Item 5.02. Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers

On December 3, 2009, the Compensation Committee of the Board of Directors of MidSouth Bancorp, Inc. (the Company) approved an increase in the annual base salary of C.R. Cloutier, the Company's President and Chief Executive Officer, from \$200,000 to \$325,000, effective January 1, 2010. Recent proposed guidance by regulatory entities such as the Federal Reserve and U.S. Department of the Treasury coincided with the Compensation Committee's continued evaluation of the total compensation for the executives and officers of MidSouth Bank. The Compensation Committee engaged Amalfi Consulting as its objective third party compensation consultant to help it make recommendations to the Company's Board of Directors regarding appropriate executive and officer compensation. Based on its findings, the Board has decided to restructure Mr. Cloutier's total compensation to be weighted more toward base salary, including the increase in Mr. Cloutier's base salary described above. A comparison of total CEO compensation provided by Amalfi Consulting showed Mr. Cloutier's base salary to be 33% below competitive market levels as compared to the Company's peer group. In accordance with applicable Treasury regulations, Mr. Cloutier will not receive any cash incentive awards.
