Item 1.01 Entry Into a Material Definitive Agreement

On January 3, 2006, Global Signal Inc. (the "Company") executed several indexed deferred shares award agreements, substantially in the form

Edgar Filing: GLOBAL SIGNAL INC - Form 8-K

filed herewith as Exhibit 10.1 - Form of Indexed Deferred Shares Award Agreement (the "Indexed Deferred Shares Award Agreement") and incorporated herein by reference in its entirety, with certain employees, including Jeffrey Klopf (who was granted 1,163 deferred shares, as may be modified as discussed below) pursuant to the Global Signal Inc. Omnibus Stock Incentive Plan (the "Plan").

A copy of the Plan was filed as Exhibit 10.21 to the Company's Registration Statement on Form S-11, filed on February 13, 2004, and is incorporated herein by reference. The following is a summary of the material terms of the Indexed Deferred Shares Award Agreement, which is qualified in its entirety by reference to Exhibit 10.1.

Under the Indexed Deferred Shares Award Agreement, the Company grants to the employee an indexed deferred shares award (the "Indexed Deferred Shares Award"), which represents the right to receive up to that number of shares of common stock, par value \$0.01, of the Company (the "Common Stock"), equal to up to 150% of an initial amount of shares (the "Deferred Shares") determined by a formula set forth in the Indexed Deferred Shares Award Agreements. The amount of shares that each employee may receive pursuant to the Indexed Deferred Shares Award is based on the Company's annualized dividend declared in respect of the fourth quarter of 2006. The interest of the employee in the Indexed Deferred Shares Award will vest as to one-third of such Deferred Shares on December 31, 2008, and as to an additional one-third on December 31, 2009 and as to the last one-third on December 31, 2010, conditioned upon the employee's continued employment with the Company as of each vesting date. In the event of the employee's termination, the Indexed Deferred Shares Award Agreements contain provisions that provide for the amount of shares that each employee may be entitled to receive pursuant to the Indexed Deferred Shares Award depending upon the circumstances surrounding the termination. The Indexed Deferred Shares Award and the right to receive any award thereunder may not be sold, pledged or otherwise transferred until the applicable shares become vested. The employee shall have no rights of a shareholder, including the right to vote and receive cash dividends, with respect to any shares of Common Stock under the Indexed Deferred Shares Award until the shares thereunder vest, provided, however, that, subject to the employee's continued employment with the Company as of each record date, the employee will be entitled to receive a cash payment (less applicable withholding) equal to the amount of any dividends paid on the Common Stock on any unvested shares covered by the Indexed Deferred Shares Award, as such number of shares may have been modified as discussed above.
