FOR IMMEDIATE RELEASE

BROWN-FORMAN CHAIRMAN OWSLEY BROWN II AND INCOMING CHIEF EXECUTIVE OFFICER
PAUL VARGA ADDRESS ANNUAL SHAREHOLDERS' MEETING
Board Re-elected; Dividend Declared

Louisville, KY, July 28, 2005 - Brown-Forman Corporation Chairman and Chief Executive Officer Owsley Brown II and incoming Chief Executive Officer Paul C. Varga addressed shareholders today at Brown-Forman's annual meeting. When discussing results for the fiscal year ended April 30, 2005, Brown stated, "It was a record-breaking year."

Brown-Forman shareholders celebrated one of the best years in the company's 135-year history. For fiscal 2005, the company's earnings per share increased 21% to \$2.52, led by the performance of Jack Daniel's Tennessee Whiskey. The company's most important brand registered volume gains for the 13th consecutive year, recording the largest year of depletion(a) growth in the brand's history. Shareholders enjoyed a 21% return(b) on their investment for the fiscal year, as the company outperformed comparable period growth of 6% for the S&P 500 index.

(a) Depletions represent shipments from wholesale distributors to retailers and are commonly used in the wine and spirits industry as an approximation of consumer demand.

(b) Defined as share price appreciation including dividend reinvestment.

Brown also noted that the company is experiencing a very strong start to its fiscal 2006. However, the net effect of the expected sale of Lenox and the termination of the company's distribution rights for the Glenmorangie family of brands, combined with the absence of the fiscal 2005 one-time gain on the sale of the company's investment in Glenmorangie, will mask continued underlying robust growth of the base beverage business.

In formal action, Brown-Forman's shareholders re-elected all 13 members of the company's Board of Directors: Ina Brown Bond; Patrick Bousquet-Chavanne; Barry D. Bramley; George Garvin Brown III; Owsley Brown II; Donald G. Calder; Owsley Brown Frazier; Richard P. Mayer; Stephen E. O'Neil; Matthew R. Simmons; William M. Street; Dace Brown Stubbs; and Paul C. Varga.

At its meeting, the Board of Directors approved a regular quarterly cash dividend of 24.50 cents per share on Class A and Class B Common Stock. Stockholders of record on September 8, 2005 will receive the cash dividend on October 1, 2005. Brown-Forman has paid regular quarterly cash dividends for 60 consecutive years.

Brown-Forman Corporation is a diversified producer and marketer of fine quality consumer products, including Jack Daniel's, Southern Comfort, Finlandia Vodka, Canadian Mist, Fetzer and Bolla Wines, Korbel California Champagnes, Lenox, Dansk, and Gorham tableware and giftware and Hartmann Luggage.

IMPORTANT INFORMATION ON FORWARD-LOOKING STATEMENTS

This news release contains statements, estimates, or projections that constitute "forward-looking statements" as defined under U.S. federal securities laws. Generally, the words "expect," "believe," "intend," "estimate," "will," "anticipate," and "project," and similar expressions identify a forward-looking statement, which speaks only as of the date the statement is made. Except as required by law, we do not intend to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise.

We believe that the expectations and assumptions with respect to our forward-looking statements are reasonable. But by their nature, forward-looking statements involve known and unknown risks, uncertainties and other factors that in some cases are out of our control. These factors could cause our actual results to differ materially from Brown-Forman's historical experience or our present expectations or projections. Here is a non-exclusive list of such risks and uncertainties:

- changes in general economic conditions, particularly in the United States where we earn the majority of our profits;
- a strengthening U.S. dollar against foreign currencies, especially the British Pound;
- reduced bar, restaurant, hotel and travel business in wake of other terrorist attacks, such as occurred on 9/11;
- developments in the class action lawsuits filed against Brown-Forman and other spirits, beer and wine manufacturers alleging that our advertising causes illegal consumption of alcohol by those under the legal drinking age, or other attempts to limit alcohol marketing, through either litigation or regulation;
- a dramatic change in consumer preferences, social trends or cultural trends that results in the reduced consumption of our premium spirits brands;
- tax increases, whether at the federal or state level;
- increases in the price of grain and grapes;

Edgar Filing: BROWN FORMAN CORP - Form 8-K

- continued depressed retail prices and margins in our wine business because of our excess wine inventories, existing grape contract obligations, and a world-wide oversupply of grapes; and
- the effects on our Consumer Durables business of the general economy, department store business, response rates in our direct marketing business, and profitability of mall outlet operations.
