Item 1.01 Entry into a Material Definitive Agreement

Merger Agreement

On April 24, 2018, Globalstar, Inc. (“Globalstar”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with GBS Acquisitions, Inc., a Delaware corporation and wholly owned subsidiary of Globalstar (“Merger Sub”), Thermo Acquisitions, Inc., a Delaware corporation (“Thermo”), the stockholders of Thermo (collectively, the “Thermo Stockholders,” and each, individually, a “Thermo Stockholder”), and Thermo Development, Inc., in its capacity as the representative of the Thermo Stockholders as set forth therein (the “Stockholders’ Representative”). Thermo is controlled by Jay Monroe, Executive Chairman of the Board of Directors and Chief Executive Officer of Globalstar. Pursuant to the terms of the Merger Agreement, Merger Sub will merge with and into Thermo with Thermo continuing as the surviving corporation and a wholly owned subsidiary of Globalstar (the “Merger”). The transaction has been unanimously recommended by the Special Committee of the Board of Directors of Globalstar, consisting entirely of independent directors, and unanimously approved by the full Board of Directors.

Upon the closing of the Merger, Globalstar will acquire (i) over 99% of the equity interests of FiberLight, LLC (“FiberLight” or “FBL”); (ii) \$100 million in cash; (iii) 15.5 million shares of common stock of CenturyLink, Inc. (“CTL”); (iv) certain property, and any improvements thereon, located in Covington, Louisiana (the “Subject Property”); (v) development and construction contracts relating to improvements in process on the Subject Property; (vi) that amount in cash as is determined to be necessary to finalize the development of the Subject Property; (vii) a minority interest in Pivotal Commware, Inc.; and (viii) a minority interest in Orion Labs, Inc..

In the transaction, the Stockholders will receive an aggregate number of shares of Globalstar voting common stock or non-voting common stock (collectively, the “Globalstar Common Stock”) with a value equal to \$1.645 billion, subject to adjustment (the “Transaction Value”).

The Merger Agreement provides that the value of a share of Globalstar Common Stock for purposes of determining the number of shares issued to the Stockholders in the Merger will be based on the volume-weighted average market price of Globalstar common stock for the 20 trading days immediately preceding the closing, subject to a 120% and 80% collar based on the volume-weighted average market price of Globalstar common stock for the 20 trading days immediately preceding the signing date of April 24, 2018.

The Transaction Value will be equitably adjusted based on the CTL closing stock price on the trading day prior to the closing of the Merger. The Transaction Value also is subject to adjustments based on FBL’s actual EBITDA for the last 12 months preceding closing for which financial statements are available, and based on the amount of net debt less receivables or contingent purchase consideration payable to Globalstar after closing is less or greater than \$195 million.

The Merger Agreement contains customary representations, warranties and covenants by Globalstar, Thermo and the Merger Sub and indemnification by the Stockholders, subject to typical exceptions, caps and deductibles. The closing of the Merger Agreement is subject to customary closing conditions, including completion of amendments with Globalstar and FiberLight’s lenders. Globalstar has entered into a non-binding term sheet with the lenders under its BPIFAE Facility Agreement. Globalstar has reached an agreement in principle with its lenders on an amendment of its BPIFAE (formerly known as COFACE) senior debt facility, which is subject in all respects to lender and BPIFAE committee approvals as well as satisfactory final due diligence. Additionally, final amended terms will be subject to documentation in a binding agreement to be agreed among the parties that will be effective concurrent with the closing of the merger. The agreement in principle provides for annual deferrals of principal amortization up to \$30 million and a fixed margin of 3.25% over 6 month LIBOR, both subject to liquidity tests performed over time. Additionally, the financial covenants and certain other terms are expected to be amended. FiberLight is seeking an amendment to its \$255 million senior debt facility with CoBank, including additional financing capacity to fulfill its current project backlog. FiberLight is requesting that the refinanced credit facility retain its favorable 1% annual

principal amortization. Any amended terms are subject in all respects to the approval of CoBank.

The foregoing description of the Merger Agreement is qualified in its entirety by reference to the full text of the Merger Agreement, which is attached to this Current Report on Form 8-K as Exhibit 2.1, and incorporated herein by reference

in its entirety. The Merger Agreement has been attached to provide investors with information regarding its terms. It is not intended to provide any other factual information about the transaction parties. In particular, the assertions embodied in the representations and warranties contained in the Merger Agreement are qualified by information in confidential Disclosure Letters provided by the parties in connection with the signing of the Merger Agreement. These confidential Disclosure Letters contain information that modifies, qualifies and creates exceptions to the representations and warranties set forth in the Merger Agreement. Moreover, certain representations and warranties in the Merger Agreement were used for the purpose of allocating risk between parties rather than establishing matters as facts. Accordingly, you should not rely on the representations and warranties in the Merger Agreement.

Voting Agreement

Certain stockholders of Globalstar (collectively, the “Specified Globalstar Stockholders”) entered into a voting agreement with Globalstar, dated April 24, 2018 (the “Voting Agreement”). The Specified Globalstar Stockholders together own, in the aggregate, approximately 53% of the currently outstanding shares of Globalstar’s voting common stock.

The foregoing is a summary only and does not purport to be a complete description of all of the terms and provisions contained in the Voting Agreements, and is subject to and qualified in its entirety by reference to the Form of Voting Agreement attached hereto as Exhibit 10.1 which is incorporated by reference into this Item 1.01.
