Item 1.01 Entry into a Material Definitive Agreement.

Transaction Agreement

On August 13, 2017, Transocean Ltd., a Swiss corporation (“Transocean”), Transocean Inc., a Cayman Islands exempted company and wholly owned subsidiary of Transocean, and Songa Offshore SE, a European public company limited by shares (or *societas Europaea*) existing under the laws of Cyprus (“Songa”), entered into a transaction agreement (the “Transaction Agreement”), pursuant to which Transocean will, subject to certain conditions, offer to acquire all of the outstanding shares of Songa (the “Transaction”).

Pursuant to the Transaction Agreement, Transocean and Transocean Inc. or another wholly owned subsidiary of Transocean Ltd. (collectively referred to as the “Offeror”) will make a public voluntary exchange offer (the “Offer”) to exchange each share of Songa (the “Songa Shares”) for consideration consisting of a combination of (i) newly issued shares of Transocean, par value CHF 0.10 per share (the “Consideration Shares”), and (ii) senior unsecured exchangeable bonds convertible into new shares of Transocean (the “Exchangeable Bonds”). As part of the Offer, each Songa shareholder may also elect to receive an amount in cash of up to NOK 125,000 (the “Cash Election”) in lieu of some or all of the Exchangeable Bonds and Consideration Shares such shareholder would otherwise be entitled to receive in the Offer (the value of such cash and the value of the aggregate number of Consideration Shares and Exchangeable Bonds to be delivered per Songa Share, the “Offer Price”). The Offer Price shall be equal to NOK 47.50 per Songa Share. The value of each Consideration Share delivered in the Offer is NOK 66.4815, which is based on the USD 8.39 per share closing price of the registered shares of Transocean on the New York Stock Exchange (the “NYSE”) and the NOK/USD closing price of 7.9239 as determined by Norges Bank, each on August 14, 2017 (being the trading day immediately prior to the announcement of the Offer). The value of each Exchangeable Bond delivered in the Offer will be the nominal amount of such Exchangeable Bond. The number of Consideration Shares and Exchangeable Bonds issued to (a) each Songa shareholder who accepts the Offer and (b) any Songa shareholder in connection with any mandatory offer in accordance with the rules of chapter 6 of the Norwegian Securities Trading Act 2007 or compulsory acquisition following the completion of the Offer, in each case, will be rounded down to the nearest whole number of Consideration Shares or Exchangeable Bonds, as applicable. The aggregate Offer Price paid to each Songa shareholder participating in the Offer will be comprised, as near as possible, of 50% Consideration Shares and 50% Exchangeable Bonds, with any exercise by such shareholder of the Cash Election being deducted first from the aggregate number of Exchangeable Bonds issued to such shareholder and second from the aggregate number of Consideration Shares issued to such shareholder.

Pursuant to the Transaction Agreement and subject to making the Offer, the Offeror will also make an offer (the “Bond Offer”) to the holders (the “Bondholders”) of Songa bonds of the series SONG04 (ISIN NO 001 062875.3) (“SONG04 Bonds”) and SONG05 (ISIN NO 001 064940.3) (“SONG05 Bonds”, and together with SONG04 Bonds the “Bonds”) to exchange (i) each SONG04 Bond for Exchangeable Bonds, cash or a combination thereof in a total amount equal to 103.5% of the principal amount of such bonds and (ii) each SONG05 Bond for Exchangeable Bonds, cash or a combination thereof in a total amount equal to 101% of the principal amount of such bonds (the value of the Exchangeable Bonds and/or cash to be delivered per Bond, the “Bond Offer Price”), in each case plus accrued interest up to completion. Subject to making the Offer, the Offeror will also issue to Perestroika AS (“Perestroika AS”) Exchangeable Bonds in exchange for its USD 50 million loan to Songa (the “Loan”) in a total amount equal to 100% of the principal amount of the Loan, plus accrued interest until the time of the completion of such exchange.

The Transaction Agreement also provides that Perestroika AS shall have the right, conditional upon completion of the Offer, to designate one individual for election to the Board of Directors of Transocean (the “Perestroika Designee”), which designee shall be Mr. Frederik Mohn, Chairman of Songa and an affiliate of Perestroika AS. The Perestroika Designee shall be submitted as a director nominee for election by Transocean’s shareholders at an extraordinary general meeting of Transocean’s shareholders.

The Transaction Agreement was approved by the Board of Directors of each of Transocean, Transocean Inc. and Songa. The consummation of the Offer is subject to the satisfaction of customary closing conditions, including, among others (i) acceptance by shareholders representing more than 90% of the total share capital of Songa on a fully diluted basis and representing more than 90% of the votes which can be exercised in the general meeting of Songa, (ii) receipt of all governmental and regulatory approvals, (iii) the absence of any court, governmental or regulatory action restraining or prohibiting the completion of the Offer or imposing conditions upon the Offer that the Offeror, in its sole discretion,

determines to be unduly burdensome, (iv) the absence of certain changes or decisions to make changes to the share capital of Songa, (v) prior to the completion of the Offer, there shall have been no material adverse change (as defined in the Transaction Agreement), (vi) (a) approval by Transocean's shareholders of the issuance of the Consideration Shares and the creation of certain additional authorized share capital and (b) registration of the Consideration Shares with the Swiss commercial register, (vii) listing on the NYSE of the Consideration Shares and the Transocean shares issuable upon conversion of the Exchangeable Bonds, (viii) the declaration of effectiveness of one or more registration statements on Form S-4 with respect to the Offer (or a Form CB having been filed by Transocean with respect to the Offer), (ix) the information about Songa provided to the Offeror remaining accurate in all material respects, (x) compliance by Songa with its obligations under the Transaction Agreement in all material respects, and (xi) the election of the Perestroika Designee to the Transocean board of directors at the Transocean extraordinary general meeting and (xii) to the extent the Offer is commenced prior to September 17, 2017, the Offeror concluding its confirmatory due diligence on or prior to September 17, 2017, without any findings that are material to the business or value of Songa.

Each of Songa and Transocean has agreed to various customary covenants and agreements, including covenants to conduct its respective business in the ordinary course and in accordance with past practice and applicable laws prior to the completion of the Offer. Songa has also agreed not to (i) solicit proposals relating to certain alternative transactions or (ii) enter into discussions or negotiations or provide non-public information in connection with any proposal for an alternative transaction from a third party, subject to certain exceptions to permit Songa's board of directors to comply with its fiduciary duties. Notwithstanding these restrictions, under specified circumstances Songa's board of directors may change its recommendation and may also terminate the Transaction Agreement to accept a superior proposal.

The Transaction Agreement may be terminated under certain circumstances, including (in each case subject to certain exceptions) (i) if the Offer has not been completed by the long stop date under the Transaction Agreement of January 31, 2018 (as the long stop date may be extended, the "long stop date"), (ii) a change in recommendation regarding the Offer by the Songa Board, (iii) a material breach of the Transaction Agreement by either party or by shareholders who have executed Pre-acceptances (as defined below) representing a specified percentage of the total share capital of Songa, (iv) the occurrence of a material adverse change relating to Songa, (v) failure to receive the Pre-acceptances from shareholders representing a specified percentage of the total share capital of Songa, (vi) Pre-acceptances representing a specified percentage of the total share capital of Songa ceasing to remain in full force and effect, (vii) the Offeror making findings in its confirmatory due diligence that are material to the business or value of Songa, (viii) following the occurrence of any event that makes any of the conditions to the Offer described above incapable of satisfaction prior to the long stop date or (ix) by mutual consent of the parties.

The foregoing description of the Transaction Agreement does not purport to be complete and is qualified in its entirety by reference to the Transaction Agreement, a copy of which is filed herewith as Exhibit 2.1 and is incorporated herein by reference.

Pre-acceptances

Simultaneously with the execution of the Transaction Agreement, Perestroika AS executed an irrevocable pre-acceptance agreement (the "Perestroika AS Pre-acceptance"), pursuant to which Perestroika AS irrevocably and unconditionally agreed to exchange all of its Songa Shares (including any shares acquired after the date of the Perestroika AS Pre-acceptance and any shares acquired upon exercise, exchange or conversion of any other securities

to acquire Songa Shares) in the Offer. As part of the Perestroika AS Pre-acceptance, Perestroika also agreed to (1) sell and exchange with the Offeror all Bonds owned by Perestroika AS for the applicable Bond Offer Price and (2) sell and exchange all Perestroika AS's holdings in the USD 50 million loan to Songa for Exchangeable Bonds in a total amount equal to 100% of the principal amount of the Loan, plus accrued interest until the time of the completion of such exchange.

The Offeror has also entered into similar irrevocable pre-acceptances of the Offer with certain funds affiliated with Asia Research & Capital Management Ltd., York Capital Management and Songa's directors (collectively, the "Post-Execution Pre-acceptances" and together with the Perestroika AS Pre-acceptance, the "Pre-acceptances"). Collectively, the Pre-acceptances represent approximately 76.6% of all Songa Shares on a fully diluted basis.

The Pre-acceptances (as applicable) terminate, among other events, in the event that the Offer has lapsed as a result of the conditions to completion of the Offer not having been fulfilled or waived by the Offeror, subject to certain exceptions, as of January 31, 2018. The Perestroika AS Pre-acceptance also terminates if (1) a material adverse change

(as defined in the Perestroika AS Pre-acceptance) with respect to Transocean and its subsidiaries has occurred or
(2) Transocean's shareholders fail to approve the election of the Perestroika Designee.

The foregoing description of the Pre-acceptances does not purport to be complete and is qualified in its entirety by reference to the forms of Pre-acceptance, copies of which are filed herewith as Exhibits 10.1, 10.2 and 10.3 and are incorporated herein by reference.

The Transaction Agreement and Pre-acceptances have been included to provide investors with information regarding their terms. They are not intended to provide any other factual information about Transocean or Songa or their respective subsidiaries or affiliates or to modify or supplement any factual disclosures about Transocean in its public reports filed with the Securities and Exchange Commission (the "SEC") or in Songa's reports made publicly available. The representations, warranties and covenants contained in the Transaction Agreement and the Pre-acceptances were made only for purposes of such agreements and as of specific dates, were solely for the benefit of the respective parties to such agreements, may be subject to limitations agreed upon by the contracting parties, including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the respective parties to such agreements instead of establishing these matters as facts, and may be subject to standards of materiality that differ from those applicable to investors. Investors should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of the parties thereto or of any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of representations and warranties may change after the date of the Transaction Agreement and the Pre-acceptances, which subsequent information may or may not be fully reflected in Transocean's or Songa's respective public disclosures.
