GOL and Smiles Announce New Rules and Benefits for the Accrual of Miles

São Paulo, October 06, 2016 - GOL Linhas Aéreas Inteligentes S.A. ("GLAI"), (BM&FBOVESPA: GOLL4 and NYSE: GOL), (S&P: CCC, Fitch: CC and Moody's: Caa3), Brazil's largest air transportation group, announces that will implement with its subsidiary Smiles S.A. (BM&FBOVESPA: SMLE3), from January 03, 2017 on, new rules for the accrual of miles and category updates at Smiles Program.

The main objective of this project is to enhance the experience of GOL and Smiles' customers by adding competitiveness and by focusing in retain even more customers. The new rules will now allow the accrual of miles for promotional tickets, including promotional events, in addition to other new benefits for Ouro (Gold) and Diamante (Diamond) customers.

"Today GOL is the airline that carries more passengers in the country, either in leisure or in the corporate market and, therefore, we are in partnership with Smiles, making important changes in the loyalty program. We want to further enhance the relationship with our customers, offering more advantages along the travel chain and making easier the management and use of accrued miles", said Mauricio Parise, marketing director of GOL.

For additional information about the changes, please access the new rules on the websites www.smiles.com.br and www.novasmiles.com.br.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
