PROXY STATEMENT FOR 2006 ANNUAL MEETING OF STOCKHOLDERS

PROCEDURAL MATTERS

General

This Proxy Statement is being furnished to holders of common stock, par value \$0.001 per share (the "Common Stock"), of Informatica Corporation, a Delaware corporation ("Informatica" or the "Company"), in connection with the solicitation of proxies by the Board of Directors of

Edgar Filing: INFORMATICA CORP - Form DEF 14A

Informatica for use at the Annual Meeting of Stockholders (the Annual Meeting) to be held on Thursday, May 18, 2006 at 3:00 p.m., Pacific Standard Time, and at any adjournment or postponement thereof for the purpose of considering and acting upon the matters set forth herein. The Annual Meeting will be held at Informatica's corporate offices, located at 100 Cardinal Way, Redwood City, CA 94063. The telephone number at that location is (650) 385-5000.

This Proxy Statement, the accompanying form of proxy card and the Company's Annual Report to Stockholders are first being mailed on or about April 7, 2006 to all stockholders entitled to vote at the Annual Meeting.

Stockholders Entitled to Vote; Record Date

Only holders of record of Informatica's Common Stock at the close of business on March 31, 2006 (the Record Date) are entitled to notice of and to vote at the Annual Meeting. Such stockholders are entitled to cast one vote for each share of Common Stock held as of the Record Date on all matters properly submitted for the vote of stockholders at the Annual Meeting. As of the record date, there were 86,212,877 shares of Common Stock outstanding and entitled to vote at the Annual Meeting. No shares of preferred stock were outstanding. For information regarding security ownership by management and by the beneficial owners of more than 5% of Informatica's Common Stock, see the section of this Proxy Statement entitled Share Ownership by Principal Stockholders and Management.

Quorum; Required Vote

The presence of the holders of a majority of the shares of Common Stock entitled to vote generally at the Annual Meeting is necessary to constitute a quorum at the Annual Meeting. Stockholders are counted as present at the meeting if they (1) are present in person or (2) have properly submitted a proxy card or voted by telephone or by using the Internet.

A plurality of the votes duly cast is required for the election of directors. The affirmative vote of a majority of the votes duly cast is required to ratify the appointment of Ernst & Young LLP as the independent registered public accounting firm of the Company.

Under the General Corporation Law of the State of Delaware, an abstaining vote and a broker non-vote are counted as present and entitled to vote and are, therefore, included for purposes of determining whether a quorum is present at the Annual Meeting. An abstaining vote is deemed to be a vote cast and has the same effect as a vote cast against approval of a proposal requiring approval by a majority of the votes cast. However, broker non-votes are not deemed to be votes cast. As a result, broker non-votes are not included in the tabulation of the voting results on the election of directors or issues requiring approval of a majority of the votes cast and, therefore, do not have the effect of votes in opposition in such tabulations. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

Voting

Voting by telephone or the Internet. A stockholder may vote his or her shares by calling the toll-free number indicated on the enclosed proxy card and following the recorded instructions or by accessing the website indicated on the enclosed proxy card and following the instructions provided. When a stockholder votes via the Internet or by telephone, his or her vote is recorded immediately. Informatica encourages its stockholders to vote using these methods whenever possible.

Voting by proxy card. All shares entitled to vote and represented by properly executed proxy cards received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those proxy cards. If no instructions are indicated on a properly executed proxy card, the shares represented by that proxy card will be voted as recommended by the Board of Directors. If any other matters are properly presented for consideration at the Annual Meeting, including, among other things, consideration of a motion to adjourn the Annual Meeting to another time or place (including, without limitation, for the purpose of soliciting additional proxies), the persons named as proxies in the enclosed proxy card and acting thereunder will have discretion to vote on those matters in accordance with their best judgment. The Company does not currently anticipate that any other matters will be raised at the Annual Meeting.

Voting by attending the meeting. A stockholder may also vote his or her shares in person at the Annual Meeting. A stockholder planning to attend the Annual Meeting should bring proof of identification for entrance to the Annual Meeting. If a stockholder attends the Annual Meeting, he or she may also submit his or her vote in person, and any previous votes that were submitted by the stockholder, whether by Internet, telephone or mail, will be superseded by the vote that such stockholder casts at the Annual Meeting.

Changing vote; revocability of proxy. If a stockholder has voted by telephone or the Internet or by sending a proxy card, such stockholder may change his or her vote before the Annual Meeting.

Edgar Filing: INFORMATICA CORP - Form DEF 14A

A stockholder that has voted by telephone or the Internet may change his or her vote by making a timely and valid later telephone or Internet vote, as the case may be.

Any proxy card given pursuant to this solicitation may be revoked by the person giving it at any time before it is voted. A proxy card may be revoked by (1) filing with the Secretary of the Company, at or before the taking of the vote at the Annual Meeting, a written notice of revocation or a duly executed proxy card, in either case dated later than the prior proxy card relating to the same shares, or (2) attending the Annual Meeting and voting in person (although attendance at the Annual Meeting will not of itself revoke a proxy). Any written notice of revocation or subsequent proxy card must be received by the Secretary of the Company prior to the taking of the vote at the Annual Meeting. Such written notice of revocation or subsequent proxy card should be hand delivered to the Secretary of the Company or should be sent so as to be delivered to Informatica Corporation, 100 Cardinal Way, Redwood City, CA 94063, Attention: Corporate Secretary.

Expenses of Solicitation

Informatica will bear all expenses of this solicitation, including the cost of preparing and mailing this solicitation material. The Company may reimburse brokerage firms, custodians, nominees, fiduciaries and other persons representing beneficial owners of Common Stock for their reasonable expenses in forwarding solicitation materials to such beneficial owners. Directors, officers and employees of the Company may also solicit proxies in person or by telephone, letter, e-mail, telegram, facsimile or other means of communication. Such directors, officers and employees will not be additionally compensated, but they may be reimbursed for reasonable out-of-pocket expenses in connection with such solicitation. The Company may engage the services of a professional proxy solicitation firm to aid in the solicitation of proxies from certain brokers, bank nominees and other institutional owners. The Company's costs for such services, if retained, will not be significant.

2

Procedure for Submitting Stockholder Proposals

Requirements for stockholder proposals to be considered for inclusion in the Company's proxy materials. Stockholders may present proper proposals for inclusion in the Company's proxy statement and for consideration at the next annual meeting of its stockholders by submitting their proposals in writing to the Secretary of the Company in a timely manner. In order to be included in the Company's proxy materials for the 2007 annual meeting of stockholders, stockholder proposals must be received by the Secretary of the Company no later than December 11, 2006 and must otherwise comply with the requirements of Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the "Exchange Act").

Requirements for stockholder proposals to be brought before an annual meeting. In addition, the Company's Bylaws establish an advance notice procedure for stockholders who wish to present certain matters before an annual meeting of stockholders. In general, nominations for the election of directors may be made by (1) the Board of Directors, (2) the Corporate Governance and Nominating Committee or (3) any stockholder entitled to vote who has delivered written notice to the Secretary of the Company within the Notice Period (as defined below), which notice must contain specified information concerning the nominees and concerning the stockholder proposing such nominations. However, if a stockholder wishes only to recommend a candidate for consideration by the Corporate Governance and Nominating Committee as a potential nominee for the Company's Board of Directors, see the procedures discussed in Proposal One: Election of Directors Corporate Governance Matters.

The Company's Bylaws also provide that the only business that may be conducted at an annual meeting is business that is (1) specified in the notice of meeting given by or at the direction of the Board of Directors, (2) properly brought before the meeting by or at the direction of the Board of Directors, or (3) properly brought before the meeting by any stockholder entitled to vote who has delivered written notice to the Secretary of the Company within the Notice Period (as defined below), which notice must contain specified information concerning the matters to be brought before such meeting and concerning the stockholder proposing such matters.

The "Notice Period" is defined as that period not less than 45 days nor more than 75 days prior to the anniversary of the date on which the Company first mailed its proxy materials for the previous year's annual meeting of stockholders. As a result, the Notice Period for the 2007 annual stockholder meeting will start on January 26, 2007 and end on February 24, 2007.

If a stockholder who has notified the Company of his or her intention to present a proposal at an annual meeting does not appear to present his or her proposal at such meeting, the Company need not present the proposal for vote at such meeting.

A copy of the full text of the Bylaw provisions discussed above may be obtained by writing to the Secretary of the Company. All notices of proposals by stockholders, whether or not included in the Company's proxy materials, should be sent to Informatica Corporation, 100 Cardinal Way, Redwood City, CA 94063, Attention: Corporate Secretary.

PROPOSAL ONE

ELECTION OF DIRECTORS

General

The Company's Board of Directors is currently comprised of eight members who are divided into three classes with overlapping three-year terms. A director serves in office until his or her respective successor is duly elected and qualified or until his or her earlier death or resignation. Any additional directorships resulting from an increase in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of an equal number of directors. Three directors shall be elected at the Annual Meeting.

3

Nominees for Class III Directors

Three Class III directors are to be elected at the Annual Meeting for a three-year term ending in 2009. Upon the recommendation of the Corporate Governance and Nominating Committee, the Board of Directors has nominated **David W. Pidwell**, **Sohaib Abbasi** and **Geoffrey W. Squire** for re-election as Class III directors. Unless otherwise instructed, the proxy holders will vote the proxies received by them for the re-election of Mr. Pidwell, Mr. Abbasi and Mr. Squire. The Company expects that Mr. Pidwell, Mr. Abbasi and Mr. Squire will accept such nomination; however, in the event that any nominee is unable or declines to serve as a director at the time of the meeting, the proxies will be voted for any nominee who shall be designated by the Board of Directors to fill the vacancy. The term of office of each person elected as a director will continue until such director's term expires in 2009 or until such director's successor has been elected and qualified.

Mr. Geoffrey Squire was recommended for consideration by Mr. Abbasi, the Company's CEO, to become a member of the Board of Directors. After conducting its evaluation, including interviews with Mr. Squire, the Corporate Governance and Nominating Committee recommended his election to the Board of Directors and in October 2005, the Board of Directors appointed Mr. Squire as a director.

The Board of Directors recommends a vote FOR the nominees listed above.

Under the 1999 Director Plan, each non-employee director will automatically be granted a nonstatutory stock option grant of 60,000 shares of the Company's Common Stock upon his or her initial election to the Board of Directors (Initial Grant). Immediately following each annual stockholders' meeting, each non-employee director who continues to serve as a non-employee director following such annual meeting will automatically be granted a nonstatutory stock option to purchase 25,000 shares of the Company's Common Stock (Subsequent Grant), as long as the director had been a non-employee director for at least six months prior to such annual meeting of stockholders. The Corporate Governance and Nominating Committee is responsible for, among other things, determining the criteria for membership to the Board of Directors and recommending candidates for election to the Board of Directors. It is the policy of the Committee to consider recommendations for candidates to the Board of Directors from stockholders. Stockholder recommendations for candidates to the Board of Directors must be directed in writing to Informatica Corporation, Corporate Secretary, 100 Cardinal Way, Redwood City, CA 94063 and must include the candidate's name, home and business contact information, detailed biographical data and qualifications, information regarding any relationships between the candidate and the Company within the last three years, and evidence of the nominating person's ownership of the Company's Common Stock.

The Committee's general criteria and process for evaluating and identifying the candidates that it recommends to the full Board of Directors for selection as director nominees, are as follows:

The Committee regularly reviews the current composition and size of the Board of Directors.

In its evaluation of director candidates, including the members of the Board of Directors eligible for re-election, the Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors and considers (1) the current size and composition of the Board of Directors and the needs of the Board of Directors and the respective committees of the Board of Directors, (2) such factors as issues of character, judgment, diversity, age, expertise, business experience, length of service, independence and other commitments, and (3) such other factors as the Committee may consider appropriate.

While the Committee has not established specific minimum qualifications for director candidates, the Committee believes that candidates and nominees must reflect a Board that is comprised of directors who (1) are predominantly independent, (2) are of high integrity, (3) have broad, business-related knowledge and experience at the policy-making level in business, government or technology, including their understanding of the enterprise software industry and Informatica's business in particular, (4) have qualifications that will increase overall Board effectiveness and (5) meet other requirements as may be required by applicable rules, such as financial literacy or financial expertise with respect to audit committee members.

In evaluating and identifying candidates, the Committee has the authority to retain third-party search firms with regard to candidates who are properly recommended by stockholders or by other means. The Committee will review the qualifications of any such candidate, which review may, in the Committee's discretion, include interviewing references for the candidate, direct interviews with the candidate, or other

actions that the Committee deems necessary or proper.

The Committee will apply these same principles when evaluating Board candidates who may be elected initially by the full Board of Directors to fill vacancies or add additional directors prior to the annual meeting of stockholders at which directors are elected.

After completing its review and evaluation of director candidates, the Committee recommends to the full Board of Directors the director nominees for selection.

PROPOSAL TWO

**RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee has appointed Ernst & Young LLP (E&Y) as the independent registered public accounting firm of the Company. Although ratification by stockholders is not required by law, the Board has determined that it is desirable to request ratification of this selection by the stockholders. Notwithstanding its selection, the Audit Committee, in its discretion, may appoint a new independent registered public accounting firm at any time during the year if the Audit Committee believes that such a change would be in the best interest of the Company and its stockholders. If the stockholders do not ratify the appointment of E&Y, the Audit Committee may reconsider its selection.

E&Y has audited the Company's financial statements since the Company's inception. A representative of E&Y is expected to be present at the Annual Meeting with the opportunity to make a statement if he or she desires to do so, and is expected to be available to respond to appropriate questions.

The Board of Directors recommends a vote FOR this proposal.

Accounting Fees

The following table shows the fees paid or accrued by the Company for the audit and other services provided by E&Y for fiscal years 2004 and 2005.

	Fiscal Year	
	2004	2005
Audit Fees (1)	\$ 1,135,000	\$ 1,214,000
Audit-Related Fees (2)	44,000	155,000
Tax Fees (3)	583,000	1,168,000
All Other Fees		
Total	\$ 1,762,000	\$ 2,461,000

(1) Audit fees are for professional services rendered for the audit of the Company's annual financial statements and reviews of its quarterly financial statements. This category also includes fees for international statutory audits, consents, assistance with and review of documents filed with the SEC, attest services, work done by tax professionals in connection with the audit or quarterly reviews, accounting consultations and research work necessary to comply with generally accepted auditing standards and attestation-related services in connection with Section 404 of the Sarbanes-Oxley Act of 2002 (Section 404). Higher fees in 2005 were primarily due to continuing increases in fees related to Section 404 matters, and, to a lesser extent, an increase in the size and complexity of the Company.

(2)

Edgar Filing: INFORMATICA CORP - Form DEF 14A

These are fees for assurance and related services performed by E&Y that are reasonably related to the performance of the audit or review of Informatica's financial statements, which include fees for accounting consultations, internal control reviews and attest services not required by statute or regulation. The increase in fees from \$44,000 in 2004 to \$155,000 in 2005 was primarily due to consulting services related to the Company's impending implementation of FAS123R Share Based Payment, beginning January 1, 2006.

- (3) These are fees for professional services performed by E&Y with respect to tax compliance and tax planning and advice. Tax compliance includes preparation of original and amended tax returns for the Company, refund claims, tax payment planning and tax audit assistance. Tax compliance fees totaled \$349,000 and \$263,000 for fiscal years 2004 and 2005, respectively. Tax planning and advice includes tax strategy planning and modeling, merger and acquisition related projects, intellectual property tax issues, intercompany and transfer pricing design and foreign employee tax matters. Tax planning and

10

advice totaled \$234,000 and \$905,000 for fiscal years 2004 and 2005, respectively. Higher fees in 2005 were primarily due to development of certain tax strategies, including the Company's planned implementation of an offshore trading company and, to a lesser extent, an increase in the size and complexity of the Company. The offshore trading company will allow the Company to take advantage of favorable tax environments in foreign jurisdictions where the Company conducts business.

Pre-Approval of Audit and Non-Audit Services

All audit and non-audit services provided by E&Y to the Company must be pre-approved by the Audit Committee. The Audit Committee utilizes the following procedures in pre-approving all audit and non-audit services provided by E&Y. At or before the first meeting of the Audit Committee each year, the Audit Committee is presented with a detailed listing of the individual audit and non-audit services and fees (separately describing audit-related services, tax services and other services) expected to be provided by E&Y during the year. Before each subsequent meeting, the Audit Committee is presented with an updated listing of approved services highlighting any new audit and non-audit services to be provided by E&Y. The Audit Committee reviews these listings and approves the services outlined therein if such services are acceptable to the Audit Committee.

To ensure prompt handling of unexpected matters, the Audit Committee delegates to the Chairman of the Audit Committee the authority to amend or modify the list of audit and non-audit services and fees; provided, however, that such additional or amended services may not affect E&Y's independence under applicable SEC rules. The Chairman reports any such action taken to the Audit Committee at the subsequent Audit Committee meeting.

All E&Y services and fees in 2004 and 2005 were pre-approved by the Audit Committee.

Annual compounding results in total appreciation of 63% (at 5% per year) and 159% (at 10% per year). The 5% and 10% assumed annual rates of appreciation are specified in SEC rules and do not represent the Company's estimate or projection of future stock price growth. The Company does not necessarily agree that this method can properly determine the value of an option, and there can be no assurance that the potential realizable values shown in this table will be achieved.

The Company has entered into an Executive Severance Agreement (the Agreement) with each of Messrs. Fry, Hoffman and Pancha and Brian Gentile, appointed as the Company's executive vice president and chief marketing officer in March 2006, which sets forth the severance terms and conditions for these executive officers in the event that their employment is terminated in connection with a Change of Control. The Agreement is offered to all Executive Vice Presidents of the Company. The following is a summary of the material terms and conditions of the Agreement:

Each Agreement has an initial term of two years, and provides that the initial term will be automatically extended each year for an additional one year term unless the Company informs the executive officer at least ninety days prior to the date of automatic renewal that it is electing not to extend the term.

Severance. In the event that the Company terminates the executive officer's employment without Cause or the executive resigns for Good Reason, and such termination occurs within the time period beginning on the date three months preceding a Change of Control of the Company and ending on the date 12 months following a Change of Control, the executive officer will receive the following severance package: (1) continued payment of the executive officer's base salary for twelve months; (2) continued benefits for twelve months; and (3) twelve

17

months accelerated vesting for any equity awards that are outstanding as of the date that the executive officer's employment is terminated.

These are the fundamental responsibilities of Company management and the independent auditors. In the performance of its oversight function, the Audit Committee has:

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee was formed in March 1999 and currently consists of Ms. Chaffin and Messrs. Pidwell and Yankowski. The Compensation Committee generally reviews and approves the Company's executive compensation policies, including the base salary levels and target incentives for the Company's executive officers at the beginning of each year, and approves the performance objectives of the executive officers in their areas of responsibility. The Compensation Committee also administers the Company's stock plans. No member of the Compensation Committee is a former or current officer or employee of Informatica or any of its subsidiaries. Certain meetings of the Compensation Committee are also attended by Messrs. Abbasi and Fry, who provide background and market information and make recommendations to the Compensation Committee on salary levels, officer performance objectives and corporate financial goals. However, Messrs. Abbasi and Fry are not entitled to vote on any actions taken by the Compensation Committee.

Executive Officer Compensation Programs

The objectives of the executive officer compensation program are to attract, retain, motivate and reward key personnel who possess the necessary leadership and management skills through competitive base salary, annual cash bonus incentives, long-term incentive compensation in the form of stock options and various benefits, including medical and life insurance plans. The executive compensation policies of the Compensation Committee are intended to combine competitive levels of compensation and rewards for above average performance and to align relative compensation with the achievements of key business objectives, optimal satisfaction of customers and maximization of stockholder value. The Compensation Committee believes that stock ownership by management is beneficial in aligning management and stockholder interests, thereby enhancing stockholder value.

Base Salaries. Salaries for the Company's executive officers are determined primarily on the basis of the executive officer's level of responsibility, general salary practices of peer companies and the officer's individual qualifications and experience. The base salaries are reviewed annually and may be adjusted by the Compensation Committee in accordance with certain criteria which include individual performance, the functions performed by the executive officer, the scope of the executive officer's on-going duties, general changes in the compensation peer group in which the Company competes for executive talent, and the Company's financial performance generally. The weight given each such factor by the Compensation Committee may vary from individual to individual. For purposes of determining base salaries, the Company considers the following corporations to be in its primary peer group: Business Objects, Cognos, Tibco, WebMethods, IBM (Ascential Software) and Sybase, and ten other companies in a secondary peer group.

Incentive Bonuses. The Compensation Committee believes that a cash incentive bonus plan can serve to motivate the Company's executive officers and management to address annual performance goals, using more immediate measures for performance than those reflected in the appreciation in value of stock options. The bonus amounts are based upon recommendations by management and a subjective consideration of factors including such officer's level of responsibility, individual performance, contributions to the Company's success and the Company's general financial performance.

Stock Option Grants. Stock options may be granted to executive officers under the 1999 Stock Incentive Plan. Because of the direct relationship between the value of an option and the stock price, the Compensation Committee believes that options motivate executive officers to manage the Company in a manner that is consistent with stockholder interests. Stock option grants are intended to focus the attention of the recipient on the Company's long-term performance which the Company believes results in improved stockholder value, and to retain the services of the executive officers in a competitive job market by providing significant long-term earnings potential. To this end, stock options generally vest and become fully exercisable over a four-year period. The principal factors considered in granting stock options to executive officers of the Company are prior performance, level of responsibility, other compensation and the executive officer's ability to influence the Company's long-term growth and profitability. However, the 1999 Stock Incentive Plan does not

20

provide any quantitative method for weighting these factors, and a decision to grant an award is primarily based upon a subjective evaluation of the past as well as future anticipated performance of the executive officer. Additionally, the Compensation Committee is currently evaluating other forms of long term-incentive compensation as an alternative to stock option grants.

Other Compensation Plans. The Company has adopted certain general employee benefit plans in which executive officers are permitted to participate on parity with other employees.

Deductibility of Compensation. Section 162(m) of the Internal Revenue Code (IRC) disallows a deduction by the Company for compensation exceeding \$1.0 million paid to certain executive officers, excluding, among other things, performance based compensation. To maintain flexibility in compensating executive officers in a manner designed to promote varying corporate goals, the Company has not adopted a policy that all compensation must be deductible.

Chief Executive Officer Compensation

The compensation of the Chief Executive Officer is reviewed annually on the same basis as discussed above for all executive officers. Pursuant to Mr. Abbasi's employment agreement, Mr. Abbasi's base salary for the year ended December 31, 2005 was \$350,000. Mr. Abbasi's base salary was established in part by comparing the base salaries of chief executive officers of the Company's peer group. Mr. Abbasi's base salary was below the median of the base salary range for chief executive officers of comparable companies. Also, Mr. Abbasi received options to purchase 500,000 shares of the Company's Common Stock during the year ended December 31, 2005. Additionally, in 2005 Mr. Abbasi earned a bonus of \$220,000 which was paid in 2005.
