**Item 2.02 Results of Operations and Financial Condition**

On March 5, 2014, Energy Recovery, Inc. (the Company”) filed a Current Report on Form 8-K (the “Report) for the purpose of furnishing materials (included in Exhibit 99.1 to the Report) in connection with its earnings press release. Due to a file conversion error in the process of EDGARizing the Consolidated Statement of Cash Flow, Net loss was inadvertently reflected under the caption “Cash Flows from Operating Activities” and Capital expenditures was inadvertently reflected under the caption “Cash Flows from Investing Activities”. The earnings press release as released over the business wire correctly presents the Consolidated Statement of Cash Flows. The Company is filing this amendment to the Report for the purpose of correcting the EDGARized version of the Consolidated Statement of Cash Flows.

The information in this report (including Exhibit 99.1) is being furnished pursuant to Item 2.02 and shall not be deemed to be "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the "Exchange Act") or otherwise subject to the liabilities of that section, nor shall it be deemed to be incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act.
