Certain statements contained in this document, other than statements of historical fact, including, without limitation, those concerning the economic outlook for the gold mining industry, expectations regarding gold prices, production, cash costs, all-in sustaining costs, all-in costs, cost savings and other operating results, return on equity, productivity improvements, growth prospects and outlook of AngloGold Ashanti's operations, individually or in the aggregate, including the achievement of project milestones, commencement and completion of commercial operations of certain of AngloGold Ashanti's exploration and production projects and the completion of acquisitions, dispositions or joint venture transactions, AngloGold Ashanti's liquidity

and capital resources and capital expenditures and the outcome and consequence of any potential or pending litigation or regulatory proceedings or environmental health and safety issues, are forward-looking statements regarding AngloGold Ashanti's operations, economic performance and financial condition. These forward-looking statements or forecasts involve known and unknown risks, uncertainties and other factors that may cause AngloGold Ashanti's actual results, performance or achievements to differ materially from the anticipated results, performance or achievements expressed or implied in these forward-looking statements. Although AngloGold Ashanti believes that the expectations reflected in such forward-looking statements and forecasts are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic, social and political and market conditions, the success of business and operating initiatives, changes in the regulatory environment and other government actions, including environmental approvals, fluctuations in gold prices and exchange rates, the outcome of pending or future litigation proceedings, and business and operational risk management.

For a discussion of such risk factors, refer to AngloGold Ashanti's annual report on Form 20-F for the year ended 31 December

2

014, which was filed with the United States Securities and Exchange Commission ("SEC"). These factors are not necessarily all

of the important factors that could cause AngloGold Ashanti's actual results to differ materially from those expressed in any

forward-looking statements. Other unknown or unpredictable factors could also have material adverse effects on future results.

Consequently, readers are cautioned not to place undue reliance on forward-looking statements. AngloGold Ashanti undertakes

no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances

after the date hereof or to reflect the occurrence of unanticipated events, except to the extent required by applicable law. All

subsequent written or oral forward-looking statements attributable to AngloGold Ashanti or any person acting on its behalf are

qualified by the cautionary statements herein.

This communication may contain certain "Non-GAAP" financial measures. AngloGold Ashanti utilises certain Non-GAAP

performance measures and ratios in managing its business. Non-GAAP financial measures should be viewed in addition to, and

not as an alternative for, the reported operating results or cash flow from operations or any other measures of performance

prepared in accordance with IFRS. In addition, the presentation of these measures may not be comparable to similarly titled

measures other companies may use. AngloGold Ashanti posts information that is important to investors on the main page of its
