Private Placement

On January 24, 2013, National Holdings Corporation (the "Company") entered into a Securities Purchase Agreement (the "Purchase Agreement") with certain accredited investors (the "Purchasers") providing for the issuance and sale of 28,984,921 shares (the "Shares") of the Company's common stock, par value \$0.02 per share (the "Common Stock"), for an aggregate purchase price of approximately \$8,695,000 (the "Purchase Price"). The Company anticipates that the closing of the sale of the Shares will occur on or about January 25, 2013 (the "Closing"). The Company will use the proceeds from the sale of the Shares (i) to repay certain outstanding indebtedness and (ii) for general corporate, working capital and net capital purposes and associated and reasonable costs and fees relating to the transaction.

In connection with the Purchase Agreement, on January 24, 2013, the Company and the Purchasers entered into a Registration Rights Agreement. Pursuant to the Registration Rights Agreement, the Company has agreed to use its commercially reasonable efforts to (i) file with the Securities and Exchange Commission (the "SEC") as soon as practicable but in no event later than 45 days of the date of the Closing, a registration statement covering the resale of all Shares and (ii) have the registration statement be declared effective under the Securities Act of 1933, as amended (the "Securities Act"), as soon as practicable but in no event later than the 90 days or if there is a review of the registration statement by the SEC, 120 days after the date of the Closing. In the event that (1) a registration statement is not declared effective by the SEC on or prior to its required effectiveness date, (2) after the date the registration statement is declared effective by the SEC, (a) a registration statement ceases for any reason, to remain continuously effective or (b) the Purchasers are not permitted to utilize the prospectus included in the registration statement therein to resell the Shares, in each case, for more than an aggregate of 20 consecutive days or 45 days during any 12-month period, or (3) the Company fails to satisfy the current public information requirement pursuant to Rule 144(c)(1) under the Securities Act, it shall pay to each Purchaser an amount in cash equal to 1% of the Purchase Price attributed to the such Purchaser's Shares on the date the failure occurs and every 30 days thereafter, until cured subject to a maximum amount of up to 10% of the aggregate Purchase Price of the Shares.

The description of the Purchase Agreement and the Registration Rights Agreement are summaries and are qualified in their entirety by reference to the copies of the Purchase Agreement attached as hereto as Exhibit 10.1 and the Registration Rights Agreement attached hereto as Exhibit 10.2, each of which is incorporated herein by reference.

Recapitalization

As previously reported, the Company issued and sold to certain accredited investors (the "Series D Holders") units comprised of (i) shares of Series D preferred stock, par value \$0.02 per share (the "Series D Preferred Stock"), convertible into shares of Common Stock, and (ii) warrants exercisable for shares of Common Stock. On January 24, 2013, in connection with Purchase Agreement, the Company entered into a Conversion and Exchange Agreement (the "Series D Conversion and Exchange Agreement") with the Series D Holders pursuant to which, among other things, each Series D Holder will convert all of such Series D Holder's shares of Series D Preferred Stock into 6,000,000 shares of Common Stock in accordance with the terms and conditions of the Certificate of Designation, Preferences and Rights for the Series D Preferred Stock, dated September 29, 2010 (the "Series D Conversion"). The Company anticipates that the closing of the Series D Conversion will occur in conjunction with the Closing. Following the Series D Conversion, no shares of Series D Preferred Stock will be deemed outstanding and all rights of the Series D Holders with respect to the Series D Preferred Stock will terminate, except for the right to receive the number of whole shares of Common Stock issuable upon conversion of the Series D Preferred Stock.

As previously reported, the Company issued and sold to an accredited investor (the "Series E Holder") convertible notes in the aggregate initial principal amount of \$5,000,000 (the "Notes"). The Notes are convertible into units of the Company consisting of (i) the Company's Series E preferred stock, par value \$0.01 per share (the "Series E Preferred Stock"), which are convertible into shares of Common Stock and (ii) a warrant exercisable for shares of Common Stock. In conjunction with the Purchase Agreement, on January 24, 2013, the Company entered into a Conversion and Exchange Agreement (the "Series E Conversion and Exchange Agreement") with the Series E Holder pursuant to which, among other things, (i) the Series E Holder will convert all of the Notes (and all accrued and unpaid interest thereon) into shares of Series E Preferred Stock in accordance with the terms and conditions of the Notes (the "Note Conversion"); and (ii) then the Series E Holder will convert all of its Series E Preferred Stock into 10,000,000 shares of Common Stock in accordance with the terms and conditions of the Certificate of Designation, Preferences and Rights for the Series E Preferred Stock, dated March 30, 2012 (the "Series E Conversion"). The Company anticipates that the closing of the Note Conversion and the Series E Conversion will occur in conjunction with the Closing. Following the Note Conversion and the Series E Conversion, no Notes or shares of Series E Preferred Stock will be deemed outstanding and all rights of the Series E Holder with respect to the Notes and the Series E Preferred Stock issuable to the Series E Holder upon conversion of the Notes will terminate, except for the right to receive the number of whole shares of Common Stock issuable upon conversion of the Series E Preferred Stock.

As previously reported, the Company previously issued warrants (the "Warrants") representing the right to purchase shares of Common Stock to certain investors (the "Warrantholders"), including, with limitation, the holders (the "Series C Holders") (as described more fully in Items 5.03 and 8.02 of this Current Report on Form 8-K) of shares of Series C preferred stock, par value \$0.02 per share (the "Series C Preferred Stock"), the Series D Holders and the Series E Holders. In conjunction with the Purchase Agreement, on January 24, 2013, the Company entered into a Warrant Exchange Agreement (the "Warrant Exchange Agreement") with the Warrantholders pursuant to which, among other things, the Warrantholders will exchange the Warrants for 14,484,758 shares of Common Stock (the "Warrant Exchange"). The Company anticipates that the closing of the Warrant Exchange will occur in conjunction with the Closing. Following the Warrant Exchange, all of the rights of the Warrantholders with respect to the Warrants will terminate, except for the right to receive the number of whole shares of Common Stock issuable upon exchange of the Warrants. Following the Warrant Exchange there will be warrants to purchase 1,990,505 shares of Common Stock issued and outstanding, which include warrants held by certain holders of Series C Preferred Stock.

The descriptions of the Series D Conversion and Exchange Agreement, the Series E Conversion and Exchange Agreement and the Warrant Exchange Agreement are summaries and are qualified in their entirety by reference to the copies of the Series D Conversion and Exchange Agreement attached as hereto as Exhibit 10.3, the Series E Conversion and Exchange Agreement attached hereto as Exhibit 10.4, and the Warrant Exchange Agreement attached hereto as Exhibit 10.5, each of which is incorporated herein by reference.
