#### NOTICE TO STOCKHOLDERS OF ACTION APPROVED BY CONSENTING STOCKHOLDERS

The following action was taken based upon the unanimous recommendation of Veracity's Board of Directors (the "Board") and the written consent of the consenting stockholders as set forth in Exhibit A:

#### ACTION I REVERSE STOCK SPLIT

#### MATERIAL TERMS OF THE REVERSE SPLIT

The Board has unanimously adopted and the consenting stockholder has approved a resolution, attached as Exhibit A hereto, to effect a one-for-seventy three (1:73) reverse stock split of the Common Stock of Veracity (the "Reverse Split"). The resulting share ownership interest including resulting fractional shares for each individual shareholder shall be rounded up to the third whole integer in such a manner that every shareholder shall own at least 100 shares as a result of the Reverse Split. The Board and the consenting stockholder believe that the Reverse Split is in Veracity's best interests, principally because it will enable Veracity to issue additional shares in connection with raising capital and/or potential business acquisitions related to its ongoing efforts to acquire additional operating business.

The immediate effect of the Reverse Split will be to reduce the total number of shares of Veracity common stock from approximately 2,692,670,338 shares to approximately 36,885,895 shares issued and outstanding.

The Reverse Split will affect all of the holders of Veracity's common stock uniformly and will not materially affect any stockholder's percentage ownership interest in Veracity or proportionate voting power, except for insignificant changes that will result from the rounding of fractional

shares.

The Reverse Split is expected to become effective on or about September 1, 2007 (the "Effective Date"). The Reverse Split will take place on the Effective Date without any action on the part of the holders of Veracity's common stock and without regard to current certificates representing shares of any class of Veracity common stock being physically surrendered for certificates representing the number of shares of Veracity common stock each stockholder is entitled to receive as a result of the Reverse Split. New certificates of Veracity common stock will be issued.

No fractional shares will be issued in connection with the Reverse Split. Any fractional share will be rounded up to the third whole integer in such a manner that every shareholder shall own at least 100 shares as a result of the Reverse Split.

A resolution and consent granting the authority to effect a one-for-seventy three reverse stock split of the Common Stock of Veracity is attached hereto as Exhibit A.

#### **CERTAIN FEDERAL INCOME TAX CONSEQUENCES**

The following summary of certain material federal income tax consequences of the Reverse Split does not purport to be a complete discussion of all of the possible federal income tax consequences and is included for general information only. Further, it does not address any state, local, foreign or other income tax consequences, nor does it address the tax consequences to stockholders that are subject to special tax rules, such as banks, insurance companies, regulated investment companies, personal holding companies, foreign entities, non-resident alien individuals, broker-dealers and tax-exempt entities. The discussion is based on the United States federal income tax laws as of the date of this Information Statement. Such laws are subject to change retroactively as well as prospectively. This summary also assumes that the shares of Common Stock are held as "capital assets," as defined in the Internal Revenue Code of 1986, as amended. The tax treatment of a stockholder may vary depending on the facts and circumstances of such stockholder.

**EACH STOCKHOLDER IS URGED TO CONSULT WITH SUCH STOCKHOLDER'S TAX ADVISOR WITH RESPECT TO THE PARTICULAR TAX CONSEQUENCES OF THE REVERSE SPLIT.**

No gain or loss should be recognized by a stockholder as a result of the Reverse Split; provided, however, any whole shares received in lieu of fractional shares may result in a taxable gain or loss. The aggregate tax basis of the shares received in the Reverse Split will be the same as the stockholder's aggregate tax basis in the shares exchanged. The stockholder's holding period for the shares received in the Reverse Split will include the period during which the stockholder held the shares surrendered as a result of the Reverse Split. Veracity's views regarding the tax consequences of the Reverse Split are not binding upon the Internal Revenue Service or the courts, and there is no assurance that the Internal Revenue Service or the courts would accept the positions expressed above. The state and local tax consequences of the Reverse Split may vary significantly as to each stockholder, depending on the state in which such stockholder resides.

Although this action is not intended to have any anti-takeover effect and is not part of any series of anti-takeover measures contained in any instruments or the Articles of Incorporation as amended or the Bylaws of Veracity in effect on the date of this Information Statement, Veracity stockholders should note that the availability of additional authorized and unissued shares of common stock could make any attempt to gain control of Veracity or the Board more difficult or time consuming and that the availability of additional authorized and unissued shares might make it more difficult to remove management. Although the Board currently has no intention of doing so, shares of common stock could be issued by the Board to dilute the percentage of common stock owned by a significant stockholder and increase the cost of, or the number of, voting shares necessary to acquire control of the Board or to meet the voting requirements imposed by Delaware law with respect to a merger or other business combination involving Veracity.

Following the Reverse Stock Split and the Authorized Share Increase, the number of shares of Veracity's stock will be as follows (subject to slight adjustment for rounding of fractional shares):

	Common Stock Outstanding	Authorized Common Stock	Preferred Stock Outstanding	Authorized Preferred Stock
Pre Reverse Split	2,692,670,338	3,500,000,000	0	5,000,000
1 for 73	36,885,895	3,500,000,000	0	5,000,000
