EXPLANATORY NOTE

Westport Innovations Inc. (the “**Company**” or the “**Registrant**”) is a Canadian issuer eligible to file its annual report pursuant to Section 13 of the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”), on Form 40-F pursuant to the multi-jurisdictional disclosure system of the Exchange Act. The Company is a “foreign private issuer” as defined in Rule 3b-4 under the Exchange Act. Equity securities of the Company are accordingly exempt from Sections 14(a), 14(b), 14(c), 14(f) and 16 of the Exchange Act pursuant to Rule 3a12-3.

This Amendment No. 1 (“**Amendment No. 1**”) to the Company’s Annual Report on Form 40-F for the year ended December 31, 2013 originally filed on February 27, 2014 with the Securities and Exchange Commission (“**SEC**”) in the United States (the “**Original Form 40-F**”) is being filed specifically to furnish the audited financial statements of Cummins Westport Inc. and notes thereto as at and for the years ended December 31, 2013 and December 31, 2012 together with the report of the independent auditors thereon.

Except as set forth above, this Amendment No. 1 does not modify or update the disclosure in the Original Form 40-F and, therefore, it is not included herein. Except as may be specifically indicated herein, the Original Form 40-F continues to describe conditions as of the date of the Original Form 40-F and the Company has not modified or updated other disclosures presented in the Original Form 40-F. This Amendment No. 1 does not reflect events occurring after the date of the Original Form 40-F nor does it modify or update disclosures affected by subsequent events. Accordingly, this Amendment No. 1 should be read in conjunction with the Original Form 40-F.

FORWARD-LOOKING STATEMENTS

This amended annual report on Form 40-F/A and the exhibits attached hereto contain forward-looking statements or information within the meaning of the United States Private Securities Litigation Reform Act of 1995. When used in this amended annual report on Form 40-F/A, the words “may”, “would”, “could”, “will”, “intend”, “plan”, “anticipate”, “believe”, “estimate”, “expect”, “project” and similar expressions, as they relate to the Company or the Company’s management, are intended to identify forward-looking statements. In particular, this amended annual report on Form 40-F/A and the documents incorporated by reference herein contain forward-looking statements pertaining to the following:

- the future demand for Cummins Westport Inc. (“**CWI**”) products and Company products;
- increasing penetration within our existing markets and expansion of those markets geographically;
- continuing growth in the transportation sector and in the natural gas engine market;
- the timing of and our ability to successfully launch new technology initiatives, including in light-, medium-, and heavy-duty markets;
- our ability to exploit and protect our intellectual property;
- our capital expenditure and investment programs;
- the future desirability and use of natural gas as an alternative fuel;

- commodity prices and the fuel price differential between natural gas and diesel;
- ongoing relationships between us and our business and partners and the results of our development programs with such partners;
- our ability to continue to compete with our competitors and their technologies;
- the capital and operating costs of vehicles using our technologies relative to alternative technologies;

- profit margins and production costs of engines incorporating our technologies;
- the further development of infrastructure supporting the application of natural gas as an alternative fuel;
 - increasingly stringent environmental and emissions regulations in the future;
 - ongoing availability of government incentives and mandates for our technology;
 - our ability to attract and retain employees;
 - demand for engines incorporating our technologies;
 - the timing of commissioning of liquefied natural gas (“LNG”) refueling stations;
 - production capacity methods for our methods for our LNG system;
 - increasing commercialization of our technologies;
 - expansion of our product offerings and markets;
- our estimates and assumptions used in our accounting policies, and accruals, including warranty accruals, and financial condition;
 - our adoption, timing and ability to meet certain accounting standards;
- the ability of our products to adapt to the use of biogas, renewable natural gas and manufactured fuels, including hydrogen, as fuels;
 - our compliance with environmental regulations; and
 - the alignment of our business segments.

Such statements reflect our current views with respect to future events and are subject to certain risks, uncertainties and assumptions. Actual results may differ materially from those expressed in these forward-looking statements due to a number of uncertainties and risks, including the risks described in this amended annual report on Form 40-F/A and in the documents incorporated by reference herein and other unforeseen risks, including, without limitation:

- market acceptance of our products;
- product development delays and delays in contractual commitments;
 - changing environmental regulations;
 - the ability to attract and retain business partners;
- the success of our business partners and original equipment manufacturers (“OEMs”), with whom we partner;
 - future levels of government funding and incentives;
 - competition from other technologies;
- price differential between compressed natural gas (“CNG”), LNG and liquefied petroleum gas (“LPG”) relative to petroleum-based fuels;

- limitations on our ability to protect our intellectual property;
- potential claims or disputes in respect of our intellectual property;
- limitations in our ability to successfully integrate acquired businesses;
- limitations in the development of natural gas refueling infrastructure;
- the ability to provide the capital required for research, product development, operations and marketing;
- unforeseen claims made against us;

exposure to factors beyond our control through our international business operations, such as currency exchange rates, changes in governmental policy, trade barriers, trade embargoes and delays in the development of international markets for our products; and

those risks discussed under the heading “Risk Factors” in the Annual Information Form (“AIF”) of the Company filed as Exhibit 99.1 to the Original Form 40-F.

You should not rely on any forward-looking statements. We undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, after the date of this annual report on Form 40-F, except as otherwise required by law.

UNDERTAKING

The Company undertakes to make available, in person or by telephone, representatives to respond to inquiries made by the SEC’s staff, and to furnish promptly, when requested to do so by the SEC staff, information relating to: the securities registered pursuant to Form 40-F; the securities in relation to which the obligation to file an annual report on Form 40-F arises; or transactions in said securities.

CONSENT TO SERVICE OF PROCESS

The Company previously filed an Appointment of Agent for Service of Process and Undertaking on Form F-X with the SEC on July 22, 2008, with respect to the class of securities in relation to which the obligation to file this amended annual report on Form 40-F/A arises.
