**GOL ANNOUNCES PERIOD FOR RECONSIDERATION
OF SHARE SUBSCRIPTION**

São Paulo, May 30, 2007 GOL Linhas Aéreas Inteligentes (NYSE: GOL and Bovespa: GOLL4), Brazil's low-cost, low-fare airline, informs its shareholders pursuant to Instruction No. 358/02 of the Brazilian Securities Commission (CVM), that 6,083,212 preferred shares were subscribed and paid for in the Company's preemptive rights offering.

Because not all preferred shares offered in the preemptive rights offering were subscribed for, and as resolved by the Board of Directors of GOL, the capital increase with regard to the preemptive rights offering shall only be partially ratified in the amount of shares subscribed for in the offering. In view of this resolution, GOL is required under the applicable Brazilian regulations to grant to its shareholders the possibility to reconsider the subscription of any shares subscribed. This opportunity is not granted to holders of our American Depositary Receipts (ADRs) that have subscribed for ADRs in the preemptive rights offering.

According to CVM order CVM/SEP/GEA-4 No. 166/2007 of May 28th, 2007, the common and preferred shareholders will have the period of ten days, counted from the date of this release, to reconsider their decision to subscribe for our preferred shares in the preemptive rights offering. After such period, the Board of Directors will partially ratify the capital increase, and the preferred shares and ADRs effectively subscribed will be issued on or about June 15, 2007.

About GOL Linhas Aéreas Inteligentes

GOL Linhas Aéreas Inteligentes is one of the most profitable and fastest growing low-cost, low-fare airlines in the industry worldwide. GOL provides frequent service on routes connecting all of Brazil's major cities as well as primary destinations in Argentina, Bolivia, Chile, Paraguay, Peru and Uruguay through its more than 630 daily flights to 58 major airports. GOL offers daily flights to more destinations in Brazil than any other domestic airline while providing customers with the most convenient flight schedules in the country. GOL operates a young, modern fleet of Boeing 737s, the safest and most comfortable aircraft of its class, with low maintenance, fuel and training costs, and high aircraft utilization and efficiency ratios. In addition to safe and reliable service, which stimulates GOL's brand recognition and customer satisfaction, the Company's single class of service is recognized as the best value proposition in the market. GOL's growth plans include increasing frequencies in existing markets and adding service to additional markets in both Brazil and other high-traffic South American travel destinations. GOL shares are listed on the NYSE and the Bovespa. GOL: here everyone can fly!

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
