The Company intends to furnish its shareholders with annual reports containing audited financial statements and such other periodic reports as the Company may determine to be appropriate or as may be required by law.

A copy of the Company's 2004 Annual Report on Form 10-KSB including financial statements for the years ended August 31, 2004 and 2003, is being mailed to all shareholders herewith. Except for any portion of

the Form 10-KSB which is specifically incorporated by reference into this Proxy Statement, the Form 10-KSB is not to be regarded as proxy solicitation material or as a communication by means of which any solicitation is being made. THE COMPANY WILL PROVIDE ANY SHAREHOLDER WITH A COPY OF ANY EXHIBIT TO THE FORM 10-KSB/A PURSUANT TO THE REQUEST PROCEDURE DESCRIBED IN THE FORM 10 KSB.

## **INFORMATION CONCERNING SOLICITATION AND VOTING**

The following information is provided to shareholders to explain the use of this Proxy Statement for this Meeting:

### **RECORD DATE**

Only shareholders of record at the close of business on December 5, 2004 are entitled to vote at the Meeting. The Company's Common Stock is its only class of voting securities. As of December 5, 2004, the Company had issued and outstanding 3,581,343 shares of Common Stock of record.

### **REVOCABILITY OF PROXIES**

A PROXY FOR USE AT THE MEETING IS ENCLOSED. ANY STOCKHOLDER WHO EXECUTES AND DELIVERS A PROXY HAS THE RIGHT TO REVOKE IT AT ANY TIME BEFORE ITS EXERCISE BY FILING WITH THE SECRETARY OF THE COMPANY AN INSTRUMENT REVOKING IT OR A DULY EXECUTED PROXY BEARING A LATER DATE. IN ADDITION, A STOCKHOLDER MAY REVOKE A PROXY PREVIOUSLY EXECUTED BY ATTENDING THE MEETING AND ELECTING TO VOTE IN PERSON.

### **VOTING AND SOLICITATION**

Proxies are being solicited by the Board of Directors of the Company. The cost of this solicitation will be borne by the Company. Solicitation will be primarily by mail, but may also be made by telephone, fax transmission or personal contact by certain officers and directors of the Company, who will not receive any compensation therefore. Shares of Common Stock represented by properly executed proxies will, unless such proxies have been previously revoked, be voted in accordance with the instructions indicated thereon. IN THE ABSENCE OF SPECIFIC INSTRUCTIONS TO THE CONTRARY, PROPERLY EXECUTED PROXIES WILL BE VOTED FOR EACH OF THE PROPOSALS DESCRIBED ABOVE. No business other than that set forth in the accompanying Notice of Annual Meeting of Shareholders is expected to come before the Meeting. Should any other matter requiring a vote of shareholders properly arise, the persons named in the enclosed form of proxy will vote such proxy in accordance with the recommendation of the Board of Directors.

Each share of Common Stock is entitled to one vote for each share held as of record, and there are no preemptive rights. The law of the state of California and the Company's current Certificate of Incorporation (the "Certificate of Incorporation") and Bylaws do provide for cumulative voting for the election of directors or any other purpose.

The effect of cumulative voting is that the holders of a majority of the outstanding shares of Common Stock may not be able to elect all of the Company's directors. No shareholder will be entitled to cumulate votes for a candidate, however, unless that candidate's name has been placed in nomination prior to the voting and the shareholder, or any other shareholder, has given notice at the meeting, prior to the voting, of an intention to cumulate votes. A favorable vote consists of a simple majority of the shares entitled to vote at the meeting. The Company believes that as of December 5, 2004, the approximate number of shareholders of record of its common stock was 600 and that there were approximately 70 beneficial owners. This includes shares held in nominee or "street" accounts.

Only shareholders of record at the close of business on December 5, 2004 will be entitled to vote at the meeting. On December 5, 2004, there were 3,581,343 shares of the Common Stock issued and outstanding. Shareholders are entitled to one vote per share on all matters being submitted to shareholders at the meeting, other than with respect to the election of directors, for which cumulative voting is currently required under certain circumstances by applicable provisions of California Law. Under cumulative voting,

each shareholder may give any one candidate whose name is placed in nomination prior to the commencement of voting a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which the shareholder's shares are normally entitled, or distribute such number of votes among as many candidates as the shareholder sees fit.

The Board of Directors knows of only two shareholders who owned more than five percent of the outstanding voting securities of the Company as of the record date: Walter S. Woltosz and Virginia E. Woltosz. See "Beneficial Ownership of Common Stock."

**QUORUM; ABSTENTIONS; BROKER NON-VOTES**

Shares representing 50% of the voting power of the 3,581,343 shares of Common Stock outstanding on the Record Date, which have voting rights, must be represented at the Meeting to constitute a quorum for conducting business. In the absence of a quorum, the shareholders present in person or by proxy, by majority vote and without further notice, may adjourn the meeting from time to time until a quorum is attained. At any reconvened meeting following such adjournment at which a quorum shall be present, any business may be transacted which might have been transacted at the Meeting as originally notified.

The required quorum for the transaction of business at the Meeting is a majority of the votes eligible to be cast by holders of shares of Common Stock issued and outstanding on the Record Date. Shares that are voted "FOR" or "AGAINST" a matter are treated as being present at the Meeting for purposes of establishing a quorum and are also treated as shares entitled to vote at the Meeting (the "Votes Cast") with respect to such matter.

The Company will count abstentions for purposes of determining both: (i) the presence or absence of a quorum for the transaction of business, and (ii) the total number of Votes Cast with respect to a proposal (other than the election of directors). Accordingly, abstentions will have the same effect as a vote against the proposal.

Further, the Company intends to count broker non-votes for the purpose of determining the presence or absence of a quorum for the transaction of business, although broker non-votes will not be counted for purposes of determining the number of Votes Cast with respect to the particular proposal on which the broker has expressly not voted. Thus, a broker non-vote will not affect the outcome of the voting on a proposal.

#### **DEADLINE FOR RECEIPT OF SHAREHOLDER PROPOSALS**

Proposals of shareholders of the Company that are intended to be presented by such shareholders at the Company's next Annual Meeting of Shareholders for the fiscal year ending August 31, 2005, must be received by the Company no later than August 20, 2005, in order to be considered for inclusion in the proxy statement and form of proxy relating to that meeting.

#### **COMPANY STOCK PRICE PERFORMANCE**

The stock price performance graph below is required by the SEC and shall not be deemed to be incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933, as amended, or under the Securities Exchange Act of 1934, as amended, except to the extent that the Company specifically incorporates this information by reference, and shall not otherwise be deemed soliciting material or filed under such Acts.

The graph below compares the cumulative total shareholder return on the Common Stock of the Company from the last day of the first month of trading of the Company's Common Stock upon the Company's initial public offering (June 30, 1997) to August 31, 2004 with the cumulative total return on the Russell 2000 Index, and the S&P 600 Small Cap Index (assuming the investment of \$100 in the Company's Common Stock and in each of the indices on June 30, 1997, and reinvestment of all dividends).

## Information Relating to Various Proposals

### Proposals for Voting

#### PROPOSAL 1: ELECTION OF DIRECTORS

The Board of Directors acts as a whole in determining the persons to be nominated as members of the Board of Directors. The Board of Directors identifies, screens and reviews potential directors for nominees for election to the Board at the Annual Meeting and candidates to fill any vacancies on the Board. When considering a potential candidate for membership on the Company's Board, the Board of Directors considers relevant business and industry experience and demonstrated character and judgment. The Board of Directors has not received any recommended nominations from any of the Company's shareholders in connection with this Annual Meeting.

The Board of Directors has nominated the persons named below for election as directors of the Company to serve until the next Annual Meeting of Shareholders and until their successors are duly elected and qualified.

#### VOTE REQUIRED

In order to be elected as a director, a nominee will have to receive a majority of the votes cast for that nominee, assuming a quorum (which consists of a majority of the shares entitled to vote at the meeting) is present at the meeting. See "Voting," above.

At the time of the Annual Meeting, the Board of Directors will consist of four incumbent members who are seeking to be elected at the meeting to hold office until the next meeting of shareholders and until their successors are elected and qualified. The Company's Bylaws presently provide for a Board of no less than three and no more than five directors, with the number of directors currently fixed at four.

Walter S. Woltosz, Virginia E. Woltosz, Dr. David Z. D'Argenio, and Dr. Richard R. Weiss, all of whom are incumbent directors, have been nominated by the Board of Directors for election as directors of the Company. All of the nominees have informed the Company that they are willing to serve, if elected, and management has no reason to believe that any of the nominees will be unavailable. In the event a nominee for director should become unavailable for election, the persons named in the proxy will vote for the election of any other person who may be recommended and nominated by the Board for the office of director. The Audit Committee consists of Dr. D'Argenio, Dr. Weiss and Mr. Woltosz. The Compensation Committee consists of Dr. D'Argenio and Dr. Weiss. The Compensation Committee did not meet during fiscal 2004.

## **DIRECTOR COMPENSATION**

In accordance with the Company's bylaws, outside directors receive compensation of \$2500.00 per year plus \$500 per meeting. In addition, each outside director receives options for 500 shares per year at the fair value of the shares on the date of grant.

**PROPOSAL 2: TO RATIFY THE SELECTION OF ROSE, SNYDER AND JACOBS CPA'S AS THE COMPANY'S INDEPENDENT ACCOUNTANTS**

The Board has selected Rose, Snyder and Jacobs CPA's as its independent registered accounting firm for the Company for 2004. A resolution is being submitted to shareholders at the meeting for ratification of such selection and the accompanying proxy will be voted for such ratification, unless instructions to the contrary are indicated therein. Although ratification by shareholders is not a legal prerequisite to the Board's selection of Rose, Snyder and Jacobs as the Company's independent registered accounting firm, the Company believes such ratification to be appropriate. If the shareholders do not ratify the selection of Rose, Snyder and Jacobs, the selection of our independent registered accounting firm will be reconsidered by the Board; however, the Board may select Rose, Snyder and Jacobs, notwithstanding the failure of the shareholders to ratify its selection.

The Board expects that a representative of Rose, Snyder and Jacobs will be present at the meeting, will have an opportunity to make a statement if he or she so desires, and will be available to respond to appropriate questions.

VOTE REQUIRED.

Approval of Proposal 2 requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting if a quorum is present.

Recommendation of the Board of Directors

The Board of Directors recommends a vote FOR approval of Proposal 2.

PROPOSAL 3: APPROVAL OF AMENDMENTS TO THE COMPANY'S 1996 STOCK OPTION PLAN (THE "OPTION PLAN") TO INCREASE THE NUMBER OF SHARES UNDERLYING OPTIONS THAT MAY BE GRANTED UNDER THE PLAN FROM 1,250,000 TO 1,500,000.

The Board of Directors has approved, and recommends that shareholders approve, an amendment to the Company's 1996 Stock Option Plan (the "Option Plan") that would increase the number of shares of Common Stock underlying options that may be granted under the Option Plan from its present number of 1,250,000 shares to 1,500,000 shares.

Shareholders are being asked to approve an amendment to the Company's 1996 Stock Option Plan (the "Option Plan ") to provide for an increase in the number of shares of Common Stock reserved for issuance thereunder by 250,000 shares, from 1,250,000 shares to 1,500,000 shares. As of August 31, 2004, there were 66,666 shares available for grant under the Option Plan. The Board believes that adding shares to the Option Plan is in the best interests of the Company because it will permit the Company to attract and retain employees by providing them with appropriate equity incentives. The Option Plan plays an important role in the Company's efforts to attract and retain employees of outstanding ability.

The Option Plan was adopted by the Board in September 1996 and approved by the shareholders of the Company in September 1996. The Board approved a proposed amendment to the Option Plan on December 18, 2000, to be effective upon shareholder approval. Set forth below is a summary of the principal features of the Option Plan, which summary is qualified in its entirety by reference to the terms and conditions of the Option Plan. The Company will provide, without charge, to each person to whom a Proxy Statement is delivered, a copy of the Option Plan. Any such request should be directed as follows: Secretary, Simulations Plus, Inc., 1220 West Avenue J, Lancaster, California, 93534-2902; telephone number (661) 723-7723; facsimile (661) 723-5524.

**SHARES SUBJECT TO THE OPTION PLAN.** The stock subject to issuance under the Option Plan consists of shares of the Company's authorized but unissued Common Stock. The Board reserved an aggregate of 1,000,000 shares of Common Stock for issuance under the Option Plan. Shares subject to an option granted pursuant to the Option Plan that expire or terminate for any reason without being exercised or shares subject to an award granted pursuant to the Option Plan that are forfeited or are repurchased by the Company at the original issue price or are subject to an award granted pursuant to the Option Plan that otherwise terminates without shares being issued, will again become available for grant and issuance pursuant to awards under the Option Plan. This number of shares is subject to proportional adjustment to reflect stock splits, stock dividends and other similar events. If the Company's shareholders adopt this Proposal, the maximum number of shares that may be issued under the Option Plan will be 1,500,000 shares.

**ELIGIBILITY.** Employees, officers, directors, consultants, independent contractors and advisors of the Company (and of any subsidiaries and affiliates) are eligible to receive awards under the Option Plan (the "Participants"). No Participant is eligible to receive more than 75,000 shares of Common Stock in any calendar year under the Option Plan. As of August 31, 2004, approximately 26 persons were in the class of persons eligible to participate in the Option Plan, 123,412 shares had been issued upon exercise of options and 1,059,922 shares were subject to outstanding options. As of that date, 66,666 shares were available for future grant. The closing price of the Company's Common Stock on the American Stock Exchange was \$3.30 per share as of August 31, 2004.

Over the term of the Option Plan through August 31, 2004, the following executive officers have been granted the following options to purchase shares under the Option Plan: Walter S. Woltosz (Chairman of the Board, Chief Executive Officer and President of the Company) and Virginia E. Woltosz (Secretary and Director) - 50,000, Momoko Beran (Chief Financial Officer) - 200,500, Ronald F. Creeley (Vice President, Marketing and Sales) - 200,000, and Jeffrey A. Dahlen (President of Words+, Inc.) - 50,000.

During this period, the Corporation's executive officers as a group have been granted options to purchase an aggregate of 500,500 shares under the Option Plan, and all employees as a group (excluding executive officers) have been granted options to purchase an aggregate of 681,534 shares under the Option Plan.

ADMINISTRATION. The Option Plan is administered by the Board of Directors (the "Board ") of the Company. Subject to the terms of the Option Plan, the Board determines the persons who are to receive awards, the number of shares subject to each such award, and the terms and conditions of such awards. The Board also has the authority to construe and interpret any of the provisions of the Option Plan or any awards granted thereunder.

STOCK OPTIONS. The Option Plan permits the granting of options that are intended to qualify either as Incentive Stock Options (" ISOs ") or Non-qualified Stock Options (" NQSOs"). ISOs may be granted only to employees (including officers and directors who are also employees) of the Company or any parent or subsidiary of the Company. The option exercise price for each ISO share must be no less than 100% of the "fair market value" (as defined in the Option Plan) of a share of Common Stock at the time the ISO is granted. The Option exercise price for each NQSO share must be no less than 85% of the fair market value of a share of Common Stock at the time of grant. The Company has not granted options under the Option Plan at less than fair market value and does not intend to do so in the foreseeable future.

The exercise price of options granted under the Option Plan may be paid as approved by the Board at the time of grant: (1) in cash (by check); (2) by cancellation of indebtedness of the Company to the Participant; (3) by surrender of shares of the Company's Common Stock owned by the Participant for at least six months and having a fair market value on the date of surrender equal to the aggregate exercise price of the option; (4) by tender of a full recourse promissory note; (5) by waiver of compensation due to or accrued by the Participant for services rendered; (6) by a "same-day sale" commitment from the Participant and a National Association of Securities Dealers, Inc. ("NASD") broker; (7) by a "margin" commitment from the Participant and an NASD broker; or (8) by any combination of the foregoing.

**TERMINATION OF OPTIONS.** Except as provided below, each option expires ten years after the date of grant. Options granted to a 10% shareholder expire five years after the date of grant. In the event an optionee's relationship with the Company is terminated for any reason, including death or disability, the optionee will have the right to exercise the option at any time within six months (or such shorter or longer time period not exceeding five years as may be determined by the Board) after such termination, to the extent the right to exercise such option has accrued and had not previously been exercised at the date of termination, but in any event no later than the option expiration date.

**AMENDMENT OF THE OPTION PLAN.** The Board may at any time terminate or amend the Option Plan, including amending any form of award agreement or instrument to be executed pursuant to the Option Plan. However, the Board may not amend the Option Plan in any manner that requires shareholder approval pursuant to the Code or the regulations promulgated thereunder, or pursuant to the Exchange Act or rule 16b-3 (or its successor) promulgated thereunder.

**TERM OF THE OPTION PLAN.** Unless terminated earlier as provided in the Option Plan, the Option Plan will expire in September 2006, ten years from the date the Option Plan was adopted by the Board.

**FEDERAL INCOME TAX INFORMATION.** THE FOLLOWING IS A GENERAL SUMMARY AS OF THE DATE OF THIS PROXY STATEMENT OF THE FEDERAL INCOME TAX CONSEQUENCES TO THE COMPANY AND PARTICIPANTS UNDER THE OPTION PLAN. FEDERAL TAX LAWS MAY CHANGE AND THE FEDERAL, STATE AND LOCAL TAX CONSEQUENCES FOR ANY SUCH PARTICIPANT WILL DEPEND UPON HIS OR HER INDIVIDUAL CIRCUMSTANCES. EACH PARTICIPANT HAS BEEN AND IS ENCOURAGED TO SEEK THE ADVICE OF A QUALIFIED TAX ADVISOR REGARDING THE TAX CONSEQUENCES OF PARTICIPATION IN THE OPTION PLAN.

**INCENTIVE STOCK OPTIONS.** A Participant will recognize no income upon grant of an ISO and incur no tax on its exercise (unless the Participant is subject to the alternative minimum tax ("AMT")). If the Participant holds shares acquired upon exercise of an ISO (the "ISO Shares") for more than one year after the date the option was exercised, and for more than two years after the date the option was granted, the Participant generally will realize long-term capital gain or loss (rather than ordinary income or loss) upon disposition of the ISO Shares. The gain or loss will be equal to the difference between the amount realized upon such disposition and the amount paid for the ISO Shares.

If the Participant disposes of ISO Shares prior to the expiration of either required holding period (a "disqualifying disposition"), the gain realized upon such disposition, up to the difference between the fair market value of the ISO Shares on the date of exercise (or, if less, the amount realized on a sale of such shares) and the option exercise price, will be treated as ordinary income. Any additional gain will be long-term or short-term capital gain, depending upon the amount of time the ISO Shares were held by the Participant.

**ALTERNATIVE MINIMUM TAX.** The difference between the fair market value of the ISO Shares on the date of exercise and the exercise price is an adjustment to income for purposes of AMT. The AMT (imposed to the extent it exceeds the taxpayer's regular tax) is 26% of an individual taxpayer's alternative minimum taxable income (28% in the case of alternative minimum taxable income in excess of \$175,000). Alternative minimum taxable income is determined by adjusting regular taxable income for certain items, increasing that income by certain tax preference items (including the difference between the fair market value of the ISO Shares on the date of exercise and the exercise price), and reducing this amount by the applicable exemption amount (\$45,000 in case of a joint return, subject to reduction under certain circumstances). If a disqualifying disposition of the ISO Shares occurs in the same calendar year as exercise of the ISO, there is no AMT adjustment with respect to those ISO Shares. Also, upon a sale of ISO Shares that is not a disqualifying disposition, alternative minimum taxable income is reduced in the year of sale by the excess of the fair market value of the ISO Shares at exercise over the amount paid for the ISO Shares.

**NONQUALIFIED STOCK OPTIONS.** A Participant will not recognize any taxable income at the time an NQSO is granted. However, upon exercise of an NQSO, the Participant must include in income as compensation an amount equal to the difference between the fair market value of the shares on the date of exercise and the Participant's exercise price. The included amount must be treated as ordinary income by the Participant and may be subject to withholding by the Company (either by payment in cash or withholding out of the Participant's salary). Upon resale of the shares by the Participant, any subsequent appreciation or depreciation in the value of the shares will be treated as capital gain or loss.

**TAX TREATMENT OF THE COMPANY.** The Company generally will be entitled to a deduction in connection with the exercise of an NQSO by a Participant to the extent that the Participant recognizes ordinary income and the Company withholds tax. The Company will be entitled to a deduction in connection with the disposition of ISO Shares only to the extent that the Participant recognizes ordinary income on a disqualifying disposition of the ISO Shares.

**ERISA.** The Option Plan is not subject to any of the provisions of ERISA and is not qualified under Section 401(a) of the Code.

#### **NEW PLAN BENEFITS**

The amounts of future option grants under the Option Plan are not determinable because, under the terms of the Option Plan, such grants are made in the discretion of the Board. Future option exercise prices are not determinable because they are based upon fair market value of the Company's Common Stock on the date of grant.

#### **Need for Shareholder Approval of the Amendment to the Option Plan**

In order to allow the options that have been issued as incentive stock options to receive the favorable tax treatment such options are allowed, as well as to obtain certain exemptions from Exchange Act Section 16 "short-swing profits" rules that would otherwise apply, shareholders of the Company must approve the amendment to the Option Plan within twelve months of the date it was adopted by the Board of Directors.

#### **VOTE REQUIRED**

Approval of the amendment to the Option Plan requires the affirmative vote of a majority of the shares of Common Stock present and voting at a meeting if a quorum is present.

#### **Recommendation of the Board of Directors**

The Board of Directors recommends a vote FOR approval of Proposal 3.

#### **OTHER MATTERS**

The Board of Directors of the Company knows of no other matters to be presented at the Annual Meeting other than those described above. However, if any other matters properly come before the meeting, it is intended that any shares voted by proxy will be voted in the discretion of the Board of Directors.

#### **COMPLIANCE WITH SECTION 16(A) OF THE EXCHANGE ACT**

Section 16(a) of the Securities Exchange Act of 1934 as amended (the "Exchange Act") requires the Company's officers and directors, and persons who own more than ten percent of its Common Stock to file reports of ownership and changes of ownership with the Securities and Exchange Commission and NASDAQ. Such persons are also required to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on the Company's review of the copies of those forms received by the Company, or written representations from such persons the Company believes that all Section 16(a) filing requirements for the fiscal year ended August 31, 2004 were met.

## Appendix 1: Audit Committee Charter

### ORGANIZATION:

The audit committee shall be composed of directors, the majority of whom are independent of the management of the corporation and are free of any relationship that, in the opinion of the Board of Directors, would interfere with their exercise of independent judgment as a committee member.

### STATEMENT OF POLICY:

The audit committee shall provide assistance to the corporate management in fulfilling their responsibility to the shareholders, potential shareholders, and investment community on matters relating to corporate finances. In so doing, it is the responsibility of the audit committee to maintain free and open means of communication between the directors, the independent registered accounting firm ("independent auditors"), and the financial management of the corporation.

### RESPONSIBILITIES:

In carrying out its responsibilities, the audit committee believes its policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the directors and shareholders that the corporate accounting and reporting practices of the corporation are in accordance with all requirements and are of high quality.

In carrying out these responsibilities, the audit committee will:

Review and recommend to the management the independent auditors to be selected to audit the financial statements of the corporation and its subsidiary.

- Review with the independent auditors, the company's management, and financial and accounting personnel, the adequacy and effectiveness of the accounting and financial controls of the corporation, and elicit any recommendations for the improvement of such internal control procedures or particular areas where new or more detailed controls or procedures are desirable. Particular emphasis should be given to the adequacy of such internal controls to expose any payments, transactions, or procedures that might be deemed illegal or otherwise improper. Further, the committee periodically should review company policy.
- Review the financial statements contained in the annual report to shareholders with management and the independent auditors to determine that the independent auditors are satisfied with the disclosure and content of the financial statements to be presented to the shareholders. Any changes in accounting principles should be reviewed.
- Provide sufficient opportunity for independent auditors to meet with the members of the audit committee without members of management present. Among the items to be discussed in these meetings are the independent auditors' evaluation of the corporation's financial, accounting, auditing personnel, and the cooperation that the independent auditors received during the course of the audit.
- Investigate any matter brought to its attention within the scope of its duties, with the power to retain outside counsel for this purpose if, in its judgment, that is appropriate.
