**Forward Looking Statements**

This Current Report contains "forward-looking statements" made by SPAR Group, Inc. ("SGRP", and together with its subsidiaries, the "SPAR Group" or the "Company"), will be filed shortly in a Current Report on Form 8-K by SGRP with the Securities and Exchange Commission (the "SEC"). There also are "forward looking statements" contained in SGRP's Annual Report on Form 10-K for the year ended December 31, 2016 (the "Annual Report"), which was filed by SGRP with the SEC on April 17, 2017, and SGRP's definitive Proxy Statement respecting its Annual Meeting of Stockholders held on May 18, 2017 (the "Proxy Statement"), which SGRP filed with the SEC on April 28, 2017, and SGRP's Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other reports and statements as and when filed with the SEC (including the Annual Report and the Proxy Statement, each a "SEC Report"). "Forward-looking statements" are defined in Section 27A of the Securities Act of 1933, as amended (the "Securities Act") and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and other applicable federal and state securities laws, rules and regulations, as amended (together with the Securities Act and Exchange Act, collectively, "Securities Laws").

The forward-looking statements made by the Company in this Current Report may include (without limitation) any expectations, guidance or other information respecting the pursuit or achievement of the Company's corporate

strategic objectives (growth, customer value, employee development, greater productivity & efficiency, and earnings per share), building upon the Company's strong foundation, leveraging compatible global opportunities, growing the Company's client base and contacts, continuing to strengthen the Company's balance sheet, growing revenues and improving profitability through organic growth, new business developments and strategic acquisitions, and continuing to control costs. The Company's forward-looking statements also include, in particular and without limitation, those made in "Business", "Risk Factors", "Legal Proceedings", and "Management's Discussion and Analysis of Financial Condition and Results of Operations" in the Annual Report. You can identify forward-looking statements in such information by the Company's use of terms such as "may", "will", "expect", "intend", "believe", "estimate", "anticipate", "continue", "plan", "project" or similar words or variations or negatives of those words. You should carefully consider (and not place undue reliance on) the Company's forward-looking statements, risk factors and the other risks, cautions and information made, contained or noted in or incorporated by reference into this Current Report, the Annual Report, the Proxy Statement and the other applicable SEC Reports that could cause the Company's actual performance or condition (including its assets, business, clients, capital, cash flow, credit, expenses, financial condition, income, liabilities, liquidity, locations, marketing, operations, performance, prospects, sales, strategies, taxation or other achievement, results, risks, trends or condition) to differ materially from the performance or condition planned, intended, anticipated, estimated or otherwise expected by the Company (collectively, "expectations") and described in the information in the Company's forward-looking and other statements, whether express or implied. Although the Company believes them to be reasonable, those expectations involve known and unknown risks, uncertainties and other unpredictable factors (many of which are beyond the Company's control) that could cause those expectations to fail to occur or be realized or such actual performance or condition to be materially and adversely different from the Company's expectations. In addition, new risks and uncertainties arise from time to time, and it is impossible for the Company to predict these matters or how they may arise or affect the Company. Accordingly, the Company cannot assure you that its expectations will be achieved in whole or in part, that the Company has identified all potential risks, or that the Company can successfully avoid or mitigate such risks in whole or in part, any of which could be significant and materially adverse to the Company and the value of your investment in SGRP's Common Stock.

You should carefully review the risk factors described in the Annual Report (See Item 1A – Risk Factors) and any other risks, cautions or information made, contained or noted in or incorporated by reference into the Annual Report, the Proxy Statement or other applicable SEC Report. All forward-looking and other statements or information attributable to the Company or persons acting on its behalf are expressly subject to and qualified by all such risk factors and other risks, cautions and information.

The Company does not intend or promise, and the Company expressly disclaims any obligation, to publicly update or revise any forward-looking statements, risk factors or other risks, cautions or information (in whole or in part), whether as a result of new information, risks or uncertainties, future events or recognition or otherwise, except as and to the extent required by applicable law.
