**Item 7.01 Regulation FD Disclosure.**

On August 27, 2008, Tractor Supply Company (the "Company") announced that Jim Wright, its Chairman, President and Chief Executive Officer, has established a plan to exercise stock options and sell shares of the Company's common stock in accordance with Rule 10b5-1 under the Securities Exchange Act of 1934. Under the plan, Mr. Wright may sell under pre-arranged terms up to approximately 64,000 shares owned by him (approximately 7% of his total holdings) in open market transactions through July 25, 2010.

Rule 10b5-1 allows officers and directors to avoid any real or perceived conflict of interest while diversifying holdings in connection with the trading of company securities. The plan is established at a time when the executive is not in possession of material nonpublic information. Once the plan is executed, the executive does not retain or exercise any discretion over the shares traded under the plan. Sales of common stock by Mr. Wright pursuant to the terms of the plan, or otherwise, will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.

At the time of the plan's adoption, Mr. Wright beneficially owned 712,864 shares of the Company's common stock, representing approximately 2.0% of the Company's issued and outstanding stock. The plan represents part of Mr. Wright's ongoing program of tax planning and asset diversification. Mr. Wright may also from time to time sell or gift additional shares of the Company's stock owned by him outside of the plan, in accordance with the provisions of Rule 144 under the Securities Exchange Act of 1934 and the Company's securities trading policies.

A copy of the press release, dated August 27, 2008 released by the Company announcing the plan is attached hereto as Exhibit 99.1.
