GENERAL INFORMATION

Why did I receive this proxy statement?

This proxy statement is furnished in connection with the solicitation of proxies on behalf of our Board of Directors (the "Board") to be voted at the annual meeting of our stockholders to be held on May 17, 2019, and any adjournment or postponement thereof, for the purposes set forth in the accompanying "Notice of Annual Meeting of Stockholders." The meeting will be held at the Hyatt Regency Hotel, 2999 Windy Hill Road, Marietta, Georgia 30067 on Friday, May 17, 2019, at 11:00 a.m. Eastern Time. This proxy statement and accompanying proxy card are being first sent or given to our stockholders on or about April 17, 2019. Our Form 10-K for the fiscal year ended December 29, 2018, accompanies this proxy statement, as part of our 2018 Annual Report.

Who is soliciting my vote?

Our Board is soliciting your vote at the 2019 Annual Meeting of Stockholders of BlueLinx Holdings Inc.

Who is entitled to vote?

Only our stockholders of record at the close of business on March 27, 2019, the "Record Date," are entitled to receive notice of the meeting, attend the meeting and to vote the shares of our common stock that they held on that date at the meeting, or any adjournment thereof. Each outstanding share that you own as of the Record Date entitles you to cast one vote on each matter to be voted upon.

Who can attend the meeting?

All stockholders of record as of the close of business on the Record Date, or their duly appointed proxies, may attend the meeting. Each stockholder may be asked to present valid picture identification, such as a driver's license or passport.

Please note that if you hold your shares in "street name" (that is, through a broker or other nominee), you will need to bring a copy of a brokerage statement reflecting your stock ownership as of the Record Date. If you are a stockholder of record, your name will appear on our stockholder list.

What will I vote on?

Three items:

- the election of six directors to our Board;
- the ratification of BDO USA, LLP as our independent registered public accounting firm for fiscal 2019; and
- a non-binding, advisory vote to approve the executive compensation described in this proxy statement.

Will there be any other items of business on the agenda?

We do not expect any other items of business at the meeting. Nonetheless, if an unforeseen matter is raised, your proxy will give discretionary authority to the persons named on the proxy to vote on any other matters that may be brought before the meeting. These persons will use their best judgment in voting your proxy.

How many votes must be present to conduct business at the meeting?

The presence at the meeting, in person or by proxy, of the holders of a majority of the shares of our common stock outstanding on the Record Date will constitute a quorum, permitting business to be conducted at the meeting. As of the Record Date, we had 9,342,894 shares of common stock outstanding. Proxies received but marked as abstentions

or broker non-votes will be included in the calculation of the number of shares considered to be present at the meeting. A broker non-vote occurs when a nominee holding shares for a beneficial owner does not vote on a particular proposal because the nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

1

How do I vote?

You may vote by completing and properly signing the accompanying proxy card and returning it to us. If you are a registered stockholder and attend the meeting, you may deliver your completed proxy card in person. “Street name” stockholders who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares and complete and return that proxy in accordance with the instructions therein.

Can I change my vote after I return my proxy card?

Yes. Even after you have submitted your proxy, you may change your vote at any time before the proxy is exercised by filing either a notice of revocation or a duly executed proxy bearing a later date with our Corporate Secretary, at our principal executive offices, BlueLinx Holdings Inc., attn: Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067. The powers of the proxy holder(s) will be suspended if you attend the meeting in person and so request, although attendance at the meeting will not by itself revoke a previously granted proxy.

What are the recommendations of our Board of Directors?

Our Board recommends a vote FOR the election of the nominated slate of directors, FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2019, and FOR the approval of the executive compensation described in this proxy statement.

What vote is required to approve each item?

Election of Directors. A nominee will be elected as a director if he or she receives a plurality of the votes cast at the meeting. “Plurality” means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. In other words, the six director nominees receiving the most votes will be elected. Broker non-votes or marking your proxy card to withhold authority for all or some nominees will have no effect on the election of directors.

Ratification of Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote is required to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2019. As a result, abstentions will have the effect of a vote “against” the proposal; however, broker non-votes will have no effect on this proposal. If our stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee, in its

discretion, may direct the appointment of a different independent auditing firm at any time during the fiscal year if it determines that such a change would be in our best interests and that of our stockholders.

Approval on a non-binding, advisory basis, of the compensation of the Company’s named executive officers. Adoption of the resolution approving, on a non-binding, advisory basis, the compensation of the Company’s named executive officers, as disclosed in the Compensation Discussion and Analysis section, compensation tables, and narrative discussion of this proxy statement, requires the affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote. As a result, abstentions will have the effect of a vote “against” the proposal; however, broker non-votes will have no effect on this proposal.

What if I don’t vote for some or all of the matters listed on my proxy card?

If you are a registered stockholder and you return a signed proxy card without indicating your vote for some or all of the matters, your shares will be voted as follows for any matter you did not indicate a vote on:

• FOR the election of each of the director nominees to the Board listed on the proxy card;

• FOR the ratification of the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2019; and

• FOR the approval, on an advisory, non-binding basis, of the executive compensation described in this proxy statement.

How will proxies be solicited?

Proxies will be solicited by mail. Proxies may also be solicited by our officers and regular employees personally or by telephone or facsimile, but such persons will not be specifically compensated for such services. Banks, brokers, nominees, and other custodians and fiduciaries will be reimbursed for their reasonable out-of-pocket expenses in forwarding soliciting material to their principals, the beneficial owners of our common stock. We will pay the expense of preparing, assembling, printing, mailing, and soliciting proxies.

Is there electronic access to the proxy materials and annual report?

Yes. The materials will be available, as of the date they were first mailed to our stockholders, by visiting www.proxyvote.com. In addition, this proxy statement and our Annual Report on Form 10-K are available on the Investor Relations page of our website at www.BlueLinxCo.com.

3

ITEMS OF BUSINESS TO BE ACTED ON AT THE MEETING

PROPOSAL 1:
ELECTION OF DIRECTORS

Our Board is currently authorized to consist of six members and we currently have six members, each with terms expiring at the 2019 Annual Meeting of Stockholders. Our Board, based on the recommendation of our Nominating and Governance Committee and pursuant to our bylaws, nominated Karel K. Czanderna, Dominic DiNapoli, Kim S. Fennebresque, Mitchell B. Lewis, Alan H. Schumacher, and J. David Smith, all current members of our Board, for re-election at the 2019 Annual Meeting of Stockholders. At the 2019 Annual Meeting of Stockholders, proxies cannot be voted for a greater number of individuals than the six nominees named in this proxy statement.

Each director elected will hold office until the next annual meeting of stockholders and the election of his or her successor. If you do not wish your shares of common stock to be voted for particular nominees, you may so indicate on the enclosed proxy card. The Board believes each nominee for director will be able to stand for election. In addition, each of the persons nominated for election have agreed to serve if elected. If, for any reason, any of the nominees become unavailable for election, the individuals named in the enclosed proxy card may exercise their discretion to vote for any substitutes proposed by the Board. At this time, the Board knows of no reason why any nominee might be unavailable to serve.

Our Board unanimously recommends a vote FOR each of the following director nominees:

Karel K. Czanderna	Mitchell B. Lewis
Dominic DiNapoli	Alan H. Schumacher
Kim S. Fennebresque	J. David Smith

A nominee will be elected as a director if he or she receives a plurality of the votes cast at the meeting. “Plurality” means that the nominees receiving the largest number of votes cast are elected as directors up to the maximum number of directors to be chosen at the meeting. Broker non-votes and votes to “withhold authority” for all or some nominees will have no effect on the election of directors.

PROPOSAL 2:

RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of our Board has selected BDO USA, LLP to serve as our independent registered public accounting firm for fiscal year 2019. BDO USA, LLP has served as our independent registered public accounting firm since April 8, 2015.

While stockholder ratification of the selection of BDO USA, LLP as our independent registered public accounting firm is not required by our bylaws or otherwise, our Board is submitting the selection of BDO USA, LLP to our stockholders for ratification. If our stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain that firm. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the fiscal year if it determines that such a change would be in our best interests and that of our stockholders.

BDO USA, LLP has advised us that it has no direct, nor any material indirect, financial interest in us or any of our subsidiaries. We expect that representatives of BDO USA, LLP will be present at the 2019 Annual Meeting of Stockholders to make a statement if they choose to do so and to respond to appropriate questions from our stockholders.

Our Board recommends a vote FOR the ratification of BDO USA, LLP as our independent registered public accounting firm for fiscal year 2019.

The affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote is required to ratify the appointment of BDO USA, LLP as our independent registered public accounting firm for fiscal 2019. As a result, abstentions will have the effect of a vote “against” the proposal; however, broker non-votes will have no effect on this proposal. If our stockholders fail to ratify the selection, the Audit Committee may, but is not required to, reconsider whether to retain BDO USA, LLP as our independent registered public accounting firm for fiscal 2019. Even if the selection is ratified, the Audit Committee, in its discretion, may direct the appointment of a different independent auditing firm at any time during the fiscal year if it determines that such a change would be in our best interests and that of our stockholders.

Fees Paid to Independent Registered Public Accounting Firm

The following table presents the aggregate fees billed by BDO USA, LLP for professional services for fiscal years 2018 and 2017, respectively, by category as described in the notes to the table:

	2018	2017
Audit Fees ⁽¹⁾	\$1,566,322	\$1,302,000
Audit-Related Fees ⁽²⁾	—	—
Tax Fees ⁽³⁾	—	—
All Other Fees ⁽⁴⁾	—	—
TOTAL	\$1,566,322	\$1,302,000

Consists of fees related to audits of our consolidated financial statements (which for 2018 also included Cedar Creek Holdings, Inc. and its subsidiaries), reviews of interim financial statements, and disclosures in filings with the Securities and Exchange Commission. Audit fees also included fees related to the audit of internal control over financial reporting, as required by Section 404 of the Sarbanes-Oxley Act of 2002, and fees related to review of the 2017 registration statement and prospectus supplements in connection with our former majority stockholder’s secondary offering of our stock.

(2)

There were no audit-related fees, which consist of fees for assurance and related services that are reasonably related to the performance of the audit or review of our consolidated financial statements and are not reported under “Audit Fees” in fiscal 2018 and fiscal 2017.

There were no tax fees, which consist of fees for professional services provided for the review of tax returns (3) prepared by the company; assistance with international tax compliance; or assistance related to the tax impact of proposed and completed transactions in fiscal 2018 and fiscal 2017.

(4) Consists of fees for permitted services other than those that meet the criteria above.

Pre-Approval of Audit and Non-Audit Services

The charter of the Audit Committee provides that the Audit Committee is responsible for the pre-approval of all material audit services and non-audit services to be performed for us by our independent registered public accounting firm. All audit and non-audit work described above was pre-approved by the Audit Committee. The Audit Committee may delegate to one or more of its members the authority to grant such pre-approvals. The decisions of any such member are presented to the full Audit Committee at subsequent scheduled meetings.

**PROPOSAL 3:
NON-BINDING, ADVISORY VOTE TO APPROVE THE
COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS**

As required pursuant to Section 14A of the Exchange Act, we seek a non-binding, advisory vote from our stockholders to approve the compensation of our executives as described under “Compensation Discussion and Analysis” (“CD&A”) and the tabular disclosure regarding named executive officer compensation (together with the accompanying narrative disclosure) in this proxy statement. This proposal, commonly known as a say-on-pay proposal, gives our stockholders the opportunity to express their views on our executive compensation. Because your vote is advisory, it will not be binding on the Board. However, the Compensation Committee will take into account the outcome of the vote when making future executive compensation decisions. At our 2017 Annual Meeting, our stockholders voted to hold a stockholder advisory vote to approve the compensation of the Company’s named executive officers annually. Accordingly, we presently intend to hold annual say-on-pay votes. At our 2018 Annual Meeting of Stockholders, our stockholders approved our say-on-pay proposal, with over 84 percent of the votes cast approving the 2017 executive compensation described in our 2018 proxy statement. Based on this strong support from our stockholders, we believe our compensation programs are effectively designed and continue to be aligned with the interests of our stockholders.

As discussed below in the CD&A, our primary goal is to establish a compensation program that serves the long-term interests of the Company and our stockholders by aligning management’s interests with that of our stockholders through equity ownership and by promoting the attainment of our key goals. In addition, our compensation program is designed to attract and retain top quality executives with the qualifications necessary for the long-term financial success of the Company. Key elements of our compensation philosophy include:

- Compensation decisions are driven by a pay-for-performance philosophy, which takes into account both performance by the Company and the individual’s impact on that performance;
- Performance is measured against pre-established goals, which we believe enhances our executives’ performance;
- A significant portion of compensation should be variable based on performance; and
- Total compensation opportunity should be comparable with compensation programs of companies with which we compete for executive talent.

The Compensation Committee periodically reviews and revises our executive compensation programs to assess their appropriateness relative to market practices for similar positions in our industry data obtained from consultation with Meridian Compensation Partners, LLC (f/k/a Hewitt Associates) (“Meridian”), informal market surveys, various trade group publications, and other publicly available information.

Our Board recommends a vote FOR the following non-binding, advisory resolution:
“RESOLVED, that the compensation paid to the Company’s named executive officers as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion & Analysis, compensation tables, and narrative discussion, is hereby approved.”

Adoption of the resolution approving, on a non-binding, advisory basis, the compensation of the Company’s named executive officers, as disclosed in the CD&A, compensation tables, and narrative discussion of this proxy statement, requires the affirmative vote of the holders of a majority of the shares present or represented by proxy and entitled to vote. As a result, abstentions will have the effect of a vote “against” the proposal; however, broker non-votes will have no effect on this proposal.

MORE INFORMATION ABOUT THE BOARD OF DIRECTORS

Meetings

Our Board met six times during 2018. Each incumbent director attended all of the Board and committee meetings that the director was entitled to attend during 2018. While we do not have a formal attendance policy, all of our directors are encouraged to attend our Annual Meeting of Stockholders. All of our six current directors attended the 2018 Annual Meeting of Stockholders.

Independence

Our Board has reviewed the independence of each of its members based on the criteria for independence set forth under applicable securities laws, including the Securities Exchange Act of 1934, as amended (the “Exchange Act”), applicable rules and regulations of the SEC, and applicable rules and regulations of the NYSE. The NYSE Listed Company Manual and corresponding listing standards provide that, in order to be independent, the Board must determine that a director has no material relationship with the Company other than as a director. The Board has reviewed the relationships between each Board member and the Company. The Board has determined that all of our directors meet the independence standards promulgated under the listing standards of the NYSE, except for Mr. Lewis, as he is the Company’s President and Chief Executive Officer. The Board currently is comprised of a majority of independent directors and will continue to be comprised of a majority of independent directors if the six persons nominated by the Board for election as directors are elected.

Board Structure and Risk Oversight

We have separate persons serving as Chairman of the Board and Chief Executive Officer. Kim S. Fennebresque, a non-employee independent director, serves as our Chairman of the Board. Mitchell B. Lewis is our President and Chief Executive Officer. The Chairman of the Board provides general oversight and high-level strategic planning for the Company while the Chief Executive Officer manages the business of the organization with a focus on daily operations as they relate to the Company’s long-term strategy. The Chairman is elected annually by the Board immediately following the Annual Meeting. We believe this structure is appropriate for the Company at this time as it keeps Board leadership separate from operational management.

Our Board monitors our exposure to a variety of risks. Risks may be addressed from time to time by the full Board or by one or more of our Board committees. Senior management is responsible for identifying and managing material risks faced by the Company and periodically reports on such risks to the full Board or to the appropriate committee. Our Audit Committee Charter gives the Audit Committee responsibilities and duties that include discussing with management, the internal audit department, and the independent auditors our major financial and enterprise risk exposures and the steps management has taken to monitor, control, and minimize such exposures. Liquidity risk, credit risk, and risks associated with our debt facilities and cash management are handled primarily by our finance and accounting department, which provides regular reports to our Audit Committee. The Compensation Committee is responsible for reviewing whether our compensation programs encourage excessive risk taking by senior executive management. The Nominating and Governance Committee is responsible for monitoring risk of fraud and other misconduct by reviewing related-party transactions and waivers to our Code of Ethical Conduct. General business and operational risks are handled primarily by senior executive management, which discusses any such risks as necessary during its regular meetings with the Board. The Company also has established a risk committee, comprised of functional area leaders within the Company, which assists the internal audit group with identifying, monitoring, and addressing the Company’s risks.

Lead Director

The lead director's duties generally include serving as the chairperson for all executive sessions of the non-management directors and communicating to the Chief Executive Officer the results of non-management executive Board sessions. Mr. Fennebresque, the Chairman of the Board, currently serves as the Company's lead director. Any interested party may contact the lead director by directing such communications to the lead director at our principal executive offices, BlueLinx Holdings Inc., c/o Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067. Any such correspondence received by us will be forwarded to the lead director.

Committees of the Board of Directors

Our business and affairs are managed by our Board. To assist it in carrying out its responsibilities, our Board has established the three standing committees described below. The charter for each of these committees, as currently in effect, may be found on our website, www.BlueLinxCo.com. Each of these committees has the right to retain its own legal counsel and other advisors.

The Audit Committee

Our Board established a separately-designated standing Audit Committee whose purpose is to assist our Board in fulfilling its responsibilities to oversee our financial reporting process, including monitoring the integrity of our financial statements and the independence and performance of our internal and external auditors. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of our independent registered public accounting firm. The Audit Committee met nine times in 2018.

The Audit Committee currently consists of Messrs. Schumacher (Chairman) and DiNapoli, and Ms. Czanderna. Based on its review, the Board has affirmatively determined that the directors serving on the Audit Committee have no material relationship with us or are involved in any other matter of any kind that would impair their independence and, therefore, satisfy the requirements to be considered independent under the rules of the SEC and the listing standards of the NYSE applicable to audit committee membership, and each meets the NYSE's financial literacy requirements. Our Board has determined that Mr. Schumacher is an "audit committee financial expert," as such term is defined under the applicable rules of the SEC and that the simultaneous service on more than three audit committees of public companies by Mr. Schumacher neither impairs his ability to serve on the Audit Committee, nor represents or in any way creates a conflict of interest for the Company.

The Audit Committee operates pursuant to a written charter, a copy of which can be found on our website at www.BlueLinxCo.com. Additionally, the Audit Committee Charter is available in print to any stockholder who requests it by writing to BlueLinx Holdings Inc., Attn: Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067. Pursuant to the terms of its written charter, the Audit Committee may delegate certain of its duties and responsibilities to a subcommittee consisting of one or more members of the Audit Committee.

The Audit Committee has adopted a procedure to receive allegations related to any fraudulent accounting issues through a toll-free telephone number as set forth in our Code of Ethical Conduct. See "Corporate Governance Guidelines and Code of Ethical Conduct" below.

The Compensation Committee

The purpose of the Compensation Committee is to assist our Board in fulfilling its oversight responsibilities relating to the Company's compensation and employment benefit plans, policies, and programs. The Compensation Committee establishes, among other things, the compensation of our executive officers. The Compensation Committee also

administers our equity incentive programs and establishes the terms of our grants under these plans. The Compensation Committee currently consists of Messrs. Smith (Chairman) and Fennebresque, and Ms. Czanderna. The Compensation Committee met six times during 2018. As discussed above, our Board has affirmatively determined that Messrs. Smith and Fennebresque, and Ms. Czanderna each are independent.

The Compensation Committee has continued to engage Meridian as its independent compensation consultant to serve as an advisor to the Committee on executive and outside director compensation issues and to provide recommendations as to executive and outside director compensation levels. Meridian provided an updated compensation benchmarking study to the Compensation Committee in November 2017. The Compensation Committee reviewed the updated benchmarking study and utilized this study in making compensation decisions through fiscal 2018. The Committee delivered its most recent

benchmarking study in March 2019. It will be used by the Compensation Committee to set compensation for 2019. The Committee has evaluated Meridian's independence as its compensation consultant by considering each of the independence factors adopted by the NYSE and the SEC. Based on such evaluation, the Committee determined that there are no conflicts of interest between any of our directors or executive officers and Meridian.

The Compensation Committee operates pursuant to a written charter, a copy of which can be found on our website at www.BlueLinxCo.com. Additionally, the charter is available in print to any stockholder who requests it by writing to BlueLinx Holdings Inc., Attn: Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067. Pursuant to the terms of its written charter, the Compensation Committee may delegate certain of its duties and responsibilities to a subcommittee consisting of one or more members of the Compensation Committee, or to executive officers of the Company.

For more information on the role of the Compensation Committee and its processes and procedures for considering and determining executive officer compensation, see "Compensation Discussion and Analysis" in this proxy statement.

The Nominating and Governance Committee

The purpose of the Nominating and Governance Committee is to assist our Board in fulfilling its oversight responsibilities relating to our director nominations process, as well as developing and maintaining our corporate governance policies. The Nominating and Governance Committee has the authority, among other things, to (1) oversee the composition of the Board and its committees; (2) develop and maintain the Company's corporate governance policies and related matters, including evaluating any waivers to the Company's Code of Ethical Conduct; (3) establish and oversee a process for the annual evaluation of the Board and each committee; (4) review and approve or ratify all related-party transactions or relationships involving a Board member or officer of the Company; (5) oversee executive management succession planning; (6) review requests by executive management to serve on outside board of directors of other for-profit companies; (7) identify and communicate to the Board relevant current and emerging corporate and governance trends, issues, and practices, and overseeing the continuing education program for directors and the orientation program for new directors; and (8) make recommendations regarding director compensation.

The Nominating and Governance Committee currently consists of Messrs. DiNapoli (Chairman), Schumacher, and Smith. The Nominating and Governance Committee met four times during fiscal 2018. As discussed above, our Board has determined that Messrs. DiNapoli, Schumacher, and Smith are independent.

The Nominating and Governance Committee operates pursuant to a written charter, a copy of which can be found on our website at www.BlueLinxCo.com. Additionally, the charter is available in print to any stockholder who requests it by writing to BlueLinx Holdings Inc., Attn: Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067.

Director Nomination Process

Our Nominating and Governance Committee is responsible for identifying and evaluating director candidates from time to time. We believe that identifying and nominating highly skilled and experienced director candidates is critical to our future. Our Nominating and Governance Committee encourages all directors, independent or otherwise, to identify potential director nominees. To the extent we receive any such nominations or recommendations, they will be considered at such time based on such factors as the Nominating and Governance Committee considers relevant.

During the evaluation process, our Nominating and Governance Committee seeks to identify director candidates with the highest personal and professional ethics, integrity, and values. While it has not adopted a formal written diversity policy, in the context of the needs of our Nominating and Governance Committee at any given point in time, our Nominating and Governance Committee intends to seek more diversity on the Board. Furthermore, the Nominating and Governance Committee will seek candidates with diverse experience in business, sales, and other matters relevant to a company such as ours. In addition, the Nominating and Governance Committee considers factors that it deems appropriate when selecting director nominees, including, without limitation, independence, education, prominence in their profession, accounting and financial expertise, civic and community relationships, industry knowledge and experience, concern for the interests of our stockholders, an understanding of our business and operations, and industry knowledge and expertise. Additionally, our Nominating and Governance Committee requires that director nominees have sufficient time to devote to our business and affairs.

Stockholders may recommend director candidates for consideration by the Nominating and Governance Committee by submitting the individual's name, qualifications and the other information set forth in our bylaws applicable to director nominees by stockholders to our Corporate Secretary. See "Communications with the Board of Directors" below. The Nominating and Governance Committee will evaluate any candidates recommended by stockholders against the same criteria and pursuant to the same policies and procedures applicable to the evaluation of candidates proposed by directors or management.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Stockholders and other interested parties who wish to send communications, including recommendations for director nominees, to our Board or any individual director may do so by writing to the Board of Directors, in care of our Corporate Secretary, at our principal executive offices, BlueLinx Holdings Inc., Attn: Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067. Your letter should indicate whether you are a stockholder. Depending on the subject matter, our Corporate Secretary will, as appropriate:

- forward the communication to the director to whom it is addressed or, in the case of communications addressed to the Board of Directors generally, to the Chairman;
- attempt to handle the inquiry directly where it is a request for information about us; or
- not forward the communication if it is primarily commercial in nature, or if it relates to an improper topic.

Communications from interested parties that are complaints or concerns relating to financial and accounting methods, internal accounting controls, or auditing matters should be sent to the Chairman of the Audit Committee, following the procedures set forth above. Director nominations will be reviewed for compliance with the requirements identified under “Submission of Stockholder Proposals” in this proxy statement, and if they meet such requirements, will be promptly forwarded to the director or directors identified in the communication.

All communications will be summarized for our Board on a periodic basis and each letter will be made available to any director upon request.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee of our Board, referred to in this discussion as the Committee, is responsible for reviewing, establishing, and approving the compensation of our named executive officers. The Committee is comprised solely of directors that our Board has determined to be independent under applicable SEC and NYSE listing standards.

For fiscal 2018, our named executive officers were:

• Mitchell B. Lewis, our President and Chief Executive Officer;
• Susan C. O’Farrell, our Senior Vice President, Chief Financial Officer, Treasurer, and Principal Accounting Officer;
and
• Shyam K. Reddy, our Senior Vice President and Chief Transformation Officer (who also served as our Chief Administrative Officer, General Counsel, and Corporate Secretary until April 2018).

The Committee regularly consults with management regarding employee compensation matters, and our Chief Executive Officer makes compensation recommendations to the Committee for the other named executive officers; however, our Chief Executive Officer does not make a recommendation to the Committee for his own compensation. The Chief Executive Officer’s compensation was primarily determined by, and the material terms of his compensation arrangement are reflected in, his employment agreement entered into on January 15, 2014, and amended on June 1, 2018. For further information regarding the terms of the Chief Executive Officer’s employment, see “Employment Agreement with Chief Executive Officer” below.

The Committee also considers market factors in making decisions about our compensation program, and the Committee has the authority to retain independent consultants and other advisors. In this regard, the Committee retained Meridian to periodically advise it on executive compensation matters and to provide compensation recommendations as to our executive officers. In selecting Meridian, the Committee assessed Meridian’s independence, including the potential for conflicts of interests as required by NYSE listing requirements, and concluded that Meridian was independent and free from potential conflicts of interest.

The Committee and the Company periodically discuss compensation issues and solicit compensation advice and data from Meridian. At the request of the Committee, Meridian provided an updated benchmarking study to the Committee in November 2017. The benchmarking study was used as a comparative tool in the Committee’s evaluation of the Company’s executive compensation in relation to companies believed to represent the appropriate comparable labor market for executive talent. The Committee periodically reviews benchmarking studies and external market data from peer companies, and this data is among many of the variables considered by the Committee when making compensation decisions. Most recently, a benchmarking study on executive compensation was provided by Meridian in March 2019 that will be used by the Committee in setting executive compensation for 2019. Although management, our compensation consultant, and other invitees at Committee meetings may participate in discussions and provide input, final decisions on compensation for our named executive officers are solely the responsibility of the Committee.

The following discussion and analysis, which was reviewed and approved by the Committee, describes the material elements of our executive compensation programs for our named executive officers. This discussion also provides an overview of our executive compensation objectives and results for fiscal 2018 for our named executive officers.

Compensation Policies and Objectives

Our primary goal is to establish a compensation program that serves the long-term interests of the Company and our stockholders by aligning management's interests with that of our stockholders through equity ownership and by promoting the attainment of our key goals. In addition, our compensation program is designed to attract and retain top quality executives with the qualifications necessary for the long-term financial success of the Company. Our executive compensation program is based on the following principles:

- Compensation decisions are driven by a pay-for-performance philosophy, which takes into account performance by both the Company and the individual's impact on that performance;
- Performance is measured against pre-established goals, which we believe enhance our executives' performance;
- A significant portion of compensation should be variable based on performance; and
- Total compensation opportunity should be comparable with compensation programs of companies with which we compete for executive talent.

The Committee periodically reviews our executive compensation programs to assess their appropriateness relative to market practices for similar executive positions in our industry based on data obtained from consultation with Meridian, informal market surveys, various trade group publications, and other publicly available information, and revises where appropriate.

At our 2018 Annual Meeting of Stockholders, our stockholders expressed their continued support of our executive compensation programs by approving the non-binding, advisory vote on our executive compensation. More than 84 percent of votes cast supported our executive compensation policies and practices. During 2018, we reviewed our executive compensation programs in conjunction with business results and stockholder support of our executive compensation program. Following that review, we continue to believe that our executive compensation programs are designed to support the Company and business strategies in concert with our compensation philosophy described above.

Elements of Compensation

Compensation for our named executive officers consists of the following six general components:

- Base salary;
- Annual performance-based cash awards;
- Long-term equity incentive compensation;
- Cash bonuses under our Integration Incentive Plan for certain named executive officers;
- Defined contribution plan; and
- Other perquisite and benefit programs.

The compensation structure for each of our named executive officers is established largely by his or her employment agreement, and the appropriate mix and amount of compensation for each named executive officer varies based on the level of the executive's responsibilities, as determined by the Committee. The Committee may increase any component of compensation provided by an employment agreement to any of our named executive officers. There is no established policy or formula for allocating any individual's total compensation between cash and non-cash, or between short-term and long-term, incentives. This approach is designed to provide the Company with flexibility to respond to marketplace and individual factors in attracting and retaining executive talent and encouraging performance.

The Committee typically reviews and adjusts base salaries and awards of cash bonuses and equity-based compensation on an annual basis. Our Chief Executive Officer presents recommendations and proposals on compensation, which are developed in consultation with our Chief Human Resource Officer and other Company representatives, to the Committee, including recommended base salaries, recommended structure, target levels, and payout levels for the annual cash bonus program under the Company’s short-term incentive plan (“STIP”), and recommended equity awards to executive officers, and management’s rationale for its recommendations. The Committee considers these recommendations before determining compensation.

Base Salary

Base salaries represent a fixed portion of named executive officer compensation and vary by job responsibility. We provide base salary because it is standard in the marketplace and provides a stable component of compensation to encourage retention. Base salaries for named executive officers are generally reviewed and approved annually by the Committee. Additionally, periodic salary adjustments are considered by the Committee upon a promotion, change in job responsibility, or when otherwise deemed appropriate for equitable or other reasons. The Chief Executive Officer’s base salary was initially established in his employment agreement, and the Committee consults with the Chief Executive Officer regarding the salaries of the other named executive officers. The Committee primarily considers the recommendations of the Chief Executive Officer, market data, a general review of the executive’s compensation (individually and relative to the other executives), and the individual performance of the executive and then approves base salary as to the named executive officers.

The following table sets forth the base salaries earned by our three named executive officers for fiscal 2018.

Officer	Base Salary (\$)
Mitchell B. Lewis	807,331
Susan C. O’Farrell	463,500
Shyam K. Reddy	447,115

In May 2018, the Committee increased the salary of our Chief Executive Officer, effective May 1, 2018, from \$721,000 to \$850,000. In April 2018, the Committee increased the salary of Mr. Reddy, effective April 16, 2018, from \$440,000 to \$450,000, in connection with his appointment as our Chief Transformation Officer following the closing of the Company’s acquisition of Cedar Creek Holdings, Inc. (“Cedar Creek”) on April 13, 2018 (the “Cedar Creek Acquisition”). Effective January 1, 2018, the Committee increased the salary of our Chief Financial Officer from \$450,000 to \$463,500.

Annual Bonuses

We utilize cash bonuses as an incentive to promote achievement of individual and Company performance goals. This component of compensation places more emphasis on our annual financial performance and the potential rewards associated with future performance of the Company and the individual executive. Annual bonuses are determined based on agreements with the individual executive as well as pursuant to the Company’s STIP. Cash incentives are designed to:

- Support our strategic business objectives;
- Promote the attainment of specific financial goals;
- Reward achievement of specific performance objectives; and
- Encourage teamwork.

Under the STIP, an annual bonus pool is established and funded based solely on performance as measured against established business and/or financial goals at different levels of the Company's operating structure. The Committee establishes the bonus pool based on Company performance. In general, the bonus pool is allocated to each participant based on the participant's "target bonus percentage" (a percentage of such participant's current base salary) and the extent to which the Company and/or such participant's operating group(s) meets the established business and/or financial goals. Each of the named executive officers is a participant in the STIP, and their annual bonuses are subject to adjustment by the Committee, at its discretion, based on the executive's individual performance and contribution to the Company during the applicable fiscal year. The threshold, target, and maximum bonus percentages for fiscal 2018 for each of the named executive officers as a percentage of each executive's base salary were as follows:

Officer	Threshold	Target	Maximum
Mitchell B. Lewis	50 %	100 %	150 %
Susan C. O'Farrell	32.5 %	65 %	97.5 %
Shyam K. Reddy	32.5 %	65 %	97.5 %

Generally, the Committee sets the target levels for financial performance metrics for the STIP in alignment with the Company's strategic plan. In making the annual determination of the threshold, target, and maximum levels, the Committee may consider specific circumstances facing the Company during the applicable fiscal year. For fiscal 2018, 100% of a named executive officer's potential STIP award was based on corporate earnings before interest, tax, depreciation, and amortization targets, as adjusted for non-cash items and other items that are allowed at the discretion of the Committee ("Adjusted EBITDA") and return on working capital ("ROWC"), with the two criteria weighted at 25% Adjusted EBITDA and 75% ROWC. This objective is measured separately against a threshold, target, and maximum goal.

For fiscal 2018, these thresholds, targets and goals were as follows:

Performance Metric	Threshold			
Adjusted EBITDA ⁽¹⁾ (in millions)	\$ 97.9	\$ 115.2	\$ 172.8	
ROWC ⁽²⁾	18.8 %	22.1 %	33.2 %	

Adjusted EBITDA is a non-GAAP measure that management uses to evaluate the operating performance of the Company. Adjusted EBITDA, as we define it, is an amount equal to net income (loss) plus interest expense and all interest expense related items, income taxes, depreciation and amortization, and further adjusted for certain non-cash items and other special items, including compensation expense from share based compensation, one-time charges associated with the legal, consulting, and professional fees related to the Cedar Creek Acquisition, and gain on sales of properties including amortization of deferred gains. Adjusted EBITDA is not a presentation made in accordance with GAAP, and is not intended to present a superior measure of the financial condition from those determined under GAAP.

ROWC is calculated as trailing twelve months' Adjusted EBITDA divided by the sum of the trailing twelve months' average of accounts receivable plus inventories less accounts payable and bank overdrafts.

The Company did not achieve the threshold targets for Adjusted EBITDA and ROWC during fiscal 2018, and, therefore, the named executive officers did not receive any bonus compensation under the Company's STIP for fiscal 2018.

For fiscal 2019, the Committee established the STIP financial performance objectives for Mr. Lewis, Ms. O’Farrell, and Mr. Reddy based on Adjusted EBITDA and ROWC, with the two criteria weighted at 25% Adjusted EBITDA and 75% ROWC.

Long-Term Equity Incentive Plan

The purpose of our Long-Term Equity Incentive Plan, or LTIP, is to provide an incentive to our employees to work towards the achievement of our long-term performance goals. A further purpose of the LTIP is to provide a means through which we may better attract able individuals to become employees of the Company by providing these individuals with stock ownership. We also consider the program a key retention tool. For all of these reasons, we believe this component of compensation further advances and aligns the interests of the Company and its stockholders. The Committee retains the discretion to set the date on which LTIP awards will be made to executives and management, and has the discretion to make additional LTIP grants at any time during the year. Such grants generally would be in connection with new hires or promotions within the Company.

In making decisions regarding long-term equity incentive awards for named executive officers, the Committee reviews the comparable equity award data for similar positions in our industry, market data and data from our compensation consultant, and also considers other relevant factors.

On June 8, 2018, our named executive officers received grants of long-term equity incentive awards under our LTIP comprised of performance-based and time-based restricted stock units. The performance-based restricted stock units vest on the third anniversary of the date of grant if, prior thereto, the Company achieves trailing twelve month Adjusted EBITDA of at least \$150 million as of the end of any fiscal quarter, generally subject to the executive’s continued service with the Company through the vesting date. The time-based restricted stock units vest in three equal annual installments beginning on June 8, 2019, generally subject to the executive’s continued service with the Company through the applicable vesting dates.

The table below shows the number of performance-based and time-based restricted stock units granted to our named executive officers in fiscal 2018:

Officer	Performance-Based RSUs	Time-Based RSUs	Total
Mitchell B. Lewis	30,715	30,716	61,431
Susan C. O’Farrell	3,350	3,350	6,700
Shyam K. Reddy	3,252	3,252	6,504

Each restricted stock unit granted to our named executive officers in fiscal 2018 pursuant to our LTIP represents a contingent right to receive one share of BlueLinx Holdings Inc. common stock. The value of these awards was based on the market price of our common stock at the date of the grant. The Compensation Committee considered the total dollar value of each named executive officer’s award when approving the grant. Further information on equity ownership can be found below in “Compensation of Executive Officers.”

Integration Incentive Plan

Following the closing of the Cedar Creek Acquisition, the Committee adopted an eighteen-month cash integration incentive plan (the “Integration Incentive Plan”) pursuant to which certain employees of the Company are eligible to receive cash bonuses based on the achievement of certain integration synergy targets relating to the integration of Cedar Creek during the performance period, as specified in each participant’s Integration Incentive Plan Participation Agreement (“Participation Agreement”). The performance period for the Integration Incentive Plan commenced on April 16, 2018 and ends on October 16, 2019. In order to receive any compensation under the Integration Incentive Plan, the

Company must (a) realize at least \$50 million in net synergies and (b) achieve a minimum trailing twelve-month Adjusted EBITDA of at least \$130 million on or before October 16, 2019, when the performance period ends. In adopting the plan, it was the Committee's desire to promote the integration of the Cedar Creek operations with the operations of BlueLinx, which is critical to our long-term value creation strategy and to achieving target synergies over the first eighteen months post-closing. Further, the Committee desired to provide a cash incentive program that would focus the interests of identified key individuals who would be accountable and responsible for delivery of the target net synergies.

There are two possible tranches of cash bonuses payable under the Integration Incentive Plan: a base integration bonus and a supplemental integration bonus, each of which is payable based on separate, specified integration synergy targets set forth in the applicable participant's Participation Agreement.

Pursuant to the Integration Incentive Plan, any base integration bonus will be paid in two installments with 50% paid within 60 days after the fiscal month end in which the initial integration performance target is met, and the second 50% installment paid six months following the fiscal month end in which the initial integration performance target is met, but in any event no later than April 30, 2020. In addition, any supplemental integration bonus will be determined within a reasonable time after the expiration of the performance period and paid on or before March 15, 2020. Unless specified otherwise in a Participation Agreement, an Integration Incentive Plan participant must be employed by the Company at the time of the payment of any bonus pursuant to the Integration Incentive Plan in order to receive such bonus.

Mr. Reddy is a participant in the Integration Incentive Plan, however, as of December 29, 2018, he had not earned any compensation under the Integration Incentive Plan.

Defined Contribution Plan

The Company historically provides retirement benefits to the named executive officers under the terms of its tax-qualified 401(k) defined contribution plan, including matching contributions for all salaried employees. The named executive officers participate in the plan on the same terms as our other participating salaried employees, and we believe that these benefits are analogous to those provided by comparable companies. The Company does not maintain any defined benefit or supplemental retirement plans for its executive officers.

Perquisites and Other Personal Benefits

The Company provides the named executive officers with perquisites and other personal benefits that the Company believes are reasonable, competitive in the market, and consistent with its overall compensation program, to better enable the Company to attract and retain superior employees for key positions. The named executive officers may be provided benefits such as a car allowance, payment of certain club dues, life insurance, an executive physical exam, and reimbursement for relocation expenses, if applicable. The Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers.

Costs of the perquisites and personal benefits described above for the named executive officers for fiscal 2018 that meet the threshold established by SEC regulations are included in the 2018 Summary Compensation Table in the "All Other Compensation" column. See "Compensation of Executive Officers."

Employment Agreements

We use employment agreements to attract and/or retain certain named executive officers. We primarily serve the housing and remodeling industries which are historically cyclical industries, and employment agreements have assisted us in attracting and retaining top executive talent by providing some degree of certainty in light of these major industry cycles. In addition, the Committee believes employment agreements have been useful in securing executive talent for the long-term benefit of the Company and our stockholders. The Committee, with assistance from our human resources department and legal counsel, establishes and negotiates the terms of our executive employment agreements. Our executive employment agreements also include confidentiality, non-competition, and non-solicitation provisions, all for the benefit of the Company. Consistent with our compensation philosophy, the employment agreements provide for a significant component of each executive's annual compensation to be variable, with cash bonuses under our STIP being paid based on Company performance against pre-established financial or operational goals. Additionally, the value of annual equity compensation is determined by our common stock price, so our executives' interests are aligned with those of our stockholders in this regard.

Employment Agreement with Chief Executive Officer

On January 15, 2014, we entered into an employment agreement with Mr. Mitchell B. Lewis, our President and Chief Executive Officer. The current term of the agreement will expire on January 15, 2020. However, the agreement will automatically renew for successive one-year terms unless 90 days' prior written notice is given by the Company in advance of the expiration date. The employment agreement provides that Mr. Lewis will receive an initial base salary of \$650,000 per year, subject to increase at the discretion of the Committee. Mr. Lewis is also eligible to receive an annual bonus pursuant to the terms of the Company's STIP, with the annual bonus potential to be a target of 100% of his base salary based upon satisfaction of performance goals and bonus criteria to be defined and approved by the Committee in advance for each fiscal year. The employment agreement also provides that Mr. Lewis is eligible to participate in all benefit programs for which senior executives generally are eligible, including the Company's long-term incentive plans.

If Mr. Lewis's employment is terminated without "cause" or he resigns for "good reason," each as described in the employment agreement, Mr. Lewis will be entitled to receive, among other things, a payment equal to two times his annual base salary in effect immediately prior to the date of termination. In addition, Mr. Lewis's time-vested equity awards would vest in full and his performance-vested equity awards would remain outstanding and vest in accordance with their terms as if he had continued to remain employed with the Company.

Under the employment agreement, in the event Mr. Lewis's employment is terminated without "cause" or he resigns for "good reason" in connection with or within 24 months after a change in control of the Company, Mr. Lewis will be entitled to receive, among other things, a payment equal to three times his annual base salary in effect immediately prior to the date of termination. In addition, Mr. Lewis's time-vested equity awards would vest in full and his performance-vested equity awards would remain outstanding and vest in accordance with their terms as if he had continued to remain employed with the Company.

As a condition to receiving the severance payments described above, Mr. Lewis must sign a release of claims against the Company and must comply with the restrictive covenants in his employment agreement, including covenants prohibiting him from disclosing confidential information, soliciting employees or customers, or competing with the Company.

Mr. Lewis's employment agreement was amended as of June 1, 2018, to add a restrictive covenant regarding the solicitation of vendors, which was in addition to the other restrictive covenant obligations already set forth in the employment agreement.

Employment Agreement with Chief Financial Officer

On May 5, 2014, we entered into an employment agreement with Ms. Susan C. O'Farrell, our Senior Vice President, Chief Financial Officer, Treasurer, and Principal Accounting Officer. The current term of the agreement will expire on May 19, 2020. However, the agreement will automatically renew for successive one-year terms unless 90 days' prior written notice is given by the Company in advance of the expiration date. The employment agreement provides that Ms. O'Farrell will receive an initial base salary of \$400,000 per year, subject to increase at the discretion of the Committee. Ms. O'Farrell is also eligible to receive an annual bonus pursuant to the terms of the Company's STIP, with the annual bonus potential to be a target of 65% of her base salary, based upon satisfaction of performance goals and bonus criteria to be defined and approved by the Committee in advance for each fiscal year. The employment agreement provides that Ms. O'Farrell is eligible to participate in all benefit programs for which senior executives generally are eligible, including the Company's long-term incentive plans.

If Ms. O'Farrell's employment is terminated without "cause" or she resigns for "good reason," each as described in the employment agreement, Ms. O'Farrell will be entitled to, among other things, a payment equal to her annual base salary in effect immediately prior to the date of termination plus the pro-rata portion of her annual target bonus for the performance year in which the termination occurs. In addition, Ms. O'Farrell's time-vested equity awards will vest in full and her performance-vested equity awards will remain outstanding and vest in accordance with their terms as if she had continued to remain employed with the Company.

Under the employment agreement, in the event Ms. O'Farrell's employment is terminated without "cause" or she resigns for "good reason" in connection with or within 24 months after a change in control of the Company, Ms. O'Farrell will be entitled to receive, among other things, a payment equal to two times her annual base salary in effect immediately prior to the date of termination plus the pro-rata portion of her annual target bonus for the performance year in which the termination occurs. In addition, Ms. O'Farrell's time-vested equity awards will vest in full and her performance-vested equity awards will remain outstanding and vest in accordance with their terms as if she had continued to remain employed with the Company.

As a condition to receiving the severance payments described above, Ms. O'Farrell must sign a release of claims against the Company and must comply with the restrictive covenants in her employment agreement, including covenants prohibiting her from disclosing confidential information, soliciting employees or customers, or competing with the Company.

Ms. O'Farrell's employment agreement was amended as of June 1, 2018, to add a restrictive covenant regarding the solicitation of vendors, which was in addition to the other restrictive covenant obligations already set forth in the employment agreement.

Employment Agreement with Chief Transformation Officer

On May 3, 2017, we entered into an employment agreement with Mr. Shyam K. Reddy upon his promotion to Chief Administrative Officer. In April 2018, Mr. Reddy became our Chief Transformation Officer. The current term of the agreement will expire on May 5, 2019. However, the agreement will automatically renew on May 5, 2019 for another year, and thereafter, will automatically renew for successive one-year terms unless 90 days' prior written notice is given by the Company in advance of the expiration date. The employment agreement provides that Mr. Reddy will receive an initial base salary of \$420,000 per year, subject to increase at the discretion of the Committee. Mr. Reddy is also eligible to receive an annual bonus pursuant to the terms of the Company's STIP, with the annual bonus potential to be a target of 65% of his base salary, based upon satisfaction of performance goals and bonus criteria to be defined and approved by the Committee in advance for each fiscal year. The employment agreement provides that Mr. Reddy is eligible to participate in all benefit programs for which senior executives generally are eligible, including the

Company's long-term incentive plans.

If Mr. Reddy's employment is terminated without "cause" or he resigns for "good reason," each as described in the employment agreement, Mr. Reddy will be entitled to, among other things, a payment equal to his annual base salary in effect immediately prior to the date of termination plus the pro-rata portion of his annual target bonus for the performance year in which the termination occurs. In addition, Mr. Reddy's time-vested equity awards will vest in full and any performance-vested equity awards will remain outstanding and vest in accordance with their terms as if he had continued to remain employed with the Company.

Under the employment agreement, in the event Mr. Reddy's employment is terminated without "cause" or he resigns for "good reason" in connection with or within 24 months after a change in control of the Company, Mr. Reddy will be entitled to receive, among other things, a payment equal to two times his annual base salary in effect immediately prior to the date of termination plus the pro-rata portion of his annual target bonus for the performance year in which the termination occurs. addition, Mr. Reddy's time-vested equity awards will vest in full and any performance-vested equity awards will remain outstanding and vest in accordance with their terms as if he had continued to remain employed with the Company.

As a condition to receiving the severance payments described above, Mr. Reddy must sign a release of claims against the Company and must comply with the restrictive covenants in his employment agreement, including covenants prohibiting him from disclosing confidential information, soliciting employees or customers, or competing with the Company.

Mr. Reddy's employment agreement was amended as of June 1, 2018, to add a restrictive covenant regarding the solicitation of vendors, which was in addition to the other restrictive covenant obligations already set forth in the employment agreement.

Clawback Provisions

We maintain clawback provisions relating to bonus or incentive-based or equity-based compensation in our employment agreements with our executive officers. Under these clawback provisions, in the event of an accounting restatement as a result of misconduct, the executive must reimburse the Company for certain compensation and profits previously received in the year following the original filing of the restated financial statements.

Risk Analysis of Compensation Program

The Committee has reviewed our compensation program to determine if the elements encourage excessive or unnecessary risk taking that reasonably could have a material adverse effect on the Company. There is no objective way to measure risk resulting from a company's compensation program; therefore, such analysis is subjective in nature. After reviewing our compensation program, the Committee believes that the only elements that could incentivize risk taking are (1) the annual cash incentives under the STIP and awards made under the 2016 Amended and Restated Long-Term Equity Incentive Plan as amended on May 17, 2018 ("2016 LTIP") with payouts dependent on the achievement of certain performance levels by the Company and (2) the cash bonuses under the Integration Incentive Plan with payouts dependent on the achievement of certain integration synergy targets relating to the integration of the Cedar Creek operations. Since base salaries are fixed, they do not encourage risk taking. The same is true of awards under the 2016 LTIP that include only time-based vesting. Based upon the value of each of these elements to the overall compensation mix and the relative value each has to the other, the Committee believes that the Company's compensation program is appropriately balanced. The Committee believes that the mix of short-term and long-term awards minimizes risks that may be taken, as any risks taken for short-term gains ultimately could jeopardize not only the Company's ability to meet the long-term performance objectives, but also appreciation in the Company's stock price. In addition, the Committee believes that the establishment of reasonable performance goals, and the capping of payouts for the performance-based STIP, 2016 LTIP, and Integration Incentive Plan compensation components further reduce any risk-taking incentive that may be associated with these compensation elements. As a result, the Committee does not believe that our compensation program incentivizes unreasonable risk taking.

Internal Revenue Code Section 162(m)

For taxable years beginning before January 1, 2018, Section 162(m) of the Internal Revenue Code imposed a limit on federal income tax deductibility for annual compensation in excess of one million dollars paid by a public corporation to its Chief Executive Officer and its other three most highly compensated executive officers (other than the Chief Financial Officer). Compensation in excess of one million dollars could be deducted, however, if it qualified as “performance-based compensation” within the meaning of Section 162(m) or qualified for one of the other exemptions from the deductibility limit, it could not be deducted. Several components of the Company’s compensation program were designed to satisfy the performance-based compensation exemption under Section 162(m).

As a result of tax legislation that was enacted December 22, 2017, the exemption for performance-based compensation was repealed, effective for tax years beginning after December 31, 2017, and the number of employees who are considered “covered employees” subject to the 162(m) limit was expanded to include the Chief Financial Officer (who was previously excluded) and certain former named executive officers. As a result of these changes, compensation in excess of \$1 million paid to executive officers covered by Section 162(m)’s deduction limit was not deductible in 2018 and will not be deductible in future years unless it qualifies for transition relief applicable to certain arrangements in place as of November 2, 2017. The Committee took steps that it deemed appropriate with the intention of preserving the deductibility of certain awards granted prior to the enactment of this tax legislation. Due to the uncertainties of the scope of the transition relief, however, there are no assurances that any compensation paid to our covered employees will be or will remain exempt from Section 162(m)’s deduction limit.

The Committee considers tax deductibility when making its decisions regarding executive compensation but reserves the right to award nondeductible compensation when appropriate to accomplish other compensation objectives.

COMPENSATION COMMITTEE REPORT

The Compensation Committee reviewed and discussed the “Compensation Discussion and Analysis” set forth above with management. Based on such review and discussions, the Compensation Committee recommended to the Board that such Compensation Discussion and Analysis be included in this Proxy Statement and incorporated in the Company’s Annual Report on Form 10-K.

The amount in this column was calculated in accordance with FASB ASC Topic 718, based on the fair value of the award at the grant date. Stock awards generally vest in various increments over multi-year periods and are, in some cases contingent on the satisfaction of certain performance conditions. As a result, awards accounted for using the grant date fair value may not be indicative of the ultimate value the executive may receive under these grants.

The amounts in this column consist of cash-settled Stock Appreciation Rights (“SARs”), where the award will be settled in cash if the terms of the award are met. The amounts in this column for fiscal 2016 were calculated in accordance with FASB ASC Topic 718, based on the recorded liability under the Black-Scholes-Merton option pricing model as of December 30, 2016 (year-end in the date of grant). The SARs vested on July 16, 2018, and by their terms, 50% were settled in a cash installment paid within 30 days of the vesting date, and the remaining 50% will be settled in a cash installment payable in 2019, not later than August 15, 2019.

2018 OUTSTANDING EQUITY AWARDS AT YEAR END

The following table sets forth certain information with respect to unexercised stock options or cash-settled SARs, unvested shares of restricted stock or unvested time-based or performance-based restricted stock units held on December 29, 2018, by each of our named executive officers.

(1) Consists of time-based restricted stock units that vest in three equal annual installments beginning on June 8, 2019, generally subject to the executive’s continued service with the Company through the applicable vesting dates. See “Payments Upon Certain Events of Termination or Change in Control” below for information regarding any accelerated vesting in connection with these awards.

(2) The fair value of these awards was computed based on the closing price of our common stock on December 28, 2018, of \$25.31.

(3) Consists of performance-based restricted stock units granted on June 8, 2018 that have not yet vested. The performance-based restricted stock units vest on the third anniversary of the date of grant if, prior thereto the Company achieves trailing twelve month Adjusted EBITDA of at least \$150 million as of the end of any fiscal

quarter, generally subject to the executive's continued service with the Company through the vesting date. See "Payments Upon Certain Events of Termination or Change in Control" below for information regarding any accelerated vesting in connection with these awards.

Payments Upon Certain Events of Termination or Change in Control

As described above under “Compensation Discussion and Analysis - Employment Agreements,” our named executive officers are entitled to receive payments in connection with the termination of their employment by the Company in certain circumstances, or certain equity awards may be subject to accelerated vesting in the event of a change in control. Additionally, our named executive officers hold equity awards issued pursuant to our 2016 LTIP.

Termination by the Company “without cause” or by the executive for “good reason”

The following table describes the salary, bonus, continuing medical coverage, and estimated present value of payments, unvested time-based restricted stock units and unvested performance-based restricted stock units that would have been due to the named executive officers in the event that their employment was terminated by the Company due to a “termination without cause” (as defined in their respective employment agreements) or by the executives for “good reason” (as defined in their respective employment agreements) on December 29, 2018. Such amounts would be payable pursuant to the terms of their agreements with the Company as described in the footnotes to the table as well as above under “Employment Agreements.”

Susan C. O’Farrell	764,775	20,800	84,789	84,789	—	955,153
Shyam K. Reddy	742,500	—	82,308	82,308	—	907,116

(1) For Mr. Lewis, represents two times his then-current base salary. For Ms. O’Farrell and Mr. Reddy, represents one year of then-current base salary plus the pro-rata portion of their annual target bonus for the performance year in which the termination occurred. Mr. Reddy also would remain eligible to receive a bonus under the Company’s Integration Incentive Plan in the same manner and at the same time as if he remained employed by the Company; however, no amount was payable under such plan as of December 29, 2018.

(2) Represents the value of continued participation, or reimbursement in lieu of continued participation, in the Company’s medical, dental, and vision plans for twelve months following termination of employment. Mr. Reddy would also be entitled to such payments if he had participated in the Company’s medical, dental and vision plans as of December 29, 2018.

(3) The value of these awards was computed based on the closing price of our common stock on December 28, 2018, of \$25.31.

(4) All time-based restricted stock units would vest immediately.

(5) Performance-based restricted stock units remain outstanding and vest in accordance with their terms based on the actual performance of the Company, in the same manner and at the same time as if the named executive officer remained employed by the Company. For purposes of estimating the value of these awards, we assumed the performance criteria were satisfied at target.

(6) No additional amounts vest with respect to the cash-settled SARs as a result of a termination of employment. The cash-settled SARs vested and were exercised on July 16, 2018. 50% of the value of these SARs was paid in cash installments of \$2,337,750 and \$2,103,975 to Ms. O’Farrell and Mr. Reddy, respectively, within 30 days of the vesting date. The remaining equal installments are fully vested and nonforfeitable and are payable to Ms. O’Farrell and Mr. Reddy on or before August 15, 2019, regardless of whether either executive remains employed or terminates employment for any reason.

Change in Control

The named executive officers are not entitled to any payments or benefits solely due to the occurrence of a change in control of the Company. Amounts payable upon certain types of termination of employment in connection with, or within 24 months following, a change in control of the Company are disclosed below under “Termination in connection with a Change in Control.”

Termination in connection with a Change in Control

The following table describes the salary, bonus, continuing medical coverage, and estimated present value of payments, unvested time-based restricted stock units and unvested performance-based restricted stock units that would have been due to the named executive officers in the event that their employment was terminated by the Company due to a “termination without cause” (as defined in their respective employment agreements) or by the executives for “good reason” (as defined in their respective employment agreements) in connection with a change in control of the Company that occurred on December 29, 2018. Such amounts would be payable pursuant to the terms of their agreements with the Company as described in the footnotes to the table below as well as above under “Employment Agreements.”

Name	Salary and Bonus (\$) ⁽¹⁾	Continuing Medical Coverage (\$) ⁽²⁾	Value of Performance-Based Restricted Stock Units (\$) ⁽³⁾⁽⁴⁾	Value of Performance-Based Restricted Stock Units (\$) ⁽³⁾⁽⁵⁾	Value of Cash-Settled SARs (\$) ⁽⁴⁾	Total (\$)
Mitchell B. Lewis	2,550,000	19,295	777,422	777,397	—	4,124,114
Susan C. O’Farrell	1,228,275	31,199	84,789	84,789	—	1,429,052
Shyam K. Reddy	1,192,500	—	82,308	82,308	—	1,357,116

For Mr. Lewis, represents three times his then-current base salary. For Ms. O’Farrell and Mr. Reddy, represents two times their then-current base salary plus the pro-rata portion of their annual target bonus for the performance year (1) in which the termination occurred. Mr. Reddy also would remain eligible to receive a bonus under the Company’s Integration Incentive Plan in the same manner and at the same time as if he remained employed by the Company; however, no amount was payable under such plan as of December 29, 2018.

Represents the value of continued participation, or reimbursement in lieu of continued participation, in the Company’s medical, dental, and vision plans for eighteen months following termination of employment. Mr. Reddy (2) would also be entitled to such payments if he had participated in the Company’s medical, dental and vision plans as of December 29, 2018.

The value of these awards was computed based on the closing price of our common stock on December 28, 2018, (3) of \$25.31.

All time-based restricted stock units would vest immediately upon termination in connection with a change in (4) control.

All unvested performance-based restricted stock units would remain outstanding and would vest in accordance (5) with their terms based on the actual performance of the Company, in the same manner and at the same time as if the executive remained employed by the Company. For purposes of estimating the value of these awards, we assumed the performance criteria were satisfied at target.

No additional amounts vest with respect to the cash-settled SARs as a result of a termination of employment. The (6) cash-settled SARs vested and were exercised on July 16, 2018. 50% of the value of these SARs was paid in cash installments of \$2,337,750 and \$2,103,975 to Ms. O’Farrell and Mr. Reddy, respectively, within 30 days of the vesting date. The remaining equal installments are fully vested and nonforfeitable and are payable to Ms. O’Farrell and Mr. Reddy on or before August 15, 2019, regardless of whether either executive remains employed or

terminates employment for any reason.

Restrictive Covenants

Any of the Company's obligations to make cash payments following the termination of our named executive officers' respective employment is contingent upon the executive complying with certain restrictive covenants contained in their respective employment agreements. The restrictive covenants for Mr. Lewis, Ms. O'Farrell, and Mr. Reddy prohibit, during periods defined in their applicable agreement and subject to certain limited exceptions, (1) competing with the Company, (2) employing or soliciting Company employees, (3) soliciting Company vendors, (4) interfering with Company relationships with its customers or vendors, and (v) disclosing or using in an unauthorized manner any of the Company's confidential or proprietary information. These restrictive covenants generally limit the employee's competitive activities for a period of one year following the later of the expiration or termination of employment under the employment agreement.

Other events of termination

In the event that any of the named executive officers' employment is terminated due to death or disability, by the executive voluntarily or without "good reason," or by the Company "for cause," we are only obligated to pay the executive his or her salary, fringe benefits and accrued but unused vacation through the date of termination. Regardless of the reason of termination, Ms. O'Farrell and Mr. Reddy are also entitled to receive the remaining cash installment of their cash-settled SARs which vested and were exercised on July 16, 2018.

DIRECTOR COMPENSATION FOR 2018

The following table sets forth the compensation for each member of the Board for fiscal 2018, other than Mr. Lewis, who is an employee of the Company and whose compensation is reported above in the 2018 Summary Compensation Table.

Name	Fees Earned or Paid in Cash (\$) ⁽¹⁾	Stock Awards (\$) ⁽²⁾	All Other Compensation (\$)	Total (\$)
Karel K. Czanderna	70,000	90,000	—	160,000
Dominic DiNapoli	85,000	90,000	—	175,000
Kim S. Fennebresque	130,000	160,000	—	290,000
Alan H. Schumacher	100,000	90,000	—	190,000
J. David Smith	85,000	90,000	—	175,000

Our directors who are not current employees of the Company are referred to as “independent directors,” and receive an annual director’s retainer fee. This retainer fee consists of both a cash component and an equity component, as further described below. Directors who are employed by the Company generally do not receive consideration for serving as directors; however, all directors, including those directors who are employed by the Company, are entitled to reimbursement for travel and out-of-pocket expenses in connection with their attendance at Board and committee meetings.

For fiscal 2018, (i) each independent director other than our Chairman of the Board received an annual cash retainer of \$70,000 for their services as a director of the Company during fiscal 2018 and (ii) our current Chairman of the Board, Mr. Fennebresque, received an annual cash retainer of \$130,000 for his services as Chairman and a director of the Company during fiscal 2018. In addition, the Chairperson of our Audit Committee received an additional annual cash retainer of \$30,000, the Chairperson of our Compensation Committee received an additional annual cash retainer of \$15,000, and the Chairperson of our Nominating and Governance Committee received an additional annual cash retainer of 15,000, in each case for their service as the Chairperson on such committee.

Historically, we have presented only fees paid in the applicable year, not fees earned and unpaid. Therefore, this table includes all fees earned and paid in 2018.

Each independent director also receives an annual equity award in time-based restricted stock units. To encourage directors to have a meaningful ownership stake in the Company during their tenure on the Board, these restricted stock units vest one year from the grant date but are not delivered to the director until thirty days after the earlier of (i) such director’s retirement from the Board or (ii) ten years from the date of grant. For fiscal 2018, each independent director received \$90,000 in time-based restricted stock units, and Mr. Fennebresque received an additional \$70,000 in time-based restricted stock units for his service as Chairman of the Board. The amounts in this column were calculated based on the grant date fair value of our common stock, in accordance with FASB ASC Topic 718. These awards consisted of restricted stock units, granted on January 11, 2018, with a one-year vesting term, and settling at the earlier of retirement from the board of directors or ten years. The grant date fair value may not be indicative of the ultimate value the executive may receive under these grants.

Director Stock Ownership Guidelines

On August 28, 2018, the Nominating and Governance Committee established formal Company Stock Ownership Guidelines for our non-employee directors in order to more formally align their interests with the long-term interests of our stockholders. Under the Stock Ownership Guidelines, each non-employee director is expected to own shares of common stock with a market value equal to at least three times the cash component of the annual Board retainer. Each

director is expected to satisfy these guidelines (1) within five years of joining the Board or (2) by August 28, 2023, whichever is later. As of March 27, 2019, all of our non-employee directors exceeded the guidelines.

AUDIT COMMITTEE REPORT

The Audit Committee is composed of independent directors as required by and in compliance with the listing standards of the NYSE. The Audit Committee operates under a written charter which is posted on the Company's website at www.BlueLinxCo.com. The role of the Audit Committee is to assist the Board in its oversight of the integrity of the Company's financial reporting process and compliance with legal and regulatory requirements. The Audit Committee reviews the Company's financial reporting process on behalf of the Board. The Company's management is responsible for the preparation, presentation, and integrity of the Company's financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures; and establishing and maintaining internal control over financial reporting. The independent registered public accounting firm is responsible for performing an independent audit of the consolidated financial statements and internal control over financial reporting, and expressing an opinion on the conformity of those financial statements and internal control over financial reporting with United States generally accepted accounting principles and the standards of the Public Company Accounting Oversight Board ("PCAOB").

The Audit Committee held nine meetings during the year. The Audit Committee met with management periodically during the year to consider the adequacy of the Company's internal controls and the objectivity of its financial reporting. The Audit Committee discussed these matters with the Company's independent registered public accounting firm and with the appropriate financial personnel. The Audit Committee also met privately with the independent registered public accounting firm, which has unrestricted access to the Audit Committee. The Audit Committee of the Board of Directors has reviewed and discussed the Company's audited financial statements as of and for the fiscal year ended December 29, 2018, with management and the Company's independent registered public accounting firm. The Audit Committee has discussed with the independent registered public accounting firm the matters required to be discussed under auditing standards generally accepted in the United States, including those matters set forth in Auditing Standard No. 1301, as amended (Communications with Audit Committees), as adopted by the PCAOB in Rule 3200T. The independent registered public accounting firm has provided to the Audit Committee the written disclosures and the letter required by applicable requirements of the PCAOB regarding the independent accountants' communications with the Audit Committee concerning independence, and the Audit Committee has also discussed with the independent registered public accounting firm its independence. The Audit Committee has concluded that the independent registered public accounting firm is independent from the Company and its management.

Based on the reports and discussions described above, the Audit Committee has recommended to the Board that the Company's audited financial statements be included in its annual report on Form 10-K for the fiscal year ended December 29, 2018, for filing with the SEC.

Respectfully Submitted by:

The Audit Committee of the

Board of Directors:

Alan H. Schumacher, Chairman

Karel K. Czanderna

The foregoing report shall not be deemed incorporated by reference by any general statement incorporating by reference this Proxy Statement into any filing under the Securities Act of 1933 or under the Securities Exchange Act of 1934, except to the extent that we specifically incorporate this information by reference, and shall not otherwise be deemed filed under such Acts.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Review and Approval or Ratification of Related Person Transactions

The charter of the Nominating and Governance Committee provides that it shall review and approve or ratify all transactions or relationships involving the Company and a Board member or an officer of the Company who is subject to Section 16 of the Exchange Act. To assist with this review process, in November 2018, the Board adopted a written policy on related person transactions for directors and executive officers that provides procedures for the review and approval or ratification of certain transactions in which a related person has or will have a direct or indirect material interest. Under our policy, a related person includes (1) directors and executive officers of the Company, (2) any beneficial owner of greater than 5% of any class of the Company's voting securities, (3) any immediate family member of any of the foregoing or (4) any entity in which any of the foregoing acts as an officer, general partner or otherwise controls or holds a 10% ownership interest. While the policy covers related person transactions in which the amount involved exceeds \$5,000, the policy provides that only related person transactions in which the amount involved exceeds \$120,000 are required to be disclosed in applicable filings as required by applicable securities laws and regulations. Prior to entering into a transaction with the Company, directors and executive officers are required to advise the Corporate Secretary of any transaction that could reasonably constitute a related person transaction. In order to assist in identifying potential related person transactions, our legal department annually prepares and distributes to all directors and executive officers a written questionnaire which includes questions intended to elicit information about any related person transactions. In addition, information regarding transactions with related persons or any violation of policy, including transactions involving a potential conflict of interest in violation of our Code of Ethical Conduct, may be anonymously reported by employees through our Business Conduct and Ethics Hotline. If a related person transaction is identified by the legal department, we present the transaction to the Nominating and Governance Committee (or, if so determined by the committee, the disinterested members of the Board) for review and approval or ratification. In evaluating related person transactions, our Nominating and Governance Committee members apply the same standards of good faith and fiduciary duty they apply to their general responsibilities as a committee of the Board and as individual directors. The Nominating and Governance Committee may approve a related person transaction when, in its good faith judgment, the transaction is in the best interests of the Company. Except as set forth below, for fiscal 2018 there were no related person transactions for which disclosure was required. D. Wayne Trousdale, the Company's Vice Chairman, Operating Companies, owns approximately 33.33% of a limited liability company that owns and leases six facilities to us. During 2018, approximately \$1.5 million in aggregate rent and related amounts was paid to the limited liability company for these properties. Mr. Trousdale's interest in these amounts was approximately \$0.5 million.

CORPORATE GOVERNANCE GUIDELINES AND CODE OF ETHICAL CONDUCT

To help discharge its responsibilities, our Board has adopted Corporate Governance Guidelines on significant corporate governance issues. Our Corporate Governance Guidelines also provide for an annual self-evaluation by the Board of itself and its committees to determine whether they are functioning effectively.

We also have a Code of Ethical Conduct that sets the standard for ethics and compliance for all employees and officers as well as members of our Board. Among other things, our Code of Ethical Conduct provides a procedure by which employees and others may directly or anonymously, through a secure toll-free phone number, inform our management and/or the Audit Committee of any alleged violation of our Code of Ethical Conduct, including any allegations of accounting fraud. Reporting employees are protected from retaliation and any other form of adverse action. Any amendment to or waiver of our Code of Ethical Conduct for any Board member, our Chief Executive Officer, our Chief Financial Officer as well as any other executive officer will be disclosed on our website, www.BlueLinxCo.com.

Our current Corporate Governance Guidelines and Code of Ethical Conduct may be found on our website, www.BlueLinxCo.com. Additionally, our Corporate Governance Guidelines and Code of Ethical Conduct are available in print to any stockholder who requests them by writing to BlueLinx Holdings Inc., Attn: Corporate Secretary, 1950 Spectrum Circle, Suite 300, Marietta, Georgia 30067.
