Section 1 Registrant's Business and Operations

Item 1.01 Entry into a Material Definitive Agreement.

On August 5, 2014, Sunrise Asset Management, Inc., a wholly-owned subsidiary of Allegiant Travel Company (the "Company") executed an Aircraft Sale & Purchase Agreement with NAS Investments 3, Inc., an affiliate of GE Capital Aviation Services, LLC, under which the Company agreed to purchase eight Airbus A319 aircraft already subject to agreements to lease previously entered into by the parties. This transaction was previously announced in a June 16, 2014 filing. Concurrently with the execution of the Aircraft Sale & Purchase Agreement, the Company closed on the purchase of two of these aircraft, which were previously on lease to the Company. Including this agreement, there are ten Airbus A320 series aircraft remaining to be delivered for purchase under existing contracts during the remainder of 2014 through 2016. The remaining total purchase price and estimated induction costs for these aircraft are estimated to be approximately \$187 million, subject to adjustment at the time of purchase.
