EXPLANATORY NOTE

This Amendment No. 1 on Form 10-K/A, or this Amendment, amends the Annual Report on Form 10-K for the year ended December 31, 2013 of MobileSmith, Inc., or the Company, that was originally filed with the Securities and Exchange Commission, or the SEC, on March 27, 2014, or the Original Filing. This Amendment is being filed to provide the information required by Items 10, 11, 12, 13, and 14 of Part III. This information was previously omitted from the Original Filing in reliance on General Instruction G(3) to Form 10-K, which permits the information in the above referenced items to be incorporated in the Form 10-K by reference from a definitive proxy statement or definitive information statement if such statement is filed no later than 120 days after the Company's fiscal year end. The Company is filing this Amendment to include Part III information in its Form 10-K because the Company does not expect to file a definitive information statement containing this information before that date. The reference on the cover of the Original Filing to the incorporation by reference to portions of its definitive information statement into Part III of the Original Filing has been deleted. Except for the addition of the Part III information, the update to the cover page, and the filing of related certifications, this Amendment does not amend or otherwise update any other information in the Original Filing. Accordingly, this Amendment should be read in conjunction with the Original Filing and with the Company's other filings with the SEC subsequent to the Original Filing.

Code of Ethics

The Company has adopted a Code of Ethics applicable to its executives, including the principal executive officer, principal financial officer, and principal accounting officer, as defined by applicable rules of the SEC. The Company will promptly deliver free of charge, upon request, a copy the Code of Ethics to any stockholder requesting a copy. Requests should be directed to the Company's Chief Financial Officer at 5400 Trinity Rd, Suite 208, Raleigh, NC, 27607. If the Company makes any amendments to the Code of Ethics other than technical, administrative, or other non-substantive amendments, or grants any waivers, including implicit waivers, from a provision of the Code of Ethics to the Company's Chief Executive Officer, Chief Financial Officer, or certain other finance executives, the Company will disclose the nature of the amendment or waiver, its effective date, and to whom it applies in a Current Report on Form 8-K.

Board Composition and Independence of Directors

The size of the Board is currently fixed at four members. The Board believes that the current number of directors is appropriate at this time; however, the Board will consider adding members in the future with additional skills and professional connections that will be of benefit to the Company.

The Company's stock is currently quoted on the OTC Bulletin Board, or OTCBB. The OTCBB does not have rules regarding director independence. Accordingly, the Company determined that the NASDAQ Stock Market, or Nasdaq, independence requirements are an appropriate standard to determine director independence.

The position of Chairman of the Board is currently held by Amir Elbaz, who is also the Company's Chief Executive Officer. Nasdaq listing requirements mandate that a majority of the members of a listed company's board of directors be "independent directors" as defined under Nasdaq Stock Market Rule 5605. Although not currently required, the

Board has determined that three of the present directors — Messrs. Elia, Campbell and Shviki — are “independent directors” within the meaning of Nasdaq Marketplace Rules. The Board believes this current leadership structure provides effective and clear leadership for the Company.

Section 16(a) Beneficial Ownership Reporting Compliance

The members of the Board, its executive officers, and persons who hold more than 10% of the Company's outstanding shares of common stock, \$0.001 par value per share, or common stock, are subject to the reporting requirements of Section 16(a) of the Securities Exchange Act of 1934, as amended, or the Exchange Act, which requires them to file reports with respect to their ownership of the Company's common stock and their transactions in such common stock. Based upon the Company's review of the Section 16(a) reports in its records for fiscal year 2013 transactions in the Company's common stock, the Company believes that all reporting requirements under Section 16(a) for fiscal year 2013 were met in a timely manner by its directors, executive officers, and greater than 10% beneficial owners, except that (1) Bob Dieterle, Senior Vice President and General Manager of the Company, has not filed a Form 3 in respect of his role as an executive officer of the Company, due to the fact that the Board and Mr. Dieterle recently determined that Mr. Dieterle functions as an executive officer of the Company pursuant to Rule 3b-7 of the Exchange Act and (2) Union Bancaire Privée, or UBP, has not filed a Form 3 or any subsequent reports in respect of its ownership of \$10,877,180 in principal amount of the Company's Convertible Secured Subordinated Promissory Notes due November 14, 2016, or Notes, as of December 31, 2013, which Notes may be converted into shares of the Company's common stock by UBP at any time upon notice.

As described further below under "Certain Relationships and Related Transactions", Mr. Avy Lugassy has certain relationships with the Company that, under certain circumstances, could result in Mr. Avy Lugassy obtaining a majority of the Company's outstanding common stock in the future. As of April 14, 2014, Mr. Avy Lugassy held 8,830,269 shares of the Company's common stock through Grasford, which represents approximately 45% of the Company's common stock issued and outstanding, and continues to purchase shares of the Company's common stock from time to time. In addition, the IDB Credit Facility is further secured by an extended irrevocable standby letter of credit issued by UBS Private Bank with an expiration date of November 30, 2015.

Grasford and Atlas. Until February 7, 2013, Atlas was a beneficial owner of 40% of the Company's outstanding common stock, and the holder of a majority of the aggregate outstanding principal amount, or the Requisite Percentage Holder, of the Notes. On February 7, 2013, Mr. Avy Lugassy, a principal with Atlas, and the beneficial owner of 7,330,269 shares of the Company's common stock, representing approximately 40% of the Company's outstanding common stock, transferred such shares of common stock from Atlas to Grasford, which is owned and controlled by Mr. Lugassy.

On December 18, 2013, the Company, Mary Beauregard, as Lead Plaintiff in the securities class action involving the Company captioned Mary Jane Beauregard vs. Smart Online, Inc., et al., filed in the United States District Court for the Middle District of North Carolina, or the Class Action, and Atlas entered into an Agreement, Acknowledgment and Partial Release, or the Agreement. Pursuant to the terms of the Agreement, Atlas agreed to purchase 25,000 shares of the Company's common stock transferred by Henry Nouri to the Class Action settlement fund, or the Settlement Fund, and 1,475,000 shares of the Company's common stock, or the Settlement Shares, for \$0.50 per share, and to waive and relinquish any claim to any share of the future proceeds of the Settlement Fund. On December 31, 2013, the Company issued the Settlement Shares to Grasford, Atlas's assignee under the Agreement, in consideration of \$737,500 payable to the Class Action settlement fund.

Atlas was the majority holder of the aggregate outstanding principal amount of the Notes until November 1, 2013, at which time Mr. Lugassy transferred all approximately \$13.83 million in aggregate principal amount of Notes from Atlas to Grasford. The terms of the Convertible Secured Subordinated Note Purchase Agreement, dated November 14, 2007, as amended, or the Note Purchase Agreement, and the Notes are described in "Sale of Convertible Notes to Certain Related Parties" below.

Union Bancaire Privée, UBP SA. UBP is one of the primary holders of the Notes. On June 26, 2013, the Company entered into the Sixth Amendment to the Note Purchase Agreement. As a result of this amendment, the Notes are convertible upon request by the holder. As a result, UBP is now considered a beneficial owner of more than 5% of the Company's outstanding common stock under SEC rules.

Sale Leaseback of Company Equipment with Noteholders. On September 4, 2009, the Company entered into a sale-leaseback agreement with the current holders of the Notes. The noteholders paid a market rate cost of \$200,000 through the reduction of current outstanding debt under such Notes in exchange for all of the Company's office furniture, equipment and computers. The noteholders then leased all furniture, equipment and computers back to the Company over a 10 year period. The purchase price of \$200,000 represented the fair market value of the equipment based on an independent appraisal of the equipment by Dynamic Office Services and Coastal Computers, which are not affiliated with the Company.

Sale of Convertible Notes to Certain Related Parties. As of April 14, 2014, the Company had \$27.7 million of Convertible Notes outstanding of which Grasford, an affiliated party, held \$13.8 million and UBP, significant beneficial owner, held \$12.4 million. The Company sold \$5.7 million of the Notes to UBP during 2013. UBP was the only buyer of the Notes sold in 2013. During 2013, the Company paid approximately \$570,000 in interest to UBP for the aggregate amount of Notes held by UBP.

Modification of Note Purchase Agreement Involving Certain Related Parties. Grasford, UBP and Crystal Management Ltd, which owns \$750,000 in aggregate principal amount of the Notes and is owned by Doron Roethler, former Chairman of the Board and former Interim Chief Executive Officer who currently serves as the noteholders' bond representative, were parties to the Sixth Amendment and Agreement to Join as a Party to the Note Purchase Agreement, Fourth Amendment to Convertible Secured Subordinated Promissory Notes and Fifth Amendment and Agreement to Join as a Party to Registration Rights Agreement, or collectively, the Sixth Amendment.

The Sixth Amendment is applicable to all \$23,075,000 in principal amount of the Notes that were outstanding as of the date of the modification and all future Notes issued under the Note Purchase Agreement. As amended by the Sixth Amendment, the convertible instrument has the following characteristics:

- a maturity date of November 14, 2016;
- an interest rate of 8% per year;

- optional conversion upon noteholder request;
- the borrowing commitment was increased by \$10 million to \$33.3 million;
- a conversion price that is the greater of (i) 80% of the lowest closing price of the Company's common stock in the 12-month period immediately preceding the date of conversion or (ii) \$0.50; and
- if at the time of any particular requested conversion the Company does not have a sufficient number of shares of common stock authorized to allow for such conversion, a noteholder may request that the Company call a special meeting of the stockholders specifically for the purpose of increasing the number of shares of common stock authorized to cover the remaining portion of the Notes outstanding.

The Company is obligated to pay interest on the Notes in quarterly installments commencing three months after the purchase date of the Notes. The Company is not permitted to prepay the Notes without approval of the holders of at least a majority of the principal amount of the Notes then outstanding.

The Note Purchase Agreement contains provisions whereby repayment of the Notes may be accelerated if the Company enters into voluntary or involuntary bankruptcy or insolvency proceedings. This acceleration right was waived by the noteholders until such time when the promissory note with IDB is repaid.

The noteholders of the Notes include, among others, Grasford, which is primarily controlled by Mr. Avy Lugassy, as principal. The noteholders have designated Doron Roethler as bond representative to act as their agent. So long as the Notes are outstanding, the Company has agreed that it will not take certain actions without approval of the bond representative.

If the Company proposes to file a registration statement to register any shares of its common stock under the Securities Act of 1933, as amended, in connection with the public offering of such shares of common stock solely for cash, subject to certain limitations, the Company must give each noteholder who has converted its Notes into shares of the Company's common stock the opportunity to include such shares of common stock in such registration. The Company has agreed to bear the expenses for any such registration, exclusive of any stock transfer taxes, underwriting discounts, and commissions.

Director Independence

As disclosed above in Item 10 "Directors, Executive Officers and Corporate Governance", the Company's common stock is currently quoted on the OTCBB. The OTCBB does not have rules regarding director independence. Accordingly, the Company has determined that the Nasdaq independence requirements are an appropriate standard to determine director independence.

Nasdaq listing requirements mandate that a majority of the members of a listed company's board of directors be "independent directors" as defined under Nasdaq Stock Market Rule 5605. Although not currently required, the Board has determined that three of the present directors — Messrs. Elia, Campbell and Shviki — are "independent directors" within the meaning of Nasdaq Marketplace Rules.
