UNITED INSURANCE HOLDINGS CORP.
PROXY STATEMENT FOR 2014 ANNUAL MEETING OF STOCKHOLDERS

GENERAL INFORMATION

General

The Board of Directors (the Board) of United Insurance Holdings Corp. solicits the accompanying proxy for our 2014 Annual Meeting of Stockholders (the Annual Meeting) to be held at our office located at 360 Central Ave., Suite 900, St. Petersburg, Florida, 33701 on Wednesday, May 7, 2014, at 1:00 p.m. local time. In our attached Notice of Annual Meeting of Stockholders, we set forth the matters that stockholders will consider and act upon at the meeting. We will send this Proxy Statement for our 2014 Annual Meeting (this Proxy Statement), our Notice of Annual Meeting of Stockholders, the enclosed proxy, our 2013 Annual Report, and our Notice of Internet Availability of Proxy Materials to our stockholders on or about April 3, 2014. Included in our 2013 Annual Report is our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, as filed with the Securities and Exchange Commission (the SEC), which you can find on the SEC's website at www.sec.gov. Copies of the exhibits filed with our Form 10-K may be obtained by submitting a written request as described in the subsection entitled Communication with the Company by Postal Mail.

Our Board is not aware of any other matters that are likely to be brought before stockholders at the Annual Meeting other than those specified in the notice thereof; however, if any other matters properly come before the stockholders at the Annual Meeting, the persons named in the enclosed proxy or their duly constituted substitutes acting at the Annual Meeting will be authorized to vote or otherwise act thereon in accordance with their judgment on such matters. If the enclosed proxy is properly executed and returned prior to voting at the Annual Meeting, the shares represented thereby will be voted in accordance with the instructions marked thereon. Except as set forth below, in the absence of instructions, executed proxies will be voted "FOR" the four nominees to serve as Class B Directors of our Board and "FOR" the ratification of the appointment by the Audit Committee of our Board of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014. Please note that, under New York Stock Exchange (NYSE) rules, your broker will NOT be able to vote your shares with respect to the election of directors (Proposal One) if you have not provided instructions to your broker. We therefore strongly encourage you to submit your proxy and exercise your right to vote as a stockholder.

Communication with the Company by Postal Mail

Unless otherwise noted in the Proxy Statement, requests for documents and/or information, submissions of proposals or nominations, proxy revocations or other official communications should be submitted in writing to the following address:

United Insurance Holdings Corp.

Attention: Corporate Secretary

Outstanding Securities and Voting Rights

Our Board has fixed the record date for the determination of stockholders entitled to notice of, and to vote at, our Annual Meeting as the close of business on March 20, 2014 (the Record Date). As of March 20, 2014, there were 20,847,470 shares of our common stock outstanding and entitled to vote. Each share of our common stock is entitled to one vote on each of the matters listed in our Notice of Annual Meeting and this Proxy Statement.

Voting Information

The presence of the holders of a majority of the outstanding shares of our common stock entitled to vote at the Annual Meeting, present in person or represented by proxy, is necessary to constitute a quorum. Abstentions and “broker non-votes” are counted as present and entitled to vote for the purpose of determining whether a quorum is present. A “broker non-vote” occurs when a broker, bank or other holder of record, holding shares for a beneficial owner, does not vote on a particular proposal because that holder does not have discretionary voting power under the rules of the NYSE for that particular item and has not received instructions from the beneficial owner. We believe that the ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 (Proposal Two) is a routine matter on which brokers will be permitted to vote your shares even if you have not provided instructions to your broker.

The rules of the NYSE do not consider the election of directors (Proposal One) to be routine matters and brokers may not vote on behalf of their clients with respect to these proposals if their clients do not provide voting instructions. Please vote your shares on Proposal One. Abstentions and broker non-votes will not affect the outcome of the vote on these Proposals.

Directors will be elected by a plurality of the votes cast by shares entitled to vote at the Annual Meeting. Therefore, the four Class B Director nominees receiving the most votes will be elected to the Board as Class B Directors to serve two year terms ending on the date of the 2016 annual meeting of stockholders and until their successors are duly elected and qualified.

Neither our Certificate of Incorporation, our By-Laws nor any applicable law requires stockholder ratification of the appointment of McGladrey LLP as our independent registered public accounting firm. Our Certificate of Incorporation (as amended and restated) provides that our directors may submit any act for approval or ratification at any annual meeting of our stockholders and that the approval or ratification of such act will require the vote of the holders of a majority of our stock represented in person or by proxy and entitled to vote at the meeting (provided that a quorum of stockholders is represented in person or by proxy). Accordingly, the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014 will be ratified if we receive the affirmative vote of the holders of a majority of our stock represented in person or by proxy and entitled to vote at the Annual Meeting, provided that a quorum is represented. Abstentions will be included in the calculation of the number of shares represented and entitled to vote at the Annual Meeting and will therefore count as votes against the ratification of the appointment of McGladrey LLP.

We have appointed an Inspector of Elections for our Annual Meeting who will tabulate all of the votes at our Annual Meeting. For a period of ten (10) days prior to the Annual Meeting, any stockholder may appear at our office, located at the address listed in the subsection entitled Communication with the Company by Postal Mail, to examine a list of our stockholders entitled to vote at our Annual Meeting.

Attendance

All stockholders as of the close of business on the Record Date, or their duly appointed proxy holders, may attend our Annual Meeting. Registration will begin at 12:30 p.m. and persons attending should allow ample time for check-in procedures. If you attend, please note that you may be asked to present valid photo identification, such as a driver’s license or passport. If you are a stockholder of record, we will verify your name against the list of our stockholders as of the Record Date, prior to admittance to our Annual Meeting. Please also note that if you are a beneficial holder and hold your shares through a broker, bank or other holder of record (i.e., in “street name”), you will need to present a copy of a brokerage statement reflecting your stock ownership as of the Record Date before you can be admitted to our

Annual Meeting.

You may attend our Annual Meeting and vote in person, regardless of whether you have previously voted by proxy card or via the Internet. If you are a beneficial owner of our common stock and if you obtain a legal proxy from your broker, bank or other holder of record and present it to the Inspector of Elections along with your ballot, you may vote in person at our Annual Meeting. We encourage you to vote your shares in advance of our Annual Meeting, even if you plan on attending. If you have already voted, you may nevertheless revoke your vote in the manner described below and vote in person at our Annual Meeting.

Directions

To obtain directions to attend our Annual Meeting and vote in person, please contact John Rohloff, Director of Financial Reporting, at (727) 895-7737.

Revocation

You may revoke your proxy at any time before the vote at our Annual Meeting by submitting written notice as described in the subsection entitled Communication with the Company by Postal Mail, by delivering a proxy bearing a later date or by attending the meeting and voting in person. If you beneficially own shares of our common stock, you may submit new voting instructions by contacting your broker, bank, or other holder of record. You may also vote in person at our Annual Meeting if you obtain a legal proxy, as described in the subsection entitled Attendance.

Expense and Manner of Solicitation

Our Board is soliciting the proxy accompanying this Proxy Statement. We will bear the entire cost of solicitation, including the preparation, assembly, printing, and mailing of this Proxy Statement, the proxy, and any additional information we furnish to our stockholders. We may solicit proxies through the mail, or our directors, executive officers, and other employees may solicit proxies in person or by telephone. We will not pay any additional compensation to our directors, executive officers, or other employees for their services with regard to proxy solicitation. We will also request brokers, banks, and other stockholders of record to forward proxy materials, at our expense, to the beneficial owners of our shares.

Delivery of Documents to Stockholders Sharing an Address

Some companies, brokers, banks, and other holders of record may employ procedures, approved by the SEC, known as “householding.” Householding, which reduces costs associated with duplicate printings and mailings, means that we will send only one copy of our Annual Report and Proxy Statement to stockholders who share the same address. Stockholders sharing the same address will continue to receive separate proxy cards.

If you own shares of our common stock and would like to receive additional copies of our Annual Report and Proxy Statement, you may submit a request to us by: (i) mailing a request in writing as described in the subsection entitled Communication with the Company by Postal Mail, or (ii) calling us at (727) 895-7737; we will promptly mail the requested copies to you. If you own shares of our common stock in your own name and you want to receive separate copies of the Annual Report and Proxy Statement in the future, or if you receive multiple copies and want to receive only one copy, contact American Stock Transfer & Trust Company, LLC at (800) 937-5449 or 6201 15th Avenue, Brooklyn, NY 11219. If you beneficially own shares of our common stock and you want to receive separate copies of the Annual Report and Proxy Statement in the future, or if you receive multiple copies and want to receive only one copy, contact your bank, broker, or other holder of record.

Deadline for the Submission of Stockholders’ Proposals for the 2015 Annual Stockholders’ Meeting

All proposals or nominations a stockholder wishes to submit at the meeting should be submitted as described in the subsection entitled Communication with the Company by Postal Mail.

In accordance with SEC regulations, we hereby notify our stockholders that if, pursuant to Rule 14a-8, they wish to include a proposal in our proxy statement and form of proxy relating to our 2015 annual meeting, we must receive a written copy of their proposal no later than December 17, 2014. Proposals must comply with the SEC proxy rules relating to stockholder proposals to be included in our proxy materials.

If we receive any notice of a stockholder proposal submitted outside the processes of Rule 14a-8 after March 2, 2015, we will consider such notice untimely. The proxy solicited by our Board for the 2015 annual meeting will confer discretionary authority on the persons named in such proxy to vote on any stockholder proposal presented at that meeting that was not timely submitted to us.

PROPOSAL ONE – ELECTION OF DIRECTORS

Proposal

Our Board consists of Class A Directors and Class B Directors; each class generally serves a two year term, typically with only one class of directors being elected in each year.

The term of office for our Class A Directors, currently consisting of Gregory C. Branch, Kent G. Whittemore, and John L. Forney, will expire at our 2015 annual meeting of stockholders. The term of office for our Class B Directors, currently consisting of Alec L. Poitevint, II, Kern M. Davis, M.D., William H. Hood, III, and Sherrill W. Hudson, will expire at our Annual Meeting. Accordingly, our Board is soliciting votes for the four Class B Director nominees named below and your proxy cannot be voted for more than four Class B Director nominees.

Our Board has nominated for election at the Annual Meeting Alec L. Poitevint, II, Kern M. Davis, M.D., William H. Hood, III, and Sherrill W. Hudson as Class B Directors. Each director nominee elected as a Class B Director at our Annual Meeting will serve a two year term until his successor is elected and qualified at our 2016 annual meeting of stockholders.

Unless authority to vote for any of these nominees is withheld, the shares represented by the enclosed proxy will be voted “FOR” the election of Alec L. Poitevint, II, Kern M. Davis, M.D., William H. Hood, III, and Sherrill W. Hudson as Class B Directors. All of these nominees have agreed to serve if elected and have consented to being named in this Proxy Statement. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board may recommend in his place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

Directors are elected by a plurality of the votes of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. Therefore, the four Class B Director nominees receiving the most votes will be elected as Class B Directors. Abstentions and broker non-votes will not affect the outcome of the vote on the election of directors.

Recommendation of the Board

Our Board unanimously recommends that you vote FOR the election of Alec L. Poitevint, II, Kern M. Davis, M.D., William H. Hood, III, and Sherrill W. Hudson as Class B Directors, each to serve a two year term ending on the date of the 2016 annual meeting of stockholders and until his successor is duly elected and qualified.

Our Nominating and Corporate Governance Committee currently consists of Messrs. Branch, Whittemore, Davis, and Hood; our Compensation and Benefits Committee currently consists of Messrs. Branch, Poitevint, Hood, Hudson and Whittemore; and our Audit Committee currently consists of Messrs. Hudson, Whittemore and Davis. All of the members of all of these committees qualify as independent directors under NASDAQ Rule 5605(a)(2). In addition, all of the members of the Audit Committee qualify as independent directors under the independence standards for audit committee members set forth in NASDAQ Rule 5605(c)(2).

Our Board held four meetings and acted by unanimous written consent in lieu of a meeting nine times during 2013. All of our directors attended at least 75% of all meetings of the Board and Board committees on which they served during 2013. One of our directors attended our 2013 annual meeting of stockholders. We do not have a formal policy with respect to director attendance at annual meetings; however, we encourage all of our directors to attend.

Nominating and Corporate Governance Committee. Our Nominating and Corporate Governance Committee (our Nominating Committee) assists our Board by:

- identifying qualified individuals to become directors,
- recommending qualified director nominees for election at the stockholders' annual meeting,
- determining membership on Board committees,
- recommending a set of corporate governance guidelines,
- overseeing annual self-evaluations by our Board and annual self-evaluations of itself, and
- reporting annually to our Board regarding the Chief Executive Officer succession plan.

Our Nominating Committee operates under a formal written charter that governs its duties and standards of performance. The committee reviews its charter annually for appropriate revisions. Interested parties can obtain copies of the charter free of charge on our web site at www.upcinsurance.com, or by contacting our Secretary at the address listed in the subsection entitled Communication with the Company by Postal Mail.

Our Board selects the director nominees to stand for election at our annual stockholder meetings and to fill vacancies occurring on our Board based on the recommendations of the Nominating Committee. Our Nominating Committee has not adopted minimum qualifications for director nominees. Our Nominating Committee selects nominees for director on the basis of experience, integrity, skills, diversity, the ability to make independent analytical inquiries, an understanding of our business environment and the willingness to devote adequate time to Board duties, all within the context of an assessment of the perceived needs of the Board at a given point in time. While our Nominating Committee considers diversity as one of several criteria for eligibility, we have not adopted a formal diversity policy. In addition to the individual attributes of our directors discussed above, we highly value the collective business experience and qualifications of the directors. We believe that the collective experiences, viewpoints and perspectives of our directors result in a Board with the commitment and energy to advance the interests of our stockholders.

Our Nominating Committee may consider current members of our Board for re-election unless they have notified our Board that they do not wish to stand for re-election. Our Nominating Committee may also consider candidates for our Board recommended by current members of our Board or members of management. In addition, our Nominating Committee will consider director candidates recommended by our stockholders in the same manner as it would consider any other recommended nominees. Any stockholder wishing to recommend a nominee for director should notify our Secretary in writing and include, at a minimum, (i) the name and address, as they appear in our books, of the stockholder giving the notice, (ii) the class and number of our common stock shares that the stockholder beneficially owns, (iii) a statement that the candidate is willing to be nominated and to serve as a director if elected, and (iv) any other information regarding the candidate that the SEC would require us to include in a proxy statement. If our Nominating Committee determines that a stockholder-recommended candidate is suitable for Board membership, it will include the candidate in the pool of candidates under consideration for nomination upon the occurrence of the next Board vacancy or in connection with the next annual meeting of our stockholders.

Pursuant to the above procedures, once our Nominating Committee identifies prospective nominees, it will solicit background information on the candidates, then investigate, interview and evaluate the candidates. The committee will then report to the Board.

Our Nominating Committee recommended the four incumbent director nominees for our Annual Meeting to our Board, who approved their recommendation.

Our Nominating Committee met two times during 2013, with all members attending the meetings.

Compensation and Benefits Committee. Our Compensation and Benefits Committee assists our Board with its responsibilities relating to the compensation of our directors and officers, and it has overall responsibility for recommending the director and officer compensation plans, policies and long-term compensation programs for final approval by our Board. The committee takes into account our goals and objectives as approved by the Board when making recommendations for the Chief Executive Officer's and the Chief Financial Officer's compensation. Based on our Chief Executive Officer's

recommendations, the committee will recommend any employment arrangements and bonus plans for officers other than our Chief Executive Officer. For information regarding the committee's processes and procedures for determining director compensation, please see the subsection entitled Director Compensation in the section entitled Director and Executive Compensation. The committee may not delegate any of its authority to any other persons. The committee may engage compensation consultants; however, the committee did not engage compensation consultants with respect to executive or director compensation for 2013.

Our Compensation and Benefits Committee operates under a formal written charter adopted by our Board that governs its duties and conduct. The committee reviews its charter annually for appropriate revisions. Interested parties can obtain copies of the charter free of charge on our web site at www.upcinsurance.com, or by contacting our Secretary at the address listed in the subsection entitled Communication with the Company by Postal Mail.

Our Compensation and Benefits Committee met two times in board meetings, with all members attending the meetings, and acted by written consent two times during 2013.

Audit Committee. We established an Audit Committee in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended. Our Audit Committee consists of Mr. Hudson, Mr. Whittemore and Dr. Davis. Our Board determined that Mr. Hudson is currently our audit committee financial expert as defined in Item 407(d)(5) of Regulation S-K. All members of our Audit Committee are "independent" under both the general independence standards and the audit committee independence standards set forth in the NASDAQ Marketplace Rules.

Our Audit Committee operates under a formal written charter adopted by our Board that governs its duties and conduct. The committee reviews its charter annually for appropriate revisions. Interested parties can obtain copies of the charter free of charge on our web site at www.upcinsurance.com, or by contacting our Secretary at the address listed in the subsection entitled Communication with the Company by Postal Mail.

Our Audit Committee assists our Board in its oversight of the quality and integrity of our accounting, auditing, and reporting practices. Our Audit Committee's role includes monitoring:

- the integrity of our financial statements,
- our compliance with legal and regulatory requirements,
- the independent auditor's qualifications and independence,
- the performance of our independent auditors,
- our business practices and ethical standards, and
- our risk assessment and risk management policies.

Our Audit Committee met ten times during 2013, with all members attending the meetings, except for one director who was absent from one meeting.

Audit Committee Report

As part of its oversight responsibility, the Audit Committee reviewed and discussed the audited financial statements, the adequacy of financial controls and the effectiveness of UPC Insurance's internal control over financial reporting

with management and McGladrey LLP (McGladrey). The Audit Committee also has discussed with McGladrey the matters required to be discussed by the statement on Auditing Standards No. 16 (as adopted by the Public Company Accounting Oversight Board in Rule 3526). The Audit Committee has received the written disclosures and the letter from McGladrey required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant's communications with the audit committee concerning independence. The Audit Committee also has discussed with McGladrey that firm's independence.

Based on these reviews and discussions, the Audit Committee recommended to the Board, and the Board approved, the inclusion of the audited financial statements in UPC Insurance's Annual Report on Form 10-K for the year ended December 31, 2013 for filing with the SEC.

Board Leadership Structure and Board's Role in Risk Oversight

Our Board has a non-executive Chairman, a position which remains independent of management. The Chairman sets the agendas for and presides over the Board meetings. The Chief Executive Officer is a member of the Board and participates in meetings. The Board believes that this leadership structure is appropriate for our Company at this time because it allows for independent oversight of management, increases management accountability and encourages an objective evaluation of management's performance.

The Board regularly devotes time during its meetings to review and discuss the most significant risks facing our Company and management's process for identifying, prioritizing and responding to those risks. During these discussions, our Chief Executive Officer and our Chief Financial Officer present management's process for the assessment of risks, a description of the most significant risks facing our company and any mitigating factors, plans or policies in place to address those risks. The Board also delegates certain of its risk oversight responsibilities to its committees.

The Audit Committee bears responsibility for oversight of our policies with respect to risk assessment and risk management and must discuss major financial risk exposures facing us and the steps we have taken to monitor and control such exposures. The Audit Committee also oversees our compliance with legal and regulatory requirements, areas which generate many of the most significant risks we face.

Communication with Directors

Stockholders may contact an individual director, our Board as a group, or a specified Board committee by sending correspondence addressed to our Secretary to the address listed in the subsection entitled Communication with the Company by Postal Mail or by sending an e-mail to our investor relations e-mail address at InvestorRelations@upcinsurance.com. Each communication should specify the applicable addressee or addressees to which the communication is directed, as well as the general topic of the communication. We will initially receive and process communications before forwarding them to the addressee. We also may refer communications to other departments as applicable. We generally will not forward to our directors a communication that is primarily commercial in nature, relates to an improper or irrelevant topic, or is a request for general information regarding us.

On June 8, 2012, we entered into an employment agreement with John Forney (Employment Agreement), pursuant to which we appointed him to serve as our Chief Executive Officer and as a Director on our Board beginning on and effective as of June 14, 2012. Under the terms of the Employment Agreement, Mr. Forney will serve an initial term of five years. At the conclusion of that initial five year term, Mr. Forney's employment term will automatically be extended for consecutive one (1) year periods (Employment Term) unless either party provides at least ninety (90) days' written notice prior to the expiration of the Employment Term. During the Employment Term, Mr. Forney will receive a minimum annual base salary of \$450,000 (which was prorated in 2012 to reflect the time worked by Mr. Forney during 2012). In addition, Mr. Forney is eligible to receive annual cash bonuses at the discretion of the Board. For calendar year 2012, we guaranteed Mr. Forney a cash bonus of no less than \$150,000. Finally, in addition to cash-based compensation, we granted Mr. Forney the restricted stock award described below.

We awarded Mr. Forney 86,990 shares of restricted common stock in connection with his employment with our company. The restricted shares will vest in twenty percent increments on June 14, 2013 and the first four anniversaries of June 14, 2013, provided that Mr. Forney is continuously employed by our company from June 14, 2012 through the applicable vesting dates. However, if Mr. Forney's employment with our company terminates due to either (a) our termination of Mr. Forney's employment without cause (as defined in the Employment Agreement), or (b) Mr. Forney's termination of his employment for good reason (as defined in the Employment Agreement), so long as (in either case) proper notice of such termination is timely provided in accordance with the Employment Agreement, the restricted shares that would vest on the vesting date that occurs during the year in which the termination occurs shall, if not already vested, automatically and immediately vest as of the later of (i) the date of the termination of Mr. Forney's employment with our company or (ii) the date on which a release of claims against our company (as described in Section 4.10 of the Employment Agreement) becomes effective. If Mr. Forney's employment with our company terminates for any other reason before the date that restricted shares have vested, the shares that have not yet vested as of the date of such termination will immediately be forfeited as of the date of such termination.

If Mr. Forney's employment is terminated for cause (as defined in the Employment Agreement), Mr. Forney will be entitled to receive: (a) any unpaid base salary accrued through the effective date of termination; (b) any benefits owed to Mr. Forney under any benefit plans (in accordance with the terms of such plans); and (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date. Any such payments must be made on or before March 15th of the year following Mr. Forney's termination for cause.

If Mr. Forney's employment is terminated due to death or disability, Mr. Forney (or his estate or legal representatives (as applicable)) will be entitled to receive: (a) payment for all accrued but unpaid base salary as of the date of termination of employment; (b) reimbursement for expenses incurred; (c) any earned benefits to which Mr. Forney may be entitled as of the date of termination pursuant to the terms of any compensation or benefit plans to the extent permitted by such plans (with the payments described in subsections (a) through (c) collectively referred to as the "Accrued Payments"); (d) any annual incentive

bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date; and (e) if termination occurs prior to the end of any fiscal year, a pro rata annual incentive bonus for the fiscal year in which termination occurs (determined and paid based on actual performance achieved for that fiscal year against the performance goals for that fiscal year). In addition, in the case of death, we will continue to provide all benefits applicable to Mr. Forney's family for six (6) months. Any such payments shall be made on or before March 15th of the year following Mr. Forney's death or disability.

If Mr. Forney's employment is terminated without cause or for good reason (as defined in the Employment Agreement), Mr. Forney will be entitled to receive: (a) payment of the Accrued Payments in full within the next normal payroll period following termination; (b) a separation allowance, payable in equal installments in accordance with normal payroll practices, prorated over a 12 month period beginning immediately following the date of termination as follows: (i) if the separation occurs within the initial five year term of employment, an allowance equal to Mr. Forney's annual base salary for the entire year of separation; or (ii) if the separation occurs beyond the initial five year term of employment and occurs without the minimum ninety (90) days' written notice prior to the expiration of the Employment Term, an allowance equal to Mr. Forney's remaining annual base salary for the year of separation; (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, to be paid in full within the next normal payroll period following termination; and (d) if termination occurs prior to the end of any fiscal year, the annual incentive bonus for the fiscal year in which termination occurs to which Mr. Forney would have been entitled if employed at the conclusion of the fiscal year (determined and paid based on actual performance achieved for such fiscal year against the performance goals for that fiscal year), to be paid in full within ninety days following completion of the fiscal year. Mr. Forney's remaining equity stock award for the year of separation (twenty percent of initial equity stock award grant) will automatically and immediately vest in full. In addition, we will arrange for Mr. Forney to continue to participate (through COBRA or otherwise), on substantially the same terms and conditions as in effect for Mr. Forney (including any required contribution) immediately prior to such termination, in the medical, dental, disability and life insurance programs provided to Mr. Forney as follows: (i) if the separation occurs within the initial five year term of employment, until the earlier of (A) the end of the 24 month period beginning on the effective date of the termination of employment, or (B) such time as Mr. Forney is eligible to be covered by comparable benefit(s) of a subsequent employer (determined on a benefit-by-benefit and coverage-by-coverage basis); or (ii) if the separation occurs beyond the initial five year term of employment and occurs without the minimum ninety (90) days' written notice prior to the expiration of the Employment Term, until the earlier of (Y) the end of the current Employment Term year in which the separation occurs; or (Z) such time as Mr. Forney is eligible to be covered by comparable benefit(s) of a subsequent employer (determined on a benefit-by-benefit and coverage-by-coverage basis).

Upon termination by us or Mr. Forney with at least ninety (90) days' written notice prior to the expiration of the Employment Term (i.e., in connection with a decision not to extend the Employment Term), Mr. Forney will be entitled to receive: (a) any unpaid base salary accrued through the completion of the Employment Term; (b) any benefits owed to Mr. Forney under any benefit plan provided to Mr. Forney (in accordance with the terms of such plan); and (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date.

In the event Mr. Forney terminates his employment without good reason during the employment term, he shall provide 90 days' prior written notice of such termination and shall forego any further compensation, including further vesting of any equity stock award not vested as of the date of termination. However, Mr. Forney will still be entitled to receive all Accrued Payments.

During the Employment Term, Mr. Martz will receive a minimum annual base salary of \$225,000 (which was prorated in 2012 to reflect the time worked by Mr. Martz during 2012). In addition, Mr. Martz is eligible to receive annual cash bonuses at the discretion

of the Board. Finally, in addition to cash-based compensation, we granted Mr. Martz the restricted stock award described below.

We awarded Mr. Martz 3,900 shares of restricted common stock in connection with his employment with our company. The restricted shares vested on the one-year anniversary of the date his restricted stock award agreement became effective which was on April 1, 2013; provided that Mr. Martz is continuously employed by the Company from the effective date through the vesting date. However, if Mr. Martz's employment with our company terminates due to our termination of Mr. Martz's employment without cause (as defined in the Martz Employment Agreement), the restricted shares that would vest on the vesting date that occurs during the year in which the termination occurs shall, if not already vested, automatically and immediately vest as of the later of (i) the date of the termination of Mr. Martz's employment with our company or (ii) the date on which a release of claims against our company (as described in Section 4.7 of the Martz Employment Agreement) becomes eff

ective. If Mr. Martz's employment with our company terminates for any other reason before the date that restricted shares have vested, the shares that have not yet vested as of the date of such termination will immediately be forfeited as of the date of such termination.

If Mr. Martz's employment is terminated for cause (as defined in the Martz Employment Agreement), Mr. Martz will be entitled to receive: (a) any unpaid base salary accrued through the effective date of termination; (b) any benefits owed to Mr. Martz under any benefit plans (in accordance with the terms of such plans); and (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date.

If Mr. Martz's employment is terminated due to death or disability, Mr. Martz (or his estate or legal representatives (as applicable)) will be entitled to receive: (a) payment for all accrued but unpaid base salary as of the date of termination of employment; (b) reimbursement for expenses incurred; (c) any earned benefits to which Mr. Martz may be entitled as of the date of termination pursuant to the terms of any compensation or benefit plans to the extent permitted by such plans (with the payments described in subsections (a) through (c) collectively referred to as the "Accrued Payments"); (d) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date; and (e) if termination occurs prior to the end of any fiscal year, a pro rata annual incentive bonus for the fiscal year in which termination occurs (determined and paid based on actual performance achieved for that fiscal year against the performance goals for that fiscal year). In addition, in the case of death, we will continue to provide all benefits applicable to Mr. Martz's family for six (6) months. Any such payments shall be made on or before March 15th of the year following Mr. Martz's death or disability.

If Mr. Martz's employment is terminated without cause or for good reason (as defined in the Martz Employment Agreement), Mr. Martz will be entitled to receive: (a) payment of the Accrued Payments in full within the next normal payroll period following termination; (b) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, to be paid in full within the next normal payroll period following termination; and (d) if termination occurs prior to the end of any fiscal year, the annual incentive bonus for the fiscal year in which termination occurs to which Mr. Martz would have been entitled if employed at the conclusion of the fiscal year (determined and paid based on actual performance achieved for such fiscal year against the performance goals for that fiscal year), to be paid in full within ninety days following completion of the fiscal year. Mr. Martz's remaining equity stock award for the year of separation will automatically and immediately vest in full. In addition, we will arrange for Mr. Martz to continue to participate (through COBRA or otherwise), on substantially the same terms and conditions as in effect for Mr. Martz (including any required contribution) immediately prior to such termination, in the medical, dental, disability and life insurance programs provided to Mr. Martz until the earlier of: (i) a one-hundred twenty (120) day period from the effective date of termination; (A) the end of the 24 month period beginning on the effective date of the termination of employment, or (ii) such time as Mr. Martz is eligible to be covered by comparable benefit(s) of a subsequent employer (determined on a benefit-by-benefit and coverage-by-coverage basis).

Upon termination by us or Mr. Martz with at least ninety (90) days' written notice prior to the expiration of the Employment Term (i.e., in connection with a decision not to extend the Employment Term), Mr. Martz will be entitled to receive: (a) any unpaid base salary accrued through the completion of the Employment Term; (b) any benefits owed to Mr. Martz under any benefit plan provided to Mr. Martz (in accordance with the terms of such plan); and (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date.

In the event Mr. Martz terminates his employment without good reason during the employment term, he shall provide 180 days' prior written notice of such termination and shall forego any further compensation, including further vesting of any equity stock award not vested as of the date of termination. However, Mr. Martz will still be entitled to receive all Accrued Payments.

Employment Agreement with Jay Williams. On July 8, 2013, we entered into an employment agreement with Jay Williams (Williams Employment Agreement). Under the terms of the Employment Agreement, Mr. Williams will serve on an at-will basis, as the Vice President of Marketing. The agreement provides that either party agrees to provide at least one hundred eighty (180) days' written notice of their intent to terminate the Williams Agreement

unless such termination is for cause. During the Employment Term, Mr. Williams will receive a minimum annual base salary of \$200,000. In addition, Mr. Williams is eligible to receive annual cash bonuses at the discretion of the Board. Finally, in addition to cash-based compensation, we granted Mr. Williams the restricted stock award described below. We awarded Mr. Williams 2,299 shares of restricted common stock in connection with his employment with our company. The restricted shares will vest on the one-year anniversary of the date his restricted stock award agreement became effective which was on October 1, 2013; provided that Mr. Williams is continuously employed by the Company from the effective date through the vesting date. However, if Mr. Williams' employment with our company terminates due to our termination of Mr. Williams' employment without cause (as defined in the Williams Employment Agreement), the restricted shares that would vest

on the vesting date that occurs during the year in which the termination occurs shall, if not already vested, automatically and immediately vest as of the later of (i) the date of the termination of Mr. Williams' employment with our company or (ii) the date on which a release of claims against our company (as described in Section 4.7 of the Williams Employment Agreement) becomes effective. If Mr. Williams' employment with our company terminates for any other reason before the date that restricted shares have vested, the shares that have not yet vested as of the date of such termination will immediately be forfeited as of the date of such termination.

If Mr. Williams' employment is terminated for cause (as defined in the Williams Employment Agreement), Mr. Williams will be entitled to receive: (a) any unpaid base salary accrued through the effective date of termination; (b) any benefits owed to Mr. Williams under any benefit plans (in accordance with the terms of such plans); and (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date.

If Mr. Williams' employment is terminated due to death or disability, Mr. Williams (or his estate or legal representatives (as applicable)) will be entitled to receive: (a) payment for all accrued but unpaid base salary as of the date of termination of employment; (b) reimbursement for expenses incurred; (c) any earned benefits to which Mr. Williams may be entitled as of the date of termination pursuant to the terms of any compensation or benefit plans to the extent permitted by such plans (with the payments described in subsections (a) through (c) collectively referred to as the "Accrued Payments"); (d) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date; and (e) if termination occurs prior to the end of any fiscal year, a pro rata annual incentive bonus for the fiscal year in which termination occurs (determined and paid based on actual performance achieved for that fiscal year against the performance goals for that fiscal year). In addition, in the case of death, we will continue to provide all benefits applicable to Mr. Williams' family for six (6) months. Any such payments shall be made on or before March 15th of the year following Mr. Williams' death or disability.

If Mr. Williams' employment is terminated without cause or for good reason (as defined in the Williams Employment Agreement), Mr. Williams will be entitled to receive: (a) payment of the Accrued Payments in full within the next normal payroll period following termination; (b) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date, to be paid in full within the next normal payroll period following termination; and (d) if termination occurs prior to the end of any fiscal year, the annual incentive bonus for the fiscal year in which termination occurs to which Mr. Williams would have been entitled if employed at the conclusion of the fiscal year (determined and paid based on actual performance achieved for such fiscal year against the performance goals for that fiscal year), to be paid in full within ninety days following completion of the fiscal year. Mr. Williams' remaining equity stock award for the year of separation will automatically and immediately vest in full. In addition, we will arrange for Mr. Williams to continue to participate (through COBRA or otherwise), on substantially the same terms and conditions as in effect for Mr. Williams (including any required contribution) immediately prior to such termination, in the medical, dental, disability and life insurance programs provided to Mr. Williams until the earlier of: (i) a one-hundred twenty (120) day period from the effective date of termination; or (ii) such time as Mr. Williams is eligible to be covered by comparable benefit(s) of a subsequent employer (determined on a benefit-by-benefit and coverage-by-coverage basis).

Upon termination by us or Mr. Williams with at least ninety (90) days' written notice prior to the expiration of the Employment Term (i.e., in connection with a decision not to extend the Employment Term), Mr. Williams will be entitled to receive: (a) any unpaid base salary accrued through the completion of the Employment Term; (b) any benefits owed to Mr. Williams under any benefit plan provided to Mr. Williams (in accordance with the terms of such plan); and (c) any annual incentive bonuses earned but not yet paid for any completed full fiscal year immediately preceding the termination date.

In the event Mr. Williams terminates his employment without good reason during the employment term, he shall provide 180 days' prior written notice of such termination and shall forego any further compensation, including further vesting of any equity stock award not vested as of the date of termination. However, Mr. Williams will still be entitled to receive all Accrued Payments.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, our officers and persons who beneficially own more than 10% of a registered class of our equity securities to file with the SEC initial reports of ownership and reports of changes in beneficial ownership of such equity securities. SEC regulations require directors, officers and beneficial owners of more than 10% of our outstanding equity securities to furnish us with all Section 16(a) forms they file.

Based solely on our review of the Section 16(a) forms furnished to us with respect to the year ended December 31, 2013, and the written representations we received from certain reporting persons indicating that no circumstances occurred during the noted period that would require them to file Form 5, we believe that, during the year ended December 31, 2013, all Section 16(a) reports required to be filed by our directors, officers and greater than 10% beneficial owners were timely filed except for the following form, which was filed late: a Form 4 filing reporting one transaction by William H. Hood, III.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

The following summarizes the transactions and series of related transactions, since January 1, 2012, in which we participated, in which the subject amount exceeded the lesser of \$120,000 or one percent of the average of our total assets at year end for the two most recently completed fiscal years, and in which any of our executive officers, directors, beneficial holders of more than 5% of our common stock or the immediate family members of such officers, directors, and beneficial holders had or will have a direct or material indirect interest, other than compensation we paid to our officers and directors for services performed as such.

During the second quarter ended June 30, 2012, it came to our attention that Hamilton Risk Management (HRM) breached a covenant contained in the Note Purchase Agreement entered into with United Property & Casualty Insurance Company on March 30, 2011, by reason of Kingsway Amigo Insurance Company's Surplus falling below \$13,000,000. On July 17, 2012, we notified HRM of the breach and requested that HRM remedy the breach. On July 20, 2012, our Board unanimously agreed to enter into negotiations with HRM to settle the outstanding note receivable and to terminate our partnership interest in Acadia Acquisition Partners, L.P. We settled the total outstanding note receivable and the partnership interest at an amount equal to \$1,750,000 and received the funds from HRM on August 13, 2012. We recorded a \$316,000 impairment on the note receivable in June to reflect the difference between the carrying amount and the proposed settlement amount, which was recorded in other expenses on the income statement.

Effective August 29, 2011, we entered into a Management Services Agreement (MSA) with 1347 Advisors, LLC, a wholly-owned subsidiary of Kingsway Financial Services, Inc., a property and casualty insurance company. During the term of the agreement, one of our former directors, Mr. Swets, served as the President and Chief Executive Officer of Kingsway, as well as a Managing Director of 1347 Advisors. The MSA, which was effective for a six-month period with automatic three-month extensions unless otherwise terminated, stipulated that 1347 Advisors was to provide us with the services of an interim CFO, in addition to actuarial and other services. During the term of the agreement, Hassan Baqar served as our interim CFO under the MSA until April 2, 2012, when he submitted his resignation effective concurrently with the termination of the MSA described below. During the term of the agreement, Mr. Baqar served as a Managing Director of 1347 Advisors and a Vice President of Kingsway America, Inc., a wholly-owned subsidiary of Kingsway Financial Services, Inc. In exchange for the services, we paid 1347 Advisors a monthly consulting fee of \$60,000 plus any reasonable expenses. For the twelve months ended December 31, 2012, we incurred fees of \$180,000 under the MSA.

In response to a letter our insurance affiliate received from Florida's insurance regulatory authority more fully described in our Current Report on Form 8-K filed with the SEC on April 5, 2012, United Insurance Management (UIM) notified 1347 Advisors on March 30, 2012, of its desire to terminate the MSA. Effective April 2, 2012, UIM and 1347 Advisors entered into a Termination Agreement and Release (Termination Agreement) pursuant to which the parties agreed to a mutual termination of the MSA effective immediately. As a result of the foregoing, UIM will no longer be obligated to pay 1347 Advisors the management services fee described above. The Termination Agreement provides that 1347 shall cooperate with us to effect the transition of certain actuarial services to us or another company.

Regarding the transactions described above, we believe that, unless otherwise noted, we obtained terms, or paid or received consideration comparable to the terms available in, or the consideration that would be paid or received in, arm's-length transactions. We follow a formal policy for reviewing related party transactions.

PROPOSAL TWO – RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Audit Committee approved the engagement of McGladrey LLP (McGladrey) as the independent registered public accounting firm to perform an audit of our consolidated financial statements for the fiscal year ending December 31, 2013. McGladrey performed the audit of our 2013 consolidated financial statements. McGladrey advised our Audit Committee that neither it, nor any of its members, has any direct financial interest in UPC Insurance as a promoter, underwriter, voting trustee, director, officer or employee. Though we do not expect a representative of McGladrey to attend our Annual Meeting, if a McGladrey representative does attend, the representative will respond to appropriate questions and will have the opportunity to make a statement if the representative desires to do so.

We hereby ask our stockholders to ratify our Audit Committee's appointment of McGladrey as our independent registered public accounting firm for the 2014 fiscal year. Although neither our Certificate of Incorporation, our By-laws, nor any other document or agreement requires ratification, the Board submits the appointment of McGladrey to our stockholders for ratification because we value our stockholders' views on the appointment of our independent registered public accounting firm. If our stockholders do not ratify the appointment of McGladrey, we will consider such result as a direction from the stockholders to our Board and our Audit Committee to consider the appointment of a different firm and our Audit Committee will reconsider whether to retain McGladrey. In such event, our Audit Committee may retain McGladrey notwithstanding the fact that the stockholders did not ratify the appointment, or may appoint another accounting firm without re-submitting the matter to a stockholder vote. Even if stockholders ratify the appointment, our Audit Committee in its discretion may appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our best interest and, thus, in our stockholders' best interest.

Audit and Related Fees

The following table summarizes the approximate fees McGladrey billed us for services rendered during 2013 and 2012.

	2013		2012	
Audit Fees	\$354,000	¹	\$320,000	³
Audit-Related Fees	—		—	
Tax Fees	18,300	²	18,300	²
All Other Fees	—		—	

¹ Amount includes approximately \$19,000 related to audit services rendered in connection with S-1 and S-3 filings in 2013.

² Amount includes fees billed for assistance with the filing of our tax return.

³ Amount includes approximately \$50,000 related to audit services rendered in connection with our public offering in 2012.

McGladrey billed us during 2013 and 2012 for professional services rendered, including the audit of our consolidated financial statements for those years and audit-related services requiring review of various SEC filings.

Audit Committee Approval of Independent Registered Public Accounting Firm

Our Audit Committee approved the appointment of, and the fees for, audit and tax services performed by, our independent registered public accounting firm for 2013 and 2012.

Audit Committee's Pre-Approval Policies and Procedures

Our Audit Committee requires that management obtain the prior approval of the Audit Committee for all audit and permissible non-audit services that our independent registered public accounting firm will provide. At regular meetings or as needed during the year, the Audit Committee reviews and approves proposals for such services, including the estimated fees the independent registered public accounting firm will charge. The Audit Committee Chairman may approve permissible non-audit services costing up to \$10,000, with subsequent notification to the full Audit Committee.

Recommendation of the Board

The Board recommends a vote FOR ratification of the appointment of McGladrey LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014.
