sold at each separate price.

The common stock number referred in Table I is an aggregate number and represents 38,801 shares of common stock and 21,182 unvested performance based restricted stock units, for which the performance period has been satisfied. These performance based restricted stock units vest over a three year period, in which 33.33% of the performance based restricted stock units vest each year. The satisfaction of the performance target for the 2016 performance based restricted stock units and the one-time NYSE merger-related performance based restricted stock units, and the corresponding number of shares of common stock to be issued pursuant to these awards, will not be determined until February 2017 and will be reported at the time of vesting.

(5) These options are fully vested.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure. Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
