Petrobras Biocombustível closes deal to sell its interest in Guarani

Rio de Janeiro, December 28, 2016 - Petróleo Brasileiro S.A. - Petrobras informs that its wholly-owned subsidiary Petrobras Biocombustível S.A. (PBIO) celebrated on this date with Tereos Participations SAS, a company under French group Tereos, the Agreement for Purchase and Sale of Shares ("Contrato de Compra e Venda de Ações e Outras Avenças"), to sell the whole of its interest in Guarani S.A., corresponding to 45.97% of the company capital, for the amount of US\$ 202 million.

Guarani is one of the leading companies in the Brazilian sugar and ethanol market, occupying the third position among the largest sugar producers in Brazil. The company holds eight industrial plants, seven of which in Brazil, in São Paulo state (Andrade, Cruz Alta, São José, Severínia, Mandu, Tanabi, and Vertente plants, the latter in shared control with Humus Group, which holds 50%), and one in Africa, in Mozambique (Sena plant).

Tereos, which is a partner of PBIO in Guarani, with 54.03% stake, is the third largest sugar producer in the world. The group is specialized in transforming raw material in sugar, ethanol, alcohol, and starch, and holds 42 industrial units in Europe, South America, Indian Ocean, Africa, and Asia, with 24 thousand associates.

This transaction is part of the partnership and divestment program and will be recorded in the 2015-2016 biennium target. The sale is aligned to the Petrobras Strategic Plan, which foresees the business portfolio optimization, withdrawing entirely from biofuel production activities.

The project is one of the five transactions which the contracts may be signed pursuant to the preventive order of the Brazilian Federal Accounting Court (TCU), as disclosed in the material fact announced on 12.20.2016, and its conclusion is subject to the approval of the Administrative Council for Economic Defense (CADE).

### FORWARD-LOOKING STATEMENTS

This release includes forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended, that are subject to risks and uncertainties. The forward-looking statements, which address the Company's expected business and financial performance, among other matters, contain words such as "believe," "expect," "estimate," "anticipate," "optimistic," "intend," "plan," "aim," "will," "may," "should," "could," "would," "likely," and similar expressions. Readers are cautioned not to place undue reliance on these forward-looking statements, which speak only as of the date on which they are made. There is no assurance that the expected events, trends or results will actually occur. We undertake no obligation to publicly update or revise any forward-looking statements, whether as a result of new information or future events or for any other reason.

The Company's actual results could differ materially from those expressed or forecast in any forward-looking statements as a result of a variety of
