(e) 2012 Hovnanian Enterprises, Inc. Amended and Restated Stock Incentive Plan

On March 19, 2019, Hovnanian Enterprises, Inc. (the “Company”) held its 2019 Annual Meeting of Stockholders (the “2019 Annual Meeting”) at which the Company’s stockholders approved a further amended and restated 2012 Hovnanian Enterprises, Inc. Amended and Restated Stock Incentive Plan (as so amended and restated, the “Amended Plan”), which had been previously recommended for approval by the Company’s Compensation Committee of the Board of Directors and previously approved by the Company’s Board of Directors, in each case, subject to stockholder approval. The Amended Plan became effective as of the date of such stockholder approval.

The Amended Plan is substantially the same as the 2012 Hovnanian Enterprises, Inc. Amended and Restated Stock Incentive Plan (as amended through January 2016) (the “Existing Plan”), except that the Existing Plan has been amended and restated to increase by 5,300,000 the number of shares of common stock authorized for issuance thereunder. The Amended Plan also reflects technical updates to remove certain provisions of the Existing Plan (including annual limitations on equity award grants) related to Section 162(m) of the Internal Revenue Code which were no longer required in light of the Tax Cuts and Jobs Act of 2017, and to reflect new minimum vesting conditions applicable to certain future award grants under the Amended Plan.

The material features of the Amended Plan are described in the Company’s definitive Proxy Statement filed on February 4, 2019 in connection with the 2019 Annual Meeting (the “Proxy Statement”), which description is filed herewith as Exhibit 99.1 and incorporated herein by reference. The above and the incorporated description of the Amended Plan are qualified in their entirety by reference to the Amended Plan, which is filed herewith as Exhibit 10.1 and incorporated herein by reference.

Item 5.07. Submission of Matters to a Vote of Security Holders.

The Company held its 2019 Annual Meeting on March 19, 2019. The matters voted upon at the 2019 Annual Meeting and the final results of the votes were as follows:

(1) *Election of all directors of the Company to hold office until the next annual meeting of stockholders and until their respective successors have been duly elected and qualified.* Abstentions and broker non-votes had no effect on the outcome because such shares were not considered votes cast. The elected directors were:

Item 8.01. Other Events.

On March 19, 2019, at the 2019 Annual Meeting, the Company's stockholders approved amendments to the Company's Restated Certificate of Incorporation as described under Item 5.07 of this Current Report on Form 8-K, thereby

authorizing the Board of Directors of the Company (the “Board”), at any time on or prior to August 31, 2019 and without further action on the part of the Company’s stockholders, as it determines in its sole discretion to be in the best interests of the Company and its stockholders, to elect to effect the reverse stock split as described in the Proxy Statement and if so, to determine the final reverse stock split ratio among one of the four alternative amendments approved by the Company’s stockholders.

On March 19, 2019, after the results of the 2019 Annual Meeting as set forth in Item 5.07 of this Current Report on Form 8-K became available, the Board approved a reverse stock split (the “Reverse Stock Split”) of the Company’s common stock at a ratio of 1-for-25, and a corresponding decrease in the number of authorized shares of the common stock.

The Reverse Stock Split will become effective upon the date and time set forth in the stockholder-approved Certificate of Amendment to the Company's Restated Certificate of Incorporation to be filed with the Secretary of State of the State of Delaware, which the Company expects will be on or about March 29, 2019. When the Reverse Stock Split becomes effective, 25 issued shares (including treasury shares) of Class A Common Stock, par value \$0.01 per share (the "Class A Common Stock"), will be combined into one share of Class A Common Stock, and 25 issued shares (including treasury shares) of Class B Common Stock, par value \$0.01 per share (the "Class B Common Stock"), will be combined into one share of Class B Common Stock. In addition, the number of authorized shares of the Class A Common Stock will be decreased from 400,000,000 to 16,000,000 and the number of authorized shares of the Class B Common Stock will be decreased from 60,000,000 to 2,400,000. The Reverse Stock Split will become effective as to both Class A Common Stock and Class B Common Stock at the same 1-for-25 ratio. No fractional shares will be issued in connection with the Reverse Stock Split. Shareholders otherwise entitled to receive a fractional share as a result of the Reverse Stock Split will receive a cash payment in lieu of such fractional shares. In addition, the aggregate number of equity-based awards that remain available to be granted under the Company's equity compensation plans will be decreased proportionately and proportionate adjustments will be made to the per-share exercise price, share-based vesting criteria and the number of shares issuable upon the exercise of our outstanding stock options, as well as to the number of shares that would be owned upon vesting and settlement of restricted stock units and other equity-based awards.

When the Reverse Stock Split becomes effective, the number of Preferred Stock Purchase Rights, representing the right to purchase from the Company 1/10,000th of a share of Series B Junior Preferred Stock issuable pursuant to the Rights Agreement, dated as of August 14, 2008, as amended by Amendment No. 1 thereto, dated as of January 11, 2018, by and between the Company and Computershare Trust Company, N.A., as Rights Agent (as successor to National City Bank), will contemporaneously be decreased in proportion to the same 1-for-25 ratio. The Reverse Stock Split will not affect the Company's 7.625% Series A Preferred Stock or the Depositary Shares representing 1/1,000th of a share of such Series A Preferred Stock and will also not affect the Company's authorized number of shares of preferred stock.

When the Reverse Stock Split becomes effective, the Class A Common Stock will continue to trade, on a split-adjusted basis, on the New York Stock Exchange under the symbol "HOV", although a new CUSIP number will be assigned as a result of the Reverse Stock Split.
