PROXY STATEMENT
ANNUAL MEETING OF SHAREHOLDERS
OF
AUBURN NATIONAL BANCORPORATION, INC.
TO BE HELD MAY 14, 2019

General

This Proxy Statement is being furnished to the shareholders of Auburn National Bancorporation, Inc. (the *Company*), a Delaware corporation registered as a bank holding company under the Bank Holding Company Act of 1956, as amended (the *BHC Act*), in connection with the solicitation of proxies by the *Company*'s Board of Directors from holders of the outstanding shares of the *Company*'s \$.01 par value Common Stock (*Common Stock*) for the 2019 Annual Meeting of Shareholders of the *Company* (collectively, with any adjournments or postponements, the *Meeting*). Unless the context otherwise requires, the term *Company* includes the *Company*'s subsidiary, AuburnBank (the *Bank*). The *Company*'s Common Stock is listed on the Nasdaq Global Market under the symbol *AUBN*.

The Meeting is being held to consider and vote upon: (i) the election of 10 directors to the Board of Directors; (ii) on a non-binding, advisory basis, the compensation of the *Company*'s named executive officers (defined below) as disclosed in this Proxy Statement (a *say-on-pay proposal*); (iii) on a non-binding, advisory basis, the frequency (every one, two, or three years) of say-on-pay proposals (the *say-on-frequency proposal*); and (iv) such other matters as may properly come before the Meeting.

The *Company*'s Board of Directors knows of no business that will be presented for consideration at the Meeting other than the matters described in this Proxy Statement.

This Proxy Statement and the Proxy are first being mailed on or about April 12, 2019, to *Company* shareholders of record as of the close of business on March 15, 2019 (the *Record Date*). The *Company*'s 2018 Annual Report (the *Annual Report*), including financial statements for the fiscal year ended December 31, 2018, accompanies this Proxy Statement.

Each shareholder is entitled to one vote on each proposal for each share of Common Stock held as of the Record Date. In determining whether a quorum exists at the Meeting for purposes of all matters to be voted on, all votes for or against, as well as all abstentions (including votes to withhold authority to vote in certain cases), will be counted as shares present, and a quorum will exist if a majority of the shares outstanding and entitled to vote at the meeting are present. Under Delaware law, the vote required for the election of directors is a plurality of the votes cast by the shares present, in person or by proxy, at the Meeting, provided a quorum is present. Consequently, with respect to the election of directors, abstentions and broker non-votes will not be counted in determining whether the proposal has received the requisite number of votes for approval. The say-on-pay proposal and the say-on-frequency proposal included on the ballot are only non-binding, advisory votes. This means that the Board of Directors will not be required to take any action on these matters regardless of the number of shares voted in favor of or against either proposal. However, the Board of Directors wants to understand the view of the *Company*'s shareholders on the *Company*'s executive compensation program, so your consideration and vote on these matters will be taken seriously by the Board of Directors. For both the say-on-pay proposal and the say-on-frequency proposal, the votes that shareholders cast for the proposals must exceed the number of votes cast against the proposals to pass. Abstentions and broker non-votes will not be counted in determining whether the proposals received the requisite number of votes for approval. Unless otherwise required by the *Company*'s Certificate of Incorporation or Amended and Restated

Bylaws (Bylaws), or by the Delaware General Corporation Law or other applicable law, any other proposal that is properly brought before the Meeting will require approval by the affirmative vote of a majority of all votes cast at the Meeting with respect to such proposal. With respect to any such proposal, abstentions and broker non-votes will not be counted in determining whether such proposal has received the requisite number of votes for approval.

The Company's principal executive offices are located at 100 N. Gay Street, Auburn, Alabama 36830, and its telephone number is (334) 821-9200. The Company maintains an internet website at www.auburnbank.com.

Record Date, Solicitation and Revocability of Proxies

The Record Date for the Meeting has been set as the close of business on March 15, 2019. Accordingly, only holders of record of shares of Common Stock on the Record Date will be entitled to vote at the Meeting. At the close of business on such date, there were approximately 3,581,485 shares of Common Stock issued and outstanding, which were held by approximately 384 shareholders of record.

Shares of Common Stock represented by a properly executed Proxy, if such Proxy is received in time and is not revoked, will be voted at the Meeting in accordance with the instructions indicated in such Proxy. **If you properly execute and return your Proxy but do not indicate any voting instructions with respect to one or more matters to be voted upon at the Meeting, or if your voting instructions are unclear, your shares will be voted in accordance with the recommendation of the Board of Directors as to all such matters. Specifically, your shares will be voted FOR the election of all director nominees, FOR the advisory approval of the say-on-pay proposal, FOR the advisory recommendation of the say-on-frequency proposal, as well as in the discretion of the persons named as proxies on all other matters that may properly come before the Meeting.**

A shareholder who has given a Proxy may revoke it at any time prior to its exercise at the Meeting by either (i) giving written notice of revocation to the Company's Secretary, (ii) properly submitting to the Company a duly executed Proxy bearing a later date, or (iii) appearing in person at the Meeting and voting in person by written ballot. All written notices of revocation or other communications with respect to revocation of Proxies should be addressed as follows: Auburn National Bancorporation, Inc., P.O. Box 3110, Auburn, Alabama 36831-3110, Attention: C. Wayne Alderman, Secretary.

Proxy Solicitation Costs

The cost of soliciting Proxies for the Meeting will be paid by the Company. The Company's officers may also solicit proxies by telephone or otherwise, but will not receive additional compensation for these activities. In addition to the solicitation of shareholders of record by mail, telephone, facsimile, or personal contact, the Company may also make arrangements with brokers, dealers, banks, or voting trustees or their nominees who can be identified as record holders of Common Stock to forward this proxy statement and the 2018 Annual Report to beneficial owners of Common Stock. The Company will reimburse them for the reasonable expenses in connection with these services.

CORPORATE GOVERNANCE

Board Leadership Structure

The Board of Directors does not have a policy with respect to the separation of the offices of Chairman and the Chief Executive Officer. The Board believes this issue is part of the succession planning process and that it is in the best interests of the Company and our shareholders to retain the flexibility to combine or separate these functions. At this time, the Board believes there are a number of important advantages of combining the positions of Chairman and Chief Executive Officer, including the following:

Mr. Dumas with 35 years of experience at the Bank, including 17 years as President and Chief Executive Officer and 6 years as Vice Chairman, has the knowledge, expertise, and experience to understand the opportunities and challenges facing the Company, as well as the leadership and management skills to promote and execute our values and strategy, particularly during the current economic environment;

Combining the positions allows Mr. Dumas to lead Board discussions regarding our business and strategy, and provides unified leadership for the Company;

Combining the positions creates a firm link between management and the Board and promotes the development and implementation of corporate strategy; and

Combining the positions allows timely communication with the Board on critical business matters given the complexity of our business.

The Board also believes that combining the positions of Chairman and Chief Executive Officer would not undermine the independence of the Board. The Company's Board is comprised of Mr. Dumas and nine other directors. Eight directors satisfy the Nasdaq's listing standards regarding independence. The Company has established an independent director committee. Anne M. May is currently the chairperson of the committee and therefore is formally identified as the Lead Independent Director. Our corporate governance guidelines provide that the independent directors will meet at least semi-annually in executive session without management present.

The Company believes the foregoing structure, policies and practices, when combined with the Company's other governance policies and procedures, provide appropriate oversight, discussion and evaluation of decisions and direction from the Board of Directors.

Board's Role in Risk Oversight

The Board of Directors maintains oversight responsibility of the management of the Company's risks. A fundamental part of risk management is not only understanding the risks to the Company, and the actions needed to manage those risks, but also determining acceptable levels of risk for the Company. The full Board of Directors reviews with management its process for managing enterprise risk.

While the Board of Directors maintains the ultimate oversight responsibility for risk management, certain of the Board's committees have been assigned responsibility for risk management oversight of specific areas. These responsibilities include:

the Compensation Committee evaluating, with our senior officers, risks posed by our compensation programs and seeking to limit any unnecessary or excessive risks these programs may pose to us, in order to avoid programs that might encourage such risks. The Compensation Committee's role and its relationship with the Board are more fully described under "Committees of the Board - Compensation Committee";

the Audit and Compliance Committee overseeing risks related to our financial statements, our compliance with legal and regulatory requirements, our financial reporting process and system of internal controls. The Audit and Compliance Committee also evaluates the performance of our independent auditors and our internal auditing department. The Audit Committee periodically meets privately in separate executive sessions with management, our internal audit department, and the independent auditors. The Audit and Compliance Committee's role and its relationship with the Board are more fully described under "Committees of the Board - Audit and Compliance Committee"; and

the Strategic Planning Committee reviewing management and adjusting our risk assessment during the Company's annual strategic planning process. The Strategic Planning Committee's role and its relationship with the Board are more fully described under "Committees of the Board - Strategic Planning Committee".

While each of these committees is responsible for evaluating certain risks and overseeing the management of these risks, the entire Board of Directors is informed through committee reports about such risks. In addition, each of the Company's directors serves on the Bank's Board of Directors. We believe that Board committees that report at the Bank level are critical to the Company's risk management processes. These committees include the Director's Loan Committee, Asset/Liability Committee, Information Technology/Information Security (IT/IS) Steering Committee, Operations and Bank Secrecy Act (BSA) Committee. These committees each play a role in monitoring the following risks to the Bank and Company: credit, liquidity, interest rate, operational, reputational, compliance, and information technology and security risks.

Director Nominating Process

The Nominating and Corporate Governance Committee, in consultation with the Chairman of the Board, monitors existing director qualifications and periodically examines the composition of the Company's Board of Directors and determines whether the Board of Directors would better serve its purposes with the addition of one or more directors. This assessment includes, among other relevant factors, in the context of the perceived needs of the Board at that time, issues of experience, reputation, judgment, diversity and skills.

If the Nominating and Corporate Governance Committee determines that adding a new director is advisable or if a vacancy on the Board arises, the Nominating and Corporate Governance Committee initiates the search, working with other directors, management and, if it deems appropriate or necessary, a search firm retained to assist in the search. The Nominating and Corporate Governance Committee will consider all appropriate candidates proposed by management, directors and shareholders. Information regarding potential candidates is presented to the Nominating and Corporate Governance Committee, which then evaluates the candidates based on the needs of the Board of Directors at that time and the criteria listed above. Potential candidates are evaluated according to the same criteria, regardless of whether the candidate was recommended by the Nominating and Corporate Governance Committee, a shareholder, another director, management or another third party. The Nominating and Corporate Governance Committee then meets to consider the selected candidate(s) and submits the approved candidate(s) to the full Board of Directors for approval and recommendation to the shareholders. Although neither the Board nor the Nominating and Corporate Governance Committee has a formal policy with regard to the consideration of diversity in identifying director nominees, the director nomination process is designed to ensure that the Board considers members with diverse backgrounds, including race, ethnicity, gender, education, skills and experience, with a focus on appropriate financial and other expertise relevant to the company's business, and also considers issues of judgment, conflicts of interest, integrity, ethics and commitment to the goal of maximizing shareholder value. The goal of this process is to assemble a group of directors with deep, varied experience, sound judgment and commitment to the company's success.

Subject to the requirements of the Company's Certificate of Incorporation and Amended and Restated Bylaws, as well as any requirements of law or regulation, any shareholder entitled to vote for the election of directors may recommend a director nominee. Advance notice of such proposed nomination must be received by the Secretary of the Company not less than 21 days nor more than 60 days prior to any meeting of the shareholders called for the election of directors. Nominations should be submitted in writing to the Secretary of the Company specifying the nominee's name and other required information set forth in the Company's Bylaws. In 2018, there were no shareholder recommendations received, and no third party search firms were used to identify director candidates.

Shareholder Communications

Shareholders who wish to communicate with the Board, or any individual director or group of directors, may do so by sending written communications addressed to: Board of Directors of Auburn National Bancorporation, Inc., c/o C. Wayne Alderman, Secretary, Auburn National Bancorporation, Inc., 100 N. Gay Street, P.O. Box 3110, Auburn, Alabama, 36831-3110. All information will be compiled by the Secretary of the Company and submitted to the Board of Directors or each applicable director at the next regular meeting of the Board of Directors.

Meetings of the Board of Directors

The Company's Board of Directors held 12 meetings during 2018. All directors attended at least 75% of the aggregate of all meetings of the Company's Board of Directors and each committee on which they served. All of the Company's directors are encouraged to attend the Company's annual meetings of shareholders. All of the Company's directors attended the 2018 Annual Meeting of Shareholders.

Board Compensation

In 2018, the Chairman received \$2,000 and each director received \$1,000, respectively, for each Board meeting attended, which will be the same for 2019. Generally, the Board of Directors of the Company and the Bank meet on the same day, and in such cases, a fee is paid for one board meeting only. In addition, members of the Audit Committee and the Compensation Committee of the Company, which also serve as the members of the Audit Committee and the Compensation Committee of the Bank, respectively, receive an additional fee of \$250 for each committee meeting, while each Chairman of these committees receives \$500 per meeting. Members of the Bank's Loan Committee, Asset/Liability Committee and IT/IS Steering Committee receive \$250 for each committee meeting, while each Chairman of these committees receives \$500 per meeting. The Company's and the Bank's directors may receive year-end cash bonuses based upon the Company's financial performance. In 2018, aggregate fees paid to Company and Bank Directors, including cash bonuses, totaled approximately \$255,750. The compensation of directors may be changed from time to time by the Board of Directors upon recommendation of the Compensation Committee, without shareholder approval.

PROPOSAL #2 ADVISORY VOTE ON EXECUTIVE COMPENSATION

The purpose of the Company's compensation policies and procedures is to attract and retain experienced, highly qualified executives to promote our long-term success and shareholder value. The Board believes our compensation policies and procedures achieve this objective, and therefore recommend shareholders vote **FOR** the say-on-pay proposal through approval of the following resolution:

RESOLVED, that the compensation paid to the Company's named executive officers, as disclosed in the Company's Proxy Statement for the 2019 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the compensation tables and any related material disclosed in the Proxy Statement, is hereby APPROVED.

This say-on-pay proposal gives you as a shareholder the opportunity to endorse or not endorse the compensation we pay to our named executive officers (identified below) by voting to approve or not approve such compensation as

described in this Proxy Statement. This vote is advisory, which means that it is not binding on the Company, the Board or the Compensation Committee. However, the Board and the Compensation Committee will consider the outcome of the vote when considering future executive compensation arrangements.

We have included this proposal in our Proxy Statement pursuant to the requirements of the Dodd-Frank Wall Street Reform and Consumer Protection Act, or the Dodd-Frank Act, and Section 14A of the Securities Exchange Act of 1934.

In last year's Proxy Statement for the 2018 Annual Meeting, a similar advisory vote was requested by the Company. The results of last year's vote were as follows:

	2018	
	Vote Count	Percent
For	2,035,773	99%
Against	9,980	*
Abstain	15,769	1%
	2,061,522	100%

* Less than 0.5%

The vote on this resolution is not intended to address any specific element of compensation, but rather relates to the overall compensation of our named executive officers, as described in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. We encourage you to closely review the information we have provided under the caption "Executive Compensation" below.

The Board recommends you vote FOR the approval of this Resolution related to the compensation of the Company's named executive officers.

PROPOSAL #3 FREQUENCY OF ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Act provides that shareholders must be given the opportunity to vote, on a non-binding, advisory basis, for their preference as to how frequently the Company should seek future advisory votes on the compensation of the named executive officers as disclosed in accordance with the compensation disclosure rules of the Securities and Exchange Commission. By voting with respect to this say-on-frequency proposal, shareholders may indicate whether they would prefer that we conduct future say-on-pay votes once every one, two, or three years. Shareholders also may, if they wish, abstain from casting a vote on this proposal.

Our Board has determined that an annual say-on-pay advisory vote will allow our shareholders to provide timely, direct input on the Company's executive compensation philosophy, policies and practices as disclosed in the proxy statement each year.

The Company recognizes that the shareholders may have different views as to the best approach for the Company, and therefore we look forward to hearing from our shareholders as to their preferences on the frequency of a say-on-pay vote.

This vote is advisory and not binding on the Company or our Board in any way. The Board and the Compensation Committee will take into account the outcome of the vote, however, when considering the frequency of future

say-on-pay votes. The Board may decide that it is in the best interests of our shareholders and the Company to hold an advisory vote on executive compensation more or less frequently than the frequency receiving the most votes cast by our shareholders.

Shareholders may cast a vote on the preferred voting frequency by selecting the option of one year, two years, or three years (or abstain) when voting in response to the resolution set forth below.

RESOLVED, that the shareholders determine, on an advisory basis, whether the preferred frequency of an advisory vote on the executive compensation of the Company's named executive officers as set forth in the Company's proxy statement should be every year, every two years, or every three years.

The proxy card provides shareholders with the opportunity to choose among four options (holding the vote every one, two or three years, or abstaining) and, therefore, shareholders will not be voting to approve or disapprove the recommendation of the Board.

We have included this proposal in our Proxy Statement pursuant to the requirements of the Dodd-Frank Act and Section 14A of the Securities Exchange Act of 1934.

The Board recommends you vote FOR the option of once every year as the preferred frequency of future advisory votes to approve the compensation of the Company's named executive officers.

CERTAIN TRANSACTIONS AND BUSINESS RELATIONSHIPS

Various Company and Bank directors, officers, and their affiliates, including corporations and firms of which they are directors or officers or in which they and/or their families have an ownership interest, are customers of the Company and the Bank. These persons, corporations, and firms have had transactions in the ordinary course of business with the Company and the Bank, including borrowings, all of which, in the opinion of management, were on substantially the same terms, including interest rates and collateral, as those prevailing at the time for comparable transactions with unaffiliated persons and did not involve more than the normal risk of collectability or present other unfavorable features. Such transactions are subject to review and approval as and to the extent provided in our Audit Committee

Charter. The Company and the Bank expect to have such transactions, under similar conditions, with their directors, officers, and affiliates in the future.

Regulation O requires loans made to executive officers and directors to be made on substantially the same terms, including interest rates and collateral, and following credit-underwriting procedures, that are no less stringent than those prevailing at the time for comparable transactions by the Bank with other persons. Such loans also may not involve more than the normal risk of repayment or present other unfavorable features. Additionally, no event of default may have occurred (that is, such loans are not disclosed as non-accrual, past due, restructured, or potential problems). Pursuant to Regulation O, the Board of Directors must review any loan to a director or his or her related interests that has become criticized in order to determine the impact that such classification has on the director's independence. In addition, the Audit Committee Charter provides that the Audit Committee will review and approve all related-party transactions. This includes a review of the Company's compliance with applicable banking laws, including, without limitation, those banking laws and regulations concerning loans to insiders.

None of the directors or executive officers of the Company, owners of 5% or more of the Company's outstanding stock, or their immediate family members, had direct or indirect interest in any transaction involving the Company during 2018 or 2017, served as an executive officer of, or owns, or during 2018 or 2017 owned, of record or beneficially, greater than 10% equity interest in any business or professional entity that has made or received during 2018 or 2017, or proposes to make or receive during 2019, payments to or from the Company or the Bank for property or services in excess of the lesser of \$120,000 or 1% of the Company's average total assets at year end for the last two completed fiscal years.

SECTION 16(A) BENEFICIAL OWNERSHIP

REPORTING COMPLIANCE

The Company is subject to Section 16(a) of the Securities Exchange Act of 1934, as amended, which requires the Company's officers and directors, and persons who own more than 10% of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Officers, Directors and greater-than-10% shareholders are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of Forms 3, 4 and 5 furnished to the Company during and with respect to 2018, or written representations that no Forms 5 were required, the Company believes that all Section 16(a) filing requirements applicable to the Company's and the Bank's officers, directors and greater-than-10% beneficial owners were complied with during 2018.

AUDIT COMMITTEE REPORT

Management is responsible for the Company's internal controls and the financial reporting process. The Company's independent accountants are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with the standards of the Public Company Accounting Oversight Board (PCAOB) and to issue a report thereon. The Audit Committee's responsibility is to monitor and oversee these processes. In this context, we have met and held discussions with management and the independent accountants. We have reviewed and discussed the Company's audited consolidated financial statements for the fiscal year ended December 31, 2018, with management and the independent accountants. This review included discussions with the Company's independent accountants of matters required to be discussed by PCAOB's AS 1301, *Communications with Audit Committees*.

The Company's independent accountants also provided to us the written disclosures and the letter required by Ethics and Independence Rule 3526, *Communication with Audit Committees Concerning Independence*, and we discussed with the independent accountants that firm's independence.

Based upon our discussions with management and the independent accountants and our review of the representation of management and the report of the independent accountants to the Audit Committee, we recommended to the Board of Directors that the audited consolidated financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2018.

INDEPENDENT PUBLIC ACCOUNTANTS

The Audit Committee of the Board of the Company has approved the appointment of Elliott Davis LLC (Elliott Davis) to serve as the Company's independent registered public accounting firm for the Company for the year ending December 31, 2018. The Audit Committee considered the background, expertise and experience of the audit team assigned to the Company and various other relevant matters, including the proposed fees for audit services. A representative of Elliott Davis will be present at the Meeting and will be given the opportunity to make a statement on behalf of the firm, and will also be available to respond to appropriate questions from shareholders.

Independent Public Accountants Fees

The fees billed by the Company's independent registered public accounting firm relating to the 2018 and 2017 fiscal years were as follows:

	2018	2017
Audit Fees (1)	\$176,500	\$174,600
Audit-Related Fees (2)	15,250	
Tax Fees		
All Other Fees		
Total	191,750	174,600

(1) Includes the aggregate fees billed by Elliott Davis for professional services rendered for the audit of the Company's annual financial statements, audit of the Company's internal control over financial reporting, and review of unaudited financial statements included in the Company's Forms 10-Q filed during fiscal years 2018 and 2017.

(2) Includes the aggregate fees billed by Elliott Davis for professional services rendered for certain agreed upon procedures and other audit and attestation reports related to compliance matters during fiscal years 2018 and 2017.

Audit Committee Review

The Company's Audit Committee has reviewed the services rendered and the fees billed by Elliott Davis for the fiscal year ended December 31, 2018. The Audit Committee has determined that the services rendered and the fees billed last year that were not related to the audit of the Company's financial statements are compatible with the independence of Elliott Davis as the Company's independent accountants.

Audit Committee Pre-Approval Policy

Under the Audit Committee's Charter and its pre-approval policy, the Audit Committee is required to approve in advance the terms of all audit services provided to the Company as well as all permissible audit related and non-audit services to be provided by the independent public accountants. Unless a service to be provided by the independent public accountants has received approval under the pre-approval policy, it will require specific approval by the Audit Committee. The pre-approval policy is detailed as to the particular services to be provided, and the Audit Committee is to be informed about each service provided. The approval of non-audit services may be performed by the Chairman of the Committee and reported to the full Audit Committee at its next meeting, but may not be performed by the Company's management. The term of any pre-approval is twelve months, unless the Audit Committee specifically

provides for a different period.

The Audit Committee will approve the annual audit engagement terms and fees prior to the commencement of any audit work other than that necessary for the independent public accountant to prepare the proposed audit approach, scope and fee estimates. In addition to the annual audit work, the independent public accountants may perform certain other audit related or non-audit services that are pre-approved by the Audit Committee and are not prohibited by regulatory or other professional requirements. Engagements for the annual audit and recurring tax return preparation engagements shall be reviewed and approved annually by the Audit Committee based on the agreed upon engagement terms, conditions and fees. The nature and dollar value of services provided under these engagements shall be reviewed by the Audit Committee to approve changes in terms, conditions and fees resulting from changes in audit scope, Company structure, exchange rates or other items, if any.

In the event audit-related or non-audit services that are pre-approved under the pre-approval policy have an estimated cost in excess of certain dollar thresholds, these services will require specific approval by the Audit Committee or by the Chairman of the Audit Committee. Any proposed engagement must be approved in advance by the Audit Committee or by the Chairman of the Audit Committee applying the principles set forth in the pre-approval policy, prior to the commencement of the engagement. In determining the approval of services by the independent public accountants, the Audit Committee evaluates each service to determine whether the performance of such service would: (a) impair the public accountant's independence; (b) create a mutual or conflicting interest between the public accountant and the Company; (c) place the public accountant in the position of auditing his or her own work; (d) result in the public accountant acting as management or an employee of the Company; or (e) place the public accountant in a position of being an advocate for the Company. In no event are monetary limits the only basis for the pre-approval of services.

All of the services provided by Elliott Davis during 2018 and described above under the caption "Audit Fees" and "Audit-Related Fees" were pre-approved by the Company's Audit Committee pursuant to SEC Regulation S-X, Rule 2-01(c)(7)(i).
