Item 2.02. Results of Operations and Financial Condition

This information shall not be deemed filed for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the Exchange Act), or incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, except as shall be expressly set forth by specific reference in such a filing.

On July 26, 2005, Sun Microsystems, Inc. (Sun) issued a press release regarding Suns financial results for the fourth fiscal quarter and full fiscal year ended June 30, 2005. The full text of Suns press release, together with the related Condensed Consolidated Statements of Operations, Non-GAAP Calculation of Net Income (Loss) Excluding Special Items, Balance Sheets, and Cash Flows and Operations Analysis, are attached hereto as Exhibit 99.1.

The Non-GAAP Calculation of Net Income (Loss) Excluding Special Items and the Operations Analysis contain non-GAAP presentations of net income (loss) and EPS (basic and diluted), which exclude certain items below the presentation of the GAAP presentations of net income (loss) and EPS (basic and diluted). The excluded items include restructuring charges; purchased in-process research and development; loss (gain) on equity investments, net; settlement income; settlement of litigation; impairment of goodwill and other intangible assets; valuation allowance on deferred tax assets; and related tax effects. Restructuring charges related to Sun's restructuring plans, including reductions to Sun's work force, elimination of excess facility capacity and other actions. Purchased in-process research and development, and impairment of goodwill and other intangible assets are primarily related to the effect of Sun's acquisition activity. Loss (gain) on equity investments, net, shows the effect of our investment portfolio management. Settlement income is a result of our settlement with Microsoft. Settlement of litigation is a result of our settlement with Kodak. Sun may include or exclude items from its non-GAAP presentations of net income (loss) and EPS (basic and diluted) that are different from the items included or excluded from other companies non-GAAP presentations of net income (loss) and EPS (basic and diluted). Non-GAAP financial measures should not be considered as a substitute for, or superior to, measures of financial performance prepared in accordance with GAAP. While these non-GAAP financial measures are not necessarily representative of Sun's core operations, Sun's management believes that presentation of these measures provides useful information to investors by illustrating the impact of the excluded items on Sun's net income (loss) and EPS (basic and diluted).
