Item 8.01 Other Events

As previously disclosed, on January 3, 2014, Verso Paper Corp. (“Verso”), Verso Merger Sub Inc., an indirect, wholly owned subsidiary of Verso (“Merger Sub”), and NewPage Holdings Inc. (“NewPage”) entered into an Agreement and Plan of Merger (the “Merger Agreement”), pursuant to which Merger Sub will merge with and into NewPage on the terms and subject to the conditions set forth in the Merger Agreement, with NewPage surviving the merger as an indirect, wholly owned subsidiary of Verso (the “NewPage acquisition”). The completion of the NewPage acquisition is subject to customary closing conditions, including antitrust regulatory clearance.

On December 31, 2014, Verso reached a settlement with the United States Department of Justice that will permit Verso to proceed with the NewPage acquisition. As part of the settlement process, the United States filed a civil antitrust lawsuit in the U.S. District Court for the District of Columbia alleging that Verso’s proposed acquisition of NewPage would violate the antitrust laws. At the same time, the United States filed a proposed settlement that, if approved by the court, will resolve the lawsuit and enable the transaction to proceed. The proposed settlement requires the divestiture of NewPage’s paper mills in Biron, Wisconsin, and Rumford, Maine, as previously announced on October 30, 2014. The proposed settlement will be published in the Federal Register and will be subject to public comment, as required by the Antitrust Procedures and Penalties Act (known as the Tunney Act).

Verso expects to complete the NewPage acquisition in early January 2015. NewPage is expected to complete the divestiture of the Biron and Rumford mills to a subsidiary of Catalyst Paper Corporation in connection with Verso’s acquisition of NewPage.

On December 31, 2014, Verso issued a press release regarding the settlement with the Justice Department, which is included as an exhibit to this report.
