**Item 1.01 Entry into a Material Definitive Agreement.**

On October 9, 2009, Consolidated Thompson Iron Mines Ltd. ("CT") announced an agreement with U. S. Steel Canada Inc., HLE Mining GP Inc. and ArcelorMittal Dofasco Inc. to acquire their interests in the Wabush Mines Joint Venture (the "CT Offer").

Under the terms of the Wabush Mines joint venture agreements, Cliffs Natural Resources Inc. (the "Company") through its affiliates had a right of first refusal to acquire the interests of the selling joint venture partners. The Company announced on October 12, 2009 that it was exercising its right of first refusal to acquire such interests of the Wabush Mines Joint Venture on the terms and conditions contained in the CT Offer.

On October 30, 2009, the Company and certain of its affiliates (the "Cliffs Entities") executed a conformed definitive acquisition agreement with an effective date of October 12, 2009 (the "Definitive Agreement") among Cliffs, the Cliffs Entities as "Purchasers" and U. S. Steel Canada Inc., HLE Mining GP Inc. and ArcelorMittal Dofasco Inc. as "Vendors" for the sale to the Cliffs Entities of those interests in the Wabush Mines Joint Venture not currently held by the Company or the Cliffs Entities. The Definitive Agreement was prepared for purposes of conforming the terms of the transaction to recognize the Cliffs Entities as purchasers thereunder.

The interests being acquired under the terms of the Definitive Agreement account for 73.17% of the Wabush Mines Joint Venture and will result in the Cliffs Entities owning 100% of the Wabush Mines Joint Venture. The Cliffs Entities will acquire the shares of Wabush Resources Inc. held by ArcelorMittal Dofasco Inc. and the limited and general partnership interests in HLE Mining Limited Partnership owned by U.S. Steel Canada Inc. and its affiliate. The transaction also includes the direct or indirect acquisition by the Cliffs Entities of certain shares held by the Vendors or Wabush Resources Inc. and HLE Mining Limited Partnership in Arnaud Railway Company, Wabush Lake Railway Company, Knoll Lake Minerals Limited, Northern Land Company Limited and Twin Falls Power Corporation Limited.

The aggregate purchase price is US\$87,804,000, with an adjustment for closing date working capital.

Closing of the transaction is subject to a number of conditions precedent, including receipt of certain regulatory approvals. The transaction is expected to close by the end of the year.
