**Resume of the Board of Directors and members of the Fiscal Council**

**Board of Directors**

**Edson Giriboni** –Secretary of Sanitation and Water Resources of the State of São Paulo since January 2011. Mr. Giriboni is State Deputy in São Paulo. Civil Engineering from Polytechnic School of São Paulo University and Business Administration from the Educational Association of Itapetininga, with graduate courses at Campinas University and Federal University of Minas Gerais. Mr. Giriboni was General Superintendent of Fepasa and vice-mayor of Itapetininga where he also worked at the Municipal Department of Works and Public Utilities, and subsequently, in the Municipal Department of Industry and Development.

**Sidney de Oliveira Beraldo** – Chief of Staff of the São Paulo State Government Office, since January 2011. Mr. Beraldo holds bachelor’s degree in Biological Sciences, Business Administration and post graduated in Business Administration. He has started his career in politics as city councilman (1977-82) and as mayor of São João da Boa Vista (1983/88). In 1994, Mr. Beraldo was elected State Deputy by the PSDB, office to which he was re-elected in 1998, 2002 and 2006. His mandate as State Deputy expired in March 2011. He was president of the Legislative Assembly (2003/2005), elected by unanimous vote. At the Legislative Assembly, he acted as the caucus leader during Mario Covas government as well as the president of the Committees of Culture, Science, Technology, Economics and Planning. He idealized the Legislative Forum of Sustained Economic Development, a groundbreaking initiative that discusses alternatives to development with organized sectors of society. Mr. Beraldo was the speaker of the state government’s debt renegotiation projects, State Development Program, Regularization of Water Sources and Privatization of Energy Companies. Among the projects under his responsibility, it stands out project that oblige the State government to provide HIV and Syphilis tests for pregnant women during prenatal in the

entire public health system; the Code of Ethics for Public Servants of the São Paulo State Government; and the bill that created the Program called “ Universidade na Comunidade” (Community University Partnership). He presided over the State Council of the political party PSDB between 2005 and 2006. In 2007, he headed the Public Management Department, remaining in this office until April 2010. Mr. Beraldo was the general coordinator of current Governor Geraldo Alckmin’s campaign and led the transition government.

**Dilma Seli Pena** –Chief Executive Officer of Companhia de Saneamento Básico do Estado de São Paulo - Sabesp since January 2011. She holds a master’s degree in public administration from Getúlio Vargas Foundation (FGV/EASP), and bachelor’s degree in geography from Brasília University. In 1976, she began her career as a federal public servant as a technician in planning and research at the Research Institute of Applied Economics, or IPEA. She was officer of the Sanitation division of the Urban Policy Department of the Ministry of Planning, officer of the Strategic Investments division of the Ministry of Planning and officer of the Brazilian National Water Agency. At the state government level, she was a deputy secretary of the Economics and Planning Department of the São Paulo State Government. Since January 2007, she has been responsible for the Sanitation and Energy Department of the State of São Paulo and also presides over the Board of Directors of CESP and EMAE. Dilma Seli Pena has published a number of articles, texts and books in the areas of sanitation, water resources and planning.

**CHAPTER XIII  
REGULATORY AFFAIRS  
COMMITTEE**

New chapter describing the operation of the Regulatory Affairs Committee

**ARTICLE 38** – The Regulatory Affairs Committee is a joint committee composed of the chief executive officer and (1) chief financial and investor relations officer (2) metropolitan officer and (3) regional system officer, in charge of defining the guidelines, strategies and regulation recommendations for the Company and coordinating the works of the Regulatory Affairs Department, except for the Board of Directors' authority.

Article 38 is included, which defines the structure and the attributions of the Regulatory Affairs Committee. This is a statutory body that will be created with the purpose of strengthening Sabesp's conformity with the regulated environment and speeding up the transition process.

**Paragraph 1** – The CEO shall preside over the Committee and propose its charter to be approved by the joint committee.

This body will have its own charter and shall be composed of the CEO, chief financial officer, metropolitan officer and regional systems officer.

**Paragraph 2** – The Head of Regulation shall be the executive secretary of the Committee who shall attend the Committee's meetings.

**Paragraph 3** – This body's resolutions shall have a binding effect, and it shall be incumbent upon the executive boards to implement them within the scope of their authority.

**Paragraph 4:** the executive board not composing the joint committee shall be previously consulted about the issues involving activities under its responsibility.

**ARTICLE 39** – The Regulatory Affairs Committee shall hold ordinary meetings, at least, monthly and extraordinarily, when summoned by any of its members.

The Regulatory Affairs Committee shall hold meetings, at least, monthly and discuss about the company's regulation strategic issues.

**ARTICLE 49** ~~In view of the provisions in Article 101 of the São Paulo State Constitution, regulated by State Decree 56,677 of January 19, 2011, the engagement of attorney liable for heading the Company's legal services shall be subject to the approval of the person appointed by the State Attorney General, observing objective qualification, expertise and professional experience criteria.~~

Article included in compliance with the Official Letter 01/GS – CODEC, of March 14, 2011, pursuant to State Decree 56,677 of January 19, 2011.

**ARTICLE 50** ~~The Company shall allow the direct dialogue of its attorneys with the State Attorney General or another State Attorney appointed thereby, aiming at ensuring a continued and coordinated performance, observing the limits set forth in Article 101 of the State Constitution, in compliance with the duties and prerogatives inherent to his professional activity.~~

Article included in compliance with Official Letter 01/GS – CODEC of March 14, 2011, pursuant to State Decree 56,677 of January 19, 2011.

**SIGNATURE**

Pursuant to the requirements of the Securities Exchange Act of 1934, the registrant has duly caused this report to be signed on its behalf by the undersigned, thereunto duly authorized, in the city São Paulo, Brazil.

**FORWARD-LOOKING STATEMENTS**

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
