (including any short interest, any borrowing or lending of securities or any proxy or voting agreement), the effect or intent of which is to (I) manage risk or benefit, for such stockholder, Proposed Nominee or Stockholder Associated Person, of changes in the price of Company Securities or (II) increase or decrease the voting power of such stockholder, Proposed Nominee or Stockholder Associated Person in the Corporation or any affiliate thereof disproportionately to such person's economic interest in the Company Securities; and (D) any substantial interest, direct or indirect (including, without limitation, any existing or prospective commercial, business or contractual relationship with the Corporation), by security holdings or otherwise, of such stockholder, Proposed Nominee or Stockholder Associated Person, in the Corporation or any affiliate thereof, other than an interest arising from the ownership of Company Securities where such stockholder, Proposed Nominee or Stockholder Associated Person receives no extra or special benefit not shared on a pro rata basis by all other holders of the same class; (iv) as to the stockholder giving the notice, any Stockholder Associated Person with an interest or ownership referred to in clauses (ii) or (iii) of this paragraph (3) of this Section 13(a) and any Proposed Nominee, the name and address of such stockholder, as they appear on the Corporation's stock ledger, and the current name and business address, if different, of each such Stockholder Associated Person and any Proposed Nominee.

(4) Such stockholder's notice shall, with respect to any Proposed Nominee, be accompanied by a certificate executed by the Proposed Nominee (i) certifying that such Proposed Nominee (a) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than the Corporation in connection with service or action as a Director that has not been disclosed to the Corporation and (b) will serve as a Director of the Corporation if elected; and (ii) attaching a completed Proposed Nominee questionnaire (which questionnaire shall be provided by the Corporation, upon request, to the stockholder in advance of providing the notice and shall, as completed, include all information relating to the Proposed Nominee that would be required to be disclosed in connection with the solicitation of proxies for the election of the Proposed Nominee as a Director in an election contest (even if an election contest is not involved), or would otherwise be required in connection with such solicitation, in each case pursuant to Regulation 14A (or any successor

provision) under the Exchange Act and the rules thereunder, or would be required pursuant to the rules of any national securities exchange or over-the-counter market on which the Corporation's securities are listed or traded). Such Proposed Nominee questionnaire shall, as completed, also include a statement specifying which of clauses (1)-(7) of the definition of Relevant Experience and Country Knowledge in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a Conflict of Interest as defined in Article III, Section 3 of the Bylaws.

(5) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event that the number of Directors to be elected to the Board of Directors is increased, and there is no public announcement of such action at least 130 days prior to the first anniversary of the date of the proxy statement (as defined in Section 13(c)(3) of this Article II) for the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary of the Corporation not later than 5:00 p.m., Eastern Time, on the tenth day following the day on which such public announcement is first made by the Corporation.

(6) For purposes of this Section 13, Stockholder Associated Person of any stockholder means (i) any person acting in concert with such stockholder, (ii) any beneficial owner of shares of stock of the Corporation owned of record or beneficially by such stockholder (other than a stockholder that is a depository) and (iii) any person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such stockholder or such Stockholder Associated Person.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of individuals for election to the Board of Directors may be made at a special meeting of stockholders at which Directors are to be elected only (i) by or at the direction of the Board of Directors or (ii) provided that the special meeting has been called in accordance with Section 3 of this Article II for the purpose of electing Directors, by any stockholder of the Corporation who is a stockholder of record as of the record date set by the Board of Directors for the purpose of determining stockholders entitled to vote at the special meeting at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting in the election of each individual so nominated and who has complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more individuals to the Board of Directors, any such stockholder may nominate an individual or individuals (as the case may be) for election as a Director as specified in the Corporation's notice of meeting, if the stockholder's notice, containing the information required by paragraphs (a)(3) and (4) of this Section 13 shall be delivered to the Secretary of the Corporation not earlier than the 120th day prior to such special meeting and not later than 5:00 p.m. Eastern Time, on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. The public announcement of a postponement or adjournment of a special meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

(c) General. (1) If information submitted pursuant to this Section 13 by any stockholder proposing a nominee for election as a Director or any proposal for other business at a meeting of stockholders shall be inaccurate in any material respect, such information may be deemed not to have been provided in accordance with this Section 13. Any such stockholder shall notify the Corporation of any material inaccuracy or change (within two Business Days of becoming aware of such inaccuracy or change) in any such information. Upon written request by the Secretary of the Corporation or the Board of Directors, any such stockholder shall provide, within five Business Days of delivery of such request (or such other period as may be specified in such request), (A) written verification, satisfactory, in the discretion of the Board of Directors or any authorized officer of the Corporation, to demonstrate the accuracy of any information submitted by the stockholder pursuant to this Section 13, and (B) a written update of any information (including, if requested by the Corporation, written confirmation by such stockholder that it continues to intend to bring such nomination or other business proposal before the meeting) submitted by the stockholder pursuant to this Section 13 as of an earlier date. If a stockholder fails to provide such written verification or written update within such period, the information as to which written verification or a written update was requested may be deemed not to have been provided in accordance with this Section 13.

(2) Only such individuals whose nomination is made in accordance with this Section 13 shall be eligible for nomination and election by stockholders as Directors, and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with this Section 13. The chairman of the meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with this Section 13.

(3) For purposes of this Section 13, the date of the proxy statement shall have the same meaning as the date of the company's proxy statement released to shareholders as used in Rule 14a-8(e) promulgated under the Exchange Act, as interpreted by the Securities and Exchange Commission or the Staff thereof from time to time. Public announcement shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press, Business Wire, PR Newswire or other widely circulated news or wire service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission and the staff thereof pursuant to the Exchange Act or the Investment Company Act.

(4) Notwithstanding the foregoing provisions of this Section 13, a stockholder shall also comply with all applicable requirements of state law and of the Exchange Act and the Investment Company Act and the rules and regulations thereunder with respect to the matters set forth in this Section 13. Nothing in this Section 13 shall be deemed to affect any right of a stockholder to request inclusion of a proposal in, or the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act. Nothing in this Section 13 shall require disclosure of revocable proxies received by the stockholder or Stockholder Associated Person pursuant to a solicitation of proxies after the filing of an effective Schedule 14A by such stockholder or Stockholder Associated Person under Section 14(a) of the Exchange Act.

the rules of any national securities exchange or over-the-counter market on which the Corporation's securities are listed or traded). Such Proposed Nominee questionnaire shall, as completed, also include a statement specifying which of clauses (1)-(7) of the definition of Relevant Experience and Country Knowledge in Article III, Section 3 of the Bylaws the person being nominated satisfies, information relating to such person sufficient to support a determination that the person satisfies the specified clause or clauses of the definition and a representation that the person does not have a Conflict of Interest as defined in Article III, Section 3 of the Bylaws.

(5) Notwithstanding anything in this subsection (a) of this Section 13 to the contrary, in the event that the number of Directors to be elected to the Board of Directors is increased, and there is no public announcement of such action at least 130 days prior to the first anniversary of the date of the proxy statement (as defined in Section 13(c)(3) of this Article II) for the preceding year's annual meeting, a stockholder's notice required by this Section 13(a) shall also be considered timely, but only with respect to nominees for any new positions created by such increase, if it shall be delivered to the Secretary of the Corporation not later than 5:00 p.m., Eastern Time, on the tenth day following the day on which such public announcement is first made by the Corporation.

(6) For purposes of this Section 13, Stockholder Associated Person of any stockholder means (i) any person acting in concert with such stockholder, (ii) any beneficial owner of shares of stock of the Corporation owned of record or beneficially by such stockholder (other than a stockholder that is a depository) and (iii) any person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, such stockholder or such Stockholder Associated Person.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to the Corporation's notice of meeting. Nominations of individuals for election to the Board of Directors may be made at a special meeting of stockholders at which Directors are to be elected only (i) by or at the direction of the Board of Directors or (ii) provided that the special meeting has been called in accordance with Section 3 of this Article II for the purpose of electing Directors, by any stockholder of the Corporation who is a stockholder of record as of the record date set by the Board of Directors for the purpose of determining stockholders entitled to vote at the special meeting, at the time of giving of notice provided for in this Section 13 and at the time of the special meeting, who is entitled to vote at the meeting in the election of each individual so nominated and who has complied with the notice procedures set forth in this Section 13. In the event the Corporation calls a special meeting of stockholders for the purpose of electing one or more individuals to the Board of Directors, any such stockholder may nominate an individual or individuals (as the case may be) for election as a Director as specified in the Corporation's notice of meeting, if the stockholder's notice, containing the information required by paragraphs (a)(3) and (4) of this Section 13 shall be delivered to the Secretary of the Corporation not earlier than the 120th day prior to such special meeting and not later than 5:00 p.m., Eastern Time, on the later of the 90th day prior to such special meeting or the tenth day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board of Directors to be elected at such meeting. The public announcement of a postponement or adjournment of a special meeting shall not commence a new time period for the giving of a stockholder's notice as described above.

(c) General. (1) If information submitted pursuant to this Section 13 by any stockholder proposing a nominee for election as a Director or any proposal for other business at a meeting of stockholders shall be inaccurate in any material respect, such information may be deemed not to have been provided in accordance with this Section 13. Any such stockholder shall notify the Corporation of any material inaccuracy or change (within two Business Days of becoming aware of such inaccuracy or change) in any such information. If a stockholder fails to provide such written verification or written update within such period, the information as to which written verification or a written update was requested may be deemed not to have been provided in accordance with this Section 13.

(2) Only such individuals whose nomination is made in accordance with this Section 13 shall be eligible for nomination and election by stockholders as Directors, and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with this Section 13. The chairman of the meeting shall have the power to determine whether a nomination or any other business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with this Section 13.

(3) For purposes of this Section 13, the date of the proxy statement shall have the same meaning as the date of the company's proxy statement released to shareholders as used in Rule 14a-8(e) promulgated under the Exchange Act, as interpreted by the Securities and Exchange Commission or the Staff thereof from time to time. Public announcement shall mean disclosure (i) in a press release reported by the Dow Jones News Service, Associated Press, Business Wire, PR Newswire or other widely circulated news or wire service or (ii) in a document publicly filed by the Corporation with the Securities and Exchange Commission and the staff thereof pursuant to the Exchange Act or the Investment Company Act.

Nothing in this Section 13 shall be deemed to affect any right of a stockholder to request inclusion of a proposal in, or the right of the Corporation to omit a proposal from, the Corporation's proxy statement pursuant to Rule 14a-8 (or any successor provision) under the Exchange Act. Nothing in this Section 13 shall require disclosure of revocable proxies received by the stockholder or Stockholder Associated Person pursuant to a solicitation of proxies after the filing of an effective Schedule 14A by such stockholder or Stockholder Associated Person under Section 14(a) of the Exchange Act.
